Honorable City Council:

Re: Petition No. 0487-F. Matthew Ray/Dickinson Wright, PLLC., requesting commercial alley closure in the area of Grand River, Telegraph and Dale street.

Petition No. 0487 of "F. Matthew Ray/Dickinson Wright, PLLC.", request the conversion of the east-west public alley, 20 feet wide, in the block bounded by Telegraph Road, Grand River Avenue, Dale and Clarita streets into a private easement for public utilities.

The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report.

The alley closing is being developed by "Grand Telegraph Development, Co.", to

facilitate construction of a new Arbor Drug Store.

The Detroit Water and Sewerage Department (DWSD) reports there is an existing 10" sewer in the above mentioned east-west public alley. DWSD has no objection to the requested conversion to easement provided that an easement of the full width of the alley is reserved.

The alley closing was approved by the Solid Waste Division-DPW, Traffic Engineering Division-DPW. All other involved city departments and privately owned utility companies reported no objections to the conversion of public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respected submitted,
SUNDAY A. JAIYESIMI

City Engineer
