Honorable City Council:

Re: Transfer of Funds between Appropriations

The current spending levels and patterns in the Police Department cannot be sustained through the balance of the fiscal year without a transfer of funds between appropriations. The major causes of these variances are the following:

- Overtime and holiday premium expenditures being made at a higher level than contemplated at the time the budget was adopted;
- Pension, hospitalization, and other fringe benefit costs being charged at a higher level than provided for in the budget;
- Secret service expenditures being incurred at a substantially higher level than in recent years, and
- The deployments of personnel in different patterns than were contemplated at the time the budget was adopted.

In order to remedy these imbalances and allow the Police Department to continue its operations through the balance of the current fiscal year, it will be necessary to transfer funds between appropriations. The attached resolution has been prepared for the consideration of your Honorable Body, and its adoption is recommended.

Respectfully submitted,
ISAIAH MCKINNON, Ph.D.
 Chief of Police

Honorable City Council:

Re: Petition No. 1714 — Woodbridge Investment Company. Requested outright alley vacation, in the block bounded by Schweitzer, Franklin, Woodbridge and Rivard

Petition No. 1714 request the outright vacation of the east-west public alley, 15 ft. wd., in the block bounded by Schweitzer Place, Rivard St., Franklin St., and Woodbridge St.

The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

The Detroit Water and Sewerage Department (DWSD) has an existing 15" x 20" sewer in the east-west alley bounded by Schweitzer Place, Woodbridge, Rivard and Franklin. DWSD has no objection to the requested outright vacation of the public alley if petitioner owns the abutting lots 31-36 and lots 19-24.

The Traffic Engineering Division-DPW have no objection to the outright vacation of the east-west alley in the block bounded by Schweitzer Place, Rivard, Franklin and Woodbridge provided 100% of the abutting property owners' signatures are obtained.

On March 20, 1998, the Woodbridge Investment Company provided, the Consent and Waiver of Objection signed by the Senior Warden at Christ Church of Detroit.

City departments and privately owned utility companies reported no objection to said outright vacation.

I am recommending adoption of the attached resolution.

Respectfully submitted,
