Department of Public Works City Engineering Division

September 21, 1999

Honorable City Council:

Re: Petition No. 2342 — "Lutheran Brothers, Inc.," requesting conversion to easement(s) of Wabash Street and a public alley in the area bounded by 14th St., Lafferty Pl., Howard and Porter.

Petition No. 2342 of "Lutheran Brothers, Inc." requests the conversion of Wabash Street (variable width) and the north-south public alley, 20 feet wide, in the area bounded by 14th Street, Lafferty Place, Howard Street and Porter Street into easement(s) for public utilities.

The requested conversion(s) was approved by the Planning and Development Department. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Lutheran Brothers, Incorporated intends to expand its existing business by increasing its loading docks, as well as, providing a landscaped secured parking environment.

This project is within the "Empowerment Zone" and the "West Side Industrial Park."

City departments and privately-owned utility companies have reported no objections to the conversion of public rights-of-way into a utility easement. Provisions protecting utility installations are part of the resolution.

The adoption of the attached resolution is recommended.

Respectfully submitted,
SUNDAY JAIYESIMI
