May 18, 1999

Honorable City Council:

Re: Petition No. 876; 7 Mile Gratiot, L.L.C., request for vacation and conversion to easement of certain alleys in the area of Gratiot & E. Seven Mile Road.

Petition No. 876 of "7 Mile Gratiot, L.L.C." requests the conversion of certain public alleys, variable widths, in the area

bounded by Hoyt Street, Gratiot Avenue, East Seven Mile Road and Maddelein Avenue into private easements for public utilities.

The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

The public right-of-way closings are being re-developed, to facilitate construction of a new Walgreen's store.

The Detroit Water and Sewerage Department (DWSD) reports there are existing sewers and water mains, in the area to be closed. DWSD has no objection to the requested conversion to easement(s) provided that an easement of the full width is reserved.

The alley closure(s) was approved by the Solid Waste Division-DPW, Traffic Engineering Division-DPW. All other involved city departments and privately owned utility companies reported no objections to the conversion of public rights-of-way into private easement(s) for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
SUNDAY A. JAIYESIMI
City Engineer

FIRST, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley(s) herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas line or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

SECOND, said utility easement or right-of-way in and over said vacated alley(s) herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for

ingress and egress at any time to and over said utility easement(s) with any necessary equipment to perform the above mentioned tasks, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

THIRD, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, (except necessary line fences; said fence and gate installations shall be subject to the review and approval of the Fire Marshall and Buildings and Safety Engineering Department, if necessary) shall be built or placed upon said easement(s), nor change or surface grade made, without prior approval or the City Engineering Division-DPW.

FOURTH, that if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement(s), such owners, shall pay all costs incidental to such removal and/or relocation, unless such changes are waived by the utility owners,

FIFTH, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all cost incidental to the repair of such broken or damaged utility; and further

Provided, that if it becomes necessary to remove the paved alley return at the entrances (into E. 7 Mile Road and into Maddelein Ave), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division-DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, an easement, the full width of the existing right(s)-of-way, is reserved for the Detroit Water and Sewerage Department of the purpose of installing, maintaining, repairing, removing, or replacing and sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and further

Provided, Free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment including the use of back-hoes, bulldozers, cranes or pipe

trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and further

Provided, the Detroit, Water and Sewerage Department retains the right to install suitable permanent main location guide posts over its water mains at reasonable intervals and at points of deflection; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds; and be it further

Resolved, the Finance Director is hereby authorized to issue quit-claim deeds to transfer the following vacated public rights-of-way for the fair market value and/or other valuable consideration:

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 18, Article IX, of the 1984 Detroit City Code to Add Division 7 Entitled 'Sale of Tax Liens'

In accordance with the applicable provisions of the 1997 Detroit City Chapter, the above-referenced proposed ordinance is being submitted to your Honorable Body for approval. This proposed ordinance amends Chapter 18, Article IX, of the 1984 Detroit City Code to add Division 7 entitled 'Sale of Tax Liens'.

The Delinquent Tax Program anticipates the sale of delinquent tax liens that are related to commercial, industrial, and non-homestead residential properties. However, the above-referenced ordinance must be passed by your Honorable Body

before the City of Detroit is able to proceed with the sale of such tax liens. Therefore, we request that your Honorable Body introduce this proposed ordinance at your next formal session which is scheduled for May 26, 1999, and set a public hearing for the following week. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have regarding this proposed ordinance. Thank you for your consideration.

Respectfully submitted,

VALERIE L. JOHNSON

Finance Director

By Council Member S. Cockrel:

AN ORDINANCE to amend Chapter 18, Article IX, of the 1984 Detroit City Code by adding Division 7, titled 'Sale of Tax Liens', which shall consist of Sections 18-9-111 through 18-9-118, to define the terms 'purchase and sale agreement', 'tax lien', 'tax lien collateralized securities', and 'tax lien entity of the City'; to authorize the Finance Director to make certain determinations and to take certain actions in connection with the sale of tax liens in accordance with the Michigan Tax Lien Sale and Collateralized Securities Act, being MCL 211-921 et seq; MSA 7.756(1) et seq. and Section 8-403(5) of the 1997 Detroit City Charter; to provide for appropriate hardship protection for homestead properties in connection with the sale of such liens; to require that the City provide notice of sale to prior purchasers of such liens; to require that the City provide notice of the identify of previous purchasers of such liens to the subsequent purchasers of such liens; to require that the purchase and sale agreement contain an acknowledgment that the subsequent tax lien purchaser has received notice of prior tax lien purchasers; to provide for other provisions that are required to be contained within the purchase and sale agreement; to authorize tax lien purchasers to use procedures and financial inducements that are available to the City; to provide for a review by the Detroit City Council of the procedures and protections that are contained within this division; and to provide that the Finance Director submit a report to the Detroit City Council two (2) years following enactment of this division and after initial sale of such liens to review the status of tax lien sales.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 18, Article IX, of the 1984 Detroit City Code be amended by
