Honorable City Council:
 Re: Petition No. 1109 — Pentecostal Church of God, et al, requesting closure of the commercial alley in the area of 9244 Delmar St. and Chrysler Service Drive.

Petition No. 1109 of "Pentecostal Church of God, et al," request the conversion of the north-south public alley, 18 feet wide, in the block bounded by Delmar Avenue, 50 feet wide, Westminister

Avenue, 50 feet wide, Owen Avenue, 60 feet wide, Cardoni Avenue, 50 feet wide and the Chrysler Freeway Service Drive, into a private easement for public utilities.

The request was approved by the Solid Waste Division - DPW, and the Traffic Engineering Division - DPW. The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

The petitioner plans to use the paved street return entrance (into Westminister and Owen Avenues) and request such remain in their present status. The petitioner shall pay all incidental removal costs whenever discontinuance of use makes removal necessary.

All other city departments and privately owned utility companies have reported no objections to the conversion of public

rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

By Council Member Everett:
