Honorable City Council:

Re: Petition No. 1909 — Greater Corktown Economic Development Corp., for conversion of alley to easement in the area of Michigan, Vermont and Wabash.

Petition No. 1909 of "Greater Corktown Economic Development Corp.," requests on behalf of Emanuel DeBono, The DeBono Company, at 2015 Michigan Avenue, Detroit, Michigan 48216, the conversion of a portion of the east-west pub-

lic alley, 20 feet wide in the block bounded by Wabash Avenue, 65 feet wide, Vermont Avenue, 70 feet wide, Dalzelle Avenue, 70 feet wide and Michigan Ave., 120 feet wide into a private easement for public utilities.

The requested conversion has been approved by the Solid Waste Division — DPW and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The petitioner plans to use the paved alley return entrances (into Vermont), and requests such remain in its present status. The adjoining property owners shall pay all incidental removal costs whenever discontinuance of use makes removal necessary

All other city department and privately owned utility companies have reported no objection to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI
