Honorable City Council:

Re: Petition #3061: Metri Duley. Requesting alley vacation in the area of Linwood, Lamothe, LaSalle Blvd., Lothrop.

The above named petitioner has requested that the alley bounded by Linwood, Lamothe, LaSalle, Lothrop Streets be vacated and converted to an easement.

The above-referenced petition has been filed with the Detroit City Council by more than two-thirds of the abutting property owners, as required by the Detroit City Code, Article VI, Section 50-6-1. In this instance there is 100% property owner signature in support of this request. Our investigation of this petition discloses the following:

1. That the alley does not serve as the sole means of ingress/egress to any of the garages on the abutting property.
2. The public utilities located in the alley can be properly served if this alley is converted to an easement.
3. The alley is not required for municipal services (trash collection).
4. No objections to this alley vacation have been received from utilities or city departments following notification of this request.

It is therefore the recommendation of the Planning and Development Department that this request for alley closure be granted.

Respectfully submitted,  
PAUL A. BERNARD  
Director

Honorable City Council:

Re: Correction of Legal Description. Development Disposition: Parcel A, located on the North side of Kercheval between Holcomb and Belvidere.

On June 19, 2000, (Legal News, Page 9), your Honorable Body authorized the sale of the captioned property to Kercheval Place LDHALP, a Michigan Limited Dividend Housing Association Limited Partnership for the amount of \$20,000.00. The developer proposes to build twenty-four (24) two story townhouse/multi-family units with a paved surface parking lot for the storage of licensed operable vehicles. This use was granted by the Board of Zoning Appeals on March 13, 2000.

It has come to our attention that there was an error in the legal description.

We, therefore, request that your Honorable Body adopt the attached reso-
