Honorable City Council:

Re: Petition No. 475 — Kap's Wholesale Foods, et al., for conversion of alley to easement in the area of Alfred, Orleans, Division and Riopelle.

Petition No. 475 of "Kap's Wholesale Foods, et. al.", request the conversion of the east and west open public alley, 10 and 20 feet wide, in the block bounded by Alfred Street, 50 feet wide, Division Street, 50 feet wide, Riopelle Street, 77

feet wide, and Orleans Street, 50 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley return entrance (into Riopelle and Orleans Streets), the petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 SUNDAY JAIYESIMI
 City Engineer
