Re: Petition #1130—Requesting Outright Vacation of the E-W Alley in the Block Bounded by McClellan, May, Harper and Peter Hunt.

The above-referred petition has been filed with the Detroit City Council by Copper Leaf Inc. at 719 Griswold St., Detroit, Michigan 48226. The petition was referred to Planning and Development for an investigation (utility review) and report. Our investigation of this petition discloses the following:

1. All private utility companies have reported no involvement in above mentioned public alley.
2. The Detroit Public Lighting Department (PLD) and Detroit Water and Sewerage Department (DWSD) has no existing facilities within this area.
3. The request for outright vacation was approved by DPW Traffic Engineering, Public Lighting and Detroit Water and Sewerage Department.
4. Subject alley will be used solely as a side-yard for two of five (5) new houses to build in the May Street Project.
