Honorable City Council:

Re: Petition No. 1355 — Detroit Building Authority, for street and alley Abandonment and easement dedication in the area of W. Fort Street, Fisher Freeway Service Drive, McKinstry and Ferdinand.

Petition No. 1355 of the "Detroit

Building Authority" (DBA) is requesting certain changes in public rights-of-way, in the area of Morrell Avenue, 60 feet wide, McKinstry Avenue, 59.41 feet wide, West Fort Street, 100 feet wide and the Fisher Freeway Service Drive, in order to construct a proposed "Emergency Services Center Southwest", (formerly Public Safety Mall). This project will consist of a 65,000 square foot two (2) level structure, with on-site parking, housing a new Police Precinct, Fire Station and a limited operation by the Municipal Parking Department.

The request was approved by Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The Detroit Water and Sewerage Department, Public Lighting Department, DTE — Detroit Edison, DTE — MichCon Gas, SBC and Comcast Cablevision have all reported their involvement. These concerns have been shared with the DBA (the petitioner) and will be addressed during the construction phase.

The Honorable Detroit City Council previously adopted (December 4, 1998; J.C.C. Pgs. 3092-3098) a 'Resolution of Necessity' authorizing the City's power of eminent domain and declaring this project as a public improvement for the benefit and use of the public.

Therefore, in order to implement and facilitate the accomplishment of certain changes in public rights-of-way, such as vacation and removal of streets, alleys or other public ways, and certain utilities and facilities, both public and private, the attached resolution respectfully request the approval of your Honorable Body authorizing the City of Detroit to require that these right-of-way changes take place. A waiver of reconsideration is respectfully requested.

Respectfully submitted,
SUNDAY JAIYESIMI

Honorable City Council:

Re: Petition No. 1620 — Mack/Connor Associates, L.L.C., requesting to vacate the North 10 feet of Old Mack Avenue at Connor Avenue.

Petition No. 1620 of "Mack — Conner Associates, L.L.C.", in care of Sylvia Shelby-Bradley at 243 W. Congress Ste. 350 Rm. 12, Detroit, Michigan 48226 requests to outright vacate the North 10.00 feet of (Old) Mack Avenue, 124 feet wide, between Anderdon Avenue, 60 feet

wide, and Conner Avenue, 109 feet wide, in order to expand the existing building.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearances) and report. This is our report.

SBC Telecommunication reported involvement, but no objection to the proposed change in property.

Detroit Water and Sewerage Department (DWSD) reported there is a 12-inch sewer and a 36-inch water main in Old Mack Avenue, however, DWSD have no objection to the outright vacation provided that the petitioner agrees to maintain a minimum clearance of 3 feet-6 inch horizontal and 1 foot vertical between DWSD facilities and the requested outright vacation.

All other city departments and private utility companies have reported no
