Honorable City Council:
 Re: Petition No. 1838 — Detroit Recreation Department, requesting vacation of a portion of alley and dedication of land for an alley turn around.

Petition No. 1838 of "Detroit Recreation Department" at 65 Cadillac Square, Suite 4000, Detroit, MI 48226, Lee Stephenson — Interim Director, request to outright vacate a portion of the alley turn around (dedicated on February 21, 1951, J.C.C. Pages 332 and 333), and to dedicate land for an alley turn around in the block bounded by St. Patrick Avenue, 60 feet wide, Flanders Avenue, 60 feet wide, Elmo Avenue, 50 feet wide and Gunston Avenue, 80 feet wide.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report:

All other city departments and privately owned utility companies have reported no involvement to the requested right-of-way changes or that satisfactory arrangements have been made. Provisions protecting utility installations (if necessary) are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Honorable City Council:

Re: Implementation of Wage Adjustments and Certain Fringe Benefit Changes for Employees Represented by the Forestry and Landscape Foremen's Union, AFSCME, Local 1206.

The Labor Relations Division has recently reached agreement with the Forestry and Landscape Foremen's Union, AFSCME, Local 1206. Given the

extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the formal contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-2004 Official Compensation Schedule by granting a 2% general wage increase as well as an additional fifty cents per hour to be applied to certain classifications as outlined in the attached schedule A. We are further requesting authorization to implement fringe benefit changes as outlined in Schedule B.

We further respectfully request that your Honorable Body adopt the following
