1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within three (3) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the

owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 14672 San Juan. Name: Arthur Klasky. Date ordered removed: March 12, 2003 (J.C.C.p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 21, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of February 20, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that

conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: Address: 12216 Roselawn. Name: Eric Purdue. Date ordered removed: March 26, 2003 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 28, 2003 revealed the building is secured and appears to be sound and repairable.

The owner will pay the current taxes at the closing.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

Honorable City Council:

Re: Address: 10218 Fenkell. Name: Armie J. Pritchett. Date ordered removed: July 15, 2002 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 2, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of October 10, 2002.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period

of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Respectfully submitted,

Honorable City Council:
Re: Address: 14047 Piedmont. Name: Thomas J. Miller, Sr.. Date ordered removed: January 27, 2003 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 24, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 23, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

**Economic Development Corporation
of the City of Detroit**

May 16, 2003

Honorable City Council:

The Amended and Restated I-94 Industrial Park Project Plan ("Plan") was approved by the Economic Development Corporation of the City of Detroit (the "EDC") on May 8, 2002 and the City of Detroit City Council ("City Council") on August 2, 2002. The Project is an industrial redevelopment project located in the area bounded by Mt. Elliott, Huber, Grinnell, Van Dyke, St. Cyril, and Miller. The Plan authorizes the acquisition of privately owned property to be combined with the City's ownership within the 189-acre site to provide land for a modern industrial park. The Plan called for the assembled parcels to be sold to Ashley Renaissance Zone, LLC, ("Ashley") an affiliate of Ashley Capital, created for the purpose of developing the project.

EDC and City of Detroit Planning and Development Department ("P&DD") staff have cooperatively engaged in implementing the Project and have assembled the first two developable sites (Area 1 & Area 5) in the industrial park. However given the current economic conditions, Ashley was reluctant to sign a Development Agreement that would commit it to make a substantial investment for speculative space, as contemplated in the RFP and proposed Development Agreement.

Given Ashley's new position and in order to move the development of the industrial park forward, EDC and P&DD recommend the following changes to the Plan:

1. Section I of the Plan is amended to remove reference to Olga Savic in Item No. 1 and Item No. 3 is eliminated in its entirety.

2. Section J of the Plan is eliminated in its entirety and replaced with the following language:

Title to the Project Area, except exempt parcels, will be conveyed to the EDC. The EDC will in turn sell the property and transfer title to a developer selected by the EDC to develop all or a portion of the Project Area in accordance with the terms and conditions of a development agreement to be executed between the EDC and the selected developer as approved by the Planning & Development Department. Certain parcels may be sold to or exchanged with adjacent existing property owners. Land sale proceeds received by the EDC will be utilized for Project costs.

3. Subsection K is amended to read as follows:

Property in the Project Area will be conveyed to the developer selected by the EDC pursuant to a development agreement to be executed between the EDC and the developer as approved by the Planning & Development Department. Certain parcels may be sold or exchanged with adjacent existing property owners under the terms of a development or land transfer agreement with each owner as approved by the Planning & Development Department.

On May 14, 2003, the EDC Board of Directors approved the First Amendment to Amended and Restated Project Plan ("the Amended Plan"), which incorporates all these proposed changes, for recommendations to the City Council. A copy of the Amended Plan is attached for your review and consideration (Exhibit A).

Consequently, the EDC's staff respectfully requests the following actions from City Council:

Tuesday, May 20, 2003

Line item on City Council's calendar indicating EDC's request that the City Council adopt a resolution setting a Public Hearing for June 4, 2003 at 11:30 A.M. with regard to the Amended Plan for the I-94 Industrial Park project.

 DETROIT (I-94 INDUSTRIAL PARK
 PROJECT)**

By Council Member Watson:

WHEREAS, This City Council, in conformity with Act 338 of Public Acts of 1974, as amended ("Act 338"), has previously approved a Project Area and Project District Area with respect to The Economic Development Corporation of the City of Detroit I-94 Industrial Park Project (the "Project"); and

WHEREAS, This City Council has previously approved an Amended and Restated Project Plan; and

WHEREAS, This City Council has received a First Amendment to the Amended and Restated Project Plan ("Amended Plan") for said Project and wishes to set the date for public hearing on said Amended Plan;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DETROIT, AS FOLLOWS:

1. A public hearing on the Amended Plan for said Project shall be held at 11:30 o'clock a.m., local time, on the 4th day of June, 2003, or such other date to which the public hearing may be adjourned in the City Council Chambers, in the Coleman A. Young Municipal Center, in the City of Detroit, County of Wayne, Michigan. At such hearing, the City Council of the City of Detroit shall provide an opportunity for interested persons to be heard and shall receive and consider communications in writing with reference to the hearing and the proposed Amended Plan. The hearing shall provide the fullest opportunity for the expression of opinion, for arguments on the merits, for introduction of documentary evidence pertinent to the proposed Amended Plan and the location and nature of the proposed Project. This City Council shall preserve a record of the public hearing, including all data presented at the public hearing.

2. The staff of the EDC is hereby requested to publish, post, and mail notice of such hearing, such notice to be substantially in the form attached hereto.

3. The City Clerk is hereby directed to provide five (5) certified copies of this Resolution to the Secretary of the Board of the Economic Development Corporation of the City of Detroit.

Human Resources Department

March 31, 2003

Honorable City Council:

Re: Rate Adjustment & Step Code Change.

Following an investigation by Classification/Compensation staff of the duties and responsibilities of similar classes within comparable organizations, the Human Resources Department recommend a rate adjustment, step code change, and classification title change for the following class:

| <u>Current Title and Class Code</u> | <u>Current Pay Rate and Step Code</u> | <u>Proposed Title and Class Code</u> | <u>Proposed Pay Rate and Step Code Recommendation</u> |
|--|---------------------------------------|---|---|
| Assistant Program Supervisor (Lead Poison Control)
(29-10-31) | \$41,800-\$44,500
"A" | Lead Program Environmental Supervisor
(29-10-31) | \$41,900-\$58,700
"D" |

The Lead Program Environmental Supervisor classification will be responsible for the Health Department's lead inspection/assessment function. This position will play a critical role in the detection and prevention of lead-based, environmental hazards in residential properties and education facilities which house young children.

The Health Department concurs with the above recommendation and requests approval of the pay rate adjustment and step code change for this classification.

Respectfully submitted,
WENDY BRODEN
Director of Development Activities

Approved:
PAMELA SCALES
Deputy Budget Director
SEAN WERDLOW
Finance Director

By Council Member Watson:

Resolved, That the 2002-2003 Official Compensation Schedule is hereby amended to include the following rate adjustment, step code change, and classification title change, effective upon City Council approval:

| <u>Current Title and Class Code</u> | <u>Current Pay Rate and Step Code</u> | <u>Proposed Title and Class Code</u> | <u>Proposed Pay Rate and Step Code Recommendation</u> |
|--|---------------------------------------|---|---|
| Assistant Program Supervisor (Lead Poison Control)
(29-10-31) | \$41,800-\$44,500
"A" | Lead Program Environmental Supervisor
(29-10-31) | \$41,900-\$58,700
"D" |

Resolved, That the Finance Director is hereby authorized to honor payrolls when presented in accordance with this resolution, the above communication and standard City of Detroit practices.

Honorable City Council:

Re: Surplus Property Sale By Development Agreement. Development: 2663, 2669 E. Grand Blvd. & 6537 Riopelle.

On October 16, 2002, J.C.C. pages 3147 and 3148 your Honorable Body authorized the sale of the above captioned property for the purpose of constructing a paved surface parking lot to Environmental Transfer Systems, Inc., a Michigan Corporation.

It has been brought to our attention that the above captioned properties are needed for the construction of a 10,000 square foot building to comply with the Michigan Department of Environmental Quality

requirements necessary to effectively operate their transfer station. This use is permitted as a matter of right in a M-4 (Intensive Industrial District) zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Environmental Transfer Systems, Inc., a Michigan Corporation, upon payment of the purchase price of \$22,900.00.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Watson:

Resolved, That in accordance with the Offer to Purchase and the foregoing, the Planning and Development Department Director of Development Activities be and is hereby authorized to execute an agreement to purchase and develop the following described property with Environmental Transfer Systems, Inc., a Michigan Corporation, for the amount of \$22,900.00.

Land in the City of Detroit, County of Wayne and State of Michigan being Lots 27 thru 30, West 16.5 feet of Lot 25 and the East 26.5 feet of Lot 24; "Schroeder's Subn." of the North 447 40/100 feet of Lot 17 of Theo. Re: Rescission of Land Sale.
Development: 4130 Trumbull.

On November 22, 2000, (J.C.C. p. 1316), your Honorable Body authorized the sale of the above-captioned property to Cornerstone Building Company, L.L.C., a Michigan Limited Liability Company, for the purpose of rehabilitating the existing structure into a single-family residence.

It has come to our attention that the Developer is no longer interested in the purchase of this property.

We, therefore, request that your Honorable Body rescind the sale to Cornerstone Building Company, L.L.C., a

Michigan Limited Liability Company, making it available to other interested parties.

Respectfully submitted,

HENRY B. HAGOOD

Re: Correction of Legal Entity. University City Rehabilitation Project No. 2.

Development: Part of Parcel 3, located on the north side of Hancock between Trumbull & Lincoln.

On October 4, 2000 (Legal News, October 9, 2000, Pg. 9), your Honorable Body authorized the sale of the above captioned property to Missionaries of Charity, Inc., a New York Non-Profit Corporation, for the purpose of constructing a new activity building and additional parking space.

It has come to our attention that the name of the legal entity was issued in error. Accordingly, the sale to Missionaries of Charity, Inc., a New York Non-Profit Corporation, should be amended to show Adam J. Maida, a Roman Catholic Archbishop of the Archdiocese of Detroit, as the buyer.

We, therefore request that your Honorable Body adopt the attached resolution authorizing an amendment to the sales resolution to reflect a name change in the purchaser from Missionaries of Charity, Inc., a New York Non-Profit Corporation to Adam J. Re: Twingo Café, 4710 Cass, Detroit, Michigan 48226. Petition No. 1442.

The above mentioned Petitioner has requested permission to have their outdoor café service. This service will convene June 1st through November 1st of year 2003.

The service is requested for: Twingo Café, 4710 Cass, Detroit, Michigan 48226.

The Department of Public Works has approved this Petition provided that the Café meets the regulations set by the City Council as guided by Chapter 58, Section 58-2-8.1 of the City Code. The Planning and Development Department is not aware of any objections from any other City Agencies involved.

It is the recommendation of the Planning and Development Department that the Petitioner's request be granted.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member Watson:

Resolved, That the request for an outdoor café at 4710 Cass, by Twingo Café which will convene June 1st through November 1, 2003, be and the same

hereby granted that the Department of Public Works be authorized to issue a use permit contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with activities, and contingent that the permittee negotiate a use for one year with the Real Estate Division of the Planning and Development Department, prior to the Department of Public Works issuing a use permit.

Provided, That permittee, at this time of obtaining said permit, file with the Finance Department an indemnity agreement in form approved by the Law Department, saving and protecting the City of Detroit harmless from any and all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the permittee of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments;

Provided, That no rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the permittee at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the Department of Public Works by said permittee at its expense.

Provided, That this resolution is revocable at the will, whim and caprice of the City Council; and permittee hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that permittee acquires no implied or other privileges hereunder not expressly stated herein;

Provided, That the permit shall not be assigned or transferred without the written approval of City Council;

Provided, That the filing of the indemnity agreement and the securing of the necessary permits referred to herein, shall be construed as acceptance of this Resolution by the permittee;

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County by and at the permittee's expense;

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Department of Health;

Provided, That said activity is conducted under the rules and regulation of the Department of Transportation, Department of Public Works and the supervision of the Police Department;

Provided, That this permit shall be for a period not to exceed one year and may be renewable thereafter;

Provided, That the petitioner agrees to pay all taxes assessed against the use of sidewalks for outdoor café purposes.

Honorable City Council:
Re: Reprogramming: Youthbuild/Young Detroit Builders.

The Planning and Development Department hereby respectfully requests the City Council to act on the attached resolution authorizing the reprogramming of \$250,000 of Block Grant funds for the organization's home rehabilitation and repair program. This year HUD did not fund Young Detroit Builders for the first time since 1993. This action has jeopardized the program.

Young Detroit Builders is a nonprofit corporation using on-the-job work experience to teach skilled construction trades to City of Detroit residents. The program to date has been very successful with about 80% of the graduates able to find jobs in the construction trades averaging \$9.50 per hour. Working with Habitat for Humanity and other nonprofit housing organizations, Young Detroit Builders have renovated more than 200-housing units while learning viable construction skills.

The Planning and Development Department concurs with this request. We respectfully request the authorization of your Honorable Body for this change and to amend the Consolidated Plan for the stated purpose.

**THE DETROIT CITY COUNCIL
2003-2004 FINANCIAL AND
BUDGETARY PRIORITIES,
PUBLIC POLICY, PLANNING AND
ACTION RESOLUTION**

By ALL COUNCIL MEMBERS:

WHEREAS, The Detroit City Council has held extensive hearings and deliberations on the 2003-2004 budget as proposed by His Honor, the Mayor; and WHEREAS, On Monday, May 19, 2003, the Detroit City Council adopted a budget that is based on sound bud-

getary principals for municipalities, well reasoned financial assumptions, based on past performances, stated goals and projections of city departments, divisions and agencies, and in consideration of the profound fiscal uncertainties of the current economy; and

WHEREAS, The Detroit City Council, has adopted a budget that incorporates the City Council's fiscal and public policy priorities to provide for improved and expanded government operations, service delivery to all communities, residents, citizens, institutions and businesses in this great city; and

WHEREAS, The Detroit City Council, in adopting its 2003-2004 Budget, has focused on a core set of policies, objectives and programs that are intended to result in more equitable, effective, efficient and accountable governmental operations, significant reductions on governmental risk, redundancies, and liability through the creation and staffing of the Risk Management Council Office; improve program, operations and systemic accountability, stabilize and continue recreation operations, while continuing access and programming at recreational centers throughout the city for all of the children, families, seniors and other users of such facilities; and

WHEREAS, The Detroit City Council adopted its 2003-2004 Budget therein including reallocation of approximately \$80 million in reprogramming and restructuring governmental appropriations to be consistent with the budget and policy priorities of the City Council, including re-establishment of the Women's Commission and a newly created AIDS/HIV Commission under the jurisdiction of the City Council; as well as funding for the implementation and operation of the Office for Targeted Business Development in the Finance Department to greatly improve the City's utilization of locally owned businesses, minority owned, disadvantaged and women owned enterprises; and

WHEREAS, The City Council, through its actions in amending the Mayor's proposed budget has acted to restore or add funding in areas that include:

- Full restoration of the Consumer Affairs Department;
- Fund (4) Recreation facilities: Wigle, St. Hedwig, Bradby and Evans;
- Fund (6) additional full time positions within the Detroit Police Department Missing Persons Bureau to permit improvements in the investigations and locations of missing persons;

- Funded (1) additional staff position in Detroit Police Laboratory Rape Crime Section in order to improve the processing of rape kits for criminal prosecutions;
- Partial funding of a centralized office of Grants Acquisition and Management with the expectation that the administration will develop and implement a strategic plan to improve ability to obtain grants on a city-wide basis; to monitor grant uses, program impacts, and adhere to reporting requirements in the manner required by the funding agency, to adhere to applicable timelines and terms of each grant;
- Partial funding of an office for Project Management and Process Re-engineering;
- Restoration of funding for the Drug Court within the 36th District Court;
- Increased funding to of support staff to assist B&SE inspectors for in processing housing code violations;
- In accordance with the 1997 Charter, funded the staffing of the Risk Management Council staff within the office of the Auditor General;
- Restored funding of the operations of the "Curtis Randolph" fireboat within the Fire Department/Commission; with expectation that the department will engage in discussions and negotiations of an intergovernmental agreement between the City of Windsor and the City of Detroit;
- Establishment of an emergency needs medicine program for general fund retirees that qualify based on certain household income requirements; NOW THEREFORE BE IT

RESOLVED, THAT THE 2003-2004 BUDGET OF THE DETROIT CITY COUNCIL INCLUDES THE FOLLOWING BUDGETARY ACTIONS IN KEEPING WITH THE CITY COUNCIL MISSION TO PROMOTE PROCESS IMPROVEMENT IN GOVERNMENT OPERATIONS, ACCOUNTABILITY AND PROGRAMMING THROUGH THE USE OF BEST PRACTICES FOR BETTERMENT OF ALL RESIDENTS AND ENTITIES LOCATED IN THE CITY OF DETROIT:

Administrative Hearings (Department) — It is the opinion of the City Council that this concept has promise but is premature at this time; state enabling legislation is under consideration but has not been adopted; the administration has ordinance amendments that are being drafted, but have not been presented to the City Council; the critical need at

present, is for general fund dollars to be allocated in other areas is greater; look at implementation after (if) the enabling legislation is passed in Lansing.

Auditor General — The City Council has allocated funding of the Risk Management Council staffing under the AG as the Risk Management Office; the AG projects a potential savings of \$10 million in conducting risk management reviews for each agency.

B&SE — Given the need for demolition funds apart from the use of federal dollars, the City Council has requested and expects a status report on the Fire Escrow Account. Questions to be addressed include how is in the Fund much in total? How much is available to be used for demolition; and an analysis of the increased costs for demolition. This report is expected by July 1, 2003.

Additional personnel was added to the Housing Division of B&SE, in the funding of 1 FTE position for a receptionist, to better serve the public, 2 additional information clerks, so the public can get through on the phone lines. Inspection reports are backlogged and so owners and prospective owners do not know what work needs to be done. Two additional file clerks were added in order to reduce same backlog in filing that currently impedes record and information retrieval. Four clerk positions were added to process paperwork for billings, posting inspections into computers and mailing. This City Council agrees that inspectors need hand held computers.

This need was first identified eight years ago, and promised for seven. Improved technology and software for the inspectors must be a major objective for the department's 2004-2005 budget request.

City Clerk's Office — The Administration is requested to balance forward \$570,000 in the current budget in order for the Legislative Branch to begin implementation of its records and information archival and imaging project that is presently under consideration by the Archival and Imaging Task Force.

City Council — The City Council has funded the re-establishment of the Women's Commission and re-institutes Women's Equality Day; establish AIDS Commission under the City Council. Consider amendment of ordinance setting budget deliberation time requirements, beginning in July, 2003. As determined necessary and relevant to the issues before the City Council subject to the Rules and Order of Business, any Councilmember may seek creation of a Cultural Affairs task force or special committee to consider issues like the establishment of African Town, Media Affairs, and to establish task forces or special committees to consider issues including

economic development, education, quality of life issues, utility shutoffs, traffic safety and prevention education, and health.

City Council AIDS/HIV Commission

— The City Council allocated fifty thousand (50,000) dollars to fund an HIV and AIDS Commission. The commission is to conduct several meetings to gather information on possible solutions to reduce to the infection rate of HIV and AIDS in Detroit. The Commission is to begin the task of developing recommendations for appropriate legislation, at all levels of government, to increase public awareness of this critical health issue. In addition, receive funding for the prevention and spread of HIV and provide treatment in the City of Detroit.

It is urgent that the AIDS and HIV Commission begin its work because information from the United States Center for Disease and Control has documented the AIDS/HIV is a crisis in the African-American population. The CDC found that although African-Americans make up only 12% percent of the U.S. population, African-Americans accounted for half of the all new AIDS/HIV cases in 2001. AIDS is now the leading cause of death among African-American women 25-34 and African American men ages 35-44. CDC has further identified that among all women, African-American Women accounted for 64 percent of HIV cases reported in 2001.

Here in Michigan, the Michigan State Communicable Disease and Immunization Division and the Bureau of Epidemiology that maintains statistics and characteristics on Michigan residents diagnosed, and living with HIV and/or AIDS has estimated there are 15,500 HIV-infected persons (including those with AIDS) living in Michigan. The Detroit estimate is 6,810 infected individuals of whom 6,200 are black males and females is almost half the statewide total.

This advisory commission will include those living with HIV/AIDS, community-based organizations serving the Detroit AIDS/HIV population, public health and medical professionals. These individuals may include representatives from the City of Detroit Health Department, Wayne State University, Children's Hospital of Michigan, Wayne State University/University Health Center, Wayne State University/Hutzel Hospital, AIDS Partnership Michigan, AIDS Consortium of Southeast Michigan, Detroit Community Health Connection, CHAG and religious organizations and other organizations as appropriate. The specific mission and charge of this commission will be set forth in a subsequent resolution establishing the membership and charge of the commission.

CCSD — The budget of the CCSD should include the following benchmark-

ing and monitoring; Develop and create methods that will generate continual usage of Minority, Women owned, and Detroit-Based companies.

The City Council requests that the Department report and monitor the usage of the above mentioned companies to Council on a quarterly basis, the City Council will monitor the department in its efforts and methods to improve recruiting and developing contracts with Minority, Women owned, and Detroit-Based companies to help them develop growth and become a viable part of the Detroit economic picture.

Cultural Affairs & Tourism —

Rejecting the majority of the Mayor's budgetary proposal to fund the department of Cultural Affairs and Tourism, the City Council has voted to fund the Cultural Affairs Department as it presently operates under its 2002-2003 budget. The City Council expects that the Administration will follow the dictates of the 1997 Charter, through the appointment of the required Council of the Arts for that department. Accordingly the City Council funded the move of Eastern Market to Cultural Affairs; the restoration of Hart Plaza back to Civic Center, and Chene Park back to Recreation Department.

DDA — City Council directs its divisions, the Research and Analysis and the Fiscal Analyst to work with Budget, Finance, Downtown Development Authority and the Detroit Transportation Authority to explore options available for funding operations of the People Mover in subsequent fiscal years; Council divisions are to report back all findings and recommendations to City Council and the Mayor by November 30, 2003.

DDOT — The City Council is concerned about the numbers of management in various departments, and especially in the Detroit Department of Transportation. This is a concern that the City Council will monitor throughout the coming budget year. To address this concern, the Department has stated that it will implement a new supervisor to employee ratio, creating smaller teams in the area of maintenance of buses.

Last November the City Council voted to increase D-DOT bus fares by .25 cents as long as five benchmarks were met by the Department of this years' budget. While, not all the benchmarks have been met, the Department of Transportation has shown that the effort is being made to increase ridership and improve service to those already utilizing the City's bus system.

To ensure these efforts are forthcoming, the City Council is implementing a D-DOT Compliance Monitoring Task Force. Included in this Task Force will be City Councilmembers, D-DOT and the Budget

Department. MOSES, Transportation Riders United, CUBS, AFSCME, ATU and the Chamber of Commerce will all be invited to participate. This group will monitor D-DOT's compliance on issues such as developing a comprehensive marketing plan to increase revenues and a public participation plan to allow for more bus rider feedback to the Department. If the Department does not show an improvement in services, the Council will then roll-back the 25 cent increase in fares for the 2004-2005 budget.

DPW & City Engineering — Recently it was reported that Detroit leads all big cities in the rate of pedestrian deaths. The City Council has experienced a significant increase in request for additional traffic control in the vicinity of the City schools. The City Council is allocating \$800,000 to begin to install Driver Feedback signs near the City Schools. These signs, which register a vehicles' speed as cars drive by has led to a 67% reduction in speeding in school zones around the Country. Many major cities have used these Feedback Signs to protect children from speeders.

DWSD — The director has advised and therefore the City Council is expecting to receive status reports on the hiring of (4) additional collectors and increased collections activity within (90) days. The Department is also to address the issue of requiring back-flow devices on water hydrants when used by lawn services, avoiding contamination from chemicals. Additionally, the City Council is awaiting recommendations to address Fire Department concerns about servicing of fire hydrants throughout the City.

Environmental Affairs — The City Council will expect to receive the administration's City strategy to address city-owned properties as it relates to the Civil Infractions Bureau. This strategy is a critical element missing in the strategy, planning and presentations for a proposed Administrative Hearings Department.

Finance — The City Council has reinstated two positions to monitor the implementation and enforcement of the Living Wage Ordinance. This will reveal any improvements that need to be made in the ordinance, and provide the documentation for it. Under the public library, the intention of money granted in the 2002-2003 budget was to restore positions to the Burton Historical collection, bring personnel back from other divisions that had been transferred to the Burton, and books transferred to other collections were to be transferred back to the Burton as well. We expect that to happen this year 2003-2004.

City Council, by restoring full funding to the **Office of Targeted Business Development**, has demonstrated its commitment to local Detroit based businesses. This issue of awarding contracts to

local businesses has been raised for years within the business community and at the Council table. By beginning this project, we have established the foundation to not only grow Detroit businesses but also create new ones. Ultimately, the Office of Targeted Business Development is revenue producing as indicated in their strategic plans.

Fire — City Council restored funding for the "Curtis Randolph" water boat. The department has indicated that it will seek a joint funding arrangement with the City of Windsor for the use of this boat on the waterway; City Council heartily concurs with pursuit of such an agreement.

General Retirees — The City Council has adopted the recommendations of its Fiscal Analysts that Council not fund the pension factor improvements request at this time (\$2 million), but instead wait until next fiscal year to review the reports submitted by the committee and look at other ways to reduce health care costs for retirees. Instead the City Council will consider a budget amendment regarding General Retirees budget request after receipt of recommendations and analysis of the request by legal counsel and Deloitte and Touche. Council did add \$750,000 to be placed in Non-Departmental for and emergency meds program for retirees meeting certain household income requirements. The terms and conditions of the 1 time program are to be worked out with the administration, including location and administration of the program...

Grants Acquisition Office — Although reducing the number of requested positions from (6) to (2), the Detroit City Council is supportive of the Office of Grants Management. Primary functions of the office will include but are not limited to following:

1. Monitoring of existing grants;
2. Identification of new funding sources;
3. Preparation and presentation of a quarterly report to the City Council to include:
 - a. Number and type of grant applications;
 - b. Status update on grant proposals submitted;
 - c. Partnership towards acquisition of grants.

The City Council herein requests and will expect to receive quarterly reports on the status of all grants sought, applications submitted, awards received, requests denied, reports filed, renewals sought and obtained or lost.

Human Rights — The City has funded and will take over the re-establishment of the Women's Commission. This should improve the ability of the Commission and its staff to fully monitor and investigate contract compliance for EO 4 and EO 22,

relevant purchasing ordinance requirements and the new Office of Targeted Business Development ordinance; certification of Detroit based, Minority and Women owned companies, and to assess and monitor Human Rights compliance for entities seeking various tax abatements through the year.

The City Council is dedicated to addressing the continuing need to actively pursue a course of discussion and program implementation to improve opportunities to increase Detroit resident participation of tradespersons/journey persons programs. The Building Trades Unions must be approached by the Administration and this Council with a stronger commitment to work for immediate and lasting change within the skilled trades unions that will result in more women, more people of color and more Detroit residents.

The City Council will monitor the Department for the following benchmarking and monitoring plans.

1. The Department, and the Office of Targeted Business Development are requested to submit a quarterly review and report given to this Council, to confirm the measures and progress within Contract Compliance with the development and utilization of Minority and Women owned companies and Detroit Based businesses on publicly funded and partnered projects, in city contracts for goods, services and revenues.
2. The Department and the Office of Targeted Business Development, are requested to develop a plan and mechanisms that will facilitate and foster the above-mentioned companies to increase their business capacity and ability to that will improve services, thereby improving the likelihood of successful service and growth.

Law — City Council provided increase funding for support staff in the Law Department. The funding of new personnel for the Law Department is permit and ensure faster collection of current due bills, to reduce the backlog. These personnel would then be a part of those trained in the new MBIA contractual process, thereby enhancing the City's ability to collect due revenue at the conclusion of said contract.

Mayor — The City Council agrees that there is a need to analyze and reconsider management, operational and procedural activities within city agencies for improvements, and implementation of best practices, thus has funded the Mayor's proposed **Program Management Office (PMO)** at partial request. The funding is for 3 full time positions at management level. The City Council recommends and

strongly urges the Mayor to provide clerical assistance from his current mayoral staff resources to assist the PMO with its implementation work. Given the specifics of the work to be performed by this office, the City Council expects, and the administration agrees that these 3 positions shall be filled with persons who have an MBA and at least 3 years of practical and professional experience in project management or process re-engineering.

The City Council is deeply concerned about the matter in which the Mayor presented and linked major structural changes to the operations of city government within his budget recommendations for 2003-2004. The proposed budget raised substantial public policy questions, and engendered extensive question and answer, and debate, which remain incomplete at this time. Therefore, the decision to fund certain changes like the Administrative Hearings Department and the Cultural Affairs and Tourism Department, and to partially fund others. (This Council believes that such changes should be a part of more extensive planning and public consideration, therefore the Council requests that the Mayor present such changes well in advance of bringing his budget recommendations in future years.) In the event that any proposed budget will contain structural changes, the Mayor is strongly urged and encouraged by the City Council to initiate public policy discussions before such changes are incorporated into the budget recommendations and well in advance of the budget deliberations process by the City Council.

Non-Dept Capital Improvements —

Demolition of Ford Auditorium; Riverfront Park Conservancy as possible source of the funds? Bond Appropriations for PDD low and moderate income housing. Revenue from the sale of Bonds for both programs.

Non-Departmental/Lifeline Retiree Prescription Program —

The City Council was presented with a number of pension improvement proposals from both of the City Retirees Associations. Due to the condition of the budget, the immediate funding of these proposals was deferred in order to examine their actual cost and to better determine the retirees that would be served. The City Council Fiscal Analyst will be concluding its medical benefit study and will receive a final report on the possible savings and program improvements for both retirees systems in the up-coming year.

The most economically challenged are city retirees and this program would provide assistance based on economic and health needs of each individual. The Council allocated \$750,000 to a non-departmental category to fund the program.

City Council requests that the Health Department contact the State of Michigan to determine whether the City of Detroit can purchase medications in bulk through the State Program to reduce the cost and maximize the number of retirees served.

Northwest Activity Center — City Council directs the Research and Analysis Division to examination all agreements, enabling resolution codes and statutes to determine whether the articles of incorporation or bylaws of the Northwest Activities Center may be amended to provide for one person to be elected by the membership, including the health club members to serve on the board.

Police — The City Council has adjusted the budget within the Police Department's Rape Crisis Center to accurately reflect the current positions of (3) senior social workers and the driver to take people to and from court as well as other sessions related to their cases.

Additionally funding is provided in the budget to employ another person in the Police Lab to do the testing on rape kits that are backlogged because the department does not have a perpetrator identified. Without adequate staff, to process those kits, it is impossible to apprehend the perpetrator if they are apprehended while committing another crime.

The City Council continues to call for increased civilianization within the Police Department. The City Council will monitor the department of its activity in increasing the number of more civilian positions made available next fiscal year.

The Department and administration are urged to actively pursue additional federal funds to secure helicopters from Office of Homeland Security. Given the prominence and importance of the City of Detroit as a border city, with the busiest port and international gateway in the country, the Council is of the opinion that greater resources must be allocated from the federal government in order to accomplish the objectives of Homeland Security.

Additional funding is provided for dedicated police personnel to be assigned to the Missing Person's Unit to reduce the number of open Missing Persons cases and to also increase the closure rate of these cases. In a Missing Children Task Force survey, of more than 15 urban areas' Missing Person Units, the City of Detroit by comparison suffered from a lack of dedicated personnel assigned to handle more than 4,000 annual cases of Missing Persons reported a year. The survey also looked at the resources, communication procedures, case management systems, and general orders of other Police Missing Person Units.

The City of Detroit has sub-par case closure rates and suffers from thousands

of open cases that cannot be resolved by existing precinct personnel and the one officer assigned to the Missing Person Unit. The City of Detroit has continuously failed State and Federal audits for timely entry of missing person reports into the LEIN and NCIC databases for missing persons and children. With the City of Detroit having 4,170 uniformed officers and 683 civilians in the Police Department, there should be a priority made of reassignment of personnel and additional resources to the Missing Person Unit: The Chief has agreed to do this.

Due to the adoption of a new Federal Amber Alert Law, the existing requirements of the Uniform Crime Reporting System Act 319 of 1968, and the requirements of the new Detroit Police Manual that became effective in April, 2003, that missing person reports be reviewed and new information entered "every thirty (30) days". The City of Detroit must add personnel. Failure to add personnel and resources will result in increased open cases not investigated and updated, lower case closure rates, and failure to serve the citizens, families and parents of missing persons. As the Police Department would not agree to submit a letter detailing assignment additional personnel to the missing person unit, so City Council funded the following in the budget for \$650,000:

- (1) LT
- (1) SGT
- (4) Police Officers
- (3) Senior Clerks for a cost of \$609,636

The remaining \$44,636 is funded to be used by the Missing Person Unit for related support expenses such as computers, supplies, and other expenses associated with the operation of this unit.

Police and Fire retirees — The City Council is unable to fund requests for pension improvements for Police and Fire retirees at this time. There is a need for an actuarial study for any proposed improvements and an analysis of what is needed to ensure that the retirees with the greatest need for improvements are served. The Retirees Association and the Pension Board are requested to take steps during the next fiscal year to engage such studies and report any recommendations to the City Council well in advance of the next budget deliberations.

Public Lighting Dept. — Council members continue to renew their request for the department's time limited and measurable objectives. Additionally the City Council requests that there be a city-wide implementation of an "eyes and ears" program for the purpose of identifying lighting outages, downed lines, inoperable traffic lights and signage. It is the

view of the City Council that city employees in PLD, Police, Fire, Water and BSE to identify report and record light out, malfunctioning traffic signals and missing traffic signs, low and falling wires, dangerous buildings, etc.

Recreation — The Mayor's proposed plan to close 6 recreation centers cannot and will not be supported by this City Council. Therefore the City Council has adopted a budget that will:

1. Keep four of the six designated recreations centers open, specifically Bradby, Evans, St. Hedwig and Wigle.
2. The Council concurs with the closing of Lighthouse, and the repositioning of Delray to move to People's Community Center for maintenance, upkeep and general running of the facility.

The City Council urges a commitment from the Administration to recruit and hire College students with a degree in recreation, or physical education for the position of Junior Recreation Instructors. This will infuse the Department with new blood and create fresh ideas that revitalize the Department.

It is unfortunate that the Mayor's initiative was not discussed with Council prior to his budget address. The City Council members and staff from all offices toured the 6 sites slated for closure. We analyzed the neighborhoods and community's surrounding the proposed sites and made the following findings:

If the 4 centers, Bradby, Evans, St. Hedwig and Wigle were to be closed, we find that approximately 6,300 children and young people (5-17 years of age) will be without a recreation center. The alternative sites are approximately 1.5 miles away from these neighborhoods. Additionally, poor and working class communities were the only neighborhoods slated for closure.

We concur with the closure of the Lighthouse for the reason that the facility is in significant disrepair and there is very little programming. The Delray site has been programmed by the People's Community Services for a number of years. This Center is not slated for closure, but rather will be turned over to Peoples' Community Services to monitor under a public/private partnership lease agreement.

The elimination of senior programs from the six centers could affect our estimated 3,000 seniors who reside in these neighborhoods.

The City Council, through its funding actions, mandates that the four centers, Bradby, Evans, St. Hedwig and Wigle remain open and funded at their current levels.

In addition to the decision to keep the

centers open, the City Council has again determined to allocate \$50,000 per recreation center and to continue specific improvements to each of the 28 open centers. Additionally, the Council allocated \$75,000 to upgrade the Stone Pool, which has been closed for sometime. An additional \$350,000 has been funded in Recreation. In summation, the City Council has restored this funding because we believe that this department needs to be supported and strengthened as a core and necessary City service.

Risk Management — The City Charter calls for an annual appropriation for Risk Management. The City Council has appropriated \$234,000 for Risk Management in the Auditor General's office. The Risk Management Council is beginning to meet on a regular basis. It is Council's expectation that the allocation of monetary resources will permit the Risk Management Council to develop a city-wide risk management system in order to address the hemorrhaging of city dollars in lawsuit settlements and judgments.

36th District Court — The 36th District Court established as a drug treatment court project with a primary goal of identifying substance abusing offenders and involving them in Substance Abuse Treatment. In December, 2002, the Drug Treatment Court marked its — 4th year with a multitude of accomplishments. The work that the court has begun needs to continue if we are to make any impact in this area. The Detroit City Council continues to recognize and address alternative treatment in lieu of incarceration. The 2003-2004 Budget places \$250,000,000 of funding to restore the 36th District Drug Court.

Planning — In the 2002-2003 budget the City Council appropriated \$100,000 in the Planning and Development Department for the important "Demolition by Neglect" program under the Historic District Commission. As of this date that money remains unspent, although one case is underway. The Department has indicated that it will spend some of this money on city-owned historic buildings, which is contrary to the City Council's intent. The Mayor's proposed 2003-2004 budget includes no funding for this program and in view of the lack of progress and the stated intent to spend the money on other projects, the City Council is leaving the program unfunded. The City Council hopes that in the future this essential and useful tool will be able to be properly utilized in our historic districts.

Additionally, the City Council reiterates the following requests and expectations, putting the respective departments on notice that these issues will continue to be matters monitored and investigated by the Council during the course of the fiscal year:

- Restoration of the Burton Collection and the allocation of staff to pursue the restoration, funding having been placed in the budget for the Detroit Public Library for a second consecutive year, beginning with the 2002-2003 budget;
- The consideration of amendments to the Code and Charter to increase and adjust the budget consideration time and process.
- Improvements in the delineation of goals and objectives from all city departments, divisions and agencies in time limited and measurable terms.
- Monitoring of the Executive protection positions for a match of funded allocations through monthly reports; listing of officers assigned to Mayor's Office and notification when the unit exceeds 21.
- Reports and information from Historic regarding the status of Moross House, its proposed usage and continued ownership operation as a city owned historic facility;
- City Council takes public notice of the inclusion of all FTE positions in the Housing Commission staffing is contained within the adopted budget and White Book of salaries and compensation for 2003-2004, thereby continuing Council's legal and legislative determination to retain all Detroit Housing Commission positions as employees of the City of Detroit;
- Councilmembers have expressed concerns regarding many issues that may be the subject of task forces or special committees. Some of these issues include: Establishment of an Africa Town District, Education, Health issues, Media Affairs, Economic Development initiatives, and Traffic Safety; Councilmembers may request establishment of such task forces and special committees in accordance with the Rules and Order of Business, at such time as they deem appropriate. NOW THEREFORE BE IT FINALLY

RESOLVED, That copies of this resolution be immediately transmitted to the Mayor and all directors and managers of all agencies, boards, commissions, departments and divisions, of the City of Detroit.

TESTIMONIAL RESOLUTION FOR 36TH DISTRICT COURT IN OBSERVANCE OF

NATIONAL DRUG COURT MONTH

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, In October 1997, the 36th District Court established its Drug Treatment Court pilot project. The primary goal of the Drug Treatment Court is to identify substance-abusing offenders and to involve them in substance abuse treatment, and

WHEREAS, In 1998, the Court was awarded grant funds from the U.S. Department of Justice, Office of Justice Programs, and Drug Court Programs Office, to implement a Drug Treatment Court. Offenders electing to participate in the program are given the opportunity to submit to substance abuse treatment and to comply with all other conditions imposed by the Judge and Case Managers, and

WHEREAS, When the Federal grant program ended in 2000, a new application for grant funds was submitted on the State Level to the Michigan Supreme Court, State Court Administrative Office and the office of Drug Control Policy. In the later year of 2001, funds for \$170,000 were awarded to our Court to maintain the Drug Treatment Court for the year of 2002, and

WHEREAS, Participants who successfully comply with all conditions and satisfy all program and treatment required may have their cases dismissed. In December 31, 2001, 36 DTC participants completed all aspects of the program and participated in a graduation ceremony, and

WHEREAS, In 2002, the Drug Treatment Court marked its fourth year with a multitude of accomplishments. It was the first year in which the program exceeded its goal of having 200 offenders participate. The program was awarded \$200,000 in funds from the Byrne Formula Grant Program and the Michigan Drug Court Grant Program. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council congratulates the Drug Treatment Court program, which has grown in every aspect 100% since 2000 . This program is making an impact on the lives of the participant and their families.

**TESTIMONIAL RESOLUTION
IN MEMORIAM
FOR**

OFFICER NABIL WASHINGTON

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Officer Nabil Washington, a proud City of Detroit police officer, has left this a more compassionate, more just, more loving, and more faith-filled world, and

WHEREAS, The 6th Precinct posthumously nominated Officer Washington for the Spirit of Detroit Award. He was proudly appointed to the Detroit Police Department on June 28, 1999. After graduating from the Police Academy, Officer Washington was assigned to the 6th Precinct, where he excelled as an officer. He was a dedicated officer who was well-liked by everyone because of his positive attitude and enthusiasm for life, and

WHEREAS, In July of 2002, Officer Washington valiantly saved his nephew's life after the child's kayak capsized in Kent Lake. While performing this heroic act, with no regard for his own safety, Officer Washington drowned. The entire community felt his tragic loss, and

WHEREAS, Officer Washington exem-

plified a tradition of professionalism that the Detroit Police Department aspires to instill in all of its officers. In life and in death, Officer Washington represented "The Spirit of Detroit." He is a true hero admired and respected by all who crossed his path. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of Officer Nabil Washington. He leaves a legacy of hope and courage for generations to come. He was a true hero.

**RESOLUTION IN MEMORIAM
FOR
OFFICER SCOTT STEWART**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Officer Scott Stewart chose a perilous career in which he knew he would put himself at great personal danger because of his passionate commitment to protecting the safety of everyone in the community, and

WHEREAS, After graduating from the Detroit Metropolitan Police Academy on May 12, 1997, Officer Stewart was assigned to the 9th Precinct of the Detroit Police Department, and

WHEREAS, In 2001, Officer Stewart transferred to the Headquarters Surveillance Unit, Street Robbery Task Force. Missing the high-paced action of the 9th Precinct, Officer Stewart returned to the precinct in the fall of 2001 and was assigned to the Special Operations Unit, and

WHEREAS, With his deeply ingrained love of his job and camaraderie with his fellow officers, Officer Stewart declined an opportunity to go home early to start his vacation on August 11, 2002, indicating that he "could not forgive himself if his partners were injured." Tragically, Officer Stewart was fatally shot when, after going in pursuit of a man with a gun, he was ambushed and shot by a second armed subject. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of Detroit Police Officer Scott Stewart. He dedicated his life to protecting the lives of others. He was a true hero.

**RESOLUTION IN MEMORIAM
FOR
JACK KELLEY**

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, Fiery, passionate, and devoted, Jack Kelley has left a truly indelible mark on the City of Detroit and in all the lives he touched, and

WHEREAS, The oldest of five children, Mr. Kelley grew up on Detroit's west side. After graduating from St. Francis de Sales High School in 1943, Mr. Kelley joined the Navy and served in World War II for 30 months, and

WHEREAS, Mr. Kelley was a staunch democrat who worked on John Swainson's successful gubernatorial campaign in 1960. A year later, he returned to Detroit and helped Jerome Cavanaugh, then a virtually unknown attorney, defeat incumbent Detroit Mayor Louis Miriani. Mayor Cavanagh appointed Mr. Kelley deputy director of the Department of Buildings and Safety, where he worked for 12 years. He was elected to the Detroit City Council on his fourth try in 1973, and

WHEREAS, Mr. Kelley fought for the everyday man. He was frustrated when he thought the city was not responsive to the needs of the people. Strong in his opinions and not one to back down, Mr. Kelley nearly came to blows with fellow councilmen Clyde Cleveland in 1974 and John Peoples in 1987, and

WHEREAS, For all his colorful bluster, Mr. Kelley was also a kind and generous man who truly cared about helping the residents of Detroit. He served Detroiters as a councilman for 20 years. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby joins family and friends in celebrating the life of former Detroit City Councilman Jack Kelley. A larger-than-life character, Jack Kelley will be fondly remembered for being a fighter for all Detroiters.

City Planning Commission

May 19, 2003

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the Jefferson North Park area (Recommend Approval).

The City Clerk's Office have forwarded to our office three (3) applications for NEZ certificates for the Jefferson North Park NEZ area. The NEZ designation for the area generally bounded by Charlevoix on the north, East Jefferson on the south, and St. Jean on the east and Lemay on the west was approved by City Council on April 16, 2003. The City Planning Commission staff has reviewed the applications and recommends approval.

Certificates are being requested for the following addresses: 2501 Lillibridge, 2513 Lillibridge, and 2525 Lillibridge. All the aforementioned properties are within the boundaries of the NEZ and should be eligible for NEZ certificates under Michigan Public Act 147 of 1992 as currently written.

Jefferson North Park LLC plans to develop 123 new single-family homes in the proposed NEZ area. The homes would be priced from approximately \$120,000 to \$140,000.

Jefferson North Park LLC has applied for certificates, prior to the issuance of

building permits, on behalf of the future owners who would eventually occupy the three properties. The State Tax Commission, however, will not issue a certificate until an owner is identified. Once an owner is identified, he or she can apply for the certificate. At that time, it would not be necessary for the City Council to pass another resolution.

The CPC staff recommends that the three (3) NEZ certificate applications for the properties indicated above be approved as submitted.

City Clerk's Office

May 21, 2003

Honorable City Council:

Re: Applications for Neighborhood Enterprise Zone Certificates for the Jefferson North Park area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of three (3) applications for Neighborhood Enterprise Zone Certificates. These applications have been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached.

Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration requested.

Respectfully submitted,
JACKIE L. CURRIE
City Clerk

By Council Member S. Cockrel:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on April 16, 2003.

Now, Therefore, Be It Resolved, That the City Council approve the following addresses for receipt of Neighborhood Enterprise Zone Certificates for a twelve year period:

| Zone | Address | Application Number |
|------------|------------------|--------------------|
| Jefferson | | |
| North Park | 2501 Lillibridge | 03-33-01 |
| Jefferson | | |
| North Park | 2513 Lillibridge | 03-33-02 |
| Jefferson | | |
| North Park | 2525 Lillibridge | 03-33-03 |

And Be It Further Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

Brownfield Redevelopment Authority

May 15, 2003

Honorable City Council:

Re: Brenton & Dean Homes Redevelopment Project Brownfield Plan.

The enclosed Brownfield Plan for the Brenton & Dean Homes Redevelopment Project (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on April 23, 2003 to solicit public comments. At its April 8, 2003 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 7, 2003, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The Brenton & Dean Homes redevelopment project entails the renovation of a 4,200 square foot former apartment building into 6 condominium units, and a 4,850 square foot multi-family home into 3 condominium units. Total projected expenditures related to this project are expected to be approximately \$791,540.00. The developer will be seeking a Neighborhood Enterprise Zone district.

Purpose of the Proposed Plan

The proposed plan and upon approval of this Plan by City Council, Weber Block L.L.C. will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project.

Property Subject to the Proposed Plan

The eligible property is bounded by Woodward to the east, West Willis/

Calumet to the north, Fourth Street to the west and Alexandrine to the south.

Projected Costs

The proposed plan anticipates the cost of the eligible activity for this project will be approximately \$39,200. The expense of these eligible activities is the responsibility of the Developer.

This proposed project has been approved by the City of Detroit's Planning & Development Department.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated April 8, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on April 23, 2003 and the Committee's public meeting held April 8, 2003, are on file in the City Clerk's Office for City Council's consideration.

At the public hearing, no members of the public provided public testimony.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **May 20, 2003**

Re: 1250 Hubbard Redevelopment Project Brownfield Plan.

The enclosed Brownfield Plan for the 1250 Hubbard Redevelopment Project (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on April 23, 2003 to solicit public comments. At its April 8, 2003 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 7, 2003, the Authority adopted a resolution (Exhibit B) approving the

Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The 1250 Hubbard redevelopment project entails the renovation of a 38,000 square foot, four-story former apartment building into 30-40 apartment units. Total projected expenditures related to this project are expected to be approximately \$4,150,000. The developer will be seeking an Obsolete Property Rehabilitation district.

Purpose of the Proposed Plan

The proposed Plan and upon approval of this Plan by City Council, James Hobbs will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project.

Property Subject to the Proposed Plan

The eligible property is located between an alley to the south, the property line to the east, Hubbard to the west and Porter to the north.

Projected Costs

The proposed plan anticipates the cost of the eligible activity for this project will be approximately \$25,000. The expense of these eligible activities is the responsibility of the Developer.

This proposed Plan has been presented to the Planning & Development Department and DBRA received favorable recommendation for its approval. A copy of the recommendation letter is attached to the Plan.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated April 18, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on April 23, 2003 and the Committee's public meeting held April 8, 2003, are on file in the City Clerk's Office for City Council's consideration.

At the public hearing, no members of the public provided public testimony.

Honorable City Council:

Re: TechOne: WSU Tech Park Incubator Redevelopment Project Brownfield Plan.

The enclosed Brownfield Plan for the TechOne: WSU Tech Park Incubator Redevelopment Project (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on April 23, 2003 to solicit public comments. At its April 8, 2003 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On May 7, 2003, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hear-

ing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The TechOne: WSU Tech Park Incubator redevelopment project entails the renovation of a 139,680 square foot, former production shop into a business incubator. Total projected expenditures related to this project are expected to be approximately \$11,970,000.

Purpose of the Proposed Plan

The proposed Plan and upon approval of this Plan by City Council, Wayne State University Research and Technology Park will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project.

Property Subject to the Proposed Plan

The eligible property is bounded by Burroughs to the south, Cass to the east, Amsterdam to the north and Second to the west.

Projected Costs

The proposed plan anticipates the cost of the eligible activity for this project will be approximately \$640,000. The expense of these eligible activities is the responsibility of the Developer.

This proposed Plan has been presented to the Planning & Development Department and DBRA received favorable recommendation for its approval. A copy of the recommendation letter is attached to the Plan.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated April 8, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on April 23, 2003 and the Committee's public meeting held April 8, 2003, are on file in the City Clerk's Office for City Council's consideration.

Economic Development Corporation of the City of Detroit

May 16, 2003

Honorable City Council:

The Amended and Restated I-94 Industrial Park Project Plan ("Plan") was approved by the Economic Development Corporation of the City of Detroit (the "EDC") on May 8, 2002 and the City of Detroit City Council ("City Council") on August 2, 2002. The Project is an industrial redevelopment project located in the area bounded by Mt. Elliott, Huber, Grinnell, Van Dyke, St. Cyril, and Miller. The Plan authorizes the acquisition of privately owned property to be combined with the City's ownership within the 189-acre site to provide land for a modern industrial park. The Plan called for the assembled parcels to be sold to Ashley Renaissance Zone, LLC, ("Ashley") an affiliate of Ashley Capital, created for the purpose of developing the project.

EDC and City of Detroit Planning and Development Department ("P&DD") staff have cooperatively engaged in implementing the Project and have assembled the first two developable sites (Area 1 & Area 5) in the industrial park. However given the current economic conditions, Ashley was reluctant to sign a Development Agreement that would commit it to make a substantial investment for speculative space, as contemplated in the RFP and proposed Development Agreement.

Given Ashley's new position and in order to move the development of the industrial park forward, EDC and P&DD recommend the following changes to the Plan:

1. Section I of the Plan is amended to remove reference to Olga Savic in Item No. 1 and Item No. 3 is eliminated in its entirety.

2. Section J of the Plan is eliminated in its entirety and replaced with the following language:

Title to the Project Area, except exempt parcels, will be conveyed to the EDC. The EDC will in turn sell the property and transfer title to a developer selected by the EDC to develop all or a portion of the Project Area in accordance with the terms and conditions of a development agreement to be executed between the EDC and the selected developer as approved by the Planning & Development Department. Certain parcels may be sold to or exchanged with adjacent existing property owners. Land sale proceeds received by the EDC will be utilized for Project costs.

3. Subsection K is amended to read as follows:

Property in the Project Area will be conveyed to the developer selected by the EDC pursuant to a development agreement to be executed between the EDC and the developer as approved by the Planning & Development Department. Certain parcels may be sold or exchanged with adjacent existing property owners under the terms of a development or land transfer agreement with each owner as approved by the Planning & Development Department.

On May 14, 2003, the EDC Board of Directors approved the First Amendment to Amended and Restated Project Plan ("the Amended Plan"), which incorporates all these proposed changes, for recommendations to the City Council. A copy of the Amended Plan is on file in the City Clerk's Office for your review and consideration (Exhibit A).

Consequently, the EDC's staff respectfully requests the following actions from City Council:

Tuesday, May 20, 2003

Line item on City Council's calendar indicating EDC's request that the City Council adopt a resolution setting a Public Hearing for June 4, 2003 at 11:30 A.M. with regard to the Amended Plan for the I-94 Industrial Park project.

Wednesday, May 21, 2003

City Council approval of the attached Resolution (Exhibit B) setting a public hearing for June 4, at 11:30 A.M. on the adoption of the Amended Project Plan in City Council Chambers, 13th Floor of the Coleman A. Young Municipal Center located at Two Woodward Avenue, Detroit, MI 48226.

Wednesday, June 4, 2003

Public hearing regarding the adoption of the Amended Plan.

Wednesday, June 4, 2003

Planning & Development Department
May 20, 2003

Honorable City Council:
Re: Surplus Property Sale. Development:
15325 W. Eight Mile.

On May 1, 2003, a request for the sale of the captioned property was presented to your Honorable Body. U-Wash Development Company LLC, a Michigan Limited Liability Company proposes to purchase the above-captioned property for the amount of \$17,000.00 and to develop such property. This property consists of a one-story commercial building in need of rehabilitation. This structure is situated on an irregularly shaped parcel of land with a linear frontage of 185.46 feet and is zoned B-2 (Local Business and Residential).

The Offeror proposes to rehabilitate the structure to be used as a retail store for car cleaning and detailing products. This use is permitted as a matter of right in a B-4 zone. The proposed sales resolution was referred to the Planning Commission and Buildings and Safety Engineering for a report, due to the proposed usage of 15325 W. Eight Mile in relation to the adjacent car wash at 15421 W. Eight Mile.

Pursuant to the report from the Planning Commission, 15325 W. Eight Mile may only be purchased under the following conditions: (i) that the structure at 15325 W. Eight Mile not to be utilized for any car wash usage and that no car wash equipment be installed in this building; (ii) that there be no ingress or egress to the east-west alley behind 15325 W. Eight Mile so that the flow of traffic will not be affected on Audrey or Greenfield, and that permanent appropriate permanent fencing, landscaping or other barriers shall be erected on the east-west alley; and (iii) that the portion of the property abutting Prest Street be appropriately landscaped. Any violation of the stated conditions will be subject to the appropriate City of Detroit departmental reviews.

We, therefore, request that your Honorable Body adopt the sale with a Waiver of Reconsideration and authorize the Planning and Development Department Director of Development Activities or his authorized designee to issue a quit claim deed for the above-captioned property to U-Wash Development Company LLC, a Michigan Limited Liability Company.

Respectfully submitted,
KATHLEEN L. ROYAL
Executive Manager
Real Estate

By Council Member S. Cockrel:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities or his authorized designee be and is hereby authorized to

issue a quit claim deed for the following described property to U-Wash Development Company LLC, a Michigan Limited Liability Company, for the amount of \$17,000.00.

Land in the City of Detroit, County of Wayne and State of Michigan being lots 65, 66, 67, 68, 69, 70, 71, 72 and 73 except Eight Mile as widened; "Division Heights Subdivision" being part of the Northwest 1/4 of Section 6, T.1S., R.11E., Greenfield Township, Wayne County, Michigan. Rec'd L. 50, P. 36 Plats, W.C.R. and be it further

Resolved, That the sale of this property be subject to the conditions previously stated in the Planning and Development Department communication and that any violations of said conditions will be subject to City of Detroit Departmental Review.

Department of Public Works
City Engineering Division

April 16, 2003

Honorable City Council:

Re: Plan for Bridge Replacement. State and Federal Critical Bridge Program.

The State of Michigan, Department of Transportation is currently soliciting new applications to the State and Federal Critical Bridge Program. This program awards funds to local government agencies for bridge structures the local agencies consider in critical need of replacement or rehabilitation,

The Department of Public Works has reviewed and approved this program application. It has committed the necessary funds for the design and construction engineering in addition to the five percent funding match for the construction phase of the following list of bridge structures:

1. E. Grand Blvd. over GTWRR and Rivard
2. Central Ave. over Canoe Canal
3. Antietam over GTWRR
4. Jefferson Ave. over CONRAIL
5. Larned Street over GTWRR

The Department needs the help of your Honorable Body to complete the funding program applications. It is requested that the Honorable City Council issue a resolution stating that it has approved the applications and is actively seeking participation in the replacement of the structures. This action by your Honorable Body will complete the Critical Bridge Program application requirements for the bridge structures. The deadline for application is June 1, 2003.

An appropriate resolution is attached for the consideration of your Honorable

Body. Please accept this as your own for the purpose of expediency.

Respectfully submitted,

ULYSSES BURDELL

Deputy Director

By Council Member S. Cockrel:

Whereas, The State of Michigan Department of Transportation is soliciting new applications to the State and Federal Critical Bridge Program fund for the replacement of bridge structures by local government agencies.

There being a quorum present, the Council was declared to be in session.

RESOLUTION

By COUNCIL PRESIDENT MAHAFFEY, and WATSON, Joined By ALL COUNCIL MEMBERS:

WHEREAS, The Detroit City Council is deeply disturbed by Detroit Medical Center Corporation's (DMC) announced intention to close the majority of units of

health care operations at Detroit Receiving Hospital; and

WHEREAS, The Detroit City Council views the proposed actions of the DMC to dismantle the critical operations of Detroit Receiving Hospital to be a violation of the spirit and specific requirements of the state law, MCL 331.621, *et seq* and the agreement between the City of Detroit and DMC for the transfer of operations, ownership and land of Detroit Receiving Hospital to the DMC; and

WHEREAS, The proposed actions of the DMC imperil the public health safety and welfare, through a loss of critical health services for all residents of the City of Detroit, regardless of income and ability to pay for such services; and

WHEREAS, The DMC has failed to demonstrate that the emergency — trauma care, and health services provided by Detroit Receiving Hospital to residents of the City of Detroit, without regard to ability to pay, is the direct or proximate cause of losses in revenues for the DMC; nor has the DMC appropriately or fully and publicly disclosed the reasons for the reduction and diversion of Detroit Receiving Hospital's sustaining reserve accounts since 1995; NOW THEREFORE BE IT

RESOLVED, That director and the attorneys in the Council Research and Analysis Division are hereby designated as Special Counsel for the purposes of pursuing all legal avenues available to the Detroit City Council on behalf of the citizens of Detroit, including the initiation of legal action at the appropriate time and in the appropriate manner, including but not limited to an action to halt the proposed or enacted closures of Detroit Receiving, including its health clinics, operating rooms, in-hospital patient care services and other affected areas.

Adopted as follows:

INVOCATION

Gracious God of the universe, we give You thanks for life, liberty and the pursuit of happiness. We are unable to fathom your infinite benefits toward us. We are however, in need of Your constant presence to pursue Your purposes. We are acutely aware of our utter dependence on You.

Therefore, we beseech You on behalf of our City Council and all those who have the arduous task of crafting decisions and policies that will impact the citizenry of their jurisdiction.

We pray for this Council a perpetual measure of Your wisdom, guidance and power to execute righteous and judicious judgment. Give them Your continual protection, Your grace and Your peace.

Amen

And All Glory To God!

Honorable City Council:

Re: Northend Village — Payment in Lieu of Taxes (PILOT).

Taylor 8 LLC, the sponsor, has formed Northend Village Limited Dividend Housing Association Limited Partnership.

Northend Village is financed by a construction loan in the amount of \$3,075,000 from Standard Federal Bank, a loan of \$1,160,026 from Fifth Third Bank, General Partners Contribution of \$33,953 and Low Income Housing Tax Credits of \$4,785,133.

Northend Village will be a development — New Construction — consisting of 34 — 2 Bedroom, 1 bath units and 16 — 3 Bedroom, 2 bath units. The development area is bounded by Hague, Cameron, Alger and Oakland.

In order to make the development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346, as amended MCLA 125.1415A).

This development will be rented to households with incomes not less than 30% of the area median income and no greater than 60% of the area median income. Eighteen (18) of the units will be occupied by households with 30% of the median income. Twenty five (25) of the units will be occupied by Households with 40% of the median income; the remaining 7 units will be occupied by households with 60% of the median income. These income restrictions will be in effect for the time required under the Low Income Housing Tax Credit Program.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90 as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this project.

Respectfully submitted,
FREDERICK W. MORGAN

Assessor

By Council Member S. Cockrel:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1966, as amended, a request for exemption from taxes by Northend Village Limited Dividend Housing Association Limited Partnership has been filed, and

Whereas, Said Partnership is developing a Housing Project known as Northend Village which is being financed by Fifth Third Bank, Capital contribution by the General Partners and Low Income Housing Tax Credit Program; and

Whereas, The purpose of the housing project is to serve low income to moderate income persons, the description of the property is as Exhibit "A".

Now, Therefore, Be It Resolved, That said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCLA 125, 1401, et. Seq., MSA 16.114(1) et. seq., and

Be It Further Resolved, That said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of four percent (4%) per City Ordinances 9-90, as amended, having taken effect, and

Be It Further Resolved, That arrangements to have collections of a payment in lieu of taxes from Northend Village Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the above described property and that all necessary journal entries, with respect to the same, be prepared by the Chief Financial Officer.

Be It Further Resolved, That the City Clerk furnish the Finance-Assessments Division, two certified copies of this resolution.

Resolved, That:
The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Antonio Mack a minor by and thru his Next Friend and Mother, Lavonia Mack v Detroit Police Officers John McLeod and Jeff Weiss, Wayne County Circuit Court Case No.02-214978 NO, on the following terms and conditions:

- A. 1. The parties, by their attorneys, agree to submit this matter to binding arbitration.
- 2. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
- 3. Arbitration shall be conducted in accordance with the Michigan Rules of

Evidence, except as may be modified by stipulation of the parties

4. The matter shall be arbitrated by a panel of three arbitrators, all of whom shall be practicing Michigan Attorneys. The Plaintiff shall select one arbitrator, the Defendants shall select one arbitrator, and the Plaintiff and Defendants shall jointly select the neutral arbitrator. Plaintiff shall pay all fees and costs associated with the arbitrator that he selects. Defendants shall pay all fees and costs associated with the arbitrator that they select. All fees and costs of the neutral arbitrator shall be paid fifty percent (50%) by Plaintiff and fifty percent (50%) by Defendants.

All other costs and fees, including attorney fees, shall be borne by the party which incurs them.

5. In the event that the neutral arbitrator is unavailable for a hearing on the date set by the parties, either by failure to accept appointment, disqualification, withdrawal, or incapacity, the position shall be filled by agreement of the parties.

6. Pre-hearing briefs shall be required of Plaintiff and Defendants, and shall be submitted to the arbitration panel prior to commencement of the arbitration.

Medical records and reports may be used at the hearing in lieu of the personal appearance of physicians, medical care providers or record custodians.

7. Plaintiff shall recover a minimum amount of Ten Thousand Dollars (\$10,000.00).

The maximum amount of any award to the Plaintiff shall be in the amount of Seventy-Five Thousand Dollars (\$75,000.00).

8. A decision of two of the three arbitrators shall be binding.

Any award under \$10,000.00 shall be interpreted to be in the amount of \$10,000.00.

Any award in excess of \$75,000.00 shall be interpreted to be in the amount of \$75,000.00.

There shall be no costs, fees, or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrator shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident on October 11, 2001 at or near Michigan and 35th.

9. Neither the "High-low" amounts, nor the mediation award shall be disclosed to the arbitrators. Disclosure of the "high-low" amounts or the mediation award to the arbitrators shall render the arbitration agreement voidable by any non-disclosing party.

10. Discovery proceedings may continue, and each party shall have the opportunity to take "discovery only" depositions of the opponent's experts, to the

extent that such depositions have not already been completed. The parties shall be able to take depositions of parties or witnesses for use as evidence at arbitration, without regard to witness availability.

11. The parties agree that they will faithfully observe the Agreement to Arbitrate and that they will abide by and satisfy the award rendered by the arbitrators. In the event that any party refuses to abide by the arbitrators' decision, the other party may petition the Court to confirm the award and enter judgment thereon.

12. The proceedings convened by the arbitrators need not be recorded. However, if any party wishes to have the proceedings recorded, then any costs incurred shall be borne exclusively by said party.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$25,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Noah Murphy and his attorneys, Richard B. Smutek, in the amount of the arbitrators' decision, but said draft may not be less than Ten Thousand Dollars (\$10,000.00) and not more than Seventy-Five Thousand Dollars (\$75,000.00).

Re: Carlyce Johnson, Personal Representation of the Estate of Carlos

Earl Faulkner, Deceased v City of Detroit. Case No. 02-227520 CZ, File No.: A13000.00296 (MPS).

On May 6, 2003, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiff. The parties have until June 2, 2003, to either accept or reject the case evaluation award. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Fifteen Thousand Dollars (\$15,000.00) payable to Lygizos & Associates, PLC, attorneys, and Carlyce Johnson, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 02-227520 CZ approved by the Law Department

Honorable City Council:

Re: Address: 4280 Lakepointe. Name: Ochuko Ighofose. Date ordered removed: November 27, 2002 (J.C.C. p. 3713-5).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 12, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 9, 2003.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we

will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

By Council Member S. Cockrel:

Now, Therefore Be It
Resolved, That the City of Detroit

demolished 1786 E. Grand Blvd. on or about October 5, 2000, and

Resolved, That the cost of the demolition was \$8,434.72 (plus accruing interest and penalties), and

Resolved, That although the demolition was both proper and necessary the demolition special assessment would create a hardship through no fault of the owner of 1786 E. Grand Blvd., and

Resolved, That the City Council may waive the assessment under Detroit Ordinance No. 290-H, ch 12, art 11, sec 12-11-28.4 which states "If any tax assessment pursuant to this section is found to be unjust or erroneous, or where the owner of the property would suffer an undue hardship through no fault of his own, the City Council may waive the assessment."

Now Therefore Be It Resolved, That the Department of Finance is hereby authorized to cancel the City of Detroit demolition special assessment (including penalties and interest thereto related) which appear on the tax rolls for property 1786 E. Grand Blvd.

Be It Further Resolved, That the appropriate officials are hereby authorized to execute all necessary documents and tax rolls to cancel all of the above referenced City of Detroit real property tax demolition related special assessments.

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 8833 Northlawn. Name: Barbara A. Bostic. Date ordered removed: September 25, 2002 (J.C.C. p. 2919).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 9, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of October 30, 2002.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance

290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

 Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 2 units of housing to be established through the new construction at 445 E. Ferry and 5521 Beaubien in the Ferry Street NEZ (Recommend Approval).

The office of the City Planning Commission (CPC) has received the applications for Neighborhood Enterprise Zone (NEZ) certificates for 2 units of new housing construction at 445 E. Ferry and 5521 Beaubien forwarded from the City Clerk's office. Having reviewed these applications, CPC staff recommends approval of the NEZ certificates.

The subject properties have been confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The applicant is proposing approximately \$157,400 in new construction, which would be eligible for a certificate.

The sites are the vacant rear yards of structures fronting Ferry Street and located within the Art Center community and are also part of the Ferry Street Historic District. The owner and applicant, East Ferry LLC, intends to construct two (2) carriage houses providing parking on the ground floor, each with a condominium above. The NEZ certificate applications appear to have been submitted prior to the issuance of any applicable building permits.

These properties are also located within the boundaries of an urban renewal area, the Art Center Rehabilitation Project. This project is consistent with the development plan for the area and was approved by the Citizens' District Council.

Please contact us should you have any questions.

Re: Surplus Property Sale By Development. Development: 7515 Melrose, 7503 Oakland.

We are in receipt of an offer from Roger Robinson, to purchase the above-captioned property for the amount of \$5,300.00 and to develop such property. This property consists of a one-story commercial building in need of rehabilitation and also vacant lots west of the building. This property is situated on an area of land with that contains approximately 7116 square feet. 7503 Oakland is zoned B-4 (General Business District) and 7515

Melrose is zoned R-2 (Two-Family Residential).

The Offeror proposes to rehabilitate the structure at 7515 Melrose to be used a warehouse facility for the Group 7500 Printing Company located at 7500 Oakland. The purchaser will also develop a paved surface parking lot at 7503 Oakland for the storage of licensed operable vehicles. This use is permitted as a matter of right in a B-4 zone for 7503 Oakland and for 7515 Melrose in a R-2 zone with a current legal non-conforming use (See Attachment).

We, therefore, request that your Honorable Body adopt the sale with a Waiver of Reconsideration and authorize the Planning and Development Department Director of Development Activities or his authorized designee to issue a quit claim deed for the above-captioned property to Roger Robinson.

Honorable City Council:
Re: Petition from Detroit Electro-Coatings Company and 27-Orestiadod for Establishment of an Industrial Development District in the Area of 2599 22nd Street (Petition #1011).

Representatives of the Planning & Development and Finance Departments have reviewed the petition of the following entities which request the establishment of an Industrial Development District under Public Act 198 of 1974 ("the Act").

Based on discussions with company representatives and examination of the submitted petition, we are convinced this company meets the criteria for tax relief as set forth in the Act.

Petitioners: Detroit Electro-Coatings Company — 27-Orestiadod.
Address: 2599 22nd Street, Detroit, MI 48216.

Type of Business and Investment: The Detroit Electro-Coatings Company applies coatings to surfaces to protect against corrosion. The company will build and equip a 40' x 120' building to expand capacity. As the employer, taxpayer, and operator of the site, Detroit Electro-Coatings Company will be the applicant and the beneficiary of any tax abatement granted. 27-Orestiadod is a closely related entity which owns the site and has joined in the petition for establishment of a District in order to satisfy the technical requirements of Public Act 198 of 1974.

Previous Petitions for Tax Abatement: None.

We respectfully request that a Public Hearing be scheduled on Petition #1011, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of Industrial Development District.

We further request that an early date and time be established for the Public Hearing due to Detroit Electro-Coating's need to meet the Act's stringent timing requirements for the filing of the Application. The Application cannot be filed unless, or until, your Honorable Body establishes the District.

By Council Member S. Cockrel:
Whereas, Pursuant to Act No. 198 of the Public Acts of 1974, as amended ("Act 198"), this City Council has the authority to establish "Industrial Development Districts" within the boundaries of the City of Detroit,

Whereas, Detroit Electro-Coatings Company and 27-Orestiadod have petitioned this City Council for the establishment of an Industrial Development District in the area of 2599 22nd Street in the City of Detroit, the proposed District being more particularly described in the attached Exhibit A attached hereto; and

Whereas, Act 198 requires that prior to the establishment of an Industrial Development District, City Council shall provide an opportunity for a hearing on the establishment of the District at which any owner of real property within the proposed District, or any representative of a taxing authority levying *ad valorem* taxes,

or any resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That the 18th day of June, 2003 @ 10:30 a.m., in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the establishment of an Industrial Development District on the property referred to above and more fully described in Exhibit A attached hereto; And Be It Finally

Resolved, That the City Clerk will provide notice of the Public Hearing to the general public by publication, and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within the proposed District.

Re: Petition No. 1446 — Request for Cancellation of Special Assessment for Debris Removal for 8163 Mandalay, Ward 16, Item 018612.

Upon our investigation, the Department of Public Works concurs that the above property was billed in error.

We, therefore, respectfully request that your Honorable Body authorize and direct the Board of Assessors to cancel the stated assessed amount against the property in question.

Respectfully submitted,

ULYSSES BURDELL

Deputy Director

By Council Member S. Cockrel:

Resolved, that in accordance with the above communication, the Finance Director is authorized to cancel the Special Assessment for debris removal for 8163 Mandalay, Ward 16, Item 018612, Roll No. 407.

Be It Further Resolved, that the Finance Director is hereby authorized to remove the above from the tax rolls in the total amount of \$391.87 (Principal and Interest).

Honorable City Council:
Re: Petition No. 689 — Aunt Mid Produce Facility, requesting vacation of the public right-of-way in area of Olivet, Lafayette, Springwells and New York Central Railroad.

Petition No. 689 of "Aunt Mid Produce Facility", requests to outright vacate the North-South public right-of-way, 25 feet wide, in the block bounded by Olivet Avenue, 50 feet wide, Lafayette Avenue, 50 feet wide, Springwells Avenue, 66 feet wide and the New York Central Railroad.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearances) and report. This is our report:

SBC Telecommunication reported involvement, but no objection to the proposed change in property.

All other city departments and private utility companies have reported no involvement or satisfactory arrangements have been made.

Whenever it becomes necessary to discontinue use of the paved public right-of-way entrance into Olivet Avenue, such removal and construction of new curb and sidewalk must be done under City Engineering Division — DPW specification, permits and inspection with all cost borne by the property owner.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Re: Petition No. 1176 — Cattleman's Meat Company, requesting for outright vacation of Dequindre, 30 feet wide, Hale, 50 feet wide, converted into an easement, and the remaining portion of the east-west public alley, 20 feet wide all in the area of Mack, Orleans, Scott and the Grand Trunk Railroad.

Petition No. 1176 of "Cattleman's Meat Company", at 1825 Scott Street, Detroit,

MI 48207, requests to outright vacate Dequindre Avenue, 30 feet wide, with a portion deeded to the City of Detroit on April 6, 1875, Hale Street, 50 feet wide, converted to easement on September 18, 1985, and the remaining portion of the east-west open public alley, 20 feet wide, deeded to the City of Detroit on July 28, 1874 all in the block bounded by Mack Avenue, 50 feet wide, Scott Avenue, 50 feet wide, (vacated), Grand Trunk Railroad and Orleans Street, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearances) and report. This is our report.

SBC Telecommunication reported involvement, but no objection to the proposed change in property.

The Detroit Water and Sewerage

Department (DWSD) reported there is an existing eight-inch water main in Hale Street that must remain in service. The petitioner has submitted plans for the relocation of said water main. The DWSD has no objection to the request for the outright vacation in conjunction with the petitioner's request for permission to design and construct a public water main(s) within the proposed site that meets DWSD standards, provisions and be laid within a public utility easement and reconnected to DWSD system.

All other city departments and private utility companies have reported no involvement or satisfactory arrangements have been made.

Whenever it becomes necessary to discontinue use of paved public rights-of-way entrances into Orleans Street and Mack Avenue, such removal and construction of new curb and sidewalk must be done under City Engineering Division — DPW specification, permits and inspection with all cost borne by the property owner.

I am recommending adoption of the attached resolution.

 Re: Petition No. 906 — Canaan Construction Company, et, al" for

conversion of alley to easement in the area of Puritan, Midland, Fairfield and Muirland.

Petition No. 906 of "Canaan Construction Company, et, al" at 3301 Puritan Avenue, Detroit, Michigan 48204, request the conversion of a portion of the East-West open public alley, 18 feet wide, in the block bounded by Puritan Avenue, 66 feet wide, Midland Avenue, 50 feet wide, Muirland Avenue, 50 feet wide, and Fairfield Avenue, 50 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Muirland Avenue), the petitioner shall pay all incidental removal costs.

All other city departments and private utility companies have reported no objection to the conversion of public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Resolved, All that part of the East-West public alley, 18 feet wide, lying Northerly of and abutting the North line of lot 173, also lying Southerly of and abutting the South line of lots 49 through 47, both inclusive, and the East 7.50 feet of lot 48 all in the "Ford View Subdivision" of Lot 5, plan of East 1/2 of South East 1/4, the South West 1/4 and West 1/2 of South East of Section 15, T1 5, R.11E., Greenfield Township, Wayne County, Michigan, as recorded in Liber 29 Page 63, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed

in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved return at the entrance (into Muirland Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Council
Division of Research & Analysis
May 28, 2003

Honorable City Council:
Re: Emergency Ordinance regarding Detroit Medical Center's layoffs and planned closing of beds at Detroit Receiving Hospital.

At the Honorable City Council's request, the Research and Analysis Division (RAD) was asked to submit items to address the threatened layoffs and closure of Detroit Receiving Hospital and University Health Center (DRH) by the Detroit Medical Center (DMC). Find attached a proposed emergency ordinance in this regard.

The emergency ordinance recognizes the importance of Detroit Receiving Hospital in providing care to all regardless of income and in providing state of the art trauma services to all residents in the region. The proposed emergency ordinance also recognizes that the actions of DMC threaten the ability of DRH to carry out its core mission and presents an emergency situation as it relates to the health, safety and welfare of the Citizens of the City of Detroit, particularly in light of DMC's failure to advance a credible and detailed plan to provide medical care to all citizens regardless of income in the event that the DRH facility's services are cut back or terminated as stated by DMC in their public statements.

The emergency ordinance requires DMC to maintain and operate DRH as required by state law and as required by previous agreements between the City and DMC. The emergency ordinance also requires that DMC maintain current levels of staffing, inpatient care and hospital beds at DRH. The emergency ordinance further requires that DMC work in good faith to see that the DRH Board is seated, has a quorum and is functioning as required by state law. The emergency ordinance also requests that DMC provide necessary funding from DRH's accounts and reserves and that quarterly reports be provided regarding the care being provided at DRH.

By Council Member S. Cockrel:
AN ORDINANCE to amend Chapter 24, Article II, by adding Section 24-2-1.1 to require the Detroit Medical Center to keep Detroit Receiving Hospital and Clinics Building operating in accordance with Michigan Public Act 217 of the Public Acts of 1979 and the contractual agreement between the City of Detroit and Detroit Medical Center Corporation.

DECLARATION OF EMERGENCY

Whereas, The City of Detroit (City) entered into an agreement with the Detroit Medical Center Corporation (DMC) to lease and transfer ownership of Detroit Receiving Hospital (DRH) to DMC for the purpose of continuing to provide emergency care and health services to all persons needing them without regard to religious, racial or ethnic identification or economic status; and

Whereas, It has been reported that the DMC will, within the next 30 to 60 days, eliminate 300 beds and up to 1,000 jobs at the DMC; and

Whereas, As a result of these cuts, DRH will become an emergency/trauma center only; and

Whereas, Consistent with those impending changes, DRH will no longer accept psychiatric patients; and

Whereas, The scale back in operations will also eliminate overnight admissions to DRH; and

Whereas, DRH is the Detroit area's primary facility for providing Level 1 Trauma Care;

Whereas, Detroit has been identified as a community at risk of terrorist activity;

Whereas, No plan has been put in place for providing care to all persons regardless of income if DRH services are substantially reduced or closes;

Whereas, A significant proportion of the population of Detroit is underemployed or is eligible for Medicare or Medicaid; and

Whereas, Many of those affected by these cuts have transportation needs that will make it difficult to reach suburban hospitals and medical centers; and

Whereas, The ultimate result of these decisions will be to deny much needed treatment and medical care to the thousands of indigent, uninsured and underinsured citizens of this city;

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 24, Article II, of the 1984 Detroit City Code be amended by adding Sections 24-2-1.1 to read as follows:

Section 24-2-1.1. Hospital Operation.

A. The Detroit Medical Center shall continue to operate the clinics building and Detroit Receiving Hospital at all times and in a manner consistent with Michigan P.A. 217 of 1979, Section 331.621 et seq. which act requires those facilities to provide.

(1) High quality ambulatory health care services by interdisciplinary health care professionals;

(2) Educational programs which provide opportunities for students of various health care professions to participate in an ambulatory health care program with an emphasis on primary care, if the programs continue to be funded by the state;

(3) With other institutions operated by the Detroit Medical Center, the highest quality health services to all persons needing them, regardless of the person's religious, racial or ethnic identification or economic status;

(4) An emergency and trauma unit for the residents of the City within the present and future capacities of the facility.

B. In accordance with the agreement between the City and DMC, DMC shall

also continue to provide within Detroit Receiving Hospital:

(1) A prison unit available for treatment of persons in the custody of the City of Detroit;

(2) A "crisis center" in order to provide emergency mental health services, both ambulatory and inpatient, as long as such services continue to be adequately funded pursuant to grants and other funds provided by governmental agencies or entities other than Detroit Receiving Hospital University Health Center;

(3) Space for use by rape counseling service personnel employed by the Detroit Police Department in connection with their counseling of rape victims brought to DRH for treatment.

C. It is recognized that in order to protect the health and safety of the public, DMC shall continue to provide the services presently available by maintaining current staffing levels, including in-patient care, beds and services at DRH.

D. DMC shall promptly comply with all necessary steps to cooperate in the effective appointments to the DRH Board, in accordance with State Law.

E. DMC shall promptly comply with all necessary steps to effectuate access to DRH funds by the DRH board, by releasing to the DRH board's authority, access to funds generated by DRH and/or reserved funds for DRH use.

F. DMC shall file quarterly reports beginning with June 1, 2003 as to what steps it has taken to comply with this Ordinance, including but not limited to, a written plan to address any significant change in services and operations, staffing level, in-patient beds usage, restricted DRH funds account balance, and loan repayment schedule of any outstanding debts owed to DRH.

G. Nothing in this Ordinance shall be construed to limit, waive, restrict or otherwise affect the City's, DRH or DMC's rights under existing law.

H. The provisions of this Ordinance shall be severable, and if any word, phrase, clause, sentence, or provision is declared invalid or preempted by state or federal law or regulation, the validity of the remainder of this Ordinance shall not be affected thereby.

Section 2. All ordinances, or parts of ordinances that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 4. This ordinance shall be given immediate effect and become effective upon publication in accordance with the applicable provisions of the 1997 Detroit City Charter.

Council Member S. Cockrel then moved that inasmuch as this ordinance

was an emergency measure, it be placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the ordinance was read a third time.

The ordinance was then read.

The question being "Shall this ordinance now pass?"

The ordinance was passed, a majority of the Council Members present voting therefore as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

Title to the ordinance was confirmed.

Downtown Development Authority

May 23, 2003

Honorable City Council:

Re: Downtown Development Authority Proposed Amendments and Modifications to the Restated Tax Increment Financing Plan and Development Plan for Development Area No. 1.

Request to schedule appropriate discussions and Public Hearings on proposed modifications.

The enclosed revised proposed modifications and amendments to the Restated Tax Increment Financing and Development Plan for Development Area No. 1 (the "Plan"), as approved by the

Board of Directors of the Downtown Development Authority on May 22, 2003, are herewith submitted to your Honorable Body with the request that City Council adopt an Ordinance approving same, following such notice, public hearings and agreements as are required by the DDA Act.

The DDA respectfully requests that the scheduling of the public hearings take place at Council's formal session of WEDNESDAY, MAY 28, 2003, with waiver of reconsideration. We are requesting a public hearings date of WEDNESDAY, JUNE 25, 2003 for an 10:15 A.M. public hearing on the proposed modifications, and an 10:20 A.M. public hearing on the Ordinance adopting the modifications. We ask that this request appear as a line/discussion item on Council's Wednesday, May 28, 2003, calendar.

Please be advised the Authority has discussed the proposed amendments with the City Planning Commission and its staff who indicated they will be making a recommendation to your Honorable Body prior to the public hearings of WEDNESDAY, JUNE 25, 2003. Additionally, DDA has met two times with the Downtown Citizens District Council (the "DCDC") to discuss the proposed amendments and modifications to the Plan. A recommendation from the DCDC to your Honorable Body was submitted on April 29, 2003.

Section 14(4) of Public Act 197, 1975 mandates the local legislative body to offer the local taxing jurisdictions an opportunity to be heard on the proposed amendments. Therefore, it will be necessary for City Council to schedule a discussion with the various taxing jurisdictions prior to the public hearings to inform them of any fiscal or economic implications of the proposed modifications to the Plan. We request that this discussion be scheduled for WEDNESDAY, JUNE 25, 2003, at 10:00 A.M. Representatives of the Detroit Board of Education, Wayne County Community College, Wayne County, Wayne County Regional Education Service Agency, Huron Clinton Metropolitan Authority, City of Detroit, Wayne County Board of Commissioners and the State of Michigan should be invited to the discussion.

For your consideration, we enclose the following items:

- a) Revised Summary of the proposed Tax Increment Modifications dated May, 2003 (Exhibit A).
- b) Revised Red-lined pages of the Proposed Amendments to the City of Detroit Downtown Development Authority Restated Tax Increment Financing Plan and Development Plan for Development Area No. 1 (Exhibit B).
- c) Revised City of Detroit Downtown Development Authority Restated Tax Increment Financing Plan and

Development Plan for Development Area No. 1 (Proposed Amended Plan) (Exhibit C).

d) Revised City Council resolution setting a Public Hearing on an amendatory ordinance approving the proposed modifications and amendments to the Plan (Exhibit D).

e) The ordinance (under review by City Law Department to be submitted under separate cover).

It is our hope that City Council will adopt the amendatory Ordinance at its formal session on Wednesday, June 25, 2003.

Respectfully submitted,

Planning & Development Department

May 5, 2003

Honorable City Council:

Re: DEHOCO Property Real Estate Advisor; Jones Lang LaSalle Agreement.

The Planning & Development Department is in the process of procuring a detailed analysis of the DEHOCO property. In order to provide the level of investigation necessary to make the most informed decision regarding the property, The Planning & Development Department has requested that the Detroit Economic Growth Corporation engage a Real Estate Advisor to facilitate the task.

The Detroit Economic Growth Corporation has selected from a Request of Qualification and has engaged under a Professional Services Agreement, the firm of Jones Lang LaSalle, to develop an understanding and knowledge of the property and the city's goals. They will also provide consultation and advice to P&DD in the review of proposals from private developers.

The Agreement between the DEGC and Jones Lang LaSalle is for an amount not to exceed \$149,000. The Department is requesting that the DEGC be reimbursed by P&DD for the costs associated under this Agreement from the land sale proceeds.

Therefore, we are requesting approval by your Honorable Body of the attached Resolution authorizing such action.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member K. Cockrel, Jr.:

Resolved, In accordance with the foregoing communication, the Planning & Development Department is hereby authorized to reimburse the Detroit Economic Growth Corporation, not to exceed One Hundred Forty-Nine Thousand Dollars (\$149,000), for costs associated with the Real Estate Advisor Agreement, for an analysis of the DEHOCO property site, from any potential land sales proceeds.

Adopted as follows:

Yeas — Council Members Bates, Collins, Everett, McPhail, and Tinsley-Talabi — 5.

Nays — Council Members K. Cockrel, Jr., S. Cockrel, Watson and President Mahaffey — 4.

RESOLUTION SUPPORTING HOUSE BILL 4658 (SUSPENSION OF REDUCTION IN RESIDENT AND NON-RESIDENT INCOME TAX)

By PRESIDENT PRO TEM KEN COCKREL, JR.

WHEREAS, The Michigan House of Representatives is considering a bill (House Bill 4658) that would allow the City of Detroit to suspend, temporarily, the legislatively mandated reduction in its resident and non-resident income tax rates.

WHEREAS, Public Act 500 of 1998 prescribed the aforementioned reduction, requiring the City of Detroit to roll back its resident city income tax rate one-tenth of 1 percent each year, starting July 1, 1998, until the resident levy equals 2 percent and the non-resident rate, 50 percent of the income tax rate imposed on resident individuals.

WHEREAS, The City of Detroit has foregone roughly \$70 million in resident and non-resident income taxes since enactment of Public Act 500 of 1998.

WHEREAS, The City of Detroit voluntarily began reducing its Corporate Income Tax Rate at the same time it began affording individuals income tax relief, foregoing nearly \$10 million in business tax revenue since enactment of

Public Act 500 of 1998.

WHEREAS, The bill (House Bill 5391 of 1998) that became Public Act 500 of 1998 was tie-barred to another bill (House Bill 5989 of 1998) that became Public Act 532 of 1998.

WHEREAS, Public Act 532 of 1998 froze Detroit revenue sharing appropriations of \$333.9 million per state fiscal year, from October 1, 1998, through September 30, 2006, and for the period of October 1, 2006, through June 30, 2007, in exchange for the city reducing its resident and non-resident income tax rates, pursuant Public Act 500 of 1998.

WHEREAS, Public Act 532 guaranteed Detroit that \$333.9 million, unless state sales tax collections decreased from one state fiscal year to the next.

WHEREAS, State sales tax collections have never decreased from one state fiscal year to the next, since passage of Public Act 532 of 1998, but, rather, have increased from \$5.6 billion in 1998 to \$6.6 billion in the state's current 2003 fiscal year and are projected to grow to \$6.9 billion in the state's forthcoming 2004 fiscal year, which starts October 1, 2003.

WHEREAS, The Legislature reneged on its promise to the City of Detroit in December 2002, when it passed former Governor John Engler's Executive Order, which cut Detroit revenue sharing by \$11.7 million for the state's current 2003 fiscal year.

WHEREAS, Governor Jennifer Granholm — in her Fiscal Year 2004 budget proposal — recommends cutting Detroit revenue sharing by another \$21.4 million, for the period of October 1, 2003, through September 30, 2004.

WHEREAS, The City of Detroit stands to lose more than \$33 million in state revenue sharing allocations over the next two years, adversely affecting its ability to provide direct services to its citizenry and jeopardizing its long-range planning. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council urges the Michigan Legislature to act out of fundamental fairness and pass House bill 4658 expeditiously; and Be It Finally

RESOLVED, That a copy of this Resolution be sent to Mayor Kwame M. Kilpatrick, Governor Granholm and all Michigan State Legislators.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson and President Mahaffey — 9.

Nays — None.

RESOLUTION

By: COUNCIL MEMBERS SHEILA COCKREL and SHARON McPHAIL

WHEREAS, The Detroit Police Department is currently the subject of an

investigation by the Department of Justice under Section 14141 of the United States Code, and

WHEREAS, The crux of this investigation is to bring about reform in the department and to insure state of the art policies and practices that stem the costly number of police misconduct cases plaguing the department, and

WHEREAS, The Executive Protection Unit of the Mayor has been the subject of wide spread media attention due to the past service records of 2 members. NOW THEREFORE BE IT

RESOLVED, That the Public Health & Safety Standing Committee of the Detroit City Council will conduct a review of current standards and best practices relative to character and fitness standards that should be adhered to in the selection of personnel for the Executive Protection Unit, AND BE IT FURTHER

RESOLVED, that upon compilation of this information, the Standing Committee will present a proposed policy statement to the Detroit City Council for their concurrence and adoption. AND BE IT FURTHER

RESOLVED, That your upon approval by the Detroit City Council such recommended policy will be forwarded to the Board of Police Commissioners for consideration for inclusion in the Detroit Police Manual. AND BE IT FURTHER

RESOLVED, That this policy recommendation be shared with the Department of Justice Special Litigation Unit. AND BE IT FINALLY

RESOLVED, That this resolution will be forwarded to the Honorable Kwame Kilpatrick, the Board of Police Commissioners, Chief Jerry Oliver, and the Department of Justice Special Litigation Unit.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson and President Mahaffey — 9.

Nays — None.

**RESOLUTION
IN OPPOSITION TO
"RACINO" LEGISLATION**

By COUNCIL MEMBER S. COCKREL:

WHEREAS, The House of Representatives in the State of Michigan Legislature did pass House Bills, 4609, 4610, 4611, and 4612, commonly referred to as "racino" legislation, permitting off track betting and account wagering, video lottery terminals at racetracks, amends the Criminal Code of the State of Michigan to provide for new felonies related to video lottery, keno games and distribution of uncased tickets; and permits off track betting facilities and operations within state licensed casinos located in the City of Detroit; and

WHEREAS, The House Fiscal Agency for the Michigan House of Representatives has been unable to determine the fiscal impact, saturation point and level of cannibalization of existing gaming as the result of racetrack proposals, citing that to do so "is difficult to identify"; stating also that it is reasonable to state that the increased competition would reduce gaming revenue generated from the state lottery and Detroit casinos by \$18 million to \$54 million; and

WHEREAS, The fiscal projections and implications are based on the consideration that there are no new racetracks or new Native American casinos; and

WHEREAS, The 1998 Compacts between the State of Michigan and four Native American tribes prescribe certain penalties through loss of compact revenues to the State of Michigan. This penalty is applicable in the event that the State of Michigan authorizes the use of electronic gaming devices by any entities other than the Native American Casinos and the state licensed casinos located in the City of Detroit; the state revenue that flows from each of the two Native American owned and operated casinos under the Compacts will be lost if these bills are enacted; and

WHEREAS, A poll of Michigan voters conducted by Marketing Resource Group for the newsletter "Inside Politics" reveals that 66% of registered Michigan voters oppose the legislation allowing video lottery terminals at racetracks; and

WHEREAS, The Honorable Governor Jennifer M. Granholm was quoted in the Detroit News on May 28, 2003 as stating that she is concerned about "the fact that if you've got thousands and thousands of (slot) machines, then you eventually turn a racetrack into a casino that happens to have a horse nearby;"; and

WHEREAS, Governor Engler's Blue Ribbon Commission on Michigan Gaming, concluded that 1) the state's horse racing tracks should not be given the ability to offer electronic computerized games of chance, 2) the effect [of adding video slot machines] would be to create a casino at each race track, 3) the devices would be difficult to regulate and control and would be too easily accessible to minors, and 4) the benefits to the State of Michigan, the horse-racing industry and Michigan agriculture from the legalization of electronic games of chance at licensed tracks would not outweigh any associated loss of revenue to other gaming activities...;

WHEREAS, This proposal circumvents the process set forth in the Michigan Gaming Control and Revenue Act (MGCRA), which provided for the establishment of the three Detroit casinos, MGCRA already provides for a regulatory

scheme and organization capable of ensuring the integrity of the operation of video lottery terminals;

NOW, THEREFORE, BE IT RESOLVED, That the Detroit City Council urges the Governor of the State of Michigan and the Michigan State Senate to reject House Bills 4609, 4610, 4611, and 4612, commonly referred to as "racino" legislation permitting off track betting and account wagering, video lottery terminals at racetracks, amends the Criminal Code of the State of Michigan to provide for new felonies related to video lottery, keno games and distribution of uncased tickets; and permits off track betting facilities and operations within state licensed casinos located in the City of Detroit; and BE IT FINALLY RESOLVED, That the City Clerk be instructed to send copies of this adopted resolution to the Honorable Governor Jennifer M. Granholm, the entire Michigan State Senate, and Marge Malarney, the City of Detroit's State lobbyist.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

*WAIVER OF RECONSIDERATION (No. 4) per motions before adjournment.

RESOLUTION

By COUNCIL MEMBER WATSON on behalf of ALL CITY COUNCIL MEMBERS:

WHEREAS, The Detroit City Council believes it is imperative to organize a mechanism to develop the economic capacity and cultural identity of African-American residents of the City of Detroit.

NOW, THEREFORE, BE IT RESOLVED That:

1. A taskforce be established to develop the concept of an African Town in the City of Detroit.

2. This taskforce shall be known as the African Town Taskforce.

3. This taskforce will be composed of representatives from the following: the Detroit City Council, Mayor's Office, Research & Analysis Division, Fiscal Analyst, and any other organization deemed necessary by the taskforce.

NOW, BE IT FINALLY RESOLVED That:

This taskforce shall meet and report on a regular basis on the progress of the development of an African Town in the City of Detroit.

Mayor's Office

May 27, 2003

Honorable City Council:

The City Clerk has presented for my review and approval the amendments to the CDBG/NOF funding proposed by your Honorable Body for the fiscal year 2003-2004.

During your CDBG/NOF deliberations, Ms. Diane Johnson of the U.S. Department of Housing & Urban Development testified before Council about the HUD audit. A specific concern is the disbursement of funds to a large number of organizations resulting in minimal impacts. Ms. Johnson also indicated there is a failure to specifically follow the goals and objectives of the five-year consolidated plan.

My proposed CDBG/NOF recommendations funded 144 organizations while Council funded almost 100 more groups. Further, Council's budget cut the City's demolition activity by over 2 million dollars. As a result, the City is not able to demolish the slated 1,000 homes next year, almost 300 structures less than I recommended.

For these reasons I return the CDBG/NOF proposals with my veto and request that your Honorable Body restore the CDBG/NOF as I initially proposed on March 31, 2003.

Respectfully submitted,
KWAME M. KILPATRICK

Mayor

Received and placed on file.

Mayor's Office

May 30, 2003

Honorable City Council:

Allow me to thank you on behalf of the citizens of Detroit for your diligence as the

legislative branch of this city in completing the fiscal year 2003-2004 budget proposal review and analysis. Certainly, it was no easy task given the current global economic conditions that have adversely impacted this city's finances. In such times, it is critical that a clear direction is determined and a firm path is forged to ensure the financial health of this city. Tough decisions must be made as we seek to improve the quality of life for the citizens we serve.

This year, economic conditions presented us with a \$196 million shortfall by way of: an unanticipated \$88 million contribution to both pension funds; an increased contribution of \$34 million for hospitalization and other fringe costs for employees; a \$23 million reduction in income tax revenue; and a \$21 million reduction in state revenue sharing. On April 14, 2003, I submitted a proposal that balanced the City's budget, despite these daunting fiscal challenges. This too, was no easy task. Months of analysis, fiscal projections and financial planning went into the balanced proposal submitted. Every department, including my office, had to make a sacrifice in order for me to submit a balanced budget. Additionally, every department recognized fundamental changes needed to occur to ensure future financial stability.

Despite fiscal challenges, this administration remained firm, focused and committed to delivering high quality service to the citizens of this city. Paramount in our commitment to Detroiters was — and still is — that our city will be clean. We pledged we would no longer tolerate illegal dumpers who disrespect Detroit. Last year, we challenged Detroiters to clean up their city — and if they responded — this administration would do its part to keep it clean. The response was overwhelming. Last year, we enlisted 30,000 volunteers, who for 10 weeks collected more than 11,000 tons of debris from city streets during our "Motor City Makeover" campaign. This year — in just four weeks — more than 58,000 volunteers have stepped up to clean our city. We have moved forward in doing our part by placing 625 trash receptacles throughout the community and commit to placing 600 more in the up coming fiscal year. We refocused the Department of Public Works efforts on cleanup and timely trash and bulk pickup. Through the Buildings and Safety Engineering Department, we restructured and refocused our efforts on aggressively demolishing dangerous and nuisance structures, particularly those near schools. We are also committed to aggressively targeting and penalizing those who dump illegally in our city.

After reviewing your proposed changes to the 2003-2004 budget, it is pleasing to note that your Honorable Body agrees

with roughly 93 percent of the proposed City Budget. However, there are both fundamental and philosophical changes to the proposal that must be addressed.

It is apparent that we have placed different priorities on creating a clean city for Detroiters and their families. The elimination of the proposed Department of Administrative Hearings prevents Detroit from aggressively targeting those who dump illegally in our city. The DAH was proposed to ensure that environmental tickets are adjudicated timely and effectively. Currently, the 36th District Court limits the number of environmental tickets placed on the docket and routinely reduces fines. This approach has clearly resulted in continued, massive dumping throughout the City of Detroit and contributed to its unclean appearance. Additionally, while you have eliminated the DAH, it is troubling that you have kept the related revenue that would have been generated by this initiative unchanged. It is unrealistic to assume we can collect an additional \$2 million in revenue based on using the current process. *Therefore, I am restoring \$2.7 million for the Department of Administrative Hearings.*

Secondly, your \$3.5 million reduction to the recommended \$12.4 million for demolition is equally troubling. In order to continue our effort of aggressively demolishing dangerous and nuisance buildings, we have to be committed to funding the effort. Your reduction to the proposed recommendation means that roughly 300 structures will remain eyesores in Detroit neighborhoods this year and continue to pose threats for hundreds of children who pass these structures each day on their way to school. This year alone, your Honorable Body has placed 685 structures on the demolition list, but you refuse to allocate the necessary funds to demolish those structures. This is not acceptable.

Further, I am very concerned about Council's total disregard of warnings by the U.S. Department of Housing and Urban Development relating to Council's inappropriate use of CDBG dollars, from which demolition funds are also allocated. Despite conversations with HUD's Detroit office director, by HUD standards Council continues to distribute funds in a highly ineffective and inefficient manner. *I have no choice but to veto the entire Schedule A.*

As we look beyond the 2003-2004 budget process, our projections indicate that in order to experience fiscal stability, we will have to maximize current resources and create additional revenue. Otherwise, we will continue to struggle with budgets strapped with significant shortfalls. This means right-sizing government, aggressively soliciting state and federal revenue, and preventing mismanaged projects from resulting in returned grant dollars.

Your failure to fully fund both the offices of Project Management and Grants Acquisition would stymie the city's ability to maximize future resources. Both of these agencies were implemented to increase grant-related revenues while continuing efforts to reduce the associated costs with service delivery and staff operations.

Your recommendation to separate the proposed Department of Cultural Affairs and Tourism would prevent a great opportunity to create a coordinated approach to promoting Detroit as a tourist destination. Currently, there is no entity focused on promoting Detroit's art and cultural institutions and other amenities. It is critical that we engage one of the state's top industries more aggressively to enhance economic activity locally. This consolidation not only creates greater synergy, but allows for a coordinated marketing approach to maximizing the appeal of Detroit attractions. No additional funding was used to create this department. *Therefore, I am restoring my proposal to consolidate Civic Center, Cultural Affairs, Eastern Market, Hart Plaza and Recreation's Special Programs.*

The reallocation of the Consumer Affairs Department once again has become an issue. In an effort to promote efficiencies, I again propose moving the Consumer Advocacy function to the Senior Citizens Department; Weights and Measures function to Police; and the Business License function to Buildings and Safety Engineering. When these functions are integrated with the proposed departments, they provide enhanced services to the citizens and more coordinated efforts. *I am restoring the reallocation.*

There are several items that I chose not to veto out of respect for the independence of the legislative branch. The first has to do with Council staff revenue recommendations. Council arbitrarily added \$1.5 million to the parking violations contract without presenting any logical rationale. This is a new contract that had already reflected an aggressive collections campaign. The second item is another arbitrary increase in projected revenues collected by the MBIA, despite the fact that the City's Chief Financial Officer previously informed Council that the first year of the contract would have involved more scrubbing of data than aggressive revenue collection. Council's optimism is appreciated. However, this administration is concerned that Council's aggressive collection goals may not be met.

I also chose not to veto the 49 positions arbitrarily added by Council, which come as the City's finances call for layoffs. I also chose not to veto Council's decision to keep open four of the six recreation centers recommended for closure. I will con-

tinue to program and staff these four centers in accordance with Council's budget changes.

In these times of global economic crisis, every City department and agency has cut their budgets anywhere from three to 13 percent, including my office. Council's action in the final days of budget deliberations added \$1 million to Council-related agencies' budgets, representing a five percent increase over and above Council's initial request. In light of the current economic condition of the City, a collective \$1 million increase to individual office budgets sends the wrong message. More could have been done to share in the fiscal cuts made by all executive branch agencies. Further, Council's actual expenditures over the past several years were significantly less than what was originally budgeted. Early in the bud-

get process, Council chose not to attend a meeting scheduled with me and budget staff to discuss budget proposals. My recommendation was consistent with actual expenditure history.

As I said earlier, we are not out of the woods yet. The continued economic woes on the national, state and local levels will challenge our efforts to keep the City's budget in balance. As the year progresses, we may have to re-evaluate our revenue and expenditure projections. Finally, the budget deliberations for fiscal year 2004-05 will be even more challenging. I hope that budget process will provide an opportunity for increased communication and commitment to deal responsibly with the aforementioned challenges.

Respectively submitted,

KWAME M. KILPATRICK

Mayor

Honorable City Council:

Re: Three Resolutions for the Mayor's Partial Veto of the City Council's Authorized 2003-2004 Budget.

Attached are three schedules from the Administration outlining the Mayor's partial veto of City Council's action on the 2003-04 Mayor's Recommended Budget. Schedule A, B, and C address changes to the General Fund portion of the Budget. Under separate cover, the City Planning Commission will submit a Schedule D addressing changes to the Consolidated Plan Budget for the Block Grant.

Schedule A reflects the Mayor's veto of City Council's action to fund a Civic Center Department, Cultural Affairs Department and portions of the Recreation Department in lieu of a Cultural Affairs and Tourism Department. Schedule A removes funding for additional staff in the Law Department for increased collection activity, the Police Department for meeting national benchmarks for resolving missing persons cases and over half of the new Retiree Life Sustaining Prescription Drug Assistance program in the Health Department.

The City Council after much discussion on the proposal to combine the Civic Center and Cultural Affairs Departments made it clear in your budget decisions that your Honorable Body was not convinced of the necessity, nor the improvements this action would result in. While the concept of selling various venues to both convention sponsors and attendees sounds good, this can be accomplished with the cooperation of two or more agencies including Civic Center, Cultural Affairs, Recreation, Historical and others, rather than the combining of two very dissimilar agencies, Civic Center and Cultural Affairs and portions of the Recreation Departments.

In addition, your Honorable Body has supported the increased collection of receivables as proposed by the Administration, but with a concern to utilize City resources to the greatest extent as possible. For this reason you added additional positions to the Law Department that the Mayor has vetoed. Your Honorable Body has included two new programs, one to address the low closer rate of missing person's cases by the Police Department, and another to address the needs of retirees. The Mayor in his veto chose to use these to fund the combining of the Civic Center and Cultural Affairs Departments. Your override of the Mayor's veto clearly states the importance your Honorable Body places on these new activities verses the combining of unlike activities.

Schedule B reflects the Mayor's veto of City Council's action to not fund the proposed Department of Administrative Hearings. Schedule B reduces or removes funding provided by City Council for: a Risk Management Council in the Auditor General's Office, the Drug Court in 36th District Court, restoration of positions and the new School Area Safety Measure Improvements Program in the Department of Public Works, the Office of Targeted Business Development in the Finance Department, and Community Relations in the Fire Department.

The Mayor's veto of your decision not to fund the new agency, the Department of Administrative Hearings, an agency that has yet to be authorized by State legislation, and requires various local ordinances to be enacted, appears to place priority on if come programs rather than Charter required, Risk Management Council, and/or proven programs such as the Drug Court, Targeted Business Development and Community Relations. Your proposed new School Area Safety Measure Improvements Program has shown success in other urban areas where it has been implemented. Your override of the Mayor's veto clearly states your desire to fund proven programs before those that require a considerable amount of basic, preliminary authorization prior be established.

Schedule C reflects the Mayor's veto of City Council's action to restore funding for the Consumer Affairs Department. Schedule C restores the funding for the Program Management Office and Grant Acquisition Office in Non-Departmental. Schedule C reduces or removes funding for the new Retiree Life Sustaining Prescription Drug Assistance program in the Health Department, and Community Relations in the Fire Department.

The City Council's changes to the Mayor's 2003-04 Proposed Budget re-establishes the Consumer Affairs Department which is in line with City Council's wishes and the most recent court decisions on this issue. The Mayor in his veto takes the resources your Honorable Body dedicated to the Consumer Affairs Department, and allocates them to the restoration of two new programs proposed by the Administration, the Program Management and Grants Acquisitions Offices. In an air of cooperation your Honorable Body provided reduced funding for these two new programs, with the intent of allowing the Administration the opportunity to show results, before over committing resources to these unproven new programs. In addition, the Mayor's veto on Schedule C completely eliminates the funding for the new retiree program, and reduces the increase in the Community Relations Program for the Fire Department.

The three resolutions as provided by this office, would allow Council to confirm their original changes to the Mayor's 2003-04 Proposed Budget and override the Mayor's partial vetoes.

Respectfully submitted,
 IRVIN CORLEY, JR.
 Fiscal Analyst

City Planning Commission

June 2, 2003

Honorable City Council:

Re: Veto of City Council Action on the Consolidated Plan (Submitting Resolution for Approval).

Schedule D reflects the Mayor's veto of the City Council's action on the 2003-2004 Consolidated Plan, specifically the Community Development Block Grant, including the Neighborhood Opportunity Fund. The Mayor raised objections regarding the decreased funding of the demolition activity and "Council's "total disregard of warnings by the U.S. Department of Housing and Development relating to Council's inappropriate use of CDBG dollars..."

With concern, the Council did decrease the amount of funds for demolition, understanding fully the need in the City of Detroit. There remain questions on the extent to which CDBG funds should be used for demolition. Concerns were even raised in the HUD Management Report as to whether all demolition activity qualified for CDBG funds. Furthermore, throughout the budget process, there continued to be a slow and inadequate response to various questions raised by several Council Members and staff on both the status of the demolition program and questions on the process, vendors and other related issues.

As Council Members will recall, following the presentations by Ms. Diane Johnson of the U.S. Department of Housing and Urban Development, staff prepared analyses of the current Five Year Consolidated Plan, the Mayor's recommendations, and the proposed City Council recommendations. CPC staff was able to link every activity under consideration for funding to the Consolidated Plan. Based on those analyses, Council acted to reduce the number of activities funded with CDBG dollars by 26% including allocating minor home repairs funds to a single line item to be targeted to a particular area of the City. These reductions were made consistent with those priorities reflected in the Five Year Consolidated Plan. Also considered were the Mayor's recommendations which were based, in part, on the cluster planning process and on the recommendations of the Citizen Review Committee and the City Planning Commission, which utilized performance information collected through the evaluation project.

Attached is a resolution for your consideration that spells out in more detail the

basis for the Council's final actions on the Consolidated Plan and, if adopted, indicates the Council's override of the Mayor's veto as listed in Schedule D.

Respectfully submitted,

MARSHA S. BRUHN

Director

Council Member S. Cockrel moved to reconsider the vote by which Schedule D was adopted, which motion prevailed as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Watson, and President Mahaffey — 7.

Nays — Council Member Everett — 1.

By Council Member S. Cockrel:

Whereas, The Mayor vetoed City Council's action on the 2003-2004 Consolidated Plan, specifically the Community Development Block Grant including the Neighborhood Opportunity Fund, objecting to the decreased funding of the demolition activity and what he termed Council's "total disregard of warnings by the U.S. Department of Housing and Development relating to Council's inappropriate CDBG dollars" and

Whereas, Shortly before the conclusion of this review process, the City Council was presented with the U.S. Department of Housing and Urban Development's (HUD) "City of Detroit Management Report", at which time HUD representatives expressed concerns about the City Council's preliminary CDBG funding recommendations in light of the issues identified in the HUD report and encouraged the City Council to revisit the preliminary CDBG budget; and

Whereas, The HUD report identified four major concerns with regard to how the City expends HUD funding including whether the funding has impact in terms of increasing the quality of life for City residents; whether the City complies with federal statutes and regulations; the general administration of HUD funding; and the manner in which funding decisions are made, which tends to result in a large number of funded groups that receive insufficient funding to achieve large-scale impact; and

Whereas, The HUD report stressed the need for the Five-Year Consolidated Plan to be used as the basis for setting priorities for funding, which places the highest emphases on housing stabilization, new housing construction for low-income families, homeless services and prevention, services to special and/or underserved populations (especially the homeless, elderly, disabled, domestic abuse survivors, persons with AIDS, and persons with alcohol/other drug additions), lead-based paint hazard reduction, anti-poverty measures, and economic development; and

Whereas, While the Mayor recommended fewer community organizations

to be funded with CDBG dollars, there were shortcomings in how well those recommended activities followed the priorities established in the 5-Year Consolidated Plan, and

Whereas, The City Council took HUD's comments into consideration in reducing the preliminary budget by \$5 million by using the Consolidated Plan as the basis for setting priorities, reducing the number of projects/activities funded, and taking into account the Mayor's recommendations, which were based in part on Cluster planning information, as well as taking into account the Citizen Review Committee and City Planning Commission recommendations, which utilize performance information collected through an on-going evaluation project; and

Whereas, City Council's final CDBG budget removed Neighborhood Opportunity Fund (NOF) Minor Home Repair funding due to an \$8 million backlog of previously allocated funding and replaces it with a single line-item for a new, Targeted Minor Home Repair Pilot program in one or more areas to be designated by the City Council through a coordinated planning process that will establish selection criteria with the goal of rotating the program in neighborhoods across the City over time; and

Whereas, City Council's CDBG budget clearly reflected priorities in the areas of home repair (\$4.6 million) emergency services (\$2.1 million), economic development \$1.4 million), new construction (\$1.4 million), and lead hazard reduction (\$1.3 million), all of which are consistent with priorities emphasized in the Five-Year Consolidated Plan; and

Whereas, City Council's CDBG budget reduced the number of activities funded from a preliminary proposed figure of 301 down to 224 (a reduction of 26% in the number of proposed activities to be funded), and

Whereas, The City Council intends to respond more thoroughly to the comments in the HUD report by working with the City Administration to develop a comprehensive, coordinated planning process that will be the basis for deciding Community Development Block Grant funding allocations beginning in the 2004-05 fiscal year;

Now, Therefore, Be It Resolved, That the Detroit City Council does herein override the veto of the Mayor as listed in Schedule D; and

Be It Further Resolved, That the Fiscal Year 2003-2004 City of Detroit budget be adopted, including the items referenced in the attached Schedule D but not including the veto by the Mayor; and

Be It Finally Resolved, That the Budget Director be and is hereby authorized to amend the 2003-2004 City of Detroit Budget in accordance with this resolution.

Planning & Development Department

April 18, 2003

Honorable City Council:

Re: Central Business District Project No. 3. Development: Parcel 243, located on the south side of Gratiot between St. Antoine Street and Chrysler Fwy. (I-375).

The Greektown Casino, L.L.C., a Michigan Limited Liability Company, has requested to purchase the above-captioned property for the amount of \$10,500,000 and to develop such property. Parcel 243 is located in the Central Business District Project No. 3 and contains approximately 101,386 square feet or 2.3 acres.

The developer possesses the qualifications and has indicated potential financial resources necessary to acquire and develop the land in accordance with the Development Plan. The disposal of this land by negotiation is an appropriate method for making the land available for redevelopment and the proposed agreement is in satisfactory form.

We, therefore, request your Honorable Body adopt the attached resolution authorizing the advertising of and the holding of a public hearing concerning this offer on the 16TH DAY OF JUNE, 2003 AT 11:00 A.M.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member S. Cockrel:

Resolved, That in accordance with the foregoing communication that this offer by Greektown Casino, L.L.C., a Michigan Limited Liability Company, to purchase and develop Parcel 243 in the Central Business District Project No. 3 is in satisfactory form; and

That the disposal of this land by negotiation is an appropriate method for making the land available for redevelopment; and

That the developer possesses the qualifications and financial resources necessary to acquire and develop the land in accordance with the Development Plan; and

That the offered aggregate price of \$10,500,000 is equal to the fair market value of the land for use in connection with the Development Plan, and to hold a public hearing concerning this offer on the 16TH DAY OF JUNE, 2003 AT 11:00 A.M.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Watson, and President Mahaffey — 8.

Nays — None.

RESOLUTION SETTING CLOSED SESSION

By ALL COUNCIL MEMBERS:

RESOLVED, That as authorized by the Open Meetings Act, MCL 15.267 et seq., specifically Section 8 (e) and (h) of MCL 15.268, a closed session is hereby scheduled for WEDNESDAY, JUNE 4, 2003 at 10:30 A.M. with legal counsel, of the City Council Research & Analysis Division to discuss matters relative to the Detroit Medical Center and Detroit Receiving Hospital in as much as an open meeting discussion will have a detrimental effect on the position of the public body; and to discuss materials exempt from public discussion or disclosure by state or federal statute.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Watson, and President Mahaffey — 8.

Nays — None.

RESOLUTION SETTING THE DETROIT DEPARTMENT OF TRANSPORTATION COMPLIANCE MONITORING TASK FORCE

By COUNCIL MEMBER S. COCKREL:

WHEREAS, On November 27, 2003 the Detroit City Council reluctantly voted to increase bus fares for the Department of Transportation; and

WHEREAS, Consistent with the 2002-2003 Budget, the City Council approved a twenty-five cent increase in fares along with a resolution and ordinance language that stipulated five benchmarks for DDOT to have met by the 2003-2004 Budget; and

WHEREAS, The five benchmarks City Council voted approved are as follows:

1. Revenue in the amount of at least \$100,000 be achieved from the sales of inside advertising by March 31, 2003 with a report to be provided to City Council by April 2, 2003

2. Achievement of a 2% increase in total ridership by March 31, 2003 as compared to the ridership statistics for the first-quarter of 2002

3. DDOT retain a national report on parts and inventory management to complete an audit of DDOT purchasing and inventory processes and procedures

4. DDOT develops and implements a comprehensive plan to reduce fraud and counterfeiting of bus passes and rider access

5. Develop a new public participation plan for DDOT ridership that includes a requirement of 30 days advance notice of any meetings, posting at all bus stops and shelters, and on all buses during the notice period; and

WHEREAS, DDOT did not meet all the benchmark criteria by the requested date; and

WHEREAS, City Council, its staff and divisions met with DDOT, TRU and the Budget Department on Friday, May 16, 2003 to explore compliance and establish additional benchmarks; and

WHEREAS, It is not fiscally responsible at this time to roll back the fare increase for the 2003-2004 Budget; and

RESOLVED, That the Detroit City Council establish the DDOT Compliance Monitoring Task Force to ensure better communication between City Council, DDOT and the Community to better monitor City Council's benchmarks, improve current services and increase revenues; AND BE IT FURTHER

RESOLVED, That the City Council establish the following additional benchmarks as agreed to in the May 16, 2003 meeting

1. Amend new contract with advertising vendor to increase revenues through better utilization of advertising space inside buses
2. Work with CCSD to improve public image of DDOT through image and marketing campaign
3. Streamline ridership tracking approaches
4. Televised and promote monthly DDOT Customer Comment Meetings on Comcast; AND BE IT FURTHER

RESOLVED, That the Task Force will meet monthly and will include City Council Members, the Administration, the Fiscal Analyst's office and the Budget Department. Representatives from TRU, the Chamber of Commerce, MOSES, CUBS, ATU and AFSCME are invited to participate; AND BE IT FINALLY

RESOLVED, That copies of this resolution be sent to Mayor Kwame Kilpatrick, DDOT Director Claryce Gibbons-Allen, Budget Director Roger Short, Auditor General Joseph Harris, City Council Research and Analysis Division, City Council Fiscal Analysis, TRU, the Chamber of Commerce, MOSES, CUBS, ATU and AFSCME.

(REGULAR SESSION)

All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.

Detroit, Wednesday, June 4, 2003

The City Council met and was called to order by the President, Honorable Maryann Mahaffey.

Present — Council Members Bates, S. Cockrel, McPhail, Watson, and President Mahaffey — 5.

There being a quorum present, the City Council was declared to be in session.

Invocation

Dear Gracious and Almighty God,

As we seek to serve the needs of our city, we humbly come before you and say we need you! We need you, Lord! We need your wisdom. We need your empowerment! We need your mercy and compassion. We need your truth and your love working side by side. We give thanks for the sacrifice and service of each member of this council and as they consider the significant matters before them today and in the weeks ahead we pray you will give them your courage and discernment to move the City of Detroit toward a greater experience of justice and righteousness and peace. We are encouraged by your promise in the book of Jeremiah which says "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Almighty God, as we look to you, we pray we will see your kingdom come more and more on earth as it is in heaven. In Jesus name I pray, Amen.

COMMUNICATIONS FROM Mayor's Office

May 29, 2003

Honorable City Council:

On May 28, 2003, your Honorable Body adopted an Emergency Ordinance in an effort to block proposed layoffs and reorganizations affecting Detroit Receiving Hospital (DRH) by the Detroit Medical Center (DMC).

I share your concerns regarding the potential negative impacts that a closure or a reduction in services at DRH would pose to our City.

Upon initial examination, the ordinance appears unnecessary in that it essentially requires DMC to abide by State law, which they are obligated to do. Further, there is a potential that the ordinance creates liability for the city with respect to injecting the City into the contractual relationship between DRH & DMC. Finally the emergency ordinance does not appear to be authorized by section 9-402 of the charter since the DRH is a private hospital.

In short I must **veto** this Emergency Ordinance because your action creates potential City liability and was taken without allowing adequate time for the City to fully analyze and respond to possible unanticipated impacts. It also concerns me that, City Council's action provided no time for the Law Department to research the ordinance despite your clear expectation and anticipation that the ordinance could trigger litigation against the City.

Additionally, further investigation is needed regarding the interrelationship between the proposed ordinance and sublease agreement. There appear to be inconsistencies including the failure of the ordinance to provide an opportunity to cure an event of default.

Addressing the health care crisis within our community requires a more deliberate solution than is presented by this Emergency Ordinance.

Respectfully submitted,
KWAME M. KILPATRICK

Mayor

Received and placed on file.

Council Member Watson moved to

reconsider the vote by which the emergency ordinance relative to proposed layoffs and reorganizations affecting Detroit Receiving Hospital by the Detroit Medical Center was adopted, which motion did **not** prevail as follows:

Yeas — Council Members Watson, and President Mahaffey — 2.

Nays — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Tinsley-Talabi — 4.

Council Member Collins took her seat.

Council Member Collins moved that Rule No. 27 of the "Rules and Order of Business of the City Council" be suspended for the purpose of introducing and adopting an emergency ordinance to amend Chapter 24, Article II, by adding Section 24-2-1.1 to require the Detroit Medical Center to keep Detroit Receiving Hospital and Clinics Building operating in accordance with Michigan Public Act 217 of the Public Acts of 1979 and the contractual agreement between the City of Detroit and the Detroit Medical Center Corporation and Section 24-2-1.1 to establish reporting requirements to the Detroit City Council, which motion prevailed as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

*WAIVER OF RECONSIDERATION (No. 1), per Motions before Adjournment.

By Council Member Collins:

AN ORDINANCE to amend Chapter 24, Health and Sanitation, Article II, by adding Section 24-2-1.1 to require the Detroit Medical Center Corporation and Detroit Receiving Hospital and University Health Center (DRH) to keep Detroit Receiving Hospital and Clinics Building operating in accordance with Michigan Public Act 217 of the Public Acts of 1979 and the contractual agreement between the City of Detroit and the Detroit Medical Center Corporation and Section 24-2-2.1 to require the DMC Board to provide access to DRH funds by the DRH board and to make quarterly reports to the City Council beginning with June 15, 2003.
DECLARATION OF EMERGENCY

Whereas, The City of Detroit (City) entered into an agreement with the Detroit Medical Center Corporation (DMC) to lease and transfer ownership of Detroit Receiving Hospital (DRH) to DMC for the purpose of continuing to provide emergency care and health services to all persons needing them without regard to religious, racial or ethnic identification or economic status; and

Whereas, It has been reported that the DMC will, within the next 30 to 60 days, eliminate 300 beds and up to 1,000 jobs at the DMC; and

Whereas, As a result of these cuts, DRH will become an emergency/trauma center only; and

Whereas, Consistent with those impending changes, DRH will no longer accept psychiatric patients; and

Whereas, The scale back in operations will also eliminate overnight admissions to DRH; and

Whereas, DRH is the Detroit area's primary facility for providing Level 1 Trauma Care;

Whereas, Detroit has been identified as a community at risk of terrorist activity; and

Whereas, No plan has been put in place for providing care to all persons regardless of income if DRH services are substantially reduced or eliminated; and

Whereas, A significant proportion of the population of Detroit is underemployed or is eligible for Medicare or Medicaid; and

Whereas, Many of those affected by these cuts have transportation needs that will make it difficult to reach suburban hospitals and medical centers; and

Whereas, The ultimate result of these decisions will be to deny much needed treatment and medical care to the thousands of indigent, uninsured and underinsured citizens of this city;

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 24, Article II, of the 1984 Detroit City Code be amended by adding Section 24-2-1.1 to read as follows:

Section 24-2-1.1. Hospital Operation.

A. The Detroit Medical Center Corporation and Detroit Receiving Hospital and University Health Center shall continue to operate the clinics building and Detroit Receiving Hospital at all times and in a manner consistent with Michigan P.A. 217 of 1979, Section 331.621 et seq. which act requires those facilities to provide.

(1) High quality ambulatory health care services by interdisciplinary health care professionals;

(2) Educational programs which provide opportunities for students of various health care professions to participate in an ambulatory health care program with an emphasis on primary care, if the programs continue to be funded by the state;

(3) With other institutions operated by the Detroit Medical Center, the highest quality health services to all persons needing them, regardless of the person's religious, racial or ethnic identification or economic status;

(4) An emergency and trauma unit for

the residents of the City within the present and future capacities of the facility.

B. In accordance with the agreement between the City and the DMC, the DMC and Detroit Receiving Hospital and University Health Center shall also continue to provide within Detroit Receiving Hospital:

(1) A prison unit available for treatment of persons in the custody of the City of Detroit;

(2) A "crisis center" in order to provide emergency mental health services, both ambulatory and inpatient, as long as such services continue to be adequately funded pursuant to grants and other funds provided by governmental agencies or entities other than Detroit Receiving Hospital University Health Center;

(3) Space for use by rape counseling service personnel employed by the Detroit Police Department in connection with their counseling of rape victims brought to DRH for treatment.

C. It is recognized that in order to protect the health and safety of the public, DRH shall continue to provide the services presently available by maintaining current staffing levels, including in-patient care, beds and services at DRH.

Section 24-2-1.1 Reporting requirements

A. The DMC shall promptly comply with all necessary steps to complete the appointments process to the DRH Board, in accordance with State Law.

B. The DMC shall act promptly to release to the authority of the DRH Board access to funds generated by DRH and/or reserved for DRH use.

F. DMC and Detroit Receiving Hospital and University Health Center shall file quarterly reports beginning with June 15, 2003 as to what steps they have taken to comply with this Ordinance, including but not limited to, a written plan to address any significant change in services and operations, staffing level, in-patient beds usage, restricted DRH funds account balance, and loan repayment schedule of any outstanding debts owed to DRH.

G. Nothing in this Ordinance shall be construed to limit, waive, restrict or otherwise affect the City's, DRH or DMC's rights under existing law.

H. The provisions of this Ordinance shall be severable, and if any word, phrase, clause, sentence, or provision is declared invalid or preempted by state or federal law or regulation, the validity of the remainder of this Ordinance shall not be affected thereby.

Section 2. All ordinances, or parts of ordinances that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 4. This ordinance shall be given immediate effect and become effective upon publication in accordance with the applicable provisions of the 1997 Detroit City Charter.

Read twice by title.

Council Member Collins then moved that the ordinance be placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the ordinance was read a third time.

The ordinance was then read.

The question being "Shall this ordinance now pass?"

The ordinance was passed, a majority of the Council Members voting therefore as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

Title to the ordinance was confirmed.

Honorable City Council:

Re: Metropolitan Extension Telecommunications Rights-of-Way Oversight Act (2002 PA 48) — Revised Resolution.

On Wednesday, October 30, 2002, your Honorable Body approved a Resolution authorizing the Finance Department to deposit all funds received pursuant to the Metropolitan Extension Telecommunications Rights-of-Way Oversight Act (2002 PA 48), into the Act 51 accounts of the City, and directing that all such funds shall be used solely for the purposes permitted by Act 51.

However, both Act 51 and Act 48 require the City to submit an annual report to reflect the revenue, expenditure and fund balance in these funds to the appropriate State agencies. For that reason, and to facilitate better management of the revenue from these funding sources, it would be beneficial to separate these Funds.

Attached is a revised resolution, which we respectfully urge your Honorable Body to consider. The only impact of this revision is to direct the Finance Director to create a fund for Metro Act fees separate and apart from Act 51 funds. This action will insure the City's strict compliance with the requirements of Public Act 48.

We therefore recommend that your Honorable Body adopt this resolution with Waiver of Reconsideration.

We are available to answer any questions that you may have concerning this proposed resolution. Thank you for your attention to this matter.

Respectfully submitted,
BRENDA A. BRACEFUL
Deputy Corporation Counsel

By Council Member Collins:

Whereas, The State of Michigan enacted the Metropolitan Extension Telecommunications Rights-of-Way Oversight Act, Act No. 48 of the Public Acts of 2002 (the "Act"); and

Whereas, The Act, among other things, provides for a uniform permit and permit

fee for access to and use of the public rights-of-way by telecommunications providers; and

Whereas, The Act further provides, among other things, for a distribution of funds from the Metropolitan Extension Telecommunications Rights-of-Way Oversight Authority (the "Authority"), established pursuant to Section 3 of the Act; and

Whereas, On October 30, 2002, the Detroit City Council approved a resolution authorizing the Finance Department to deposit all funds received pursuant to the Metropolitan Extension Telecommunications rights-of-Way Oversight Act (2002 PA 48), into the Act 51 accounts of the City, and directing that all such funds shall be used solely for purposes permitted by Act 51; and

Whereas, Both Act 51 and Act 48 require the City to submit an annual report to reflect the revenue, expenditure and fund balance in these funds to the appropriate State agencies; and

Whereas, In order to satisfy these separate reporting requirements, and to facilitate better management of the revenue from these funding sources, it would be beneficial to separate these Funds;

Now, Therefore, It is hereby

Resolved, That the City Finance Department is hereby authorized to set up a separate fund to account for the fees received pursuant to the Metro Act (2002 PA 48); And Be It

Further Resolved, That the Department of Public Works is hereby authorized to set up the necessary Appropriations and Organizations in DRMS and to submit the necessary reports to the Metro Authority; And Be It

Finally Resolved, That this Resolution is approved with Waiver of Reconsideration.

Re: Forrest Ross v City of Detroit. Case No.: 02-229641-NO. File No.: A19000.-002450 (LB).

On May 20, 2003, a mediation panel evaluated the above-captioned lawsuit and awarded Eight Thousand Five Hundred Dollars (\$8,500.00) in favor of Plaintiff. The parties have until June 17, 2003 to either accept or reject the mediation evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set

forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the mediation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the mediation award; and, in the event that Plaintiff accepts the award, deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Eight Thousand Five Hundred Dollars (\$8,500.00) payable to Forrest Ross and his attorney, Muawad & Muawad, P.C., to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 02-229641-NO, approved by the Law Department.

Resolution Setting Hearings
On Nuisance Abatement Contracts
By Council Member Bates:

Whereas, the Buildings and Safety Engineering Department has filed reports on its finding and determination that the buildings or structures on the premises described in the foregoing communication meet the criteria for a Nuisance Abatement Contract and for which an application for such contract has been filed, therefore be it

Resolved, That in accordance with Section 12-11-46.3(i) of Ordinance 556-H, a hearing on each of the following locations will be held by the City Council in the Committee Room, 13th floor of the Coleman A. Young Municipal Center on MONDAY, JUNE 16, 2003 at 1:30 P.M.:

562 Josephine, 8111 Knodell, 4050 Lawrence, 11758 Hartwell, 14111 Greydale, for the purpose of giving the owner or owners the opportunity to show cause why a Nuisance Abatement Contract should not be entered with the applicant, and further.

Resolved, That the Director of the Buildings and Safety Engineering Department be and is hereby requested to have a departmental representative at said hearings before this Body.

Honorable City Council:

Re: Address: 5203 Bedford. Name: Charles Peterson. Date ordered removed: October 16, 2002 (J.C.C. p. 3173).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 13, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 12, 2003.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 9608 Manor. Name: Robert L. Martin. Date ordered removed: February 5, 2003 (J.C.C. p. 408-409).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 14, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 8, 2003.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Respectfully submitted,

Re: Address: 25849 W. Outer Drive.
Name: Richard McClain. Date ordered removed: January 15, 2003 (J.C.C. p. 208).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 20, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of February 13, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property

Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Detroit Historical Museum

April 23, 2003

Honorable City Council:

Last year the Detroit Historical Museums and the Historic Designations Advisory Board won a State of Michigan Historic Preservation Grant to repair and replace the roofs of the 1905 Guard House and 1939 Post Theater at Historic Fort Wayne. The grant award was the largest preservation project funded by the State in 2002. The restoration of these two buildings will begin the process of full site restoration enroute to creating a significant historic, education and recreation destination for City residents.

Council accepted the grant on July 10, 2002 and assigned appropriation account #10907 to the project. Of the required \$110,000 match, \$17,000 has been contributed by outside foundations and organizations interested in furthering the redevelopment of Historic Fort Wayne. The remaining \$93,000 will be provided by the Detroit Historic Museum's capital funds set aside for improvements at Historic Fort Wayne (appropriation #00988, fund 4510).

As the Certified Local Government designee for the City of Detroit, the Historic Designation Advisory Board is required to contract with the state and ultimately the roofers. We therefore request the authority to transfer funds from the Detroit Historical Museums capital account (260095-631100 Major Repairs-Buildings) to the Historic Designation Advisory Board for the purpose of contracting with the lowest bidding qualified roofing company for the repair and replacement of these roofs.

Thank you for your attention in this matter.

Planning & Development Department

May 30, 2003

Honorable City Council:

Re: Division of Platted property for: Assessors Petition No. 03-01; 506-508 Kenilworth Street and 9336-9338 Brush Street. (*Recommend Approval*).

The Planning & Development Department (P&DD) recommends **approval** of the request of Marcus A. Smith to divide residential property on Kenilworth and Brush Streets, north of the New Center District and south of the City of Highland Park. A meeting with Marcus A. Smith, Petitioner, was held on Friday, April 11, 2001. As discussed during this meeting, the Petitioner is requesting to divide a parcel, which contains two multi family detached apartment buildings for the future sale of the building fronting Kenilworth Street. As discussed the two buildings consist of four (4) rental units each. Mr. Smith purchased the buildings to rehabilitate and lease to area residents. Presently, the building fronting Brush Street is complete and the Kenilworth building is under renovation. Mr. Smith indicated that he has no plan to sell either of the buildings, but would like the option of retaining one building and selling the other in the future. This division, if approved, will clarify the property boundaries, property assessments, and provide buildings, which conform to their own parcel. In order for an action like this to occur the Planning and Development Department (P&DD) must review and approve the petition.

Description

The properties are described as follows and the document attached (Exhibit A)

Parcel A — South 68 feet of Lot 1; South 28 feet of West 20 feet of Lot 2

Including 1/2 vacated alley at the rear thereof,

Parcel B — North 69.5 feet of Lot 1; North 69.5 feet of West 20 feet of Lot 2

Glover's Mott Avenue Subdivision (please see attached description of parcels), City of Detroit, Wayne County, Michigan and is shown on the attached property survey and land use maps.

Legal Basis for Review

The Planning & Development Department reviewed this request under City of Detroit Ordinance 421-G of April 17, 1969, Chapter 58A, Article 1, Subdivision of Land, of the Detroit City Code and Sections 45.0200, 43.0200, and 83.0000 of the Official Zoning Ordinance 390-G.

Zoning and Related Requirements

The subject property is zoned R-3 (Low Density Residential District) which permits multi-family dwellings as a matter of right. The current location and configuration of both buildings after the division are such that they are not in compliance with the required rear setback and parking requirements. However, Section 51-1-4 of the Detroit City Code, Subdivision of Land indicates, "Lot size requirements maybe waived by the Planning & Development Department if the property is presently developed and if the proposed plat would create parcels conforming to existing individual building units." After a site visit and review of the property survey it is the recommendation that each apartment building would conform to their respective parcels if this division is approved.

However, if either or both buildings were to be demolished, the Department recommends this petition to divide platted property would be nullified and the parcels would revert to their prior state.

Additionally, Section 47.0000 of the Zoning Ordinance requires five (5) parking spaces for each building. Currently, parking is not supplied on the site for either building. However, after a review of the area, the Department found that a number of vacant lots are within 100 feet of the site and could be used for off street parking. In addition, more than half of the residents within the Brush Street building do not have vehicles, but if any problems arise the Department recommends the development of a parking lot per the requirements of section 83.0315 of the Zoning Ordinance "operable vehicle parking lot" within an R-3 District.

However, if one building were to be demolished that area would become a surfaced parking lot with landscaping for the remaining building, per section 83.0315 of the Zoning Ordinance.

Findings

The Finance Department, Assessments Division has reviewed this proposal and found that the property descrip-

tions are accurate as listed and Law Department finds that all signatories have necessary interest in the subject property.

The Planning and Development Department's review involved a review of the proposal, interviews with the developer, a review of the Master Plan, (Exhibit G) zoning requirements and an investigation of the water and sewer in the subject area.

Based on our review and analysis, the Department makes the following findings relative to this proposal:

Finding #1 — The proposal meets the conditions of Section 1, Paragraph 3 of Ordinance 421-G as the property is presently developed and the proposed division creates parcels conforming to existing individual building units. Parcels A & B are developed as multi story apartment buildings. Both land uses are Permitted as a Matter of Right in an R-3 District and compatible with the surrounding land use.

Finding #2 — The proposal meets the conditions of Section 1, Paragraph 4 of Ordinance 421-G by creating parcels accessible to public water and sewer systems. The Petitioner supplied a letter dated May, 2003. The letter identifies that the buildings have separate access to gas, electric, water and sewer lines.

Finding #3 — The proposal is consistent with the Master Plan of Policies. Recommended Future General Land Use for the subject as shown on the Middle Woodward Sub Area map as "RLC" (Residential Local Commercial).

Finding #4 — The proposal meets the conditions of Sections 43.0200, 45.0200 and 83.000 of the Official Zoning Ordinance 390-G relative to the division of the zoning lots, location of principal buildings and land use permitted on the subject property. The Department supports a waiver of the lot size requirements regarding any rear yard deficiencies. Secondly, the Department supports the development of a parking lot fronting Brush Street for any off site resident parking lot per section 83.0315 of the Zoning Ordinance.

Finding #5 — The proposal increases the possibility of the continued renovation of two buildings whereby improving the amount of clean and habitable rental apartments within the City. Additionally, the redevelopment of these buildings may increase the level of reinvestment in regard to the existing homeowners within the immediate area.

Finding #6 — Per Section 51-1-4 of the City Code, subsection A4. All parcels shall not be isolated from a public street. Per the property survey both buildings have access to a public street. The building on Parcel A fronts Brush Street and the building on Parcel B, fronts Kenilworth Street.

Recommendations

The Planning and Development Department recommends that this request for Division of Platted Property be approved as proposed and that the attached resolution relative to this Division is adopted.

Respectfully submitted,
NORMAN CASSELLS
Executive Manager
Planning Division

**Division of Platted Property
506-508 Kenilworth Street and 9336-
9338 Brush Street**

By Council Member Collins:

Whereas, Marcus A. Smith has submitted a request to divide property at 506-508 Kenilworth Street and 9336-9338 Brush Street.

Whereas, Said request contains the required Finance Department, Assessments Division applications, legal descriptions (Exhibit A), and survey of property (Exhibit B) as Amended, and

Whereas, The Planning and Development Department has investigated said request and found the proposal consistent with Ordinance 421-G of April 17, 1969, Chapters 58A, Article 1, Subdivision of Land, of the Detroit City Code and recommends approval of said request.

Now Therefore Be It Resolved, That the City Council, after careful consideration of the request by Marcus A. Smith to divide platted property at 506-508 Kenilworth and 9336-9338 Brush Street, accepts the

Departmental reports, approves said *Division of Platted Property* as described in the attached Exhibit A, and refers said request to the Finance Department, Assessments Division for final processing, and further

Be It Resolved, That the resolution in no way alters the class of occupancy, and that any alterations or additions to the principal buildings hereto will require prior approval of the Board of Zoning Appeals, and finally

Be It Resolved, That the City Clerk is authorized to certify this resolution, and the Petitioner is directed to record said certified copy of this resolution at the Office of Wayne County Register of Deeds and present said certified copy to the Finance Department, Assessments Division to obtain final processing to this *Division of Platted Property*.

Be It Resolved, That if either or both buildings are demolished this Division of Platted Property petition will be nullified. Parcel A & B will become one parcel once more prior to the division request.

Be It Resolved, That if parking issues are aggravated by the renovation of the buildings on Parcle A & B; the Planning & Development Department has the authority to request the development of an off site parking lot within 100 feet of the requested petition. The parking lot shall be developed per the requirements of Section 83.0315 of the ordinance with a minimum of ten parking spaces.

Re: Petition for property split.

The current use of the property located at 9336-9338 Brush and 506-508 Kenilworth is as tenant-occupied property. I have owned the property since 1999, and in that time, the property has seen a significant improvement in cosmetic and aesthetic value, as well as a real increase in taxable value, and the neighborhood, the nearby community, and the city has benefited from these improvements. The above-mentioned properties have historically been bought and sold as a pair. I have recently proposed that the properties be split. The city would benefit from a split of the property, as the split would create a larger tax base. The properties have

been and are currently taxed under one property address. Additionally, other interested potential homeowners and land owners could more readily afford to purchase or consider purchasing one property address, versus the current situation of one having to purchase both properties together. In essence, a property split would create more revenue for the City of Detroit; it would make the properties more affordable to potential buyers, as well as leave open options that would not encumber both properties. I would sincerely appreciate all consideration that you would give my request.

Thank You,

Honorable City Council:

Re: Requesting Alley Vacation and Conversion to Easement of Petitions Nos. 1126, 2608, 3617 and 3642.

The above-referenced petition has been filed with the Detroit City Council by more than two-thirds of the abutting property owners, as required by the Detroit City Code, Article VI, Section 50-6-1. In this instance, there is 100% property owners support of this request, therefore no public hearing is necessary. Our investigation of this petitions discloses the following:

1. That the alleys does not serve as

the sole means of egress/ingress to any of the garages on the abutting properties.

2. The public utilities located in the alley can be properly served if these alleys are converted to an easement.

3. The alleys are not required for municipal services (trash collection).

4. No objections to this alley vacations have been received from Utilities or City Departments following notification of this request.

It is therefore the recommendation of the Planning and Development Department that these requests for alley closure be granted.

Respectfully submitted,

Honorable City Council:

Re: Petition No. 1904 — Detroit Edison, requesting conversion of alley to Easement and the Temporary Closing of an alley in the block bounded by Russell, Riopelle, Lyman Place and E. Milwaukee.

Petition No. 1904 of "Detroit Edison", requests the Closing, on a temporary basis for a period of five (5) years, of the north-south public alley, 20 feet wide, and the conversion of the east-west public alley, 17.78 feet wide, into a easement for

utilities, all within the block bounded by Russell Avenue, 60 feet wide, Riopelle Street, 50 feet wide, and East Milwaukee, 60 feet wide.

The request was approved by the Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW with certain restrictions. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The Detroit Water and Sewerage Department Ameritech/Michigan Bell Telephone Company, Comcast Cablevision, Detroit Edison Company and the Fire Department (all) will require unimpeded access to service the public and/or their existing facilities. Any fence and gate installation must provide 15 feet horizontal and 13 feet vertical clearance(s) for utility maintenance vehicles.

All other City departments and privately owned utility companies reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities. An appropriate resolution, containing the necessary conditions, is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW

By Council Member Collins:

Whereas, The City Engineering Division — DPW is hereby authorized and directed to issue a permit to "Detroit Edison Company" at 2000 Second Ave., Detroit, Michigan 48226, to close that part of the north-south public alley, 20 feet wide, in the block bounded by Russell Avenue, 60 feet wide, Riopelle Street, 50 feet wide, Lyman Place, 50 feet wide and East Milwaukee, 60 feet wide, lying Easterly of and abutting the East line of Lots 7 through 13, both inclusive, and lying Westerly of and abutting the West line of Lots 14 and 37 of "Stocking's Subdivision of the South part of lot 17 on Sections 29 & 32, T. 1S., R. 12E.", City of Detroit, Wayne County, Michigan, as recorded in Liber 8, Page 39, Wayne County Records; on a temporary basis (for a period of five (5) years) to expire on June 1, 2008;

Provided, That the petitioner shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the temporary public alley closing; and

Provided, The permit shall be issued after the petitioner has recorded a certified copy of this resolution with the Wayne County Register of Deeds. The petitioner shall pay all incidental recording costs; and

Provided, The property owned by the petitioner and adjoining the temporary public closing shall be subject to the proper zoning or regulated use (Board of Zoning Appeals Grant) over the total width and length of the alley; and

Provided, No buildings or other structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fence), shall be constructed on or over the alley. The petitioner shall observe the rules and regulations of the City Engineering Division — DPW. The City of Detroit retains all rights and inter-

ests in the temporarily closed public alley. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public alley. Further, the petitioner shall comply with all specific conditions imposed to insure unimpeded 24-hour-per-day access to the City and utility companies; and

Provided, That at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Division — DPW by the petitioner at the petitioner's expense; and

Provided, The petitioner's fence and gate installation shall provide 15 feet horizontal and 13 feet vertical clearance(s) for utility maintenance vehicles; and

Provided, This resolution is revocable at the will, whim or caprices of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

Provided, This permit shall not be assigned or transferred without the written approval of the Detroit City Council; also

Resolved, That all that part of the east-west public alley, 20 feet wide, in the block bounded by Russell Avenue, 60 feet wide, Riopelle Street, 50 feet wide, Lyman Place, 50 feet wide and East Milwaukee, 60 feet wide, lying Southerly of and abutting the South line of Lots 14 through 23, both inclusive, and lying Northerly of and abutting the North line of Lots 28 through 37, both inclusive, of said "Stocking's Subdivision of the South part of lot 17 on Sections 29 & 32, T. 1S., R. 12E." City of Detroit, Wayne County, Michigan, as recorded in Liber 8, Page 39, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed

in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of sur-

face grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved returns at their entrances, such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Historic Designation Advisory Board submitting its final report on the proposed Washington Boulevard Local Historic District.

At the direction of the Historic Designation Advisory Board at its meeting of March 13, 2003, I am pleased to submit to your Honorable Body the board's final report on the proposed Washington Boulevard Local Historic District. The recommendation of the Advisory Board is for designation and, therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Law Department.

This designation was requested in connection with anticipated redevelopment of the Book-Cadillac Hotel. Ad Hoc members of the Advisory Board for this study were Art Papapanos of the Detroit Economic Growth Corporation, representing the ownership interest, and Ray Litt of the Downtown Citizen's District Council. Both were represented by others during the board's deliberations, and both representatives voted to recommend designation.

Also attached is a copy of the minutes of the public hearing held by the Advisory Board on this matter. The Historic District Commission report and comment and its Master Plan Review as it relates to the proposed historic district is also attached, as is correspondence received relative to the designation.

If you should have any questions, I may be reached at 4-3487.

Proposed Washington Boulevard

Local Historic District

Final Report

By a resolution dated November 27, 2002, the Detroit City Council charged the Historic Designation Advisory Board, a

study committee, with the official study of the proposed Washington Boulevard Local Historic District in accordance with Chapter 25 of the 1984 Detroit City Code and the Michigan Local Historic Districts Act.

The proposed Washington Boulevard Local Historic District consists of the properties located on the east side of Washington Boulevard between Clifford and Michigan; the properties on the west side of Washington Boulevard between Grand River and State; and the right-of-way of Washington Boulevard between Clifford and Michigan. All buildings are included in the Washington Boulevard District, listed on the National Register of Historic Places in 1982.

Boundary Description: The boundaries of the proposed historic district are shown on the attached map, and are as follows:

Beginning at a point, that point being the intersection of the centerline of Shelby Street with the centerline of Michigan Avenue; thence west along the centerline of Michigan Avenue to its intersection with the west line of the right-of-way of Washington Boulevard; thence north along the west line of the Washington Boulevard right-of-way to its intersection with the centerline of State Street; thence west along the centerline of State Street to its intersection with the west line of the right-of-way of the north-south alley lying between Washington Boulevard and East Park Place; thence north along the west line of said alley to its intersection with the centerline of Grand River Avenue; thence east along the centerline of Grand River Avenue to its intersection with the west line of the Washington Boulevard right-of-way; thence north along the west line of the Washington Boulevard right-of-way to its intersection with the centerline of Clifford Street; thence east along the centerline of Clifford Street to its intersection with the centerline of the north-south alley lying between Washington Boulevard and Griswold Street; thence south along the centerline of said north-south alley and the centerline of the continuing north-south alley lying between Washington Boulevard and Shelby Street to its intersection with the centerline of the east-west alley lying between Michigan Avenue and State Street; thence east along the centerline of the said east-west alley to its intersection with the centerline of Shelby Street; and thence south along the centerline of Shelby Street to the point of beginning.

These boundaries include all the buildings having historic and/or architectural significance on the original portion of Washington Boulevard, with the exception of buildings located in other city-designated historic districts and located at the north end of the boulevard. (The portion

of Washington Boulevard located south of Michigan Avenue was originally called Wayne Street, and does not share the planning development, and architectural significance of that portion of the street derived from the Woodward Plan.) The boundaries are the same as those of the Washington Boulevard Historic District listed on the National Register of Historic Places, and

DESCRIPTION: The Washington Boulevard Historic District extends three blocks on Washington Boulevard between Michigan Avenue and Clifford Street in downtown Detroit. The district includes eleven buildings facing Washington Boulevard; nine buildings on the east side of the street between Michigan and Clifford Streets and three buildings on the west side of the street between State Street and Grand River Avenue. The buildings, which were designed by some of Detroit's most important architects, range from two to thirty-six stories in height and illustrate a range of architectural styles popular from 1900 to 1930. All structures are commercial buildings with the exception of a church and its adjacent office structure. Each of the eleven buildings contribute to the district, illustrating an important era in Detroit's development, the first third of the 20th Century.

The earliest building in the district is the Manufacturers National Bank Building, built in 1901 as the Stevens Building. Originally intended to be an adjunct facility for the nearby city YMCA, it was built when the street was still largely residential. Located at 1258 Washington Boulevard, the building was designed by Donaldson and Meier, a prominent Detroit architectural firm also noted for impressive church designs. This eight-story, brick, limestone and terra-cotta office building is designed in the Renaissance Revival style with an elaborately composed facade of varying window types crowned by a massive corbeled and arched Italian Romanesque style cornice treatment. This structure has been rehabilitated for residential use with commercial on the first floor.

The six-story, terra-cotta-sheathed, Palmer Building at 1420 Washington Boulevard was built in 1910 to the designs of nationally-known architect Albert Kahn. This "Chicago Style" design derives its visual impact from the overall sheathing of glistening white, molded terra-cotta and regular bays of large plate glass windows.

Five buildings in the district were designed by Louis Kamper as part of a private real estate venture by the prominent Book Brothers. The first of the buildings which Kamper designed is the thirteen-story, limestone-sheathed, Beaux-Arts style Book Building at 1249 Washington Boulevard. Built in 1917, this is a relatively sparsely ornamented office

building of Italian Renaissance inspiration with eight stories of symmetrical bays of plain casement windows punched into a smooth masonry facade above the restrained, classically articulated, first four floors. The most striking feature of the facade are the twelve colossal nude caryatids supporting the boldly projecting modillion cornice. The Book Building is composed of two matching sections, with the southern three bays having been built later and internally constituting a separate structure.

The building Kamper designed next for the Book brothers is the twenty-one story Washington Boulevard Building at 234 State Street, on the northeast corner of Washington Boulevard and State, built in 1923. This office building is similar in character to the Book Building in its Italian Renaissance detailing, but is the curtain wall is brick with limestone trim. It consists of four stories sheathed in limestone surmounted by thirteen floors of regularly spaced unarticulated fenestration punched into plain red brick walls. The top four floors are set off by a massive molded limestone belt course. The windows are unified into vertical strips separated from the plain attic story fenestration by another limestone belt course. The building is capped with a projecting classical cornice. This commercial building has been rehabilitated for residential uses.

In 1924 Kamper designed the mammoth and elaborate Book-Cadillac Hotel at 1114 Washington Boulevard on the block between Michigan Avenue and State Street. Although the Beaux-Arts style had waned, Kamper's own preferences made this an extraordinary Beaux Arts twenty-seven-story, luxury hotel originally containing 1,200 rooms. The building consists of four limestone-sheathed stories enriched with colossal fluted Corinthian pilasters between the fenestration surmounted by sixteen brick stories of unarticulated symmetrically arranged fenestration divided by limestone belt courses at several levels and bordered by massive oversized quoining at the corners. The upper four stories are unified into an elaborately ornamented limestone composition with extensive classical detailing. Two more floors are incorporated in the colossal bracketed cornice treatment, above which four, two-story pavilions with pyramidal, stepped roofs rise from the corners of the building.

One design element of the Book-Cadillac exterior should be specifically noted. The Book brothers had lived in the old Cadillac Hotel built in 1888. When they demolished the old building for construction of the new one, they did so with some level of sentiment; for example, at the dedication of the new Book-Cadillac the family "dined at a table in the Venetian Dining Room situated in the same spot

they had dined in the old Cadillac Hotel's Dining Room." This sentimentality appears to have had its impact on the exterior of the new building. The old hotel had square "tower" elements at each of its public corners, and in the center of the two major facades a solid wall breaking the recessed loggia that stood between the "towers." On the new building, this pattern was reproduced at the top of the building. Instead of elements separated by a loggia, the corner "towers" rise above the attic story, while a sort of "pavilion" element rises above the attic in the center of the Michigan Avenue facade. The similarity to the old building cannot be an accident; it is reasonable to assume that the Books asked Kamper to somehow memorialize the old Cadillac Hotel in the design of the new one.

After the success of the magnificent Book-Cadillac Hotel, Kamper designed the thirty-six-story Book Tower at 1265 Washington Boulevard at the corner of the boulevard and Grand River Avenue and adjoining the 1917 Book Building. Completed in 1926, the Book Tower has been characterized as a somewhat unsuccessful attempt at a Beaux Arts skyscraper, especially by advocates of a more contemporary approach to the tall building. It harmonizes with the earlier Book Building by utilizing the identical detailing for the first twelve stories. Above the roof of its lower neighbor, the verticality of the Book Tower is relieved by occasional bands of oversized Italian Renaissance detailing. The fenestration of the upper four floors is vertically unified into a penthouse composition by colossal, unfluted, Corinthian pilasters and an incredibly elaborate Beaux Arts Baroque cornice treatment surrounded by a tall peaked cooper roof. The design might well reflect earlier tall buildings — such as Ernest Flagg's Singer Building in New York — in which a relatively plain shaft gives way to elaborate ornamentation on the topmost portion of the building, the portion most likely to be seen at a distance, since it would rise above all its neighbors. Whether one accepts this model for the tall building or not, in one matter Kamper got it right: the detail high on the building is extremely large in scale in order to be read at a distance. Kamper's original plans called for the construction of an even taller building south of the original Book Building, but this was never carried out.

About 1927-28 Kamper designed for the Book family the twenty-two story, brick-and-limestone Industrial Bank Building at 232 W. Grand River Avenue at the northeast corner of Washington Boulevard and Grand River. This building differs from his earlier commissions in that it is more in line with contemporary concepts of skyscraper design. It is orna-

mented with Art Deco-influenced Gothic motifs, but derives its visual impact chiefly from the vertical emphasis of the continuous piers between the windows. The building tapers at the top with the use of minor setbacks and is topped by an ornate parapet wall. This building has been rehabilitated for residential use.

There were other property owners on Washington Boulevard in addition to the Book family. The Roman Catholic Diocese of Detroit hired Detroit architects Donaldson and Meier in 1924 to design the Chancery, the archdiocesan offices, next to the church of St. Aloysius in the middle of the block between Grand River Avenue and State Street. The resulting structure at 1234 Washington Boulevard is an eight-story, limestone sheathed eclectic structure of Romanesque-Italian Renaissance inspiration. The facade is composed of three, slightly-recessed central bays flanked by buttress-like end bays. The arcaded first and second stories of the central three bays are surmounted by four stories of vertically unified fenestration with paneled spandrels. The upper two floors are treated as a gables, arcaded, open loggia. In addition to the diocesan offices, the structure contains living quarters for the clergy assigned to the parish church next door.

In 1930, Donaldson & Meier designed a new church for St. Aloysius adjacent to the Chancery Building. Since the church is abutted on both sides by buildings, it only has one public elevation. This facade is a limestone Italian Romanesque composition ornamented with extensive Romanesque carving, grouped pilasters, arcaded corbeling, open arcading, a rose window and carved, arched, door surrounds. The exceptional interior of the church was intended to provide a large capacity on a small site, with seating on three levels including a large "U" shaped gallery, and basement seating having a view of the altar through a large open well in front of the chancel. The interior is richly decorated, with a considerable quantity of fine marble and a large mosaic on the rear wall of the chancel.

With the end of the economic boom of the 1920s, plans for several projected large office buildings were shelved. Their planned sites today are occupied with two-story commercial blocks. The building at 1242-54 Washington Boulevard of concrete construction dating from the 1920s is a row of shops surmounted by large Chicago style windows on the second floor and ornamented with Corinthian pilasters. The northwest corner of State Street and Grand River Avenue, which was to have been occupied by a second Book Tower, was subsequently developed in the 1930s with a two-story, concrete block of shops of plain Art Deco design with large plate glass windows on both

the first and second floors, 1201-1223 Washington Boulevard.

The proposed Washington Boulevard Historic District includes eleven buildings on Washington Boulevard as follows:

Book Cadillac Hotel, 1114 Washington Blvd.

Washington Boulevard Building, 234 State (corner of Washington Blvd. and State).

St. Aloysius Church, 1230 Washington Blvd.

Chancery Building, 1234 Washington Blvd.

1242-1245 Washington Blvd.

Stevens Building, 1258 Washington Blvd.

Industrial Bank Building, 232 W. Grand River (at corner of Washington Blvd.).

Palmer Building, 1420 Washington Blvd.

1201-1223 Washington Blvd.

Book Building, 1249 Washington Blvd.

Book Tower, 1265 Washington Blvd.

All eleven buildings are considered contributing structures.

HISTORY: In the mid-nineteenth century, Washington Boulevard, one of the "grand boulevards" laid out in the Woodward Street plan of 1807, was developed as an upper class residential area.

One of the residents was J. Burgess Book, Jr., scion of one Detroit's wealthiest families. Book had long dreamed of transforming Washington Boulevard into Detroit's most exclusive shopping district. After traveling extensively in Europe and the United States studying grand boulevards in various cities, Book returned to Detroit, where, in 1916, he became administrator of his father's huge holdings.

The estate included land on Washington Boulevard, which with the help of his brothers, he increased until eventually the Book family controlled sixty percent of the street frontage. Book was influenced by the City Beautiful movement, which had grown out of the Chicago World's Fair in 1893. In Detroit, this popular movement resulted in 1915 in the retaining by the city of Edward H. Bennett to execute a preliminary master plan for the city. Bennett had earlier collaborated with Daniel Burnham on the much celebrated Chicago Plan, published in 1909. Although many of Bennett's grand designs were not realized, his recommendations encouraged Book to plan a monumental Beaux Arts streetscape.

To carry out his scheme, he retained Louis Kamper, one of Detroit's best known architects, to design the buildings. Kamper designed five buildings in all for the Book family. Each of these was intended to be an individualistic structure of architectural distinction that would fit into his overall streetscape plan, which he

published in a still extant rendering entitled "Development of Washington Boulevard and the Book Estate." With the exception of the Industrial Bank Building, all of the structures were Beaux Arts classical in design. The grandest was the monumental Book-Cadillac Hotel (1924) which marked the gateway to the Book development from Michigan Avenue. This building, now vacant and very neglected, retains its original appearance, as do the other Book buildings. The other key structure in the Book scheme is the ornate twenty-six-story Book Tower. The other structures on the street are strong supporting buildings of high architectural quality. The completion of the Book fiefdom was cut short by the onset of the Great Depression, although another Book Tower, seventy stories tall, was then in the planning stages for the site now occupied by 1201-1223 Washington Boulevard.

The Books were never able to control all of the land on Washington Boulevard and much of the street's current architectural diversity is attributable to the structures erected by others. Before the Books had even begun building, several new commercial structures had already replaced the old houses and businesses on the street. The Steven's Building (Manufacturers' Bank Building) at 1258, designed by Donaldson and Meier and built in 1901; and the Palmer Building at 1420, built in 1910 to the designs of Albert Kahn, are the oldest buildings in the district.

A holdover from the area's previously residential character is St. Aloysius Roman Catholic Church (1930) and the archdiocesan offices in the Chancery Building. Both of these were designed by Donaldson & Meier, an important Detroit architectural firm that was well known for both its churches and office buildings. Although the present buildings date from late in the development of the boulevard, St. Aloysius previously occupied a Victorian church on the same site, originally built as Westminster Presbyterian, and served for a short time as the pro-cathedral of the diocese. The Victorian bishop's residence — the chancery of the time — was across the street at 31 Washington, on the present site of the two-story building south of the Book Building. Thus, this stretch of Washington Boulevard has been the headquarters of the Catholic Church in Detroit for well over a century.

With the sudden onset of the Great Depression, construction in downtown Detroit, virtually ground to a halt. Plans for large new buildings on Washington Boulevard were shelved. As a result, the two-story block of shops at 1242-54 was allowed to remain, while the site previously set aside for the seventy-story, second

Book Tower was eventually occupied by the two-story block at 1201-1223. Both of these low buildings contrast greatly with their tall neighbors but serve as a reminder that Washington Boulevard was a fashionable retail area as well as office district.

As a setting for the Books' downtown land development, Louis Kamper designed a monumental scheme, since destroyed, of Washington Boulevard as a broad boulevard ornamented with stone balustrades, formal promenades, statuary and a series of extraordinary Beaux-Art street light standards. The original street design was destroyed over the years with successive alterations. In 1978-79, half of the street was closed to traffic and Washington Boulevard was completely redesigned. New planting, new brick and granite paving, concrete planters, a continuous, linear metal truss sculptural element, and an amphitheater contribute to the street's new urban pedestrian mall motif.

SIGNIFICANCE: The Washington Boulevard Historic District is significant as an intact streetscape of architecturally distinguished commercial buildings dating from 1901-1930 with the majority built in the 1920s. The buildings individually represent some of the finest early Twentieth Century architecture in Detroit and as a group illustrate the evolution of the commercial style in Detroit as it was practiced by some of Michigan's master architects. The district is also significant as a product of a planned real estate development inspired by the City Beautiful movement and carried out as the private artistic endeavor of one family and their architect, Louis Kamper. The proposed district meets the first three criteria of the city's ordinance, found in Chapter 25-2-2 of the 1984 City Code; those criteria are:

1. Sites, buildings, structures or archeological sites where cultural, social, spiritual, economic, political, or architectural history of the community, city, state, or nation is particularly reflected or exemplified;

2. Sites, buildings, structures or archeological sites which are identified with historic personages or with important events in community, city, state, or national history.

3. Buildings or structures which embody the distinguishing characteristics of an architectural specimen, inherently valuable as a representation of a period, style, or method of construction.

RECOMMENDATION: The Historic Designation Advisory Board recommends that City Council designate the proposed portion of Washington Boulevard as an historic district; a draft ordinance of designation is attached.

SUMMARY

This ordinance amends Chapter 25,

Article 2, of the 1984 Detroit City Code by adding Section 25-2-147 to establish the Washington Boulevard Local Historic District, to establish conservation as the design treatment level for the district, and to define the elements of design for the district.

By Council Member Collins:

AN ORDINANCE to amend Chapter 25, Article II, of the 1984 Detroit City Code by adding Section 25-2-147 to establish the Washington Boulevard Local Historic District, to establish conservation as the design treatment level for the district, and to define the elements of design for the district.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 25, Article II, of the 1984 Detroit City Code be amended by adding Section 25-2-147 to read as follows:

Sec. 25-2-147. Washington Boulevard Local Historic District.

(A) A historic district to be known as the Washington Boulevard Local Historic District is hereby established in accordance with the provisions of this article.

(B) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(C) The boundaries of the Washington Boulevard Local Historic District are as shown on the map on file in the office of the city clerk, and shall be as follows: Beginning at a point, that point being the intersection of the centerline of Shelby Street with the centerline of Michigan Avenue; thence west along the centerline of Michigan Avenue to its intersection with the west line of the right-of-way of Washington Boulevard; thence north along the west line of the Washington Boulevard right-of-way to its intersection with the centerline of State Street; thence west along the centerline of State Street to its intersection with the west line of the right-of-way of the north-south alley lying between Washington Boulevard and East Park Place; thence north along the west line of said alley to its intersection with the centerline of Grand River Avenue; thence east along the centerline of Grand River Avenue to its intersection with the west line of the Washington Boulevard right-of-way; thence north along the west line of the Washington Boulevard right-of-way to its intersection with the centerline of Clifford Street; thence east along the centerline of Clifford Street to its intersection with the centerline of the north-south alley lying between Washington Boulevard and Griswold Street; thence south along the centerline of said north-south alley and the centerline of the continuing north-south alley lying between Washington Boulevard and Shelby Street to its inter-

section with the centerline of the east-west alley lying between Michigan Avenue and State Street; thence east along the centerline of the said east-west alley to its intersection with the centerline of Shelby Street; and thence south along the centerline of Shelby Street to the point of beginning. (Legal description: Lots 1-15, 53, 54, Plat of Section 8, Governor and Judges Plan (Deeds), Liber 34, Page 543; Lots 5-10, Plan of Section 10, Governor and Judges Plan (Deeds), Liber 34, Page 553.

(D) The design treatment level of the Washington Boulevard Local Historic District shall be conservation as provided for in Section 25-2-2 of this Code.

(E) The defined elements of design, as provided for in Section 25-2-2 of this code, shall be as follows:

(1) *Height.* The buildings in the Washington Boulevard Local Historic District range from two (2) to thirty-six (36) stories tall.

(2) *Proportion of Buildings' Front Facades.* Proportion varies in the district, depending on the size of the building, its period of construction, and its function. Most of the front facades of individual buildings are taller than wide but may have visible side elevations wider than tall when located on corner lots. Two-story buildings are significantly wider than tall. The upper stories of some of the taller buildings have modest setbacks.

(3) *Proportion of Openings Within the Facades.* Entrance openings exhibit single openings taller than wide; when several doors are grouped together, sometimes with flanking fixed windows, entrance openings are wider than tall. Square storefront windows and entrance bays line the ground floor of the commercial buildings. Individual window openings above the ground floors and/or mezzanines are usually approximately two times taller than wide but are frequently grouped in openings that are wider than tall, sometimes in the pattern known as "Chicago style" windows. Groupings of windows in arched configurations exist at the upper floors, mezzanine level and ground floor of some of the buildings in the district. Double-hung sash windows are prevalent, sometimes with transoms above, with pivot windows and other single-paned replacement types present. Saint Aloysius Roman Catholic Church and the Chancery Building feature arched openings and the church has traceried windows; a large rose window is centered above the central arched entrance of the church. Voids range from about one-third to two-thirds of the front facade areas.

(4) *Rhythm of Solids to Voids in Front Facades.* Voids in the front facades of buildings originally used for commercial purposes are generally arranged vertically in bays and horizontally by floor in a regu-

lar fashion, due to the stylistic derivation of the buildings, their function and/or their steel frame and curtain wall construction. Voids are arranged according to functions of spaces behind them. Generally, a regular rhythm of entrances and storefront windows exists on the ground floor of the buildings. The front facade of Saint Aloysius Roman Catholic Church contains a main double door arched entrance flanked by secondary arched entrances. A large rose window is located over the door.

(5) *Rhythm of Spacing of Buildings on Streets.* The front facades of buildings in the district are located on the front property line, resulting in a largely unbroken row of abutting buildings within each block.

(6) *Rhythm of Entrance And/ or Porch Projections.* Most of the original entrances facing Washington Boulevard are centered on the facades of individual buildings or, where there are multiple storefronts, are arranged in a regular pattern along the street facade. The Washington Boulevard entrance of the Book-Cadillac Hotel is off-center; its Michigan Avenue entrance is centered. While some entrance openings are recessed, as with the Book Building, no facade projections beyond the front lot line exist at ground level. Marquees and awnings above first floor entrance were and are common.

(7) *Relationship of Materials.* The major building materials common to wall surfaces in the district are limestone, brick, and terra-cotta. Many granite bases also exist. Facades are often trimmed with limestone and/or terra cotta. Pilasters, window frames and spandrels of the Industrial Building are bronze. Window frames are of wood or steel; building grates and the frame of storefront windows and doors are generally metal. The side elevations, where not prominent, and the rear elevations of the buildings in the district are brick. Visible structures above the roof line of the Book-Cadillac Hotel and the Book Tower are roofed in copper. The doors of Saint Aloysius Roman Catholic Church are bronze and the doors of the Chancery Building are wood. The names of street intersections in bronze letters are located on buildings on corner lots above the first floor. Metal fire escapes hang from the rear of several buildings.

(8) *Relationship of Textures.* The low relief pattern of mortar joints in brick, terra cotta or limestone juxtaposed with smooth masonry trim, where it exists, provides textural interest. Glazed terra cotta, polished granite and large glass surfaces are smooth in texture. Carved or molded repetitive ornamental elements and detail in terra cotta, metal or masonry contrasts with the surface material, providing a high degree of textural interest. Subdivided windows, decorative spandrels, parapets and cornices with repetitive detail, where they still exist, are often areas of textural

interest. In general, the district is extremely rich in textural relationships.

(9) *Relationship of Colors.* The majority of buildings in the Washington Boulevard Local Historic District are in light color range. Within this range, many are clad and/or trimmed in light beige limestone. 1420 Washington Boulevard is sheathed in white terra-cotta. Buff brick is plentiful; brown and orange brick also exists. Buildings sheathed in limestone often have brick side and rear elevations in light shades of brick. Window frames tend to be painted in brown, deep green, or a cream color. Pink, black and gray granite faces the base of several buildings. Where there are copper clad roof and penthouse pavilions and terraces, they have weathered blue-green. St. Aloysius Roman Catholic Church has bronze doors and the Chancery Building has stained wood doors. The original colors of any building, as determined by professional analysis, are always acceptable, and may provide guidance for similar buildings.

(10) *Relationship of Architectural Details.* Architectural details generally relate to architectural styles. Early twentieth century buildings in the Beaux Arts, Renaissance Revival, and Italian Romanesque styles exhibit round arches, cartouches, quoins, fluted pilasters, and other classically derived details. The surfaces between windows, the tops of pilasters, cornices and string courses tend to be decorated, often very ornately. The Chancery Buildings and Saint Aloysius Roman Catholic Church display Italian Renaissance and Romanesque inspiration. Both buildings have gabled roof lines, arched windows, arcing and decorative pilasters. Storefronts typically have apron walls and large expanses of glass, most in their original configurations. The two (2), two-story buildings are of a plainer Art Deco design with modest classical details.

(11) *Relationship of Roof Shapes.* Most roofs of the Washington Boulevard Local Historic District are not visible from the street, with the exceptions of the Saint Aloysius Roman Catholic Church roof, which is gabled; the four (4) two-story pavilions with pyramidal stepped roofs rising from the corners above the roof line of Book-Cadillac Hotel, and the tall, hipped copper roof of the Book Tower. Penthouses, some containing mechanical systems, also exist above the roof lines of some of the buildings.

(12) *Walls of Continuity.* A strong, overall wall of continuity is formed by the buildings that abut and are sited on the front lot line. While the red steel pipe environmental structure that stretches for blocks creates continuity by extending in a meandering but linear fashion along the plaza, its design bears no relationship to the historic nature of the streetscape.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* Front facades of buildings are located on the front lot lines, with a narrow border of concrete paving before the brick-paved public sidewalk. Brick paving, concrete walls, trees in metal grates, trolley tracks and the red metal environmental structure replaced the eastern side of the broad boulevard formerly ornamented with stone balustrades, formal promenades, statuary and Beaux-Arts light standards. A multi-lane two-way roadbed is now on the west side of the public right-of-way adjoining the sidewalk adjacent to the building on the west side of the street. Concrete planters line the sidewalks.

(14) *Relationship of Open Space to Structures.* The major open space in the district is the wide public right-of-way that originally consisted of landscaped center islands dividing the roadways of a boulevard; this has been replaced with the existing plaza dominated by concrete, the red metal environmental structure, and a single roadway on the west. A bronze statue of General Alexander Macomb is located on its original granite base at the southern end of the boulevard.

(15) *Scale of Facades and Facade Elements.* Individual building facades range from moderate to large in scale, with the majority being in the large range. Details and elements within individual facades range from moderate to large in scale; the repetition of moderately scaled detail is common while the use of large and oversized elements also exists, particularly on the Book-Cadillac Hotel, Book Tower and Book Building. Signage was placed above the ground floor storefront windows, often in a panel designated for such purpose; sometimes it was part of a marquee or awning, or as a structure on top of the building.

(16) *Directional Expression of Front Elevations.* While most individual buildings are vertical in directional expression, they form a horizontal row along the streetscape where they abut. The two (2) horizontally oriented two-story buildings further emphasize the horizontality of the streetscape. The front facade of Saint Aloysius Roman Catholic Church is oriented vertically, due primarily to the thrust of the central bay with its gable surmounted by a cross.

(17) *Rhythm of Building Setbacks.* No setbacks exist due to the siting of all buildings on the front lot lines.

(18) *Relationship of Lot Coverages.* Each building occupies the full area of its lot; therefore, lot coverage is approximately one hundred (100) percent.

(19) *Degree of Complexity Within the Facades.* The degree of complexity ranges from simple to complex, depending on style and building type. Several buildings are heavily embellished with

decorative detail and ornamentation; these tend to be more complex. Some of the buildings exhibit complex massing of their upper stories.

(20) *Orientation, Vistas, Overviews.* Individual buildings are oriented toward Washington Boulevard; the Book-Cadillac Hotel has a secondary entrance oriented towards Michigan Avenue. Corner buildings sometimes have secondary or office/elevator lobby entrances oriented toward the side street. A varied and interesting silhouette results from the different roof shapes and heights of buildings on Washington Boulevard. Washington Boulevard is one of the streets that emanate like spokes from Grand Circus Park, resulting in unique vistas.

(21) *Symmetric or Asymmetric Appearance.* Most buildings are symmetrical in appearance above the first floor. Many were symmetrical on the first floor as well, depending on the position and number of storefront openings. Multiple changes to the storefronts, including covering them over, has occurred, although a very high degree of integrity still exists. Saint Aloysius Roman Catholic Church is symmetrical on its front (west) facade.

(22) *General Environmental Character.* The general character of the Washington Boulevard Local Historic District is that of a mostly intact assemblage of well-designed, classically inspired and elegant commercial buildings lining the once grand Washington Boulevard streetscape. Saint Aloysius Roman Catholic Church and the Chancery Building are compatible with the rest of the district in materials, openings, setbacks and other elements of design. As part of the historic Woodward Plan, the Washington Boulevard Local Historic District is located in the midst of other historic sections of downtown, including Grand Circus Park, the Theater District, Capitol Park, Lower Woodward Avenue, and Harmony Park.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

RESOLUTION SETTING HEARING
By Council Member Collins:

Resolved, that a public hearing will be held by this body on the 13th Floor of the Coleman A. Young Municipal Center on WEDNESDAY, JUNE 11, 2003 AT 10:00 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 25, Article 2, of the 1984 Detroit City Code by adding Section 25-2-147 to establish the Washington Boulevard Local Historic District, to establish conservation as the design treatment level for the district, and to define the elements of design for the district.

All interested persons are invited to be present to be heard as to their views.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

*WAIVER OF RECONSIDERATION (No. 5), per Motions before Adjournment.

Human Services

April 8, 2003

Honorable City Council:

Re: Authorization to increase 2002-2003 Community Services Block Grant (CSBG) amount by \$1,124,003 to \$8,446,571. This will increase Appropriation No. 10705 by \$1,124,003 from \$7,322,568 to \$8,446,571.

The Department of Human Services has received notification of an increase in funding in the amount of \$1,124,003 from the Michigan Family Independence Agency for Appropriation No. 10705 — CSBG Program.

Therefore, we respectfully request your authorization to increase the 2002/03 Community Services Block Grant Program, Appropriation No. 10705 from \$7,322,568 to \$8,446,571, with a waiver of reconsideration.

Respectfully submitted,

Planning & Development Department

June 2, 2003

Honorable City Council:

Re: Surplus Property Sale. Parcels 6 and 8, located in Northville Township (Part of Former DEHOCO Site).

We are in receipt of an offer from GRAND/SAKWA OF NORTHVILLE/PLYMOUTH, L.L.C., a Michigan Limited Liability Company, to purchase the above-captioned property for the amount of \$12,054,000 and to develop such property. It is understood between GRAND/SAKWA OF NORTHVILLE/PLYMOUTH, L.L.C., the Purchaser, and the City of Detroit, the Seller, that the final purchase price shall be determined by the net useable acreage of the property for both Parcels 6 and 8 combined, in which case the purchase price may increase. The final purchase price, however, shall be determined on the basis of \$73,500 per useable acre and in no event shall the total purchase price of both Parcels 6 and 8 be less than \$12,054,000.

Parcels 6 and 8 are located on the east side of Ridge Road between Five and Six Mile Roads. Parcel 6 contains 155.59 acres and Parcel 8 contains 155.75 acres, more or less, of which 7.81 acres are right-of-way for public roads for a net total of approximately 303.53 acres.

The Offeror proposes to use this property for the construction of single-family homes. The homes to be constructed will consist of three (3) to four (4) bedrooms with attached garages.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to GRAND/SAKWA OF NORTHVILLE/PLYMOUTH, L.L.C., a Michigan Limited Liability Company.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities
By Council Member S. Cockrel:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to issue a quit claim deed for the following described property to GRAND/SAKWA OF NORTHVILLE/PLY-

MOUTH, L.L.C., a Michigan Limited Liability Company, for the amount of \$12,054,000.

Parcel 6

The Southwest 1/4 of Section 17, T. 1 S., R. 8 E., Northville Township, Wayne County, Michigan. The parcel is more particularly described as follows: Beginning at a point, said point being the Southwest section corner monument of Section 17 and said point also being the intersection of the centerline of Phoenix Road with the centerline of Ridge Road; thence N. 89° 50' 10" E., 2,650.86 feet along the South line of Section 17 to a monument, said monument being the South 1/4 corner of Section 17; thence N. 0° 22' 37" W., 2,578.45 feet along the North-South 1/4 line to an iron, said iron being the Center of Section 17; thence S. 89° 10' 05" W., 2,637.94 feet along the East-West 1/4 line to a monument, said monument being the West 1/4 corner of Section 17; thence S. 0° 05' 06" E., 2,547.69 feet along the West line of Section 17 to the point of beginning, containing 155.59 acres more or less of which 3.91 acres are right-of-way for public roads. This parcel is subject to

Wayne County Easements for Sanitary Sewers and the Johnson Drain.

Parcel 8

The Northwest 1/4 of Section 17, T. 1 S., R. 8 E., Northville Township, Wayne County, Michigan. The parcel is more particularly described as follows: Beginning at a point, said point being a monument at the Northwest corner of Section 17 and said point also being the intersection of the centerline of Six Mile Road with the centerline of Ridge Road; thence S. 0° 05' 08" W., 2,529.88 feet to a point said point being the West 1/4 corner of Section 17; thence N. 89° 10' 05" E., 2,637.94 feet along the East-West 1/4 line to an iron, said iron being the Center of Section 17; thence N. 0° 16' 58" E., 2,606.05 feet to a monument, said monument being the North 1/4 corner of Section 17; thence S. 87° 31' 27" W., 2,649.23 feet along the North line of Section 17 to the point of beginning, containing 155.75 acres more or less of which 3.90 acres are right-of-way for public roads. The parcel is also subject to Wayne County Easements for Sanitary Sewers and the Johnson Drain.

Planning & Development Department
June 3, 2003

Honorable City Council:

Re: Formal Request to Obtain Detroit City Council Approval and Support/Resolution for City of Detroit Authorization to Submit — HUD Lead-Based Paint Outreach Grant

Application.

This correspondence serves as a formal request for the Detroit City Council to support and approve the Planning & Development Department's "Emergency Lead-Based Paint Task Force" application for funding, as a part of the current Department of Housing & Urban Development (HUD) Notice of Funding Availability (NOFA), regarding the **Lead Outreach Grant**. The grant will seek funding assistance up to \$500,000 to help underwrite in the City's ongoing efforts to provide education, information, prevention, and awareness to targeted

population and children "at risk" for lead paint poisoning in Detroit.

Given the magnitude of the lead poisoning problem, the age of Detroit's housing stock, and the level of poverty in Detroit, the **Lead Outreach Grant** will target neighborhoods and families "at risk" in both owner occupied and rental properties for awareness services including, educational training, prevention strategies, and testing opportunities.

The City Planning Commission, a vital partner of the Emergency Lead-based Paint Task Force, have assisted in the drafting of the attached resolution that seeks authorization and approval of your Honorable Body to submit the **Lead Outreach Grant** application, due in Washington, D.C. June 10, 2003.

Thank you for your assistance and cooperation. If there are any questions, please contact Mrs. Jannie Warren at (313) 224-6525.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Collins:

Whereas, The U.S. Department of Housing and Urban Development will provide a maximum of \$500,000 to applicants that successfully address the following components: (1) increase enrollment of low-income housing units for treatment via the HUD lead hazard control grant program or other lead hazard treatment programs, (2) develop and distribute outreach and educational materials in order to raise public awareness of childhood lead poisoning, its prevention and proper lead hazard identification and control methods among at-risk communities and at-risk populations of children and workers in the housing maintenance or rehabilitation fields, (3) encourage occupants to identify potential lead-based paint hazards and report them to property owners and manager, and public health and/or housing officials as appropriate, and

Whereas, According to the Centers for Disease Control, Detroit is ranked sixth in the nation for childhood lead poisoning. One out of every ten Detroit children are lead poisoned; in several areas of the city, this number is as high as one in five. Thus, childhood lead poisoning in Detroit is at a crisis level, and

Whereas, Despite the risk of lead poisoning, in 2002 only 35% (32,540) of Detroit children under six were tested, and of those 2,830 were identified as being lead poisoned. Therefore, approximately 60,825 children have not been tested and potentially, 5,413 lead poisoned children in Detroit have not yet been identified, and

Whereas, Despite a recent increase in publicity around childhood lead poisoning, there remains a great need to continue

educating families and property owners about its dangers, how it can be prevented, and resources that are available to help, particularly for those children and properties identified to be at-risk for lead, and

Whereas, The Detroit City Council has made the control and prevention of lead poisoning a priority and for the past three years, has allocated funds for home repair of households with lead poisoned children citywide during the period of 2001-2004. They have also allocated nearly \$5 million over that time to address other lead hazard control activities and services in Detroit, Now, Therefore, Be It

Resolved, That the Detroit City Council supports the efforts of the Planning and Development Department to reduce lead hazards in Detroit's housing, to provide outreach and education to Detroit's families and property owners, and finally, to submit the HUD lead outreach grant program application for fiscal year 2003. Upon receipt of these funds, the Planning and Development Department (P&DD) will formally seek approval from the Detroit City Council to accept these funds.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

FOR**

EPHRAIM MUKASA NABONGO

By COUNCIL MEMBER EVERETT:

WHEREAS, On October 6, 1937, Ephraim Mukasa Nabongo was born to Yoweri Serembe and Tezira Nambi in Wampewo, Uganda. While in the Country of Uganda, Ephraim worked continuously and studied religiously to gain scholarships to further his education; and

WHEREAS, In 1963, Mr. Nabongo received a full academic scholarship to Western Michigan University, bringing him to the United States. While attending Western, he reached out to other Africans and African Americans, where he was very active with the International Student Club. A very intelligent student, he finished his Bachelors of Science Degree with a double major in Chemistry and Biology, graduating in 1966; and

WHEREAS, Returning back to Uganda,

Mr. Nabongo, began teaching chemistry and math in the Masaka Village. In 1969, he came back to the United States and enrolled at Wayne State University to further his education during the city riots. The riots did not deter him from furthering his education, to achieve the "American Dream", so that he could be an example for his family in Uganda, for other Africans and for his ancestors to come; and

WHEREAS, Beginning his employment career, Mr. Nabongo was employed by several major companies, which included the Chrysler Corporation, Marathon, Pepsi Cola and several others, before his position with the City of Detroit as an Analytical Chemist. During his tenure, for over 25 years, Ephraim served as a union steward, supporting his colleagues by trying to bring about positive changes in the department; and

WHEREAS, Working for the well being of all, Mr. Nabongo was faithful to the Democratic Party. He campaigned for the late Coleman A. Young, Nicholas Hood, III, Senator Carl Levin, Congresswoman Carolyn Cheeks Kilpatrick and several others. A man of great integrity, Mr. Nabongo was a hardworking and dedicated person, not only for his family, but to everyone, especially to the many Africans that migrated to the Detroit area. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council extends heartfelt sympathy to the family of Ephraim Mukasa Nabongo. May you find comfort in your time of bereavement, and know that his kind and loving spirit will truly be missed.

RESOLUTION

By COUNCIL MEMBER WATSON:

WHEREAS, The City of Detroit entered into an agreement with the Detroit Medical Center Corporation to lease and transfer ownership of Detroit Receiving Hospital to the Detroit Medical Center Corporation for the purpose of continuing to provide emergency care and health services to all persons needing them without regard to religious, racial, or ethnic identification or economic status; and

WHEREAS, The Legislature of the State of Michigan passed the Transfers of Clinics and Building and Detroit Receiving Hospital Act (1979 PA 217), MCL Section 331.621 et seq. specifically for the purpose of enabling the transfer of ownership; and

WHEREAS, This Act requires that Detroit Receiving Hospital continue "to provide an emergency and trauma unit for the residents of the City of Detroit within the present and future capacities of the facility" and "to provide, together with other institutions operated by the Detroit Medical Center Corporation, the highest quality health services to all persons needing them, regardless of the person's religious, racial, or ethnic identification, or economic status;" and

WHEREAS, The Bylaws under which the Detroit Receiving Hospital Board operates also state that the hospital is to be operated in accordance with all agreements relating to the acquisition of the facility from the City; and

WHEREAS, The Detroit Medical Center recently announced plans to eliminate beds, layoff workers, and limit or discontinue services at Detroit Receiving Hospital; and

WHEREAS, The loss of the affected medical services will not only deny essential care to the indigent and underinsured; and

WHEREAS, Detroit Receiving Hospital is the only level 1 trauma center in the City of Detroit; and

WHEREAS, The Detroit City Council believes these actions pose a significant threat to all citizens especially in light of increased terrorist activity; and

WHEREAS, The proposed actions may violate both the mandate, spirit, and intent of the state statute and DMC's agreements with the City of Detroit; and

WHEREAS, It is incumbent upon the City of Detroit to act in the best interest of its citizens' health, safety and welfare, and

WHEREAS, The Detroit City Council has been empowered by Sections 4-109 of the 1997 Home Rule Charter of the City of Detroit to make any investigation into the affairs of the city; and

WHEREAS, Section 4-110 of the Charter and Chapter 2, Article II, Section 2-2-16 of the 1984 Detroit City Code provide that the Council may also subpoena witnesses, administer oaths, take testimony, and require the production documentary evidence on matters before it. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby directs the City Clerk to schedule at least two legislative hearing dates, during the period of June 16 and June 24, 2003, for the purpose of investigating the Detroit Medical Center Corporations plans to reduce and eliminate services at Detroit Receiving Hospital in violation of the agreements between the City and Detroit Medical Center; AND BE IT FURTHER

RESOLVED, That the attorneys of the Research and Analysis Division are hereby directed to prepare the appropriate subpoenas for the production of records and documents from the Detroit Medical Center Corporation (DMC) and the Detroit Receiving Hospital and University Health Center, Inc. Nays — Council Members Bates, S. Cockrel, Everett — 3.

STATEMENT BY COUNCIL MEMBER
SHEILA M. COCKREL REGARDING
"NO" VOTE ON THE DMC
RESOLUTION

I voted "NO" on the resolution regarding the establishment of legislative hearings on the Detroit Medical Center because there was insufficient time to review the language and analyze the possible outcomes and consequences of the legislative hearing strategy proposed by RAD.

This is the third action taken by the Detroit City Council on the DMC without an opportunity for in-dept dialogue. While I understand that a technology failure made the document unavailable until just before the adjourned session, I am unwilling to continue a pattern of last minute votes on DMC matters without appropriate time to permit due diligence for Council Members or the opportunity to review the strategy with the Kilpatrick Administration. At the end of the day, I believe that every effort should be made to develop a single City of Detroit strategy.

Until all attempts have been exhausted and all avenues explored, I am unwilling

to support a resolution that I have had insufficient time to review; particularly when a cursory review suggested that some of the "whereas clauses" arrived at a conclusion that should be arrived at **after** the legislative hearing process.

STATEMENT BY COUNCIL MEMBER
KAY EVERETT ON RESOLUTION FOR
THE LEGISLATIVE HEARINGS FOR
DETROIT MEDICAL CENTER

On June 9, 2003, this Honorable Body was requested to authorize a resolution to seek judicial enforcement of any subpoena issued, where and whenever required, in relationship to the legislative hearings on the Detroit Medical Center Corporation and Detroit Receiving Hospital.

I voted "NO" on the resolution for legislative hearing on the Detroit Medical Center Corporation and Detroit Receiving Hospital because I did not have enough time to clearly understand what would be the final outcome of the proposed hearings or if this Honorable Body has the legal authority to subpoena a non-city agency. I was not apprised of the proposed resolution for legislative hearing before it was submitted a few minutes prior to the vote.

My main objective is to keep Detroit Receiving Hospital operational. I know that Governor Granholm and Mayor Kilpatrick are working diligently on this matter and this Honorable Body must work in concert with their efforts instead of coming up with strategies that could potentially hinder the progress that has taken place. I am opposed to forcing the Detroit Medical Center officials to the table for a discussion that would be highly inflammatory and as a result, impede progress to keep the doors open to Detroit Receiving Hospital.

The Detroit City Council must urge Governor Granholm to provide the necessary funding to keep Receiving Hospital fully operational, but monies granted should be independently monitored until a permanent solution is found.

This Honorable Body must also work with the Detroit Medical Center to help keep Detroit Receiving Hospital. Although, I do not agree with some of their management decisions and believe just the mere mentioning of a closure of some of the operations at Receiving Hospital is outrageous, this Honorable Body must put our differences aside and do all that we can to keep Receiving Hospital fully operational.

Therefore, I voted "NO" on the resolution for legislative hearings on Detroit Medical Center.

*ON WAIVERS OF RECONSIDERATION

Council Member Watson moved to waive the right to reconsider the vote by which each resolution designated for

"Waiver of Reconsideration" and numbered 1 to 2 incl., was adopted.

Council Member Bates moved to suspend Rule 23 for the purpose of indefinitely postponing the motion to waive reconsideration, which motion prevailed.

Council Member S. Cockrel then moved that the motion to waive reconsideration be indefinitely postponed, which motion prevailed.

The regular order was resumed.

And the Council then adjourned.

Invocation

For the expanding grandeur of Creation,

Worlds known and unknown,
Galaxies beyond galaxies,

Filling us with awe and challenging our imagination:

We give thanks this day.

For this fragile planet earth,

Its times and tides, its sunsets and seasons:

We give thanks this day.

For the joy of human life

Its wonders and surprises, its hopes and achievements:

We give thanks this day.

For our City of Detroit,

Our common past and future hope,

Our oneness transcending all separation,

Our capacity to work for peace and justice in the midst of

hostility and oppression:

We give thanks this day.

For high hopes and noble causes, for faith without fanaticism,

For understanding of views not shared:

We give thanks this day.

For all who have labored and suffered for a fairer world and city,

Who have lived so that others might live in dignity and freedom:

We give thanks this day.

For human liberty and sacred rites:

For opportunities to change and grow, to affirm and choose:

We give thanks this day.

We pray that we may live not by our fears but by hopes,

Not only our words but by our deeds.

Nays — Council Member S. Cockrel — 1.

*WAIVER OF RECONSIDERATION (No. 1) per motions before adjournment.

Council Member McPhail then moved that the ordinance be passed notwithstanding the veto of the Mayor, which motion did not prevail as follows:

Yeas — Council Members Collins,

McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 5.

Nays — Council Member Bates, S. Cockrel — 2.

*WAIVER OF RECONSIDERATION (No. 2) per motions before adjournment.

Taken From The Table

Council Member Collins moved to take from the table an ordinance to amend Chapter 25, Article II, of the 1984 Detroit City Code by adding Section 25-2-147 to establish the Washington Boulevard Local Historic District, to establish conservation as the design treatment level for the district, and to define the elements of design for the district, laid on the table June 4, 2003 (J.C.C. p.), which motion prevailed.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The Ordinance was then read.

The questions being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

Title to the Ordinance was confirmed.

**COMMUNICATIONS
Mayor's Office**

June 5, 2003

Honorable City Council:

Re: City Council's Second Emergency Ordinance Concerning Detroit Medical Center and Detroit Receiving Hospital

On May 28, 2003, your Honorable Body adopted an Emergency Ordinance in an effort to block proposed layoffs and reorganizations affecting Detroit Receiving Hospital (DRH) by the Detroit Medical Center (DMC). I returned that ordinance with my veto on May 29, 2003. Yesterday, your Honorable Body adopted a comparable Emergency Ordinance and agreed to sustain my initial veto.

While I continue to share your concerns regarding the potential negative impacts a closure or a reduction in services at DRH would pose to our City, I would have preferred a public discussion of this issue and the inclusion of the Law Department in the process. Nevertheless, I must return this second emergency ordinance with my veto for the following reason.

This ordinance appears unnecessary because it requires the DMC to abide by State Law and contractual requirements they are already obligated to. Further, this ordinance fails to address my initial concern that, the proposed ordinance creates

potential liability for the City by entering the City into a contractual relationship with DRH and DMC. Finally, it is my belief section 9-402 of the charter does not authorize this ordinance since the DRH is a private hospital. Chapter 24, Article 2 of the Code is reserved for ordinances affecting public hospitals.

There was significant discussion on Mackinac Island about the health care crisis in Detroit and its impact upon the region. I agreed to work with Governor Granholm to find a solution to the problem. I am concerned that this precipitous ordinance could create a wedge that would limit the City's effectiveness in negotiating a solution to the current dilemma.

Respectfully submitted,
KWAME M. KILPATRICK

Mayor

Honorable City Council:

Re: Bridgeview Apartments Phase I Project-PILOT

Church of the Messiah Housing Corporation, the sponsor, has formed Bridgeview I Limited Dividend Housing Association Limited Partnership. Bridgeview Apartments Phase I is being financed by a loan from Standard Federal Bank in the amount of \$198,994 at 8.35% for 15 years, City of Detroit — Home Investor Loan Program — \$181,232 at 6.00% for 20 years and Low Income Housing Tax Credits.

Messiah Housing Corporation is constructing an 11 unit housing development in an area bounded by Helen Street on the West; East Jefferson Avenue to the South; Sheridan Street to the East and East Lafayette to the North. The addresses are: 1505 Field Street; 165 and 177 East Grand Boulevard. The project will consist of 1 2-bedroom 1 bath unit; 2 2-bedroom 1-1/2 bath units; 6 3-bedroom 1-1/2 bath units; 2 3-bedroom 2-1/2 bath units.

In order to make the development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346, as amended MCLA 125.1415A).

Twenty percent (20%) or 2 of the units must be occupied by households having incomes no greater than 50% of the area median income, adjusted for family size. The remaining eighty percent (80%) or 9 of the units must be occupied by households with incomes that do not exceed 60% of the area median income adjusted for family size. These restrictions will be in effect for the longer of the period of the Affordable Housing Restrictions apply or the time required under the Tax Credit Program.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90 as amended, by establishing a service charge of four percent (4%) of the annual net shelter rents obtained from this project.

Respectfully submitted,
FREDERICK W. MORGAN
Assessor

By Council Member Watson:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1966, as amended, a request for exemption from taxes by Church of the Messiah Housing Corporation has been filed, and it has been determined that said sponsors have formed Bridgeview I, a Limited Dividend Housing Association Michigan Limited Partnership; and

Whereas, said sponsors are developing an 11 unit Housing Project known as Bridgeview Apartments Phase I Project which is being by financed City of Detroit-Home Investor Loan Program in the amount of \$181,232 at 6% for 20 years; a loan from Standard Federal Bank of \$198,994 at 8.35% for 15 years and Low Income Housing Tax Credits and

Whereas, the purpose of the housing project is to serve low to moderate income persons, the description of the property is as Exhibit "A".

Now Therefore, Be It Resolved, that said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCLA 125, 1401, et Seq., MSA 16.114 (1) et. seq., and

Be It Further Resolved, that said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of four percent (4%) per City Ordinances 9-90, as amended, having taken effect, and

Be It Further Resolved, that arrangements to have collections of a payment in lieu of taxes from Bridgeview I Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the above described property and that all necessary journal entries, with respect to the same, be prepared by the Chief Financial Officer.

Be It Further Resolved, that the City Clerk furnish the Finance-Assessments Division, two certified copies of this resolution.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson and President Mahaffey — 7.

Nays — None.

Honorable City Council:

Re: Request for Closed Session of Detroit City Council to Discuss *United States of America vs. City of Detroit, and Detroit Police Department, U.S. District Court.*

Deputy Corporation Counsel, Brenda Braceful, is requesting an opportunity to come before your Honorable Body in closed session to discuss the lawsuit of *United States of America vs. City of Detroit, and Detroit Police Department.*

Act 267 of the Public Acts of 1976, commonly referred to as the "Open Meetings Act," allows a public body, upon a two-thirds roll call vote of its members to:

To consult with its attorney regarding trial or settlement strategy in connection with specific pending litigation, but only if an open meeting would have a detrimental financial effect on the litigating or settlement position of the public body. MCL 15.268(e)

It is the opinion of the Law Department that an open meeting would have a detrimental financial effect on the City of Detroit based upon the litigation referenced above.

Respectfully submitted,

MATTHEW SCHENK
Legislative Assistant
Corporation Counsel

By Council Member Bates:

Resolved, That pursuant to Public Act 267 of the Public Acts of 1976, MCL 15.268(e) a closed session of the Detroit City Council is hereby called for THURSDAY, JUNE 12, 2003 AT 10:00 A.M. for the purpose of discussing the litigation in the matter of *United States of America vs. City of Detroit, and Detroit Police Department, United States District Court for the Eastern District of Michigan.*

Re: Gary Nawrocki v City of Detroit
Department of Transportation Case
No.: 03-304116 NF, File No.:
A20000.001948 (JLA)

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Six Thousand Six Hundred Dollars and No. Cents (\$6,600.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Six Thousand Six Hundred Dollars and No Cents (\$6,600.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Buckfire & Buckfire, P.C., attorneys, and Gary Nawrocki, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-304116 NF, approved by the Law Department.

Honorable City Council:

Re: Address: 11707 Rutland, Name: Nancy D. Ponkowski, Date ordered removed: March 26, 2003 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on June 2, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 14, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition, without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Re: Address: 6553 Montrose, Name: Sayed Hussein, Date ordered removed: January 29, 2003 (J.C.C. p. 309).

In response to the request for a deferral of the demolition order on the property

noted above, we submit the following information:

A special inspection on May 23, 2003 revealed the building is secured and appears to be sound and repairable.

The owner will pay the current taxes due at the closing.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition, without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 4100-16 Fenkell, Name: Adel Alkatib, Date ordered removed: December 6, 2000 (J.C.C. p. 3083-4).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 21, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 3, 2003.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will

obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition, without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 4716 Toledo, Name: Olga Benavides, Date ordered removed: June 12, 2002 (J.C.C. p. 1752-3).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 20, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 19, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition, without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Hines Interests (Petition #1303), proposed modification of approved plans for an existing PD (Planned Development District) zoning classification to facilitate the construction of a plaza and promenade on land located on the Detroit River along the south side of Atwater south of the Renaissance Center (Recommend Approval with Conditions).

The City Planning Commission (CPC) has received a request from Hines Interests (developer) on behalf of Riverfront Holdings, Inc. (RHI), a subsidiary of General Motors (GM), to revise the development proposal for an existing PD (Planned Development District) zoning classification located south and southeasterly of the Renaissance Center. The requested modifications will facilitate the development of a plaza and promenade, open to the public, along the Detroit River. The property is 1.9 acres in area and is generally bounded on the west by Riverfront Drive West extended, on the north of Atwater, on the east by Beaubien, and on the south by the River, forming a wedge-shaped parcel, narrower at the west end. The developer has submitted a promenade concept for the 2.85 acres of land along the River running east from Beaubien to Rivard, which is proposed under a subsequent phase.

PROPOSED

The requested modifications would result in the realization of another stretch

of public access and amenities along the riverfront. The plaza/promenade as proposed would encompass 700 plus feet of frontage on the south side of Atwater down to river. The area can be broken into four zones: the upper plaza, the terraced area with the small grove or bosque of trees, the fountain or active area and the promenade or river walk running along the water's edge (see attachments).

The upper plaza makes up the western two thirds of the site north of the promenade and follows the wedge shape of the larger site. It is seen as an event space handling large assemblies as well as displays. It would be an open, hard surfaced area paved in granite and feature a map of the world paved in a darker granite and placed on center with the Winter Garden across Atwater to the north. The upper plaza is set at the same grade level as Atwater. The entire southern edge is tiered, providing an open stair like feature and a sloped walkway down to the promenade and fountain levels approximately seven feet lower. As a result of CPC review, a row of trees was added to the west end of the plaza and an additional staircase midway along the southern edge leading down to the promenade.

The terraced area with the bosque of trees is immediately east of the upper plaza picking up the remaining 240 feet or so of Atwater frontage. This area include 4 terraces stepping down to the fountain zone. Each terrace would be lined with trees, include seating and lighting and would be surfaced with decomposed granite, which functions like a fine crushed stone. Each terrace also features a ramp providing complete accessibility from terrace to terrace and ultimately down to the promenade.

The fountain/activity area is set on the lower level between the lowest tier of the terraced area and the promenade. It would be surfaced with cement pavers, which are also proposed for the promenade. This area features a grade level fountain with water jets placed just below the surface. In plan view the fountain follows a triangular pattern. It is envisioned as both an aesthetic amenity as well as a recreational opportunity for those who wish to play among the water jets, similar to the fountain at Hart Plaza.

The promenade is the pathway running along the water's edge south of the other three zones. The promenade is ultimately envisioned as running from bridge to bridge and beyond and varying in width from 15 to 35 feet. The edge would be protected and defined by a stainless steel 42-inch high railing, similar to the one provided with the Civic Center Promenade, and complementing lighting fixtures. Along the eastern end, sections of the rail would be removable in order to accommodate access to vessels about the size of

the tall ships, which docked along the Civic Center promenade during the Detroit 300 Festival in the summer of 2001.

It is envisioned that movable chairs would be provided in the plaza during business hours allowing patrons to set up seating where they choose, aside from seat walls, benches and other fixed seating opportunities. The chairs would be made available at the beginning of the day and retrieved nightly and stored on site or immediately adjacent thereto. This approach is used elsewhere around the country and on a limited basis locally. Campus Martius Park plans to use this same approach to providing some of its seating.

The developer is still working out the layout features and materials of the promenade, as it would extend eastward to Rivard. The concept design for this area was presented to the Commission, but it was deemed to be premature for action at that time. The developer reports that they will also need to perform major repair and maintenance work along the seawall from the terminus of the Civic Center Promenade east to Rivard in order to secure the area and prepare it for these improvements.

INITIAL ANALYSIS AND ISSUES

When the PD district was modified for the Renaissance Center proper in 1998, the developer presented a general vision for the plaza and promenade. That vision was more traditional, placing both the plaza and promenade at the lower level and lining the entire stretch along Atwater with trees. The proposal before your Honorable Body at this time is a sleeker, more contemporary design provided by the design team of Hargraeves Associates (an internationally prominent landscape architecture firm) and Albert Kahn Associates (a locally based international architecture and engineering firm).

The initial staff reaction to this concept was one of concern given some of the then conceived components of the design, including the street furniture, design of the rail, materials and finishes. Most obvious was the starkness of the plaza and the predominance of hard-scape materials and the overall lack of softer greenery. The rationale for this approach is rooted in the petitioner's desire to have an open and flexible space serving multiple purposes, while being very durable and low maintenance. It was also pointed out that this proposal repre-

sents a single node within a much larger system. This is a corporate setting and one of many different experiences an individual could have along the entirety of the promenade as envisioned from Downtown to Belle Isle. The Civic Center promenade is more than 3000 feet in length. The area immediately south of Ren Cen is approximately 750 feet long. Over time, staff became more acceptant of this approach, but still questions just how inviting a space it will be during the "dog days" of summer.

Continuity with the Civic Center promenade and access were also concerns. The materials are richer for the GM property, but complimentary to the existing development. The use of the stainless steel railing, while different in design, is similar in rhythm and will serve to unify the two segments as seen at a distance. Lighting fixtures will be somewhat different, but consistent with the change of feel and experience at this location as spoken to above. The critical area will be where the different designs meet. This transition point will have to be handled carefully in order to avoid too abrupt a change.

At this point in time the land between GM's plaza and promenade and the Civic Center Promenade is not quite ready for redevelopment. That area, known as Parcels A1 and A2, is the subject to concern for the Army Corps of Engineers and the Detroit Water and Sewerage Department. Once their issues are addressed, the siting and design of the Port Authority offices and passenger terminal can move forward at that location. In the interim, a temporary walk could be constructed along the water's edge connecting the Civic Center and GM promenades. With that linkage in place, GM's plaza and promenade could be accessed: from the west via the Civic Center promenade, Bates Street or Atwater; from the north via Riverfront Drive West, through Ren Cen or along Beaubien; and from the east along Atwater and future segments of the promenade or riverwalk.

PUBLIC HEARING RESULTS

The City Planning Commission held a public hearing on this matter on April 3, 2003. While there were no speakers from the public at the hearing, there were several questions raised by the Commissioners:

After the hearing, CPC, Planning and Development Department and Recreation Department staffs met with the developer and designers, where various questions were raised and issues discussed. City staff requested the developer to respond the issues listed below:

- **Lighting** — adequacy, placement, scale and type
- **Landscaping** — the amount of soft-scape vs. hard-scape, areas open to the sun vs. shaded areas

- **User friendliness** — Is the plaza design as accommodating to casual use by people as it would be events?
- **Functionality** — the space needs to better accommodate various types of user movements from level to level
- **Seating** — there appears to be a lack of seating opportunities
 - **Water feature** — there may be a need for a warning device to avoid causing problems for unsuspecting patrons when the fountain is activated.
 - **Design layout** — the width of the promenade, division of space, and amenities such as drinking fountains and bicycle racks should be better addressed
 - **Materials** — More color should be introduced to enliven the space and contrast it to the general gray tone of downtown, while increasing consistency in the deployment of the quality materials
 - **Noise** — What noise management and nuisance controls would be used in the operation of the space?
 - **Access** — What are the hours of operation?

The developer responded to each of these items Monday afternoon (see attached). Upon review of the document, it was recognized that the vast majority of concerns raised by the Commission, Recreation, P&DD and CPC staff members were addressed with either a clear and direct remedy or the promise to further explore the desired solution. The drawings before you and the forthcoming presentation to your Honorable Body reflect the petitioner's response to the stated issues and are consistent with the Commission's action.

CONCLUSIONS AND RECOMMENDATIONS

The Commission is generally very pleased with the developer's response to the questions and concerns raised. As it concerns the landscaping, the developer has proposed additional trees at the west end of the plaza/promenade and promises to develop more landscaping at that end of the property as soon as the future design of the Port Authority site is finalized. This, we believe, is an acceptable level of additional softening and greening of the project.

The two remaining areas of concerns are around handrails and seating. The Commission was concened that there may be need for additional railings along the east edge of the upper plaza. The developer has indicated that they will provide a stairway with handrails in this area for improved access. The Commission believes that there may be a safety/convenience issue here that could be addressed by the additional rail. The developer has indicated that they will look into this matter further and will make other alterations as needed after construction in order to make the space as safe and user friendly as user demand necessitates.

Seating opportunities, particularly in the area of the fountain, were confusing. The rendering showed fixed benches south of the fountain along the rail where boat dockage opportunity is proposed. The developer indicated that those benches were removed from the current proposal. However, they would look at replacing them with smaller benches. North of the fountain it was not clear what seating opportunities were available. The developer has clarified that the fixed seating is available along the seat wall at the bottom of the tree bosque.

The City Planning Commission, with the above understandings, recommends approval of the first phase of the GM Plaza/ Promenade as currently proposed. This recommendation is conditioned upon the developer continuing to work with City agencies as appropriate as the design is revised and refined with submittals for staff review as indicated in the developer's response. The recommendation is conditioned on the developer submitting final site plans and elevations, landscaping, lighting and signage plans to the City Planning Commission staff for approval prior to the issuance of applicable required permits.

NEXT STEPS

The amendatory ordinance effectuating the requested PD (Planned Development District) zoning classification plan modification is still in review with the Law Department. The CPC has requested of Law that the ordinance be approved as to form for introduction at City Council's June 11th Formal Session, should the Council be so inclined to move the matter forward at that time.

The proposed GM Plaza and Promenade represents the first component of the East Riverfront Vision presented in December of 2002. In light of that, the petitioner would like to include in the public hearing on this matter the first formal presentation of the East Riverfront Vision to the City Council. The developer also desires to begin construction of this project as soon as possible and, therefore, has requested the earliest possible public hearing date and discussion date.

Honorable City Council:

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 32 housing units in the Leland Lofts NEZ (Recommend Approval)

The City Clerk's Office forwarded to this office 32 applications from 1395 Antietam Corp. for NEZ certificates for 1395 Antietam within the Leland Lofts NEZ. The NEZ designation for the area generally bounded to the north by Service Street, to the south and east by Antietam, and to the west by Rivard was approved by City Council on March 26, 2003. The City Planning Commission staff has reviewed the applications and recommends approval.

Certificates are being requested for the following addresses: 1395 Antietam Unit #31, 1395 Antietam Unit #32, 1395 Antietam Unit #33, Antietam Unit #34, 1395 Antietam Unit #35, 1395 Antietam Unit #36, 1395 Antietam Unit #37, 1395 Antietam Unit #38, 1395 Antietam Unit #39, 1395 Antietam Unit #40, 1395 Antietam Unit #41, 1395 Antietam Unit #42, 1395 Antietam Unit #43, 1395 Antietam Unit #44, 1395 Antietam Unit #45, 1395 Antietam Unit #46, 1395 Antietam Unit #47, 1395 Antietam Unit #48, 1395 Antietam Unit #49, 1395 Antietam Unit #50, 1395 Antietam Unit #51, 1395 Antietam Unit #52, 1395 Antietam Unit #53, 1395 Antietam Unit #54, 1395 Antietam Unit #55, 1395 Antietam Unit #56, 1395 Antietam Unit #57, 1395 Antietam Unit #58, 1395 Antietam Unit #59, 1395 Antietam Unit #60, 1395 Antietam Unit #61, 1395 Antietam Unit #62.

The property at 1395 Antietam is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under P.A. 147 of 1992 as currently written.

1395 Antietam Corp. plans to renovate a portion of the former Leland School and develop 32 residential loft condominiums within the proposed NEZ. 1395 Antietam Corp. has applied for the certificates at this time, although buyers for the loft condominiums have not been identified. The State Tax Commission, however, will not issue a certificate until each owner is

identified. Once an owner is identified, he or she can apply for the certificate. At that time, it would not be necessary for the City Council to pass another resolution.

The NEZ applications have been submitted prior to the issuance of any applicable building permits. We, therefore, recommend that the 32 NEZ certificate applications be approved as submitted.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 8 units of new housing in the

Crosswinds Communities/Brush Park NEZ (Recommend Approval)

The City Clerk's Office forwarded to this office 8 applications from Crosswinds Communities, Inc. for Neighborhood Enterprise Zone (NEZ) certificates within the Crosswinds Communities Brush Park NEZ. The Crosswinds Communities Brush Park NEZ designation was approved by City Council on July 17, 1996. CPC staff has reviewed the applications and recommends approval.

Certificates are being requested for the following properties: 44, 46, 48, 50, 52, 54, 56, and 58 Adelaide.

The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. Crosswinds Communities, Inc. has applied for the certificates, prior to the issuance of building permits, on behalf of future owners who will occupy the property. It is appropriate for Crosswinds Communities, Inc. to apply for certificates at this time, even if buyers have not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

Crosswinds Communities, Inc. proposes to build 8 owner-occupied units in terrace-style buildings. The site has been cleared and construction is anticipated to begin soon. The developer will need to submit to the State Tax Commission a list of the parcels that are to receive the certificates with a map showing the parcels.

Human Resources Department

April 15, 2003

Honorable City Council:

Re: Implementation of Non-Union Special Adjustment.

As a result of prior bargaining unit contractual agreements, the Human Resources Department has identified the following non-union classification that requires a special wage adjustment in order to maintain the established wage relationship with unionized classes that received a special wage adjustment:

| Class Code | Classification Title | Amount of Special Adjustment |
|-------------------|-----------------------------|-------------------------------------|
| 07-60-15 | Supervisor | .70 cents |
| | Instructor— | per hour |
| | Transportation | |
| | Equipment | |
| | Operation | |

NOTE: Effective April 29, 2000, the indicated special adjustment is applied to the minimum and maximum of the salary range and to the salaries of employees in the classification listed in the above table.

We request that your Honorable Body amend the 2002-2003 Official Compensation Schedule accordingly. We further respectfully request that your Honorable body adopt the attached resolution.

Planning & Development Department

June 10, 2003

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 14, Article X, of the 1984 Detroit City Code, Titled "Empowerment Zone Strategic Plan".

Pursuant to the 1997 Detroit City Charter, the above-referenced ordinance is being submitted to your Honorable Body for consideration. This proposed ordinance amends Chapter 14, Article X, of the 1984 Detroit City Code, titled "Empowerment Zone Strategic Plan," by amending Section 14-10-1, captioned "Definitions," to expand the boundaries of the Detroit Empowerment Zone by amending the definitions of "Central region" and "Empowerment zone" to include the boundaries of Census Tract 5207.

Based upon substantial documentation provided by the Empowerment Zone Development Corporation, demonstrating that the proposed boundary change meets all of the statutory requirements of the original Empowerment Zone, the United States Department of Housing and Urban Development has approved the change. The addition of Census Tract 5207 will allow the Empowerment Zone to take full advantage of the Enterprise Zone Facility Bond Incentive in connection with the redevelopment of the Book Cadillac Hotel.

We are available to answer any questions you may have concerning this proposed ordinance. Thank you for your consideration.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

Honorable City Council:

Re: City of Detroit City Wide Cancellation of Land Contracts — Vacant Lots.

Your Honorable Body authorized the sale or reacquisition of the attached list of properties (Exhibit 'A') on a land contract basis.

Monthly payments were not made. The land contract vendees abandoned the properties; the structures were then demolished. The Planning & Development Department initiated a self-help forfeiture process developed by the City of Detroit's Law Department to establish City ownership of the vacant lots.

We, hereby request that your Honorable Body rescind the authority to sell each of the properties and authorize the Planning & Development Department to cancel the sale of each of the land contracts as described in attached Exhibit 'A'.

Respectfully submitted,
KATHLEEN L. ROYAL
Executive Director of Real Estate

By Council Member Bates:

Resolved, That in accordance with the terms and conditions set forth in the Self-Help Forfeiture Program, the authority to sell or reacquire each of the properties as described in Exhibit 'A' on a land contract basis is hereby rescinded.
and be it further

Resolved, That the Planning & Development Department is hereby authorized to cancel the sale of the land contracts as outlined in Exhibit 'A'.

Honorable City Council:

Re: Approval of Industrial Facilities Exemption Certificate under Public Act 198 of 1974 (Petition No. 593) (lj)

Attached for your consideration please find a resolution which will give local approval to Technicolor Videocassette of Michigan's Application for an Industrial Facilities Exemption Certificate (IFEC) in accordance with Public Act 198 of 1974.

The discussion required by the Act was conducted by your Honorable Body on May 23rd, at which discussion members of your Honorable Body expressed the need for greater minority and female representation at the upper levels of Technicolor's organization, and at which the technicolor representative expressed an openness to such greater representa-

tion. I believe the attached resolution is reflective of the understanding reached at the discussion and I recommend that you give approval to it at your next regular or adjourned formal session.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Bates:

Whereas, this City Council has established by Resolution City of Detroit Plant Rehabilitation Districts Nos. 25 and 26 in the area of 12802 Artesian, Detroit, Michigan 48223 pursuant to the provisions of Act No. 198 of the Public Acts of 1974, as amended ("the Act"); and

Whereas, Technicolor Videocassette of Michigan, Inc. ("the Applicant") has filed with the Detroit City Clerk (Petition No. 593) an Application for an Industrial Facilities Exemption Certificate (IFEC) for

an investment in personal property in said Plant Rehabilitation Districts Nos. 25 and 26 in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, on May 23, 2003 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, Detroit, Michigan, a discussion was held on said Application, as required by the Act, at which time the Applicant, the Assessor, and a representative of the affected taxing units had an opportunity to be heard; and

Whereas, notice was given, by mail, to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, and the Applicant, informing them of the receipt of the Application, the date and location of said discussion, and the opportunity to be heard; and

Whereas, the City and the Applicant have entered into an Industrial Facilities Exemption Certificate Agreement as required by the Act; and

Whereas, the written agreement required under the Act includes an acknowledgement of receipt of a copy of the Detroit Living Wage Ordinance and prevailing wage requirements, and affirmations that the applicant will comply with the aforesaid in all respects as required by law;

Whereas, during the discussion of the Application on May 23, 2003, the Applicant agreed, to increase the promotion of women and minority individuals from within the Applicant's organization to occupational categories of officials/managers, professional, craftsmen and technical personnel, and to take additional measures to promote employment with the Applicant's business in supervisory, professional and technical positions by working with and sending notices or advertisements of open positions to the Detroit Urban League, NAACP, La Sed, Michigan Minority Business Development Council, the Black Chamber of Commerce and the *Michigan Chronicle*.

NOW THEREFORE BE IT

RESOLVED, that it is hereby found and determined that granting approval of the Industrial Facilities Exemption Certificate, considered together with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

RESOLVED, that it is hereby found and determined that the Applicant has com-

plied with the requirements of the Act; and be it further

RESOLVED, that it is hereby found and determined that the Applicant has entered into a written Agreement with the City of Detroit, memorializing the commitments made upon which this approval is based, as required by the Act, which Agreement is hereby approved; and be it further

RESOLVED, that the Applicant has agreed to take additional steps to increase diversity of their employment specifically in occupational categories of official/managers, professional, technical and craftsmen by promoting current employees when possible and by working with and sending notification or advertising open positions to the Detroit Urban League, NAACP, La Sed, Michigan Minority Business Development Council, the Black Chamber of Commerce and the *Michigan Chronicle*.

RESOLVED, that the Application of Technicolor Videocassette of Michigan (Petition No. 593) for an Industrial Facilities Exemption Certificate is hereby approved by this City Council for a period of twelve years from completion of the Facility; and be it finally

RESOLVED, that the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act.

Honorable City Council:

Re: Correction of Sales Resolution Development: 2108 W. Fort

On March 12, 2003, your Honorable Body authorized the sale of the above-captioned property via a Development Agreement to Lafayette Lofts, Inc., a Michigan Corporation, for the purpose of constructing a paved surface parking lot with appropriate fencing and landscaping.

It has come to our attention that the paved surface parking lot for the storage of licensed operable vehicles will be constructed on the City lots after the adjacent property that is owned by the developer, has been converted into residential/commercial lofts. Any area not paved will be appropriately landscaped to enhance the overall site.

We therefore, request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for the above-captioned property to Lafayette

Lofts, Inc., a Michigan Corporation, for the amount of \$89,000.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member McPhail:

Resolved, That in accordance with the foregoing communication, the authority to execute an agreement to purchase and develop the property known as 2108 W. Fort to Lafayette Lofts, Inc., a Michigan Corporation.

Be amended to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for the property more particularly described in the attached Exhibit A, to Lafayette Lofts, Inc., a Michigan Corporation, for the amount of \$89,000.

Exhibit A

Honorable City Council:

Re: Surplus Property Sale By Development Agreement Development: 6423-6469 Russell & 1316 Milwaukee

We are in receipt of an offer from JJ's Billiards & Brew, LLC, a Michigan Limited Liability Company, to purchase the above-captioned property for the amount of \$11,700 and to develop such property. This property contains approximately 26,717 square feet and is zoned M-4 (Intensive Industrial District).

The Offeror proposes, in addition with property they already own, to construct a 10,000 square foot, one-story billiards

parlor and class "C" Bar and Grill, with an adjacent paved surface parking lot for the storage of licensed operable vehicles. This use was granted by Buildings and Safety Engineering Department (B&SE) on November 22, 2002.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with JJ's Billiards & Brew, LLC, a Michigan Limited Liability Company.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member McPhail:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to execute an agreement to purchase and develop the following described property with JJ's Billiards & Brew, LLC, a Michigan Limited Liability Company, for the amount of \$11,700.

Land in the City of Detroit, County of Wayne and State of Michigan being Lots 170, 171, 172, 176, the South 22.78 Feet of Lot 173, the North 17.22 feet of Lot 175 and the East 104.72 feet on the North line and being at the East 112.66 feet on the South line of Lot 179; "Frisbie and Foxen's Subdivision": of part of Fractional Section 31 and Lot 18 of Theodore J. and Denis J. Campau's Subdivision of Fractional Sections 29 and 32, T. 1 S., R. 12 E., Detroit, Wayne County, Michigan. Rec'd L. 6, P. 78 Plats, W.C.R., also, that triangular part of Lot 18 being on the East 23 feet on the South line and the South 90 feet on the East line; "Frisbie and Foxen's Subdivision" of part of Frac. Secs. 31 and 32, T. 1 S., R. 12 E., Between Milwaukee Ave., Campau Road, Russell and Crystal Sts., Detroit, Wayne County, Michigan. Rec'd L. 8, P. 44 Plats, W.C.R.

and be it further
Resolved, That this agreement be considered confirmed when executed by the Planning and Development Department Director of Development Activities and approved by the Corporation Counsel as to form.

Re: Surplus Property Sale By Development. Development: 8800 Harper

We are in receipt of an offer from True Light Church of Our Lord Jesus Christ, a

Michigan Ecclesiastical Corporation, to purchase the above-captioned property for the amount of \$2,500 and to develop such property. This property contains approximately 8,275 square feet and is zoned B-4 (General Business District).

The Offeror proposes to construct a paved surface parking lot for the storage of licensed operable vehicles to be used in conjunction with their Church. This use is permitted as a matter of right in a B-4 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to True Light Church of Our Lord Jesus Christ, a Michigan Ecclesiastical Corporation.

Respectfully submitted,

Re: Petition from Motor City Electric Company for Establishment of an Obsolete Property Rehabilitation District at 9390 & 9440 Grinnell under Public Act 146 of 2000 (Petition #1300).

Motor City Electric Company proposes to rehabilitate the above referenced property in order to provide the firm with 46,000 square feet of office space and 25,000 square feet of warehouse space. These improvements are associated with the relocation of 150 employees from the suburbs into Detroit. The developer has petitioned for tax abatement on this project to make it financially feasible.

The proposed rehabilitation will change an "attractive nuisance" into an asset that enhances the area's overall appearance.

The Planning & Development and Finance Departments have reviewed the petition and find it meets the criteria for tax abatement as set forth in the Act. We recommend that the Obsolete Property Rehabilitation District be established.

The Act requires that, prior to your Honorable Body's passage of a resolution establishing the District, a Public Hearing must first be conducted. We request that a date and time for such a Public Hearing be established, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of the requested District.

Honorable City Council:

Re: Establishment of an Industrial Development District under Public Act 198 of 1974 (Petition No. 2929).

Attached for your consideration please find a resolution and legal description which will establish an Industrial Development District in the area of 3675 E. Outer Drive on behalf of Daimler-Chrysler.

The public hearing before your Honorable Body, required by the Act, was conducted earlier today. No impediments to the establishment of the District were presented at the public hearing, and we therefore recommend that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Tinsley-Talabi:

Whereas, Pursuant to Act No. 198 of the Public Acts of 1974, as amended, ("the Act"), this City Council has the authority to establish "Industrial Development Districts" within the boundaries of the City of Detroit; and

Whereas, DaimlerChrysler has petitioned (Petition No. 2929) this City Council for the establishment of an Industrial Development District in the area of 3675 E. Outer Drive, Detroit, MI 48234, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The Act requires that prior to

the establishment of an Industrial Development District, City Council shall provide an opportunity for a hearing on the establishment of the District, at which hearing representative of any taxing authority levying *ad valorem* taxes within the City of Detroit, or any owner of real property within the proposed expanded District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before this City Council on June 6, 2003 for the purpose of considering the establishment of an Industrial Development District, at which hearing representatives of any taxing authority, or owners of property within the proposed District, or any residents or taxpayers of the City of Detroit had an opportunity to address the establishment of said District; and

Whereas, No impediments to the establishment of the Industrial Development District were presented at the aforesaid public hearing;

Now, Therefore Be It

Resolved, That the establishment of Industrial Development District No. 168, more particularly described in Exhibits A attached hereto, is hereby approved by this City Council in accordance with the Act.

April 3, 2003

Honorable City Council:

Re: Authorization to accept a \$75,000 grant from SER Metro Detroit to conduct the 2003 Youth Opportunity Movement (YOI) Program

The Detroit Recreation Department is hereby requesting the authorization of your Honorable Body to accept \$75,000 from SER Metro Detroit to conduct the 2003 Youth Opportunity Movement Program (YOI). In order to accept and expend these funds, the Department requests authorization to set up Appropriation No. 11179. Within this Appropriation, the Grant of \$75,000 will be received in Organization No. 398420.

The project will provide job preparation and job skills training to over 50 young people, aged 14-21, who reside within the Detroit Empowerment Zone. The classes will teach the young people to become lifeguards and work in the field of culinary arts.

The "Swim for Detroit" portion of the program will provide 8 weeks of training during which the participants will learn basic swim skills, water safety, CPR and will become First Aid certified. They will

also obtain leadership skills. Once they successfully complete the training (and reach 15 years of age), they will become eligible to be certified as Junior Lifeguards and eligible for employment with the Recreation Department.

The "Empowerment Through the Arts" culinary portion of the program will include lessons in nutrition. Kitchen safety, meal management, equipment selection, international cuisine, food preparation and preservation, consumer skills and entertaining. The students will gain sufficient competence for entry level cooking occupations. At the conclusion of the ten week training, participants will be placed in local restaurants for employment. They will also be encouraged to continue an educational pathway in culinary Arts.

We respectfully request your approval to accept and expend these funds by adopting the following resolution, with a Waiver of Reconsideration.

**CITY COUNCIL RESOLUTION
APPROVING AMENDED AND
RESTATED PROJECT PLAN FOR THE
ECONOMIC DEVELOPMENT
CORPORATION OF THE
CITY OF DETROIT
(I-94 INDUSTRIAL PARK PROJECT)**

By Council Member Bates:

Whereas, Pursuant to and in accordance with the Economic Development Corporations Act, Act 338 of the Public Act of 1974, as amended (the "Act 338"), the Planning and Development Department of the City of Detroit (the "P&DD") submitted its findings and recommendations for approval of The Economic Development Corporation of the City of Detroit I-94 Industrial Park Project (the "Project") First Amendment to the Amended and Restated Project Plan (the "Amended Plan") on May 16, 2003 to this City Council for its consideration and this City Council has given due consideration to the findings and recommendations of said Department prior to consideration of this Resolution; and

Whereas, The Board of Directors of The Economic Development Corporation of the City of Detroit (the "EDC") duly considered the Amended Plan, found it to be in compliance with Act 338 and approved the Amended Plan on May 14, 2003; and

Whereas, A public hearing was held on June 4, 2003, in accordance with the provisions of Act 338; and

Whereas, At said public hearing, the fullest opportunity was provided for interested persons to be heard, for expression of opinion, for arguments on the merits, both orally and in writing, and for introduction of documentary evidence pertinent to the proposed Amended Plan and the location and nature of the proposed Project, and further, this City Council has given consideration to all communications received in writing with reference thereto; and

Whereas, This City Council shall preserve a record of the public hearing, including all data presented thereat; and

Whereas, This City Council, in accordance with Act 338, is required to determine whether the Amended Plan constitutes a public purpose; and

Whereas, This City Council desires to express its approval of said Amended Plan and the Project; declare that said Project constitutes a public purpose; express its intention to take such steps necessary to implement and facilitate the Project; and request the EDC to proceed with such Project.

Now, Therefore, Be It Resolved By The City Council Of The City Of Detroit, As Follows:

1. It is hereby determined that the First Amendment to the Amended Plan for the Project as presented constitutes a public purpose of the City of Detroit and said Amended Plan is hereby approved based on the following considerations:

a) the findings and recommendation of the Pⅅ

b) the Plan meets all the requirements set forth in Section 8 of Act 338;

c) the persons who will be active in the management of the Project for not less than one (1) year after the approval of the Amended Plan have sufficient ability and experience to manage the Amended Plan properly;

d) the proposed method of financing the Project is feasible; and

e) the Project is reasonable and necessary to carry out the purposes of Act 338.

f) The findings and recommendations of Project's Citizens District Council.

2. That in order to implement and facilitate the effectuation of the Amended Plan approved hereby, this City Council hereby expresses its intention to do anything necessary or convenient to aid in the execution and implementation of the Amended Plan as permitted by Act 338 and other applicable law.

The City Clerk is hereby directed to provide five (5) certified copies of this Resolution to the Secretary of the EDC Board.

4. All resolutions and parts thereof insofar as they conflict with the provisions of this Resolution are hereby repealed, but only to the extent of such conflict.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson and President Mahaffey — 7.

Nays — None.

**RESOLUTION
IN SUPPORT OF THE
WAYNE STATE UNIVERSITY CENTER
FOR CHICANO-BORICUA
STUDIES PROGRAM**

By COUNCIL MEMBER McPHAIL:

WHEREAS, The Center for Chicano-Boricua Studies has enrolled more than 1,000 Latino students at Wayne State University since its origins as the Latino En Marcha Leadership program in 1971 and its transformation into an academic program in 1972, and

WHEREAS, The Center for Chicano-Boricua Studies serves the Metropolitan Detroit through a multifaceted mission to transform the University, and ultimately society, by providing equitable access to a quality university education to Latina and Latino students in the Detroit metropolitan area, and to enhance the environment of diversity on the campus, and

WHEREAS, The Center accomplishes its mission through a four-part program in (1) student services; (2) research on Latina/Latino and Latin American issues; (3) internal University advocacy on Latina/Latino perspectives; and (4) outreach to the Latina/Latino and larger metropolitan communities. The research and teaching specializations of the faculty associated with the Center are Mexican history, Caribbean history, South American literature, United States Latina/Latino history and student learning strategies in higher education, and

WHEREAS, The program is designed to enhance the transition from high school to the university by strengthening latino students' abilities to analyze the university environment and improves their preparation, planning and commitment for academic, professional and life achievement, and

WHEREAS, The goal of the program is to educate students for more than just a job, as conceptual individuals with an appreciation for the life of the mind, a wisdom of the world and a sense of ethical responsibility to society. Students have access to the Center's resources through graduation and as alumni, and

WHEREAS, The Center for Chicano-Boricua Studies administers an annual scholarship fund of \$150,000, available to all of the approximately 615 Latina and Latino students at Wayne State University, and

WHEREAS, Alumni have provided leadership for both their community and the larger society through the roles they have played in professions and jobs, and through public and private causes they have championed, NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council urges the Wayne State Board of Governors and President Irvin D. Reid to continue the Center for Chicano-Boricua Studies to serve the growing Latino Community in the City of Detroit estimated to be 45,000 and the 124,000 Latinos in Southeastern Michigan, AND BE IT FURTHER

RESOLVED, That the City Clerk shall send copies of this adopted resolution to be sent to Governor Jennifer M. Granholm, President Irvin D. Reid and Wayne State Board of Governors.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson and President Mahaffey — 7.

**RESOLUTION
REQUESTING AN INVESTIGATION OF
THE UNJUSTIFIED RATE INCREASES
IN HOME INSURANCE AND THE
UNDERWRITING PRACTICES OF
THE STATE OF MICHIGAN**

By COUNCIL MEMBER McPHAIL:

WHEREAS, The home insurance industry nationwide has embarked on an effort to increase premiums and exclude or not renew certain homeowners, and

WHEREAS, Insurance companies have pending or have received approval for seventeen (17) to twenty-five (25) percent increases on average in states where the insurance rates are regulated and require state approval, and

WHEREAS, In the State of Michigan, communities, due to the lack of state regulatory rules and oversight, have experienced insurance renewals accompanied by forty (40) to fifty (50) percent premium increases, and

WHEREAS, In urban communities such as Detroit, which have historically paid the highest insurance premiums in the state, citizens have been notified of four hundred (400) percent premium increases by insurers in order to continue their policies, and

WHEREAS, The insurance industry and their underwriters are increasing premiums based on credit scores, which has been demonstrated to be unfair and discriminatory to urban policy holders, and

WHEREAS, The insurance industry and their underwriters are attempting to cancel or limit the coverage of current homeowners and are penalizing policy holders that have made as few as one or two claims, and

WHEREAS, The industry has cited numerous reasons for increasing premiums including:

Increased claims due to mold damage, storms, and the 911 disaster;

Investment losses due to the stock market decline;

Increased labor and material costs; and

WHEREAS, In the State of Michigan, the insurance industry remains largely unregulated and is not required to justify premium increases and rates or report their actual claim losses, and

WHEREAS, In the City of Detroit, automotive, home and business insurance has been and continues to be discriminatory, placing an unnecessary burden on residents, and draining the economic future of our citizens with unfair rates as compared to rural and suburban policy holders. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council requests that the Governor, Michigan State Legislature, State Attorney General, and the Michigan Department of Consumer & Industry Services begin an immediate investigation of the insurance industry's rate structure and underwriting practices, AND BE IT FURTHER

RESOLVED, That the Detroit City Council instructs the City Clerk to send copies of this adopted resolution to the Governor, the Michigan State House and Senate Majority and Minority Leaders, Detroit Legislative Caucus, Detroit United States Congressional Representatives, the State Attorney General, and the Director of the Department of Consumer & Industry Services.

Planning & Development Department

June 4, 2003

Honorable City Council:

Re: Establishment of the St. Clair Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the St. Clair Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act"). Such establishment has been requested by Mrs. Rose Evans in order to make feasible the construction of a suitable home for her mother and a family member-caretaker.

Your Honorable Body conducted a public hearing on this matter on May 23rd. Council Member Collins requested that Mrs. Evans secure a letter from her builder as to the possibility of additional development within the proposed NEZ, and we have been advised by Mrs. Evans that such a letter will be immediately forthcoming.

The Act requires that at least 60 days must pass between the date of the notice of the public hearing to the date of your formal establishment of the NEZ. The date of the notice was April 11th and we therefore recommend, subject to receipt of the aforementioned letter, that you approve the resolution at your regular formal session of Wednesday, June 11th.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member S. Cockrel:

Whereas, Michigan Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the St. Clair NEZ to be consistent with the Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing was conducted before the Detroit City Council on May 23, 2003, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No Impediments to the establishment of the St. Clair NEZ are known;

Whereas, The City Council is aware that the Planning and Development Department is considered targeted new development in this area and the City Council is desirous of creating an additional NEZ within this neighborhood to promote further development; and

Now Therefore Be It

Resolved, That the land area particularly described in the legal description attached hereto is hereby established as the St. Clair NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District in the Area of Washington Boulevard and Michigan Avenue (the area of the Book Cadillac Hotel) in Accordance with Public Act 146 of 2000.

Attached please find a resolution and legal description which will establish an Obsolete Property Rehabilitation District on your Honorable Body's own initiative at the above referenced site, as requested by the City of Detroit's Planning & Development and Finance Departments, in accordance with Section 3(2) of Public Act 146 of 2000 ("the Act").

Earlier today your Honorable Body conducted a public hearing on the establishment of this District, in accordance with the Act. Inasmuch as no impediments to the establishment of the District were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,

HENRY B. HAGOD

Director of Development Activities

By Council Member S. Cockrel:

WHEREAS, pursuant to Act No. 146 of the Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

WHEREAS, the City of Detroit Planning & Development and Finance Departments have requested that this City Council on its own initiative, in accordance with Section 3 (2) of Act 146, establish an Obsolete Property Rehabilitation District in the area of Washington Boulevard and Michigan Avenue, Detroit, Michigan, including property commonly known as the Book Cadillac Hotel, the area being more particularly described in Exhibit A attached hereto; and

WHEREAS, the aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

WHEREAS, Act 146 requires that, prior to the establishment of an Obsolete

Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

WHEREAS, a public hearing was conducted before City Council on June 6, 2003, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

WHEREAS, no impediments to the establishment of the proposed District were presented at the public hearing;

NOW THEREFORE BE IT

RESOLVED, that Obsolete Property Rehabilitation District No. 20, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council on its own initiative in accordance with Section 3 (2) of Act 146.

Recreation Department

March 26, 2003

Honorable City Council:

Re: Authorization to Approve the Lease Agreement and Bill of Sale for the Maheras Gentry Park.

The Detroit Recreation Department is hereby requesting the authorization of your Honorable Body to approve the Lease Agreement and Bill of Sale (see attached) the City of Detroit is entered into the Detroit Public Schools. This Agreement establishes the use of the Maheras Gentry Park by the Detroit Public Schools for athletic purposes. During the term of the lease and the limits of occupation the Detroit Public Schools will be required to maintain the park as outlined and pay for all utilities. Included in the Bill of Sale is the transfer of \$217,525.00 to Think Detroit from the Detroit Public Schools. This \$217,525.00 has already been appropriated for athletic field lights. These monies would be used as reimbursement funds as Think Detroit has already installed the lights.

The project has restored and improved Maheras Gentry Park, which is located in the eastern portion of Detroit. It is approximately 6.2 miles from the City's Downtown and the recreation center and playfields cover almost 54 acres. Think Detroit, with the support of numerous

others, including the Detroit Recreation Department, Detroit Public Schools, Detroit Public Lighting Department, Detroit Tigers, Baseball Tomorrow Fund, General Motors Corporation, Pepsi-Cola Company, and the Regional Council of Michigan Carpenters, has spearheaded the renovation of Maheras Gentry Park.

The park now features three regulation softball diamonds, one regulation baseball diamond, and one multipurpose softball diamond. Those ball fields were laser-graded, and feature vinyl-coated fencing, infield drainage, new bleachers and team benches, and red clay/stone infield and warning track mix. Overlooking each diamond is a remote-controlled scoreboard. The diamonds are laid in a cloverleaf design, resulting in efficient use of the space. As a result, the park still has enough open space for a variety of uses, including the nine age-appropriate soccer fields constructed as part of the project. The entire park has been re-seeded and an irrigation system installed. In addition, sidewalks were constructed to facilitate handicap and pedestrian access to the spectator areas. A vehicle barrier system was also installed to insure that the park is not destroyed by motor vehicles. Finally, electrical and water services were installed at the park to accommodate future expansion. These renovations, along with those being completed by the Michigan Department of Natural Resources, make Maheras Gentry Park one of the premier parks in the region — right here in Detroit.

We respectfully request your approval to enter into the attached Lease Agreement and Bill of Sale by adopting the following resolution, with a Waiver of Reconsideration.

Respectfully submitted,

RODNEY STOKES

Interim Director

**CITY OF DETROIT CITY COUNCIL
RESOLUTION AUTHORIZING THE
CITY OF DETROIT, ACTING BY AND
THROUGH ITS RECREATION
DEPARTMENT, TO LEASE MAHERAS
GENTRY PARK TO THE SCHOOL
DISTRICT OF THE CITY OF DETROIT**
By Council Member S. Cockrel:

Whereas, The City of Detroit, a Michigan Home Rule City and public body corporate (the "City") is the owner of that certain public park located in southeast Detroit, bounded on the north by Lenox, on the south by Clairpoint, and on the west by Avondale, more commonly known as Maheras Gentry Park (hereinafter referred to as the "Park"); and

Whereas, The School District of the City of Detroit ("Detroit Public Schools" or "DPS") is a public body corporate established as a school district of the first class pursuant to Act No. 451 of 1976, being MCLA 380.400 *et. Seq* (hereinafter

referred to as the "Act") for the purpose of providing public instruction; and

Whereas, In furtherance of its purposes and to generally promote the benefits of a comprehensive learning experience, DPS provides for certain intramural and after school sports programs (hereinafter referred to as "After-School Sports Programs") during the academic calendar year; and

Whereas, Section 431a of the Act provides that the board of a school district of the first class shall have the power to purchase, lease and take by the right of eminent domain all property; erect and maintain or lease all buildings; employ and pay all persons; and do all other things in its judgment necessary for the proper establishment and management of the public schools; and

Whereas, As part of the Spring After School Sports Program curriculum, DPS proposes to offer to its elementary, middle, and high school students instruction in baseball, soccer, and other outdoor activities; and

Whereas, In connection therewith, DPS has selected several locations throughout the City of Detroit, strategically mapped to benefit the entire DPS enrollment, in which to offer the After-School Sports Program; and

Whereas, The Park, which has been improved to include new baseball diamonds, new soccer fields, as well as other amenities, provides an ideal location on the east side of the City for DPS to establish and operate one of its After-School Sports Programs; and

Whereas, DPS desires to lease that portion of the Park and purchase from the City the fixtures located thereon, including the baseball diamonds, soccer fields and certain other areas, all as more particularly described in Exhibit A to this Resolution, attached hereto and made a part hereof by this reference (hereinafter referred to as the "Park Area"), to operate one of its After-School Sports Program; and

Whereas, DPS proposes to lease the Park Area for Fifty (50) years (the "Lease Term") from 3:00 p.m. through 6:00 p.m. each week day during the months of March through June (the "Lease Period"), at a base rental rate of \$10.00 per annum during the Lease Period, and upon other terms and conditions mutually agreeable to the City and DPS; and

Whereas, DPS proposes to purchase from the City the fixtures located on the Park Area for the sum of \$217,525.00 made payable to Think Detroit, a Detroit non-profit, who recently completed extensive renovations of the Park Area, and

Whereas, The City has determined that it is in the best interest of the citizens of the City of Detroit to assist DPS in providing educational, athletic and culturally

enriching opportunities to the City's youth and has, therefore, determined that a valid public purpose is served by leasing and selling the fixtures located on the Park Area to DPS to operate its After-School Sports Program.

Now, Therefore, Be It Resolved by the City Council of the City of Detroit, as follows:

1. That the Intern Director of the City of Detroit Recreation Department be and is hereby authorized to execute a lease agreement and bill of sale with the Detroit Public Schools for that portion of Maheras Gentry Park as more particularly described in Exhibit A hereto for the operation by DPS of an After-School Sports Program.

2. That the lease agreement shall provide, among other things, for a lease term of fifty (50) years commencing in March of 2003 and ending June 30, 2053.

3. That during each year of the Lease Term, the Detroit Public Schools shall have the exclusive right during the months of March through June for the hours of 3:00 p.m. to 6:00 p.m., to use the Park Area for its After-School Sports Program.

4. That the base rental rate for the Park Area under the lease agreements shall be \$10.00 per annum.

5. That during the Lease Period, the Detroit Public Schools shall be responsible for maintaining the Park Area, which maintainance shall include, but not be limited to maintenance of the fields, including mowing and watering the lawn and financing the costs associated therewith.

6. That the bill of sale shall provide that the purchase price of the fixtures shall be \$217,525.00 made payable to Think Detroit and that DPS agrees to sell back to the City at the expiration of the of the initial term of the lease all of the fixtures located thereon for the sum of \$1.00.

7. That this resolution is adopted with a waiver of reconsideration.

LEASE AGREEMENT

THIS LEASE AGREEMENT is dated March , 2003, and is entered into by and between the **CITY OF DETROIT**, a Michigan municipal corporation, acting by and through its Recreation Department, the address of which is 4000 Cadillac Tower Building, Detroit, MI 48226 (hereinafter referred to as the "City"), and the **SCHOOL DISTRICT OF THE CITY OF DETROIT**, a Michigan public body corporate, the address of which is 5057 Woodward Avenue, Detroit, Michigan 48202 (hereinafter referred to as the "Detroit Public Schools").

RECITALS:

WHEREAS, The City is the owner of certain real property located in the City of Detroit commonly known as Maheras Gentry Park; and

WHEREAS, The City desires to lease certain portions of Maheras Gentry Park and the Detroit Public Schools has deemed that these portions of Maheras Gentry Park are suitable for Detroit Public Schools' needs; and

WHEREAS, The parties hereto intend to cooperate with each other in creating a complete educational environment for all school children, and to define and prescribe the rights, interests, and duties of the respective parties, upon the terms and conditions set forth in this Lease.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, and intended to be legally bound hereby, the City and the Detroit Public Schools hereby agree as follows:

SECTION 1 Premises:

The City hereby leases to the Detroit Public Schools, and the Detroit Public Schools hereby leases from the City, upon and subject to the terms, conditions, covenants and provisions hereof, the parcel of land, comprising approximately forty-five (45) acres of land located within the area commonly known as "Maheras Gentry Park" situated in the City of Detroit, County of Wayne, and State of Michigan, and more particularly described on Exhibit "A", annexed hereto and made part hereof, together with any and all improvements, appurtenances, rights, privileges and easements benefiting, belonging or pertaining thereto (all the foregoing hereinafter sometimes referred to as the "Premises").

SECTION 2 Term:

(a) The term of this Lease shall commence on the date that this Lease has been fully executed and delivered by all parties and approved by the Detroit City Council (hereinafter referred to as the "Commencement Date").

(b) The initial term of this Lease ("Initial Term") shall commence on the Commencement Date and expire fifty (50) years after the Commencement Date, unless sooner terminated or extended by mutual agreement of the parties.

SECTION 3 Rent:

(a) The Detroit Public Schools covenants and agrees to pay the City for the Premises, as rent during the Initial Term of this Lease, the sum of Ten Dollars (\$10.00) per annum from and after the Commencement Date. The parties have agreed that the total rent for the Initial Term shall be prepaid, in advance, on the Commencement Date, in the amount of Five Hundred Dollars (\$500.00).

(b) The term "rent" shall be deemed to include all sums payable by the Detroit Public Schools to the City hereunder, regardless of whether specifically denominated as "rent".

SECTION 4 Use of Premises:

(a) The Detroit Public Schools shall have exclusive use of all athletic fields and baseball diamonds located on the Premises for scholastic athletics or other recreational purposes from 3:00 p.m. through 6:00 p.m., Monday through Friday, excluding Saturdays, Sundays and holidays, March 1 through June 30, each and every year during the term of this Lease except as noted. In the event the Detroit Public Schools for any reason desires hereafter to modify or change its use of the Premises, the nature and terms of such modified use, if approved by the City, shall be reduced to a written agreement of the parties and made part of this Lease. The City agrees that it will not unreasonably withhold or delay its consent to any proposed compatible change in use.

(b) At all other times, the City shall have primary use of the Premises.

SECTION 5 Taxes and Utility Expenses:

(a) The parties hereto anticipate that no property or user taxes or assessments shall be levied, laid, assessed, imposed, become due or payable or a lien upon, for or with respect to the Premises by reason of the City's ownership and the Detroit Public Schools use thereof, or otherwise.

(b) Detroit Public Schools shall pay the City, in addition to rent provided for herein, reasonable amounts roughly equal to Detroit Public Schools' proportionate share of the water used by the Detroit Public Schools. The City shall compute the cost of water used by the Detroit Public Schools and bill the Detroit Public Schools monthly (**the bill shall be sent to Timothy Webb, Detroit Public Schools Real Estate Administration, 5057 Woodward Avenue, Room 530, Detroit, Michigan 48202**). In arriving at a fair allocation of the expense of the water bill, the City shall proffer to the Detroit Public Schools copies of the water bills twenty-one (21) days after receipt. The parties shall then arrive at a fair allocation of the costs per month, in terms of a percentage of the cost to be borne by each party. The parties acknowledge that water bills are rendered quarterly, and agree that the initial estimate of Detroit Public Schools' proportionate share is Nine Hundred Dollars (\$900.00) per month. Detroit Public Schools will include such amount in each monthly payment of rent, and will receive a credit for such payments, or pay additional costs, when the actual cost of water is determined.

(c) Except as may otherwise be specifically provided in section 5(b) or elsewhere in this Lease, the City shall at its sole cost and expense provide for servicing the Premises and all improvements thereon with water, sewer, gas, electricity, telephone or other utility services as may

be reasonably required for the use and operation of the Premises. Notwithstanding the foregoing, if the use of electricity or other utility services for the use and operation of the Premises by Detroit Public Schools shall substantially increase after the initial year of the lease term, the City may, at its expense, separately meter any or all such utilities; in the event the City shall separately meter any utilities at the Premises, then Detroit Public Schools shall pay the actual cost of all such utilities during the term of this Lease.

SECTION 6 Maintenance and Repairs:

(a) Beginning March 1, 2003, the Detroit Public Schools agrees to provide regular lawn mowing, landscaping and trash removal to the Premises during the period that the Detroit Public Schools has use of the Premises as described in Section 4(a) (being March 1st through June 30 of each year during the term of this Lease). The City shall, at all other times during the term of this Lease, and at its own cost and expense, provide regular lawn mowing, landscaping and trash removal to the Premises. However, the City shall not be held responsible for specific maintenance requirements for the baseball diamonds and fields. The Detroit Public Schools further agrees to obtain prior City approval before commencing on any future landscaping modifications to resolve any maintenance issues.

(b) Except as otherwise provided herein, the City, at its sole cost and expense, will maintain the Premises and the fixtures and appurtenances in the Premises as and when needed to preserve them in good working order and condition.

(c) Upon the expiration of the term of this Lease, the Detroit Public Schools shall quit and surrender the Premises, and the buildings and all improvements then thereon, in good condition and repair (ordinary wear and tear excepted) to the City.

SECTION 7 Operation and Management:

The City shall have full power and authority to operate and manage, or to cause to be operated and managed, all or any part of the Premises; subject, however, to the provisions of this Lease and all applicable rules, regulations, ordinances and laws.

SECTION 8 Relationship of the Parties:

The relationship created by this Lease is that of landlord and tenant. None of the provisions of this Lease shall be construed in such way as to (a) constitute the City and the Detroit Public Schools as partners or joint venturers in any way; (b) make either party liable for the debts, torts or other legal responsibilities of the other; or (c) cause employees of one party to be deemed employees of the other party.

SECTION 9 Signage:

The Detroit Public Schools, at its sole cost and expense, shall be entitled to erect, install and maintain on the Premises identification and other signs to reflect the use of intended use of those portions of the Premises. All Detroit Public Schools' signs at all times shall be subject to the prior written approval of the Director of the City's Recreation Department as to location, size, shape, color, and content. The City agrees that it will not unreasonably withhold or delay its consent to any proposed sign.

SECTION 10 Utility Easements & Highway Alignment:

The Detroit Public Schools shall have the right, subject to the reasonable approval of the City and the Director of the City's Recreation Department, to enter into agreements with utility companies creating easements in favor of such companies as are required in order to service the facilities on the Premises, improved as contemplated hereby, and the City shall execute any and all documents, agreements and instruments, and to take all other actions, in order to effectuate the same, all at the cost and expense of the Detroit Public Schools. All such easements shall expressly provide that the may be terminable by the City, at its option, upon the termination of this Lease.

SECTION 11 Nondiscrimination Practices:

In carrying out their respective duties and obligations hereunder, each party shall comply with:

(a) Titles VI and VII of the Civil Rights Act (42 U.S.C. §§200 et seq.), as amended, and the United States Department of Justice Regulations (28 C.F.R. Part 42) issued pursuant to those Titles.

(b) The Age Discrimination Act of 1985 (42 U.S.C. §6101-07), as amended.

(c) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), as amended.

(d) The Americans with Disabilities Act of 1990 (42 U.S.C. §1201 et seq.), as amended, and its associated regulations.

(e) The Michigan Civil Rights Act (P.A. 1976 No. 453), as amended, and the Michigan Handicappers Civil Rights Act (P.A. 1976 No. 22), as amended.

(f) The Equal Contracting Opportunity Ordinance of the County of Wayne, No. 93-738.

SECTION 12 Environmental Matters:

(a) The Detroit Public Schools shall keep or cause the Premises to be kept free of Hazardous Materials except to the extent necessary to the use of the Premises and in commercially reasonable quantities and only if the Hazardous Materials are stored or used in compliance with applicable federal, state and/or local laws, regulations and permits. The

Detroit Public Schools shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Detroit Public Schools, or any subcontractor, concessionaire or occupant, a release, spill, leak or emission of Hazardous Materials in, on, or under the Premises or onto any other contiguous property.

(b) "Hazardous Materials" means any materials or substance which:

(i) Is or becomes defined as a hazardous substance, pollutant, or contaminant pursuant to the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. 9601 et seq.), Part 201 of the Michigan Natural Resources and Environmental Protection Act ("NREPA") and any amendments and regulations thereto;

(ii) Contains gasoline, oil, diesel fuel or other petroleum products;

(iii) Is or becomes defined as hazardous waste pursuant to the Federal Resources Conservation and Recovery Act (42 U.S.C. 6901 et seq.), Part 111 of NREPA, and any amendments and regulations thereto;

(iv) Contains polychlorinated biphenyl;

(v) Contains asbestos;

(vi) Is radioactive;

(vii) Requires investigation or remediation under any federal, state, or local law and regulation; or

(viii) Is or becomes defined as a hazardous waste, hazardous substance, pollutant, contaminant or biologically hazardous material under any other federal, state, or local law or regulation.

(c) The Detroit Public Schools agrees that it has had an opportunity to inspect the premises, to make soil boring and bearing tests, including such environmental testing and due diligence as it deemed appropriate, and to survey the property. It further agrees to provide copies to City of any reports or survey generated, or to be generated in the future, as a result of any such inspections or testing within thirty days of receipt of any such report or survey.

(d) Except as otherwise set forth in this Lease, the Detroit Public Schools takes the Premises as it finds it, "AS IS", and the City makes no express or implied representations as to its fitness for absolutely any purpose whatsoever, including but not limited to the proposed use set forth in this Lease. By executing this Lease, the Detroit Public Schools agrees and acknowledges that it is satisfied with the condition of the Premises, and the results of any inspections, tests or surveys. The Detroit Public Schools shall be deemed to have declared its full satisfaction with the condition of the Premises. The City and the Detroit Public Schools acknowledge and agree that they have taken into consideration the allocation of liability and the

assumption of risk relating to the condition of the Premises in determining the rent for the Premises.

SECTION 13 Compliance with Laws:

(a) During the term of this Lease, the Detroit Public Schools shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directives, rules and regulations of the federal, state and applicable local governments and of all other governmental authorities affecting the Premises or appurtenances thereto whether the same are in force at the commencement of the term of this Lease or in the future passed, enacted or directed, and the Detroit Public Schools shall pay all costs, expenses, liabilities, losses, damages, fines, penalties, claims and demands, including reasonable counsel fees, that may in any manner arise out of or be imposed because of the failure of the Detroit Public Schools to comply with the covenants of this Section 13.

(b) The Detroit Public Schools shall have the right to contest by appropriate legal proceedings diligently conducted in good faith, in the name of the Detroit Public Schools, or the City (if legally required), or both (if legally required), without cost or expense to the City, the validity or application of any law, ordinance, rule, regulation or requirement of the nature referred to above and, if by the terms of any such law, ordinance, order, rule, regulation or requirement, compliance therewith may legally be delayed pending the prosecution of any such proceeding, the Detroit Public Schools may delay such compliance therewith until the final determination of such proceeding.

(c) The City agrees to execute and deliver any appropriate papers or other instruments which may be necessary or proper to permit the Detroit Public Schools to contest the validity or application of any such law, ordinance, order, rule, regulation or requirement and to fully cooperate with the Detroit Public Schools in such contest' subject, however, to the Detroit Public School's obligation to comply with and the City's obligation to enforce any and all such legal requirements.

SECTION 14 Covenant Against Liens:

If, because of any act or omission of Detroit Public Schools, any construction lien or other lien, charge or order for the payment of money shall be filed against the City or any portion of the Premises, the Detroit Public Schools shall, at its own cost and expense, cause the same to be discharged of record or bonded within ten (10) days after written notice from the City to the Detroit Public Schools of the filing thereof; and the Detroit Public Schools shall indemnify and save harmless the City against and from all costs, liabilities, suits, penalties, claims and demands,

including reasonable counsel fees, resulting therefrom.

SECTION 15 Access to Premises:

During the term of this Lease, the City or the City's agents and designees shall have the right, but not the obligation, to enter upon the Premises at all reasonable times to examine same.

SECTION 16 Indemnity:

(a) Except as otherwise provided in this Lease, the Detroit Public Schools shall be responsible for any and all liability, damage, penalties or judgments arising from injury to person or property sustained by anyone in and about the Premises resulting from any act or acts or omission or omissions of the Detroit Public Schools, or its officers, agents, servants, employees, invitees, licensees or contractors. The Detroit Public Schools shall, at its own cost and expense, with counsel acceptable to the City, defend any and all suits or actions (just or unjust) which may be brought against the City or in which the City may be impleaded with others upon any such above-mentioned matter, claim or claims. The Detroit Public Schools agrees not to implead the City in any action brought against the Detroit Public Schools by any third party relating to this Lease or the use of the Premises by the Detroit Public Schools.

(b) Except as otherwise provided in this Lease, the City shall be responsible for any and all liability, damage, penalties or judgments arising from injury to person or property sustained by anyone in and about the Premises resulting from any act or acts or omission or omissions of the City, or its officers, agents, servants, employees, invitees, licensees or contractors. The City shall, at its own cost and expense, with counsel acceptable to the Detroit Public Schools, defend any and all suits or actions (just or unjust) which may be brought against the Detroit Public Schools or in which the Detroit Public Schools may be impleaded with others upon any such above-mentioned matter, claim, or claims. The City agrees not to implead the Detroit Public Schools in any action brought against the City by any third party relating to this Lease or the use of the Premises by the City.

SECTION 17 Insurance:

(a) The Detroit Public Schools shall provide and maintain at its expense, and keep in force during the term of this Lease, the following insurance:

(1) comprehensive general liability insurance, with minimum limits of \$1,000,000.00 combined single limit, each occurrence, for bodily injury, personal injury, property damage, products, completed operations, and blanket contractual liability.

(2) workers compensation insurance

which meets Michigan statutory requirements as well as employers liability insurance.

(3) fire and broad form extended coverage insurance covering all buildings, improvements and facilities which it has erected on the Premises, in an amount not less than the replacement cost of the buildings, improvements and facilities which it has erected on the Premises, and the amount which would cause it to be considered a co-insurer under such insurance.

(b) All insurance policies shall name the City as an additional insured, and to the extent obtainable, shall be accompanied by a commitment from the insurer that such policies shall not be canceled without thirty (30) days prior written notice to the City. Certificates of insurance shall be submitted to the Director of the City's Recreation Department on or before the Commencement Date and within thirty (30) days before the expiration date of each such policy.

(c) Any insurance required to be provided by the Detroit Public Schools pursuant to this Lease may be provided by blanket insurance covering the Premises and other locations of the Detroit Public Schools, provided such blanket insurance complies with all of the other requirements of this Lease. Additionally, the Detroit Public Schools may self-insure against such risks pursuant to a prudent plan of self-insurance.

(d) The Detroit Public Schools shall increase its insurance coverage as required based on normal and customary amounts of insurance for athletic fields similar in nature to the athletic fields on the Premises at the time of such increases.

SECTION 18 Fixtures:

(a) Upon the terms, and subject to the conditions, set forth in the Bill of Sale annexed hereto as Exhibit "B", the City has sold all of the "fixtures" (as such term is defined in Public Act 174 of 1962, as amended, and as codified at MCL 440.9102) located on the Premises on January 1, 2003. The purchase amount for all such fixtures is Two Hundred Seventeen Thousand Five Hundred Twenty-Five Dollars (\$217,520.00).

(b) Upon the expiration of the term of this Lease, the Detroit Public Schools agrees to sell to the City all of the fixtures then located on the Premises for the purchase amount of One Dollar (\$1.00). If this Lease is terminated by the City for any reason prior to the expiration of the Initial Term, the City will pay the Detroit Public Schools an amount equal to the underpreciated cost paid by the Detroit Public Schools to the City as described in Section 18(a) of this Lease. The depreciation, for this purpose, is to be computed

on a straight-line basis over a fifty-year life beginning with the Commencement Date. The payment will be made in two equal installments with the first payment being due 30 days after terminating.

SECTION 19 Destruction:

In the event that, at any time during the term of this Lease, the buildings, improvements and facilities on the Premises shall be destroyed or damaged in whole or in part by fire or other cause within the extended coverage of the fire insurance policies carried by the Detroit Public Schools in accordance with this Lease, then the Detroit Public Schools, at its own cost and expense, shall cause the same to be repaired, replaced or rebuilt within a period of time which, under all prevailing circumstances, shall be reasonable. Notwithstanding the foregoing, in the event the Detroit Public Schools has constructed educational and recreational facilities on the Premises, the Detroit Public Schools shall have the right to remove the damaged structure and to install in place thereof additional or substitute facilities for the uses contemplated herein or the Detroit Public Schools may elect to reconstruct the educational and recreational facilities, and upon such election, any insurance proceeds shall be made available to the Detroit Public Schools for such reconstruction.

SECTION 20 No Mortgages:

The Detroit Public Schools shall not have the right to mortgage its interest in the Premises at any time during the term.

SECTION 21 Quiet Enjoyment:

The Detroit Public Schools, upon paying the rent and all other sums and charges to be paid by it as herein provided, and observing and keeping all covenants, warranties, agreements and conditions of this Lease on its part to be kept, shall quietly have and enjoy the Premises during the term of this Lease, in accordance with Section 4.

SECTION 22 Defaults:

(a) In the event any one or more of the following events shall have occurred and shall not have been remedied as hereinafter provided: (i) the Detroit Public Schools failure to pay any installment of rent or any other amounts due hereunder when the same shall be due and payable and the continuance of such failure for a period of ten (10) business days after receipt by the Detroit Public Schools of notice in writing from the City specifying in detail the nature of such failure; or (ii) the Detroit Public Schools failure to perform any of the other covenants, conditions and agreements herein contained on its part to be kept or performed and the continuance of such failure without the curing of same for a period of ten (10) business days after receipt by the Detroit Public Schools of notice in writing from the City

specifying in detail the nature of such failure, and provided the Detroit Public Schools shall not cure said failure as provided in Section 22(b) hereof; then, the City may, at its option, give to the Detroit Public Schools a notice of election to end the term of this Lease upon a date specified in such notice which date shall be not less than ten (10) business days (Saturdays, Sundays and legal holidays excluded) after the date of receipt by the Detroit Public Schools of such notice from the City, and upon the date specified in said notice, the term and estate hereby vested in the Detroit Public Schools shall cease and any and all other right, title and interest of the Detroit Public Schools hereunder shall likewise cease without further notice or lapse of time, as fully and with like effect as if the entire term of this lease had elapsed. In such event, the parties agree that the City shall retain all rents previously paid to it pursuant to this Lease.

(b) In the event that the City gives notice of a default of such a nature that it cannot be cured within such ten (10) business day period then such default shall not be deemed to continue so long as the Detroit Public Schools, after receiving such notice, proceeds to cure the default as soon as reasonably possible and continues to take all steps necessary to complete the same within a period of time which, under all prevailing circumstances, shall be reasonable. No default shall be deemed to continue if and so long as the Detroit Public Schools shall be so proceeding to cure the same in good faith or be delayed in or prevented from curing the same by any cause specified in Section 24 hereof.

(c) Notwithstanding anything to the contrary contained in this Section 22, in the event that any default(s) of the Detroit Public Schools shall be cured in any manner hereinabove provided, such default(s) shall be deemed never to have occurred and the Detroit Public Schools' rights hereunder shall continue unaffected by such default(s).

(d) Upon any termination of the term of this Lease pursuant to Section 22(a) hereof, or at any time thereafter, the City may, in addition to and without prejudice to any other rights and remedies the City shall have at law or in equity, re-enter the Premises, and recover possession thereof and dispossess any or all occupants of the Premises in the manner prescribed by the statute relating to summary proceedings, or similar statutes. Under no circumstances, however, shall the City be required to refund any rents paid to it pursuant to this Lease.

(e) In case of any such default, re-entry, expiration and/or dispossession by summary proceedings the City may relet

the Premises or any part or parts thereof, either in the name of the City or otherwise, for a term or terms which may, at the City's option, be less than or exceed the period which would otherwise have constituted the balance of the term of this Lease and may grant concessions or free rent and the City, at the City's option, may make such reasonable alterations, repairs, replacements and/or decorations in the Premises as the City, in the City's reasonable judgment, considers advisable and necessary for the purpose of re-letting the Premises or returning the Premises to their use as existing prior to the Commencement Date.

SECTION 23 Waivers:

Failure of the City or the Detroit Public Schools to complain of any act or omission on the part of the other party no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by the City or the Detroit Public Schools at any time express or implied, of any breach of any provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. No acceptance by the City of any partial payment shall constitute an accord or satisfaction but shall only be deemed a part payment on account.

SECTION 24 Force Majeure:

In the event that the City or the Detroit Public Schools shall be delayed, hindered in or prevented from the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, the act, failure to act or default of the other party, war or other reason beyond their control, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

SECTION 25 Notices:

Every notice, approval, consent or other communication authorized or required by this Lease shall not be effective unless same shall be in writing and sent postage prepaid by United States registered or certified mail, return receipt requested, by recognized overnight delivery service, directed to the other parties at its address hereinabove first mentioned, or such other address as the parties may designate by notice given from time to time in accordance with this Section 25. Notices shall be effective upon delivery or refusal of the addressee to accept delivery. The rent payable by the Detroit Public Schools hereunder shall be paid to the City at the same place where

a notice to the City is herein required to be directed.

SECTION 26 Governing Law:

This Lease and the performance thereof shall be governed, interpreted, construed and regulated by the laws of the State of Michigan.

SECTION 27 Partial Invalidity:

If any term, covenant, condition or provision of this Lease or the application thereof to any person or circumstance shall, at any time or to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term, covenant, condition and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

SECTION 28 Interpretation:

Wherever herein the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders, and vice versa, as the context shall require. The section headings used herein are for reference and convenience only, and shall not enter into the interpretation hereof. This Lease may be executed in several counterparts, each of which shall be an original, but all of which shall constitute one and the same instrument.

SECTION 29 Parties:

Except as herein otherwise expressly provided, the covenants, conditions and agreements contained in this Lease shall bind and inure to the benefit of the City and the Detroit Public Schools and their respective successors and assigns.

SECTION 30 Entire Agreement:

No oral statement or prior written matter shall have any force or effect. The Detroit Public Schools agrees that it is not relying on any representations or agreements other than those contained in this Lease. This Lease shall not be modified or canceled except by writing subscribed by both parties.

SECTION 31 Assignment or Sublease:

This Lease may not be assigned or subleased by the Detroit Public Schools without the prior written consent of the City. Absent the written consent of the City, an assignment or sublease shall not release the Detroit Public Schools from its obligations under this Lease. Any assignment or sublease attempted to be made in violation of this Lease shall be void.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals the day and year first above written.

City Council

June 10, 2003

Honorable City Council:

Re: Draft resolutions regarding Mayor's amendments to the Executive Organization Plan.

The Mayor submitted several proposed amendments to the Executive Organization Plan on or about April 14, 2003. Section 7-102 of the 1997 Charter for the City of Detroit authorizes the Mayor to prepare and subsequently amend the Executive Organization Plan. The City Council may accept the proposed amendments, recommend modifications to the

proposed amendments, reject the amendments, or do nothing at all in response to the proposed amendments.

The City Council is required to take its action within sixty (60) business days of the receipt of any proposed plan or amendments. The failure to accept, recommend modifications or reject the amendments within the time permitted will result in automatic implementation of the plan. Accordingly, the City Council must act not later than July 9, 2003, or the plan will become effective as submitted.

The attached resolutions are drafted to incorporate the City Council's 2003-2004 budgetary action taken regarding each proposed amendment. Please note that there are two (2) resolutions (A and B) offered for the Recreation Department Amendments. A total of six (6) draft resolutions are attached for your review.

Please advise if there are further directions regarding this matter.

Respectfully submitted,

KATHIE D. DONES-CARSON

Director

SUSPENSION OF RULE 27

Council Member McPhail moved that Rule No. 27 of the "Rules and Order of Business of the City of Council," which requires that every ordinance previous to its introduction, shall be approved as to form by the Corporation Counsel, be suspended, for this session only, for the purpose of introducing an ordinance to amend Chapter 18 Article VIII, of the 1984 Detroit City Code, *Self-Insurance by City*, by removing existing language and adding new language to Section 18-8-22, titled *Payment*, to require City Council approval for the payment of losses from the Risk Management Fund. Adding language to Section 18-8-24 and Section 18-8-47 titled *Appropriations*; to require the Law Department to provide quarterly reports of losses from the Risk Management Fund and the Public Liability Insurance Reserve Fund, which motion prevailed as follows:

Yeas — Council Members S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 6.

Nays — Council Member Bates — 1.

By Council Member McPhail:

AN ORDINANCE to amend Chapter 18, Article VIII, of the 1984 Detroit City Code, *Self-Insurance by City*, by removing existing language and adding new language to Section 18-8-22, titled *Payment*, to require City Council approval for the payment of losses from the Risk Management Fund; adding language to Section 18-8-24 and Section 18-8-47 titled *Appropriations*; to require the Law Department to provide quarterly reports of losses from the Risk Management Fund and the Public Liability Insurance Reserve Fund.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. That Chapter 18 of the 1984 Detroit City Code, Article VIII *Self-Insurance by City; Division 2. Risk Management Fund and Division 3, Public Liability Insurance Reserve Fund*, be amended by removing existing language and adding new language in Section 18-8-22; titled *Payment* and adding new language in Sections 18-8-24 and 18-8-47, titled *Appropriations* as follows:

Sec. 18-8-16. Applicability.

The term "city" used in this division shall include the City of Detroit, a Michigan Municipal Corporation, including, without limitation, any and all departments, agencies, and other entities thereof, hereinafter in this division collectively called "the departments."

Sec. 18-8-17. Created.

A separate fund within the general fund class shall be provided by the city, to be designated "Risk Management Fund of the City of Detroit," hereinafter in this division called "Risk Management Fund."

Sec. 18-8-18. Initial and permanent funding; use; minimum balance.

(a) There shall be initially deposited into the risk management fund a sum not to exceed one hundred million dollars (\$100,000,000.00), provided that an amount not to exceed seventy million dollars (\$70,000,000.00) shall be used to reimburse the general fund of the city for: (i) the payment of losses as defined by this division accruing payable by the city for the period commencing July 1, 1994 and ending June 30, 1995 and (ii) the payment of the cost of issuance of the self-insurance bonds and credit enhancement as authorized by resolution adopted by the City Council on May 17, 1995.

(b) An amount equal to not less than twenty million dollars (\$20,000,000), hereinafter in this division called the "minimum required balance", shall be maintained in the risk management fund as permanent fund equity for the payment on behalf of the city of all sums which the city shall become legally obligated to pay as losses as defined in this division accruing

payable for the period commencing July 1, 1995 and thereafter. The Finance Director may recommend, from time to time, subject to City Council approval by resolution, an increase or reduction in the minimum required balance. The Finance Director shall immediately advise the City Council of any event or circumstance which would cause or result in a reduction of the balance in the risk management fund to an amount less than the minimum required balance during any fiscal year, hereinafter in this division called the "deficiency". In such event, the Finance Director shall also include in the annual report to the City Council required by section 18-8-24, a recommendation of the amount of any appropriations necessary to eliminate such deficiency by not later than the end of the fifth succeeding fiscal year following the fiscal year in which such deficiency shall arise.

(c) Accumulations to the risk management fund by virtue of contributions made by departments as provided under section 18-8-19 may be used to pay the cost of third party liability insurance premiums to insure against losses as defined in this division and administrative costs incurred in connection with the payment of such losses, or the procurement of third party liability insurance premiums to insure against such losses.

Sec. 18-8-19. Contributions and adjustments.

The Finance Director shall annually make a recommendation for inclusion in the budget, subject to the normal budget process as defined in the Charter and applicable ordinances, of the amounts to be contributed to the risk management fund by the departments, respectively, to the end that such contributions will be sufficient to carry out the purposes of the risk management fund. Adjustments to such contributions may be made annually pursuant to the recommendations of the Finance Director, provided that in recommending adjustments that are necessary or appropriate, prior losses of the respective departments shall be taken into consideration. In the event that the losses of any department in any fiscal year do not exceed any such department's contribution to the risk management fund for that year, contributions by such department in future years may be increased to such amounts as the Finance Director may recommend to be appropriate or necessary to reflect fully the losses incurred. Subject to applicable laws, the Finance Director is authorized to develop and administer guidelines, policies and procedures for risk management by the departments, which guidelines, policies and procedures shall be applied in a nondiscriminatory manner to, and shall be adhered to by, the departments, so as to carry out the provisions of this division in as cost effective a

manner as possible and to preserve the risk management fund for the purposes for which it has been established. In making the recommendations as called for under this section 18-8-19, the Finance Director shall take into account actuarial determinations based on the loss experiences of the departments.

Sec. 18-8-20. Investment of funds.

The Finance Director, subject to applicable laws, may from time to time invest, sell and reinvest the monies of the risk management fund in investments. Earnings from such investments shall be credited to the risk management fund. Solely for the purposes of investment, the monies of the risk management fund may be commingled with the monies of the general fund, provided that the Finance Director shall account separately for the monies of the risk management fund in commingled investments and the earnings thereon.

Sec. 18-8-21. Losses covered.

(a) Losses shall be paid from the risk management fund. Should any loss or losses exceed the accumulation in the risk management fund, any such deficiency in the risk management fund shall be satisfied in accordance with applicable laws.

(b) The risk management fund shall cover liability to third parties for any loss or damage whatsoever whether arising out of negligence, tort, contract or otherwise accruing payable by the city from and after July 1, 1994, and for which insurance coverage could be provided by a third party insurer, but for which the city has determined to self-insure, including, without limitation, any obligation for which the city may be held liable under Worker's Compensation or Disability Benefits Law, or under any similar laws, or for damage to property or personal injury, in accordance with applicable law. The risk management fund may be used to defray losses accruing payable prior to July 1, 1994, but only to the extent that sums available in the public liability insurance reserve fund created under section 18-8-40, are depleted or not sufficient to fully pay such losses.

Sec. 18-8-22. Payment.

~~The Finance Director shall in a manner consistent with applicable laws pay losses from the risk management fund.~~

Sec. 18-8-23. Additional insurance.

The risk management fund shall be the sole provider of coverage for losses as defined in this division, provided that any department may petition the Finance Director for exception, which petition may not be unreasonably denied. No payment shall be made from the risk management fund for losses covered by any purchased insurance within the limits of such insurance.

Sec. 18-8-24. Appropriations; quarterly reports.

The Finance Director shall make an annual report for the most recently completed fiscal year to the City Council before the twentieth day of January of each year regarding the performance and the fiscal status of the risk management fund. The annual report shall include the loss experiences of the departments, respectively, as well as investment earnings with respect to the risk management fund, together with a recommendation thereon as to the appropriations necessary to carry out the provisions of this division. Such recommended appropriations may be included in the budget for the ensuing fiscal year, subject to the normal budget process as defined in the Charter and applicable ordinances, provided that such appropriations shall be prorated among the departments, respectively, on the basis of loss experiences. The law department corporation counsel shall make a risk management fund report in each quarter of the fiscal year to the City Council containing the following information:

- a. Plaintiff's name and case number.
- b. Date of payment.
- c. Claim, settlement or judgment amount paid.
- d. Arbitration amount paid including the City Council authorized arbitration settlement range.
- e. City agency number involved in the case.
- f. Plaintiff's legal representation.
- g. Type of incident.

Sec. 18-8-25—18-8-38. Reserved.

Sec. 18-8-39. Applicability.

The term "city" used in this division shall include all general fund departments of the city, the parking enforcement division of the municipal parking department, airport department, and the department of transportation, but shall not include the housing, library, municipal parking (other than the parking enforcement division) or water and sewerage departments. The term "city" shall include the department of hospitals, for liabilities arising out of the operation of Detroit General Hospital (a/k/a Receiving Hospital) located at 1326 St. Antoine, up to and including February 1, 1981.

Sec. 18-8-40. Created.

A separate fund within the general fund class shall be provided by the city, to be designated "Public Liability Insurance Reserve Fund of the City of Detroit," hereinafter in this division called "reserve fund."

Sec. 18-8-41. Accumulation; use.

There shall be accumulated in the reserve fund an amount not to exceed the sum of twenty-five million dollars (\$25,000,000.00) provided that the Mayor may recommend, from time to time, sub-

ject to the City Council approval by resolution, an increase or reduction in the fund balance requirement. Funding shall be provided by a minimum contribution of two million five hundred thousand dollars (\$2,500,000.00) in the fiscal budget year 1986-87, with additional funding, as recommended by the Mayor and approval by the City Council subject to the provisions of section 18-8-47 until the fund reaches a level of twenty-five million dollars (\$25,000,000.00). The accumulations shall be retained in such fund from year to year as a permanent insurance fund to be used for the payment on behalf of the city of all sums which the city shall become legally obligated to pay as damages because of personal injury, property damage or contract arising from those causes defined in section 18-8-44.

Sec. 18-8-42. Adjustment of contributions upon reaching of maximum amount.

When the accumulation of the reserve fund shall reach the sum of twenty-five million dollars (\$25,000,000.00), any excess over that amount shall be returned to the general fund annually. Hereafter, proper adjustments shall be made annually by the Finance Director as to the respective annual contributions to be made, to the end that the fund shall remain at twenty-five million dollars (\$25,000,000.00) or as near the sum as possible; provided, that in making such adjustments, losses of the respective contributors during the year shall be taken into consideration. In the event department of transportation losses exceed its contributions it shall be mandatory that contributions by the department in future years shall fully cover the losses incurred.

Sec. 18-8-43. Investment of funds.

The Finance Director, subject to the provisions of the Act No. 20, P.A. 1943, as amended [MCL 129.91 et seq., MSA 3.843(1) et seq.], may from time to time, invest, sell and reinvest the monies of the reserve fund in securities, as permitted by law, which securities shall be held and safely kept by the treasurer for the use and benefit of the reserve fund. Interest shall be created to the reserve fund annually.

Sec. 18-8-44. Losses covered.

(a) Losses of one hundred thousand dollars (\$100,000.00) or less per occurrence shall not be paid from the reserve fund but shall be charged to departmental damage claims appropriations; provided, that the reserve fund may be charged for the appropriations deficiency for any year in which the damage claims appropriations are exceeded for losses in excess of one hundred thousand dollars (\$100,000.00), the first one hundred thousand dollars (\$100,000.00), shall be paid from the departmental damage claims appropriations and any excess over one

hundred thousand dollars (\$100,000.00) shall be paid from the reserve fund. Should any loss or losses exceed the accumulation in the reserve fund, any deficiency in the fund to pay such loss shall be supplied in such manner as the City Council may lawfully determine.

(b) The reserve fund shall cover liability to third parties for loss or damage arising out of negligence, tort or contract. The reserve fund shall not be used to pay any obligation for which the city may be held liable under any workers' compensation, unemployment compensation or disability benefits law, or under any similar law, or for bodily injury to an employee arising out of and in the course of employment by the city.

Sec. 18-8-45. Payment.

When any loss accrues payable from the reserve fund, payment shall be made therefrom, subject to approval of the City Council, from such sum as may be available to cover the loss involved.

Sec. 18-8-46. Additional insurance.

Any city department may, with the approval of the City Council, purchase third party liability insurance against loss as defined in this division. No payment shall be made from the reserve fund for claims covered by such purchased insurance within the limits of liability insured.

Sec. 18-8-47. Appropriations; quarterly reports.

The Finance Director shall make an annual report to the City Council before the twentieth day of January of each year together with a recommendation thereon as to the appropriations necessary to carry out the provisions of this division. Such appropriations as may be recommended by the Mayor and approved by the City Council shall then be included in the budget for the ensuing fiscal year, subject to the normal budget process as defined in the Charter and applicable ordinances; provided that such appropriations shall be prorated between enterprise and general fund departments on the basis of loss experience. The law department corporation counsel shall make a public liability insurance reserve fund report in each quarter of the fiscal year to the City Council containing the following information:

- a. Plaintiff's name and case number.
- b. Date of payment.
- c. Claim, settlement or judgment amount paid.
- d. Arbitration amount paid including the City Council authorized arbitration settlement range.
- e. City agency number involved in the case.

Sec. 18-8-48. Discontinued appropriations.

Notwithstanding any other provision in this division to the contrary, (i) the City Council shall make no additional appropriation for the reserve fund after the fis-

cal budget year 1994-95, but shall reappropriate existing accumulations in the reserve fund, if any, until existing accumulations in the reserve fund are depleted, and (ii) existing accumulations in the reserve fund shall be used only to pay losses accruing payable prior to July 1, 1994, provided, however, that should any such loss accruing payable prior to said date exceed the existing accumulation in the reserve fund, any deficiency in the reserve fund to pay such loss shall be supplied in such manner as the City Council, acting upon the recommendation of the Finance Director, may lawfully determine.

Section 2. All ordinances, or parts of ordinances, which conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. If any clause, phrase, section or word of this ordinance is declared invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining clauses, paragraphs, phrases sections, sentences or words of this ordinance.

Section 5. In the event that this ordinance is approved by a two-thirds (2/3) majority of the City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Otherwise, this ordinance shall become effective on the thirtieth (30th) day after enactment in accordance with Section 4-115 of the 1997 Detroit City Charter.

Read twice by title, ordered printed and laid on table.

Invocation

Almighty God.

We thank You for this great City. We thank You for this Council. For our Mayor. Our Police Chief, that You would pour out Your Spirit, that You would touch us all with wisdom and knowledge and Your Divine Presence.

Except You keep the City then they that watch, watch in vain. Have mercy and guide us, move us into the fellowship of Your Spirit we ask it because You said in Your word. I will look to the hills from which cometh our help, Our help comes from the Lord.

This we ask because You said in Your word. Ask and it shall be given, seek and ye shall find. Knock and it shall be opened unto you...

Amen.

Re: Taron Reese v City of Detroit. Case No.: 02-212239 NH File No.: A19000.0023 (JS).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiffs, that your Honorable Body direct the Finance Director to issue a draft payable to Taron Reese and his attorneys, The Thurswell Law Firm, P.C., in the amount the City is to pay the Plaintiffs pursuant to the arbitrators' decision, but said draft may not be less than Two Thousand Five Hundred Dollars (\$2,500.00) and shall not exceed Thirty Thousand Dollars (\$30,000.00).

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Taron Reese v City of Detroit, Wayne County Circuit Court Case No. 02-21239 NH, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiffs shall recover a minimum amount of Two Thousand Five Hundred Dollars (\$2,500.00).

The maximum amount of any award to the Plaintiffs shall not exceed the amount of Thirty Thousand Dollars (\$30,000.00).

Any award under \$2,500.00 shall be interpreted to be in the amount of \$2,500.00.

4. Any award in excess of \$30,000.00 shall be interpreted to be in the amount of \$30,000.00,

5. There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

6. The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about November 2, 2001 at or near 5150 North Lodge Service Drive, Detroit, Michigan; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$30,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Taron Reese and his attorneys, The Thurswell Law Firm, P.C., in the amount of the arbitrators' award, but said draft may not be less than Two Thousand Five Hundred Dollars (\$2,500.00) and shall not exceed Thirty Thousand Dollars (\$30,000.00).

Re: Mary Louise Barnes v. City of Detroit.
Case No.: 02-234463-NI, File No.: A20000.001859 (LB).

On May 20, 2003, a mediation panel evaluated the above-captioned lawsuit and awarded Seven Thousand Five Hundred Dollars (\$7,500.00) in favor of Plaintiff. The parties have until June 17, 2003 to either accept or reject the mediation evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the mediation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the mediation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) payable to Mary Louise Barnes and her attorney, Law Offices of Williams S. Stern, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 02-234463-NI, approved by the Law Department.

Re: Daisy Munoz v. City of Detroit. Case No.: 02-200112-NO, File No.: A42000-000218 (MMM).

On April 8, 2003, a mediation panel evaluated the above-captioned lawsuit and awarded Eight Thousand Five

Hundred Dollars (\$8,500.00) in favor of Plaintiff.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the mediation award is in the best interest of the defendant's, including the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the mediation award; and, in the event that Plaintiffs accept the awards, to direct the Finance Director to issue drafts drawn upon the proper account in favor of Daisy Munoz and her attorneys, Posner, Posner and Posner in the amount of Eight Thousand Five Hundred Dollars (\$8,500.00).

This settlement was approved by the Board of Water Commissioners on April 23, 2003.

The above draft is in full payment of any and all claims which Daisy Munoz may have against the City of Detroit by reason of alleged injuries sustained from January of 1999 through May of 1999, and that said amount be paid upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 02-200112-NO, approved by the Law Department.

Whereas, A dangerous structure on the following described premises within the City of Detroit, County of Wayne, State of Michigan, was ordered demolished, to wit:

The West 20 Feet of Lot 136 and all of Lot 137; McLaughlin Brothers Sub, Liber 14 Page 21 according to the plats of Wayne County Records, a/k/a, 803 Blaine, Detroit, Michigan.

Whereas, The premises is subject to a special assessment, currently in the amount of \$10,845.62, for the dismantling of the structure; and

Whereas, Ronald Pitts has petitioned this Council for cancellation and waiver of the special assessment on 803 Blaine, Detroit, Michigan; and

Whereas, The Assessor's Office placed the special assessment on the property erroneously due to a typographical error; and

Whereas, Pursuant to the City of

Detroit Building Code, Section 12-11-28.4, this Council is authorized to waive a special assessment for building demolition where it is found to be unjust or erroneous, or where the owner of the property would suffer undue hardship through no fault of his/her own; and

Whereas, This Council has determined that enforcement of the special assessment in this circumstance would be unjust or erroneous, or the owner of the property would suffer undue hardship through no fault of his/her own.

Now Therefore Be It:

Resolved, That the special assessment on 803 Blaine, Detroit, Michigan is hereby waived; and

Further Resolved, That the officer charged with keeping the special assessment roll shall correct or cause the special assessment roll to be corrected in accordance with the above waiver and remove the special assessment on 803 Blaine, Detroit, Michigan from said roll; and

Finally Resolved, That this resolution is adopted with a waiver of reconsideration.

Re: 8619 Mack. Emergency Demolition.

The building at the above location was
recently found to be dilapidated with
extensive structural damage to the point
of near collapse.

Our records indicate that this is the ini-
tial complaint for this location.

It is our opinion that there is an actual
and immediate danger affecting the
health, safety and welfare of the public.
Therefore, under the authority of
Ordinance 290-H, we are taking emer-
gency measures to have this building or
portions thereof removed with the cost
assessed against the property.

By copy of this letter, we will notify all
utility companies to immediately start util-
ity disconnects.

Re: 18030 Joann. Emergency Demolition.

The building at the above location was
recently found to be dilapidated with
extensive structural damage to the point
of near collapse.

Our records indicate that this building
has been withdrawn twice and has been
in our system since August 1, 2001.

It is our opinion that there is an actual
and immediate danger affecting the
health, safety and welfare of the public.
Therefore, under the authority of
Ordinance 290-H, we are taking emer-
gency measures to have this building or

Honorable City Council:

Re: Address: 5901-11 Commonwealth.
Name: Gary Sayers. Date ordered removed: March 5, 2003 (J.C.C. pp. 676-8).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 29, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of April 23, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Director

Re: Address: 3551 Michigan. Name: Bernard Sanford. Date ordered removed: October 23, 2002 (J.C.C. pp. 3241-2).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 30, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of May 29, 2003.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Respectfully submitted,
AMRU MEAH
Director

Re: Address: 12073 Littlefield #102.

Name: Chiquita Williams. Date ordered removed: March 10, 2003 (J.C.C. p.).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 8, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of May 7, 2003.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

Re: Address: 15834 Santa Rosa. Name: Deborah Cooper. Date ordered removed: January 31, 2001 (J.C.C. p. 337).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on June 2, 2003 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 16, 2003.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

4. In accordance with Ordinance 290-H, as amended, this building may be deemed dangerous if: it remains unoccupied continuously for more than six months; it is not maintained according to the official Building and Property Maintenance Codes of the City; and it is not listed for sale, lease or rent, regardless of the timeliness of tax payments and regardless of whether building is secure.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility dis-

Brownfield Redevelopment Authority

June 12, 2003

Honorable City Council:

Re: Grand River Place Redevelopment Project Brownfield Plan.

The enclosed Brownfield Plan for the Grand River Place Redevelopment Project (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 30, 2003 to solicit public comments. At its May 21, 2003 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On June 4, 2003, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The Grand River Place Project is located at 15401 W. Grand River and 14220-14240 Greenfield Road. The project consists of the complete renovation of the existing 127,000 square foot former department store building located at 15401 W. Grand River as well as the

improvement of the parking lots serving the facility located at 14220-14240 Greenfield. Total investment in the project is expected at approximately \$15 million.

Purpose of the Proposed Plan

The proposed Plan is intended to accomplish two purposes. First, upon approval of this Plan by City Council, Strather and Associates ("Strather") will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project. Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to Strather for environmental, infrastructure and site preparation work performed on the property subject to the Plan. Total projected eligible activities related to this project are expected to be approximately \$1,375,000.

Property Subject to the Proposed Plan

The project is located at 15401 W. Grand River Road, at the intersection of Greenfield plus two parking lots at 14220-14240 Greenfield Road.

Basis of Eligibility

The property is considered to "eligible property" as defined by Act 381 because it is located in a qualified government unit under the Brownfield Act, has previously been utilized for a commercial purpose and is determined to be a "Facility" as defined by Act 381.

Projected Costs

The proposed plan anticipates the cost of the eligible activities from which taxes may be captured to be \$1,375,000, an estimate of \$35,000 for DBRA administrative reimbursement. The current estimates are that taxes will be captured through tax levies through 2010, not including five years of tax capture for the Local Site Remediation Revolving Fund (LSRRF). The plan projects that approximately \$2,373,000 will be placed into this fund by 2015.

This proposed plan has been presented to the Planning and Development Department for review. A letter of support for the project from P&DD is included in this packet. This proposed plan has also been presented to and approved by the Chief Financial Officer of the City.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated May 21, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on May 30, 2003 and the Committee's public meeting held May 21, 2003, are enclosed for City Council's consideration.

At the public hearing no members of the public provided comments.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **June 17, 2003**

Line item on City Council's Calendar indicating the Authority's request that the City Council adopts a resolution setting a Public Hearing for July 16, 2003 concerning the Plan for the Grand River Place Redevelopment Project.

EXHIBIT D

RESOLUTION CALLING A PUBLIC HEARING REGARDING APPROVAL OF THE BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE GRAND RIVER PLACE PROJECT REDEVELOPMENT

By Council Member McPhail:

WHEREAS, The City of Detroit, County of Wayne, Michigan (the "City") is authorized by the provisions of Act 381, Public Acts of Michigan, 1996 ("Act 381"), to create a brownfield redevelopment authority; and

WHEREAS, Pursuant to Act 381, the City Council of the City duly established the City of Detroit Brownfield Redevelopment Authority (the "Authority"); and

WHEREAS, In accordance with the provisions of Act 381, the Authority has prepared a Brownfield Plan for the Grand River Place Project Redevelopment (the "Brownfield Plan") and submitted the Brownfield Plan to the Community Advisory Committee for review and comment; and

WHEREAS, After receipt of the recommendation of the Community Advisory Committee to approve the Brownfield Plan, the Authority has approved the Brownfield Plan and forwarded it to City Council with a request for its approval; and

WHEREAS, Prior to approval of the Brownfield Plan, the City Council is required to hold a public hearing in connection with consideration of the Brownfield Plan pursuant to Act 381; and

WHEREAS, Prior to approval of the

Brownfield Plan, the City Council is required to provide notice and a reasonable opportunity to the taxing jurisdictions levying taxes subject to capture to express their views and recommendations regarding the Brownfield Plan.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The City Council hereby acknowledges receipt of the Brownfield Plan from the Authority.

2. A public hearing is hereby called on Wednesday, the 16th day of July, 2003, at 10:40 A.M., prevailing Eastern Time, in the Council Chambers, 13th Floor of the Coleman A. Young Municipal Center in the City to consider adoption by the City Council of a resolution approving the Brownfield Plan.

3. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are rescinded.

4. The City Clerk is requested to submit three (3) certified copies of this Resolution to the DBRA, 211 W. Fort Street, Suite 900, Detroit, MI 48226.

Waiver of Reconsideration.

Respectfully submitted,

Brownfield Redevelopment Authority

June 12, 2003

Honorable City Council:

Re: Hudson's Warehouse Redevelopment Project Brownfield Plan.

The enclosed Brownfield Plan for the Hudson's Warehouse Redevelopment Project (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 30, 2003 to solicit public comments. At its May 21, 2003 meeting, the Committee considered and approved a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the Authority.

On June 4, 2003, the Authority adopted a resolution (Exhibit B) approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City

Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The Project consists of two major elements. 1) the redevelopment of approximately 250,000 leasable square feet of the Hudson's Warehouse Condominium Unit Number 2 to serve office tenants; and 2) the construction of a new office building consisting of 100,000 to 150,000 leasable square feet. The Project is anticipated to bring over \$4 million in direct tax benefits per year to the City of Detroit. Total eligible investment is anticipated at approximately \$38,000,000.

Purpose of the Proposed Plan

The proposed Plan and upon approval of this Plan by City Council, DLI Properties, LLC will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project.

Property Subject to the Proposed Plan

The property is bounded to the north and east by the I-75 Service Drive, to the south by Gratiot Avenue and Beacon Street and to the west by Adams Street, which was previously vacated.

Basis of Eligibility

Parcel 2 is considered to be "eligible property" as defined by Act 381 because it is located in a qualified government unit under the Brownfield Act, has previously been utilized for a commercial purpose and is determined to be a "Facility" as defined by Act 381. Parcel 1 is considered to be "eligible property" as defined by Act 381 because it is adjacent and contiguous to Parcel 2.

Projected Costs

The proposed plan anticipates the cost of the eligible activity for removal and disposal of impacted soils, due care activities and additional response activities. The expense of these eligible activities is the responsibility of the Developer.

This proposed plan has been presented to the Planning and Development Department for review. A letter of support for the project from P&DD is included in this packet.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated May 21, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held by the Authority on May 30, 2003 and the Committee's public meeting held May 21, 2003, are enclosed for City Council's consideration.

At the public hearing no members of the public provided comments.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **June 17, 2003**

Line item on City Council's Calendar indicating the Authority's request that the City Council adopts a resolution setting a Public Hearing for July 16, 2003 concerning the Plan for the Hudson's Warehouse Redevelopment Project.

Brownfield Redevelopment Authority

June 12, 2003

Honorable City Council:

Re: Stough Development Corporation Brownfield Plan.

The enclosed Brownfield Plan for the Stough Development Corporation (the "Plan") (Exhibit A), submitted by the Detroit Brownfield Redevelopment Authority Board (the "Authority") to the Community Advisory Committee (the "Committee"), has been considered and reviewed by the Committee and a public hearing was held by the Authority on May 30, 2003 to solicit public comments. At its May 30, 2003 meeting, the Committee considered and approved a resolution recommending conditional approval of the Plan by the Authority and City Council in the form presented by the Authority.

On June 4, 2003, the Authority adopted a resolution (Exhibit B) conditionally approving the Plan and authorizing the submission of a certified copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City

Council for approval. The Detroit City Council will, after publication of the notices required by law, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

The Stough Development Project is located at 14044-14050 Seven Mile Road. The project consists of demolishing the existing 7,000 square foot commercial building and construct an 8,360 square foot medical facility that will be leased by a tenant. Approximately \$2.0 million will be invested at the property and 30 plus jobs will be created.

Purpose of the Proposed Plan

The proposed Plan is intended to accomplish two purposes. First, upon approval of this Plan by City Council, Stough Development Corporation ("Stough") will be entitled under state law to seek the approval of the Michigan Economic Growth Authority or the State Treasurer for a single business tax credit for up to 10% of their eligible capital investment in their project.

Second, the Detroit Brownfield Redevelopment Authority will be authorized to capture tax increment revenues produced from the development of properties subject to this Plan to offset the cost to Stough for environmental, infrastructure and site preparation work performed on the property subject to the Plan. Total projected expenditures related to this project are expected to be approximately \$2,000,000.

Property Subject to the Proposed Plan

The project is located at 14044-14074 Seven Mile Road, near the intersection of Seven Mile Road and Gratiot Avenue.

Basis of Eligibility

The property is considered to "eligible property" as defined by Act 381 because it is located in a qualified government unit under the Brownfield Act, has previously been utilized for a commercial purpose and is determined to be "Blighted" as defined by Act 381.

Projected Costs

The proposed plan anticipates the cost of the eligible activities from which taxes may be captured to be \$152,000, an estimate of \$40,000 for DBRA administrative reimbursement. The current estimates are that taxes will be captured through tax levies through 2010, not including five years of tax capture for the Local Site Remediation Revolving Fund (LSRRF). The plan projects that approximately \$70,000 will be placed into this fund by 2015.

This proposed plan has been presented to the Planning and Development Department for review. A letter of support

for the project from P&DD is included in this packet. The proposed tax capture plan has been presented to and approved by the Chief Financial Officer of the City.

Public Comments Received

The Committee's communication to the City Council and the Authority, dated May 30, 2003 (Exhibit C), recommending approval of the Plan, including the minutes of the Public Hearing held jointly with the Authority on May 30, 2003 and the Committee's public meeting held May 30, 2003, are enclosed for City Council's consideration.

At the public hearing in which over 40 community members attended, 4 members of the public provided public testimony in support of the project and 1 member of the public expressed concern over the location of the development.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a) **June 17, 2003**

Line item on City Council's Calendar indicating the Authority's request that the City Council adopts a resolution setting a Public Hearing for July 16, 2003 concerning the Plan for the Stough Development Corporation.

b) **June 18, 2003**

City Planning Commission

April 17, 2003

Honorable City Council:

Re: Request of Farbman Group/College Park Partners, LLC to modify the approved plans for an existing PD (Planned Deveopment District) zoning classification on property generally bounded by Thatcher, Lindsay, Outer Drive, and the Southfield Service Drive to accommodate retail expansion (Recommend Approval).

On January 19, 1994, your Honorable Body approved an ordinance to amend the Official City Zoning Ordinance to show a PD zoning classification where an R6 (High-Density Residential District) classification previously existing to allow for the development of a new medical office/clinic, supermarket, retail shops, and surface parking in the area generally bounded by the Southfield Service Drive, W. Outer Dr., Lindsay and Thatcher.

The Farbman Group, acting as an agent for College Park Partners, LLC, is requesting to modify the approved PD plans for the northern portion of College Park Plaza to accommodate a 17,752 square foot retail expansion. The existing PD plans allow for 201,100 square feet of medical/professional office use, and 81,071 square feet of retail use. The size of the development site is 17.05 acres.

PROPOSED MODIFICATION

The developer is proposing to construct a 17,752 square foot expansion to provide for additional retail space. The proposed expansion would be constructed immediately adjacent to the eastern end of the existing retail structure, utilizing the same building materials and architecture. A small (12 space) parking lot currently located in the expansion area is proposed to be relocated. The development is anchored by a Farmer Jack supermarket, which is located at the western end of the site. There are currently two vacancies within the existing retail space, which were last occupied by a barbershop and Apple Book Center. Current tenants include a beauty supply store, Blockbuster Video, medical supply store, Chinese restaurant, and a pizza and barbeque restaurant. The medical and professional offices are housed in a three-story structure located at the eastern end of the site. Tenants of the medical building include Henry Ford Health Systems, a Dialysis Center, AAA, Optimum Eyes, Orchards Children's Services, and Snack Attack.

SURROUNDING ZONING AND LAND USES

To the north: R1 (Single-Family Residential District) — Single-family residential homes

To the east: R1 (Single-Family Residential) — Single-family residential homes

To the south: R1 and PD — Senior housing and Benedictine High School

To the west: R2 (Two-Family Residential District) and R6 (High Density Residential District) — University of Detroit Mercy Campus and St. Scholastica School and Parish

MASTER PLAN CONSISTENCY

The subject site is located in the Northwest Sector, Greenfield Subsector of the Master Plan of Policies. The generalized existing and proposed land use is INST (Institutional). In a letter dated December 17, 2002, the Planning & Development Department declared that the proposed development conforms to the recommended institutional land use designation and is in conformance with the Master Plan.

PUBLIC HEARING RESULTS

On December 5, 2002, a public hearing was held before the City Planning Commission on the above mater; no public comment was received. Shortly after culmination of the public hearing, one resident of the area arrived and submitted written comments in favor of the proposed modifications and requesting to be kept abreast of developments on the site.

ANALYSIS

The area where the expansion is proposed is currently comprised of a signifi-

cant amount of greenspace. According to the site plan, this greenspace would not be relocated but, rather, replaced to accommodate the retail and the previously noted relocated parking lot. Currently, the twelve-space lot is underutilized. The Commission believes that the twelve parking spaces that would be provided in the small lot are not necessary and that the space would be utilized as greenspace. Employee parking could be encouraged in the spaces in the rear of the retail buildings, which are also underutilized. The developer has provided a parking survey and staff has visited the subject site, both indicating that parking on the site is sufficient. Additionally, parking on the site was increased in 1998, adding an additional 339 spaces to accommodate patrons of the medical offices. The Commission feels that a site of this magnitude would be best suited with the inclusion of greenspace, noting that the elimination of the twelve-space lot would not result in a significant decrease of parking on the site.

RECOMMENDATION

City Planning Commission recommends that the requested modifications be approved, subject to the following conditions:

1. that the site plan be amended to show elimination of the twelve-space parking lot to provide for maintenance of existing greenspace, with the understanding that parking on the site will be re-evaluated in approximately one year;

2. that the landscaping plan be amended to show enhanced landscaping, including a generous amount of evergreens, along the outside of the existing wrought iron fence on the northern boundary;

3. that the conditions specified in the original approval to rezone the development site remain effective, including the following:

a. that uses allowed on the site be restricted to uses permitted as a matter of right in the B3 (shopping district) zoning district and fast-food and carryout restaurants;

b. that there be no sale of packaged liquor on the premises; and

c. that operating hours shall be no earlier than 7:00 A.M. and no later than 11:00 P.M.; and

4. that final site, elevation, and landscaping plans be submitted to the Planning Commission staff for review and approval for consistency with preliminary plans, prior to or at the time of application for applicable permits.

The Law Department's approval as to form of the amendatory ordinance to effectuate this recommendation is attached for your consideration. We request that the ordinance be introduced and the required public hearing be sched-

uled for an upcoming formal session. The customary discussion should take place prior to the public hearing.

Ft.) of land, more or less.

The City Council approves the development proposal, site plan, and elevations submitted by the Farbman Group/College Park Partners to modify the approved PD Development Proposal, site plan and elevations by adding 17,752 square feet of retail space to an existing 81,071 retail building as described in the site plan prepared by Vantine & Guthrie, dated October 11, 2002, and the elevations and plans received by the City Planning Commission on November 21, 2002, subject to the following conditions:

1. That the site plan be amended to show elimination of the twelve-space parking lot to provide for maintenance of existing greenspace, with the understanding that parking on the site will be re-evaluated in approximately one year.

2. That the landscaping plan be amended to show enhanced landscaping, including a generous amount of evergreens, along the outside of the existing wrought iron fence on the northern boundary.

3. That the conditions specified in the original approval to rezone the development site remain effective, including the following:

A. That uses allowed on the site be restricted to uses permitted as a matter of right in the B3 (shopping district) zoning district and fast-food and carryout restaurants;

B. That there be no sale of packaged liquor on the premises; and

C. That operating hours shall be no earlier than 7:00 A.M. and no later than 11:00 P.M.

4. That final site plans, elevations, and landscaping plans be submitted to the Planning Commission staff for review and approval for consistency with preliminary plans, prior to or at the time of application for applicable permits.

The development proposal, site plan and elevations approved in this Ordinance are incorporated herein by reference and shall be filed with the City Planning Commission and the Buildings and Safety Engineering Department in accordance with Section 110.0101 of the Official Zoning Ordinance of the City of Detroit.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

Re: Request to amend the 2002-2003 Official Compensation Schedules to establish a salary range for the classification of Mailroom Supervisor (01-20-96).

The Human Resources Department recently adopted the subject classification. The major function of the classification is to supervise the collection, sorting, distribution and metering of incoming and outgoing mail in a centralized mailroom of a large department.

Pursuant to analyses of the essential duties and responsibilities of the classification, the knowledge, skills and abilities required to perform them, and market data pertaining to salaries typically paid to employees performing this kind of work, a salary range of \$28,500-\$36,900 is recommended.

Honorable City Council:
Re: Amendment to Sales Resolution.
Development: 12221, 12225 & 12229 Visger.

On November 11, 2001, your Honorable Body authorized the sale of the above-captioned property via a Development Agreement to Waterfall Missionary Baptist Church, a Michigan Non-Profit Organization, for the purpose of constructing additional parking to accommodate their existing Church facility.

It has come to our attention that the parking lot has already been constructed, paved and appropriately landscaped. As a result of our findings, it is not necessary to execute an agreement with Waterfall Missionary Baptist Church to develop this property.

We, therefore, request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for this property to Waterfall Missionary Baptist Church, a Michigan Non-Profit Organization, for the amount of \$3,000.

Respectfully submitted,
HENRY B. HAGOOD

Director of Development Activities

By Council Member S. Cockrel:

Resolved, That in accordance with the foregoing communication, the authority to execute an agreement to purchase and develop the property known as 12221, 12225 & 12229 Visger to Waterfall Missionary Baptist Church, a Michigan Non-Profit Organization;

Be amended to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for the property more particularly described in the attached Exhibit A, to Waterfall Missionary Baptist Church, a Michigan Non-Profit Organization, for the amount of \$3,000.

Legal Description

Land in the City of Detroit, County of Wayne and State of Michigan being Lots 6 through 8; "Visger Heights Sub." of part of P.C. 125, Ecorse Twp., Wayne Co., Mich. Rec'd L. 38, P. 93 Plats, W.C.R.

Honorable City Council:
Re: Correction of Sales Resolution.
Development: 2652 Sampson.

On January 15, 2003, your Honorable Body authorized the sale of the above-captioned property via a Development Agreement to Bagley Housing Association, a Michigan Non-Profit Corporation, for the purpose of constructing a single family home as part of their Phase IV homes at St. Anne's.

It has come to our attention that the referenced property, which measures approximately 25' x 91', will be developed in conjunction with other adjacent properties already owned by Bagley Housing Association to construct three (3) single family homes. The homes will be developed with appropriate landscaping and will be sold to low and moderate income individuals and families.

We, therefore, request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed for this property to Bagley Housing Association, a Michigan Non-Profit Corporation, for the amount of \$1,500.

Respectfully submitted,
HENRY B. HAGOOD

Honorable City Council:

Re: Petition No. 1291. Harmonie Park Restaurant Group, 311 E. Grand River, Detroit, Michigan 48226.

The above mentioned Petitioner has requested permission to have their outdoor café service. This service will convene June 1st through November 1st of year 2003.

The service is requested for: INTER-MEZZO, 1435 Randolph, Detroit, Michigan 48226.

The Department of Public Works has approved this Petition provided that the Café meets the regulations set by the City Council as guided by Chapter 58, Section 58-2-8.1 of the City Code. The Planning and Development Department is not aware of any objections from any other City Agencies involved.

It is the recommendation of the Planning and Development Department that the Petitioner's request be granted.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member S. Cockrel:

Resolved, That the request for an outdoor café at 1435 Randolph, by Intermezzo, which will convene June 1st through November 1st, 2003, be and the same hereby granted that the Department of Public Works be authorized to issue a use permit contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with activities, and contingent that the permittee negotiate a use for one year with the Real Estate Division of the Planning and Development Department, prior to the Department of Public Works issuing a use permit.

Provided, That permittee, at this time of obtaining said permit, file with the Finance Department an indemnity agreement in form approved by the Law Department, saving and protecting the City of Detroit harmless from any and all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the permittee of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments;

Provided, That no rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condi-

tion that said encroachment shall be removed at the expense of the permittee at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the Department of Public Works by said permittee at its expense.

Provided, That this resolution is revocable at the will, whim and caprice of the City Council; and permittee hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that permittee acquires no implied or other privileges hereunder not expressly stated herein;

Provided, That the permit shall not be assigned or transferred without the written approval of City Council:

Provided, That the filing of the indemnity agreement and the securing of the necessary permits referred to herein, shall be construed as acceptance of this Resolution by the permittee;

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County by and at the permittee's expense;

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Department of Health;

Provided, That said activity is conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department;

Provided, That this permit shall be for a period not to exceed one year and may be renewable thereafter;

Provided, That the petitioner agrees to pay all taxes assessed against the use of sidewalks for outdoor café purposes;

Honorable City Council:

Re: Proposed Ordinance to Further Amend the Development Plan and Declaration of Restrictions for Central Business District Rehabilitation Project No. 3, Mich. R-8 ("CBD No. 3").

The attached version of a resolution scheduling a public hearing on the above referenced proposed ordinance amendment replaces and supercedes the prior version submitted by prior transmittal to you dated May 23, 2003 concerning this matter.

Pursuant to state statute and applicable provisions of the 1984 Detroit City Charter, the above-referenced ordinance is being submitted to your Honorable Body for consideration. Further modification of the Development Plan for CBD No. 3 is required to facilitate redevelopment of the final remaining undeveloped parcels within this development area. The attached draft Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions for the Central Business District No. 3 will establish Casinos and Casino Complexes as permitted uses for certain parcels within the redevelopment area proposed to be sold to Greektown Casino, L.L.C. for its permanent casino site.

Permitted density of development, as measured by the Land Coverage Maximum for Parcels A, 1, 2, B and 3, shall be calculated in relation to a larger development site bounded by Gratiot, Clinton, St. Antoine Streets and the I-375 Service Drive and shall not exceed 90 percent. The floor area ratio for parcels north of Clinton Street may not exceed 10 when calculated in relation to the entire development site bounded by Gratiot, Clinton and St. Antoine Streets and the I-375 Service Drive. Building Control lines have been deleted for parcels lying between Clinton and Gratiot Streets, for Parcels A, 1, 2, B, and 3.

Parking requirements for parcels A, 1, 2, B and 3 are amended to incorporate by reference such parking requirements for an additional use category of Casinos and Casino Complexes as are required by the SD5 (Special Development District for Casinos) zoning district classification provision of the Zoning Ordinance of the City of Detroit. The attached draft Fifth Amended Declaration of Restrictions incorporates these Development Plan modifications into the existing Declaration of Restrictions, which covers all parcels within this redevelopment area.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of and the holding of a public hearing concerning this proposed ordinance, as required by statute, no less than thirty days hence, on the 24th day of July, 2003 at 10:30 a.m.

Respectfully submitted,

BURNEY JOHNSON

Director of Planning Activities

By Council Member Collins:

AN ORDINANCE to amend Chapter 2, Article XLVII, of the 1964 Detroit City Code, which was saved from repeal by Ordinance No. 593-H and Section 1-1-7(13) of the 1984 Detroit City Code, by amending Section 2-47-2, and adding Section 2-47-8 to adopt the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions for Central Business District Rehabilitation Project No. 3, Mich. R-8 and provide for the filing and recording of same by the City Clerk.

Whereas, The City of Detroit previously made detailed studies of the location, physical condition of structures, land use, environmental influences, and social, cultural and economic conditions of the development area known as the Central Business District Rehabilitation Project No. 3, Mich. R-8 (hereinafter "CBD No. 3"), which is located within the City of Detroit and described as follows:

Beginning at point located at the intersection of the center line of Gratiot Avenue, 120 feet wide, and Hastings Street, 50 feet wide, thence southerly along the center line of Hastings Street to a point approximately 115.28 feet south of the south line of Madison Avenue, thence westerly to a point located at the north-east corner of Lot #3 on the northerly side of Mullett Street, C. Moran Farm P.C. #5 Subdivision, thence southerly along the easterly lot line of said Lot #3 to the center line of Mullett Street, 50 feet wide, thence easterly along said center line to the center line of Hastings Street, thence southerly along said center line to the center line of Fort Street, 50 feet wide, thence westerly along said center line approximately 134.21 feet to a point, said point located by the extension of the easterly lot line of Lot #3 located on south side of Fort Street, C. Moran Farm P.C. #5

Subdivision, thence southerly along said easterly lot line to the center line of the east-west alley, 20 feet wide, first southerly thereof, thence easterly along said alley center line to the center line of Hastings Street, thence southerly to the center line of Larned Street, 60 feet wide, thence westerly along said center line to a point 22 feet westerly of the easterly line of P.C. #2, thence northerly along a line and parallel to said easterly line of P.C. #2 to the center line of the east-west 20 foot alley first northerly thereof, thence westerly along said alley center line to the center line of St. Antoine Street, 50 feet wide, thence northerly along said center line to the center line of Congress Street, 60 feet wide, thence westerly along said center line to the center line of Beaubien Street, 60 feet wide, thence northerly along said center line to the center line of Fort Street, 50 feet wide, thence easterly along said center line to the center line of St. Antoine Street, thence northerly along said center line to the extension of center line of the alley, 20 feet wide between Lafayette Street and Monroe Street, thence easterly along said center line approximately 340.64 feet to a point, said point located by the extension of the westerly line of Lot #5 on the south side of Monroe Street, C. Moran Farm P.C. #5 Subdivision, thence northerly along said westerly lot line to the center line of Monroe Street, 50 feet wide, thence westerly along said center line to the center line of St. Antoine Street, thence northerly along said center line to the center line of Macomb Street, 50 feet wide, thence easterly along said center line to a point approximately 185 feet west of the center line of Hastings Street, thence northerly along a projected line to the center line of Mullett Street, 50 feet wide, said projected line intersecting the north line of Macomb Street, approximately 185 feet westerly of the center line of Hastings Street and said projected line also intersecting the southerly line of Clinton Street approximately 205 feet west of the center line of Hastings Street, thence westerly along said Mullett Street center line to a point, said point located by the extension of the westerly line of Lot #5 on the north side of Mullett Street, C. Moran Farm P.C. #5 Subdivision, thence northerly along said westerly lot line to the northwesterly corner of said lot, thence westerly along the south line of lots 6 and 7, south side of Madison Street, C. Moran Farm P.C. #5 Subdivision, continuing westerly along the south line of lots 1, 2, and 3, south side of Madison Street, A. Beaubien Farm P.C. #2, Subdivision, continuing along said line projected to the point of intersection with center line of St. Antoine, thence north along the center line of St. Antoine to the center line of Gratiot, thence northeasterly along said center line to the point of beginning.

Whereas, Based on said studies the City determined, in accordance with 1945 Public Act 344, as amended, MCL Section 125.71, et seq., that the area was a blighted area, as defined in MCL Section 125.72(a), because of obsolescence, physical deterioration of structures and other similar characteristics; and

Whereas, The Detroit City Council, in accordance with requirements set forth in aforesaid 1945 Public Act 344, as amended, has previously adopted a Development Plan with Declaration of Restrictions that encompasses all land and parcels within CBD No. 3, which Plan and Declaration of Restrictions has previously been modified and amended four separate times, by ordinance amendment, to facilitate redevelopment of said development area; and

Whereas, development of the final remaining blighted and undeveloped parcels within said development area now requires further modification and amendment of the previously adopted Fourth Modified Development Plan and Declaration of Restrictions for CBD No. 3, dated October 9, 1995, adopted December 6, 1995 by Ordinance No. 41-95; and

Whereas, The City's Planning and Development Department has developed a Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions for CBD No. 3 to facilitate redevelopment of the remaining undeveloped parcels within CBD No. 3 and has submitted same to City Council for consideration, together with a recommendation for approval and adoption thereof by ordinance amendment; and

Whereas, Said Fifth Modified Plan and Fifth Amended Declaration of Restrictions dated April 28, 2003, consisting of eleven (11) pages, inclusive of one map, has been reviewed and considered at public hearing held July 2, 2003, pursuant to proper notice, at which time all interested persons and organizations were given an opportunity to be heard; and

Whereas, The Planning and Development Department has certified to City Council that said Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions are consistent with and conform to the requirements set forth for this location in the City's Master Plan, as amended, that has been adopted for the City as a whole.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 2, Article XLVII, of the 1964 Detroit City Code, which was saved from repeal by Ordinance No. 593-H and Section 1-1-7(13) of the 1984 Detroit City Code, be amended by amending Section 2-47-2, and adding Section 2-47-8, to read as follows:

Sec. 2-47-2. Approval and filing of fifth modified development plan and

fifth amended declaration of restrictions.

The ~~Fifth~~ ~~Fourth~~ Modified Development Plan ~~Fifth Amended~~ Declaration of Restrictions for Central Business District Rehabilitation Project No. 3, Mich. Sec. 2-47-8 Filing and recording of fifth modified development plan and fifth amended declaration of restrictions.

A. Upon this Ordinance becoming effective, the City Clerk is hereby declared to place the original copy of the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions in her files, to provide true copies of the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions to the Director of the Planning and Development Department and to the Director of the Buildings and Safety Engineering Department, and to record a copy of this ordinance along with a copy of the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions with the Wayne County Register of Deeds.

B. Upon receipt of the information regarding the Liber and Pages where the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions is recorded, the City Clerk is directed to file such information with the original copy of the Fifth Modified Development Plan and Fifth Amended Declaration of Restrictions and to provide such recording information to the Director of the Planning and Development Department and to the Director of the Buildings and Safety Engineering Department.

Section 2. All ordinances, or parts of ordinances in conflict with this ordinance are repealed.

Section 3. If any clause, paragraph, phrase, section, sentence or word of this ordinance is declared invalid of unconstitutional by a court of the competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining clauses, paragraphs, phrases, sections, sentences or words of this ordinance.

Section 4. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 5. If this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and shall become effective.

tive upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter, otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

Honorable City Council:

Re: Establishment of an Industrial Development District on Behalf of Detroit Electro-Coatings Company under Public Act 198 of 1974 (Petition No. 1011).

Attached for your consideration please find a resolution and legal description which will establish an Industrial Development District in the area of 2599 22nd Street on behalf of Detroit Electro-Coatings Company.

The public hearing before your Honorable Body, required by the Act, was conducted earlier today. No impediments to the establishment of the District were presented at the public hearing, and we therefore recommend that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member McPhail:

Whereas, Pursuant to Act No. 198 of the Public Acts of 1974, as amended, ("the Act"), this City Council has the authority to establish "Industrial

Development Districts" within the boundaries of the City of Detroit; and

Whereas, Detroit Electro-Coatings Company has petitioned (Petition No. 1011) this City Council for the establishment of an Industrial Development District in the area of 2599 22nd Street, Detroit, MI 48216, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The Act requires that prior to the establishment of an Industrial Development District, City Council shall provide an opportunity for a hearing on the establishment of the District, at which hearing representatives of any taxing authority levying *ad valorem* taxes within the City of Detroit, or any owner of real property within the proposed expanded District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before this City Council on June 18, 2003 for the purpose of considering the establishment of an Industrial Development District, at which hearing representatives of any taxing authority, or owners of property within the proposed District, or any residents or taxpayers of the City of Detroit had an opportunity to address the establishment of said District; and

Whereas, No impediments to the establishment of the Industrial Development District were presented at the aforesaid public hearing;

Now Therefore Be It

Resolved, That the establishment of Industrial Development District No. 169, more particularly described in Exhibit A attached hereto, is hereby approved by this City Council in accordance with the Act.

The City of Detroit acquired as a tax reverted parcel through City Foreclosure, Lot 176; located on the South side of Floyd, between Rangoon and Wetherby, a/k/a 6603 Floyd.

The subject property in question is a single family frame residence in need of

rehabilitation and located in an area zoned R-1.

This property was advertised for sale to the public on a "First Come" sale basis in an "as is" condition. The minimum price was set at \$8,493.00 with terms of sale on a cash basis by our sealed bid procedure to include the required deposit in money order or cashier's or certified check to accompany any bid offering submitted.

Upon receipt of the "Presale Inspection Report" from the Buildings and Safety Engineering Department, the successful applicant is required to sign an "Affidavit of Compliance Responsibility" form with the Buildings and Safety Engineering Department. Further, the successful applicant must obtain a "Certificate of Approval" as a condition to occupying the property.

Further, the successful applicant is required to rehabilitate the structure currently existing on the property being conveyed, within six (6) months from receipt of a copy of the Quit Claim Deed by the City of Detroit. Further, the successful applicant has been informed that all rental properties they own in the City of Detroit must be registered with the Buildings and Safety Engineering Department as a rental property.

Further, if the applicant fails to complete the rehabilitation of the structure within the time specified herein, the City of Detroit shall have the power to terminate the sale herein conveyed and the right to re-enter and repossess.

An Offer to Purchase was received from Ramiro Hernandez, in the amount of \$8,493.00 on a cash basis.

We request your Honorable Body's approval to accept this Offer to Purchase from Ramiro Hernandez, in the amount of \$8,493.00 on a cash basis.

Respectfully submitted,

Honorable City Council:

Re: Permission to accept a Traffic Enforcement Equipment Grant from the Michigan Office of Highway Safety Planning.

The Michigan Office of Highway Safety Planning (MOHSP) has awarded the Detroit Police Department's Seventh Precinct a grant in the amount of \$4,995 with no cash match requirement. The award was granted to the Seventh Precinct as a result of their participation in a Law Enforcement Challenge sponsored by the (MOHSP). From December 20, 2002 through January 5, 2003, law enforcement agencies throughout Michigan were challenged to increase their safety belt and drunk driving efforts.

The grant will fund the purchase of equipment needed to enhance the traffic enforcement efforts within the Seventh Precinct. Commander Pierre Fortier of the Seventh Precinct will be the Project

Director and facilitate the purchase of equipment.

Enclosed is a copy of the grant award letter for each member of Council. Approval for participation in this program would enable the Detroit Police Department's Seventh Precinct to continue its proactive approach to addressing the concerns of our residents, businesses and visitors as it relates to traffic issues.

The Board of Police Commissioners has approved the acceptance of this grant award. Therefore, it is respectfully requested that your Honorable Body accept the attached resolution authorizing the City of Detroit to accept this grant.

If you have additional questions or concerns, please feel free to contact me at 596-1800.

Respectfully submitted,
JERRY A. OLIVER, SR.
Chief of Police

Detroit Police Department

February 5, 2003

Honorable City Council:

Re: Permission to Accept Thirty-Four Foot Aluminum Boat Donated to the Detroit Police Department from Operation North Star, United States Government Selfridge Air Force Base.

The Detroit Police Department Underwater Recovery Team acquired a thirty four-foot aluminum hull boat from Operation North Star, United States Government, Selfridge Air Force Base, at no cost to the City of Detroit. This boat will replace Boat 3, which was taken out of service after thirty-three years of service due to heavy structural damage. Boat 3 is currently dry docked and housed at the Harbormaster Boat House until it is sold as scrap. Boat 3 was launched in 1969

and was primarily used as a patrol vessel, operating as a search recovery platform for drowned victims.

The new watercraft called the Packman is a thirty-four foot aluminum hull boat that was built in 1988 at a cost of \$64,394.28. Twin 250 hp Mercury outboard engines can power this boat at speeds up to 40 knots. Two 150-gasoline storage tanks, provides enough fuel to power this craft at cruising speeds for up to eight hours. The Packman has a beam of 12 feet. It has a starboard mounted cabin, which can comfortably house a crew of four. The Packman is a high performance landing craft. This vessel can fulfill multiple roles, which will significantly enhance overall operations of the underwater recovery team. With a 20-foot open deck, this boat could provide an adequate platform for diving operations, emergency transport of injured persons and or heavy equipment.

Due to the new demands placed upon law enforcement personnel by the events of 911, writer recommends that the thirty-four foot Packman boat be accepted by the Detroit Police Department's Underwater Recovery Team to assist in river patrol, rescue, recovery operations and protecting our borders under Homeland Security. There is no cash match required by the City of Detroit.

Enclosed, please find a copy of the appropriate paperwork for the aforementioned boat. The Board of Police Commissioners has approved the acceptance of the boat. Therefore, it is respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the donated boat.

Should you have any additional questions or concerns, please feel free to contact me at 596-1800, Monday through Friday, 8:00 A.M. to 5:00 P.M.

Respectfully submitted,

Honorable City Council:

Re: Transfer of Portion of 4610 W. Jefferson to Surplus Property to the Detroit Planning & Development Department.

On March 16, 1994 the City Council adopted a "Resolution of Authority" for the Detroit Water and Sewerage Department (DWSD) to acquire properties, easements and rights-of-way for the purpose of constructing federally-mandated Combined Sewer Overflow (CSO) basins. The Detroit City Council adopted a Council Resolution on October 23, 2002 for the transfer of jurisdiction of 4610 W. Jefferson, Ward 16 Item 65 from the Planning & Development Department (P&DD) to DWSD to construct one CSO control facility. A corrective resolution is required to correct an administrative error in the description of property required for the CSO control facility project.

We are hereby asking your Honorable Body to adopt the following resolution, which authorizes the transfer of jurisdiction of the surplus portion of 4610 W. Jefferson acreage not required to construct a CSO control facility to the P&DD.

Respectfully submitted,
HENRY B. HAGOOD
Director of Development Activities
VICTOR M. MERCADO
Director of Water &
Sewerage Department

By Council Member S. Cockrel:

Resolved, That the Water and Sewerage Department is authorized to transfer jurisdiction of Parcel A of the property at 4610 W. Jefferson, Ward 16 Item 65

Honorable City Council:

Re: Bridgeview Apartments Phase I Project — Pilot.

Church of the Messiah Housing Corporation, the sponsor, has formed Bridgeview I Limited Dividend Housing Association Limited Partnership. Bridgeview Apartments Phase I is being financed by a loan from Standard Federal Bank in the amount of \$198,994 at 8.35% for 15 years, City of Detroit — Home Investor Loan Program — \$181,232 at 6.00% for 20 years and Low Income Housing Tax Credits.

Messiah Housing Corporation is constructing an 11 unit housing development in an area bounded by Helen Street on the West; East Jefferson Avenue to the South; Sheridan Street to the East and East Lafayette to the North. The addresses are: 1505 Field Street; 165 and 177 East Grand Boulevard. The project will consist of 1 2-bedroom 1 bath unit; 2 2-bedroom 1-1/2 bath units; 6 3-bedroom 1-1/2 bath units; 2 3-bedroom 2-1/2 bath units.

In order to make the development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346, as amended MCLA 125.1415A).

Twenty percent (20%) or 2 of the units must be occupied by households having incomes no greater than 50% of the area median income, adjusted for family size. The remaining eighty percent (80%) or 9 of the units must be occupied by households with incomes that do not exceed 60% of the area median income adjusted for family size. These restrictions will be in effect for the longer of the period of the Affordable Housing Restrictions apply or the time required under the Tax Credit Program.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90 as amended, by establishing a service charge of four percent (4%) of the annual net shelter rents obtained from this project.

Respectfully submitted,
FREDERICK W. MORGAN

Assessor

By Council Member S. Cockrel:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1966, as amended, a request for exemption from taxes by Church of the Messiah Housing Corporation has been filed, and it has been determined that said sponsors have formed Bridgeview I, a Limited Dividend Housing Association Michigan Limited Partnership; and

Whereas, Said sponsors are develop-

ing an 11 unit Housing Project known as Bridgeview Apartments Phase I Project which is being financed by City of Detroit-Home Investor Loan Program in the amount of \$181,232 at 6% for 20 years; a loan from Standard Federal Bank of \$198,994 at 8.35% for 15 years and Low Income Housing Tax Credits and

Whereas, The purpose of the housing project is to serve low to moderate income persons, the description of the property is as Exhibit "A".

Now Therefore, Be It Resolved, That said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts 1966, as amended, being MCLA 125, 1401, et. seq., MSA 16.114(1) et. seq., and

Be It Further Resolved, That said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of four percent (4%) per City Ordinances 9-90, as amended, having taken effect, and

Be It Further Resolved, That arrangements to have collections of a payment in lieu of taxes from Bridgeview I Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the above described property and that all necessary journal entries, with respect to the same, be prepared by the Chief Financial Officer.

Be It Further Resolved, That the City Clerk furnish the Finance-Assessments Division, two certified copies of this resolution.

Honorable City Council:

Re: Central Business District Project No. 3. Development: Parcel 243, located

on the south side of Gratiot between St. Antoine & Chrysler Fwy.

On June 16, 2003, a public hearing in connection with the proposed transfer of the captioned property in the Central Business District Project No. 3 was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard.

The proposed redeveloper has submitted satisfactory evidence that they possess the necessary financial resources required to develop land in accordance with the Development Plan for the project. Parcel 243 will be used in conjunction with property already owned by the Developer to construct the new permanent home for Greektown Casino.

We, therefore, request that your Honorable Body authorize and confirm the sale and authorize the Planning and Development Department Director of Development Activities to execute an Agreement to Purchase and Develop Parcel 243 in the Central Business District Project No. 3, with Greektown Casino, L.L.C., a Michigan Limited Liability Company, for the amount of Ten Million Five Hundred Thousand and 00/100 Dollars (\$10,500,000.00).

Law Department

June 10, 2003

Honorable City Council:

Re: Franchise Agreement Amendment and Ordinance Amendment Extending the Expiration Date of the Comcast Cable Franchise to June 30, 2004

Despite the best efforts of the City's and Comcast Cablevision of Detroit's ("Comcast") representatives, the negotiations for the renewal of the cable franchise have not been concluded. The vast majority of the issues have been resolved. However, one major issue that remains to be fully worked out is the development, construction and ultimate usage of a City-wide municipal network. Ongoing discussions are being conducted by the Information Technology Department (ITS) to develop a responsible plan for the City-wide network which will support any future proprietary network developed by ITS.

For that reason, Commission staff recommended a nine month extension of the Franchise. However, on motion of Commissioner Hunt, the Commission adopted a resolution urging favorable action by your Honorable Body on an amendment to the Franchise Agreement and to Section 9.5-3-5 of the 1984 Detroit City Code, extending the term of the cable franchise for a full year to June 30, 2004. The municipal network now being developed will be in place for many years; it is vital to allow sufficient time for the development of a system that will meet the City's present and future needs, as well as adequate time for due diligence by your Honorable Body and other affected agencies.

Attached for your consideration and approval is 1) an executed copy of an amendment to the Franchise Agreement, extending its expiration date to June 30, 2004; 2) a Resolution approving that amendment; and 3) an amendment to Section 9.5-3-5 of the 1984 Detroit City Code.

As you are aware, those amendments require final action by your Honorable Body, with waiver of reconsideration, before June 30, 2003. We respectfully request that the ordinance be introduced and set for public hearing at your next Formal Session, and that the Franchise Agreement Amendment be approved at the same session as the ordinance amendment.

We are available to answer any questions that you may have concerning this proposed ordinance. Thank you for your attention to this matter.

Respectfully submitted,

BRENDA E. BRACEFUL

Deputy Corporation Counsel

COMCAST CABLE FRANCHISE EXTENSION AGREEMENT

1. The City of Detroit ("City") granted

Barden Cablevision of Detroit, Inc., the predecessor of Comcast Cablevision of Detroit, Inc. ("Comcast") a non-exclusive cable television franchise pursuant to Section 9.5-3-1 *et seq.*, of the 1984 Detroit City Code, as amended, ("Franchise Ordinance") which franchise grant is due to expire on June 30, 2003 ("Franchise").

2. The City and Comcast agree to extend Comcast's existing Franchise so that it shall expire on June 30, 2004 at 11:59 p.m.

3. Comcast and the City agree that neither party shall be deemed to have waived any of its rights under Section 626 of the Federal Cable Act (47 U.S.C. 546) as a result of agreeing to extend the Franchise, and that this extension shall not be deemed to constitute an approval by the City of the renewal of the Franchise or approval of any proposal previously submitted by Comcast, if any.

4. This extension is intended to provide an adequate period of time for review of the proposed Franchise renewal document by the Detroit City Council and its agencies.

5. The execution, delivery and performance of this Agreement by Comcast and the City has been duly authorized by all necessary action, including, for the City, adoption of an amendment to 1984 Detroit City Code Section 9.5-3-5 extending the expiration date of the Franchise to June 30, 2004.

6. This Agreement shall be deemed effective as of June 30, 2003.

This Agreement has been signed by the duly authorized undersigned representatives of Comcast and the City, respectively, and constitutes the legal, valid, and binding obligation of Comcast, its successors and assigns, and the City, enforceable in accordance with its terms.

AN ORDINANCE to amend Chapter 9.5, Article III, of the 1984 Detroit City Code, titled "Franchise," by amending Section 9.5-3-5, captioned "Term," to extend the term of

the cable television franchise which was granted by the City pursuant to this Article, from June 30, 2003 to December 31, 2003.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 9.5, Article III, of the 1984 Detroit City Code, titled "Franchise," be amended by amending Section 9.5-3-5, captioned "Term," to read as follows:

Sec. 9.5-3-5. Term.

Unless revoked, forfeited, or terminated in accordance with Section 9.5-3-20 of this Code or applicable sections of the Franchise Agreement, as amended, the term of the cable television franchise which was granted by the City pursuant to this article, and which commenced on August 31, 1983, shall terminate at 11:59 p.m., Eastern Time, on ~~June 30, 2003~~ December 31, 2003.

Section 2. All ordinances, or parts of ordinances, which conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. In the event that this ordinance is approved by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Otherwise, this ordinance shall become effective on the thirtieth (30th) day after enactment in accordance with Section 4-115 of the 1997 Detroit City Charter.

Approved as to form only:

BRENDA E. BRACEFUL
Deputy Corporation Counsel

Read twice by title, ordered printed and laid on table.

RESOLUTION SETTING
PUBLIC HEARING

By Council Member Bates:

Resolved, That a Public Hearing will be held by this Body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center on MONDAY, JUNE 30, 2003 AT 10:30 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 9.5 of the 1984 Detroit City Code, titled "Franchise" by amending Section 9.5-3-5 captioned "Term," to extend the term of the cable television franchise which was granted by the City pursuant to this Article, from June 30, 2003 to December 31, 2003.

All interested persons are invited to be present and be heard as to their views.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

Council Member Collins moved to waive reconsideration on the foregoing resolution relative to Comcast Cable for extension of time, which motion did **not** prevail as follows:

Not Adopted as follows:

Yeas — Council Members Collins, McPhail, Watson, and President Mahaffey — 4.

Nays — Council Members Bates, S. Cockrel, Everett, Tinsley-Talabi — 4

By Council Member Bates:

Whereas, The City of Detroit and its Cable Communications Commission (the "Commission") through their representatives have almost completed successful negotiation of a renewal Franchise Agreement with Comcast Cablevision of Detroit, Inc. ("Comcast"); and

Whereas, The City's representatives and Comcast have reached agreement on most issues, a major issue remains to be resolved, that of the development, construction and ultimate usage of a City-wide municipal network; and

Whereas, The Information Technology Department (ITS) has become involved in the process and is in discussions to develop a responsible plan for a City-wide network which will support any future proprietary network developed by ITS; and

Whereas, Due to the complex and technical nature of the City-wide network and the fact that what is being developed and included in the Franchise Agreement in 2003, must be carefully drafted in such a way as to meet the City's future communication needs during the life of the Franchise; and

Whereas, Comcast's franchise grant from the City expires on June 30, 2003 at 11:59 p.m.; and

Whereas, To allow sufficient time for the development of the City-wide network, and to allow adequate time for review of the document, including its technical components, by the Cable Commission, the Mayor, City Council, City Council's Research and Analysis Division and their staff, the Commission, at its May 13, 2003 meeting, approved a recommendation to the City Council for an extension of the Franchise Agreement to June 30, 2004; and

Whereas, The Franchise Agreement, as amended, will expire on June 30, 2003, it is therefore necessary to approve the attached Agreement with Comcast so that the franchise grant shall expire on June 30, 2004; and

Whereas, Section 9.5-3-5 of the Detroit City Code is being amended to extend the term of the non-exclusive cable television franchise granted to Comcast Cablevision of Detroit, Inc. to June 30, 2004; and

Whereas, The Detroit City Council approval of the attached Agreement extending the term of the non-exclusive

cable franchise granted to Comcast Cablevision of Detroit, Inc., is subject to approval of the ordinance amendment; and

Whereas, The Detroit City Council finds that the extension agreement is in the best interest of the City of Detroit;

Now, Therefore, Be It Resolved, That the Detroit City Council approves the attached Agreement extending the term of the non-exclusive cable television franchise grant to Comcast Cablevision of Detroit, Inc. to June 30, 2004, subject to approval of the ordinance amendment; and

Be It Finally Resolved, That this Resolution is approved with Waiver of Reconsideration.

Not Adopted as follows:

Yeas — Council Members Collins, McPhail, Watson, and President Mahaffey — 4.

Nays — Council Members Bates, S. Cockrel, Everett, Tinsley-Talabi — 4

**REVISED
RESOLUTION APPROVING
BROWNFIELD PLAN OF THE CITY OF
DETROIT BROWNFIELD
REDEVELOPMENT AUTHORITY FOR
THE BRENTON & DEAN HOMES
PROJECT**

City of Detroit

County of Wayne, Michigan

By Council Member McPhail:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, An eligible taxpayer may qualify for the Michigan Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended, for any eligible investments on eligible property identified under a brownfield plan; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield Plan for the Brenton & Dean Homes Redevelopment Project (the "Plan") that would enable the owner to apply for a Michigan Single Business Tax credit for eligible investments on eligible property as defined by Act 381, as amended, after the adoption of this Plan; and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on April 8,

2003, and a public hearing to solicit comments on the proposed Plan on April 23, 2003; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan of April 8, 2003; and

WHEREAS, The Authority approved the Plan on May 7, 2003 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on June 18, 2003.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. **Definitions.** Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

“Eligible Activities” or “eligible activity” shall have the meaning described in Act 381.

“Eligible Property” means the property designated in the Plan as the Eligible Property, as described in Act 381.

“Plan” means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

“Taxing Jurisdiction” shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. **Public Purpose.** The City Council hereby determines that the Plan constitutes a public purpose.

3. **Best Interest of the Public.** The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. **Review Considerations.** As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The Plan meets the requirements set forth in section 13 of Act 381.

(b) The proposed method of financing the costs of Eligible Activities is feasible.

(c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(d) No captured taxable value estimated to result from adoption of the Plan since all Eligible Activities will be financed by the owner of the Eligible Property and the Plan does not provide for the use of tax increment revenues for eligible activities.

5. **Approval and Adoption of Plan.** The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk’s office.

6. **Disclaimer.** By adoption of this resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended.

7. **Repealer.** All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

8. The City Clerk is requested to submit three (3) certified copies of this Resolution to the DBRA, 211 W. Fort Street, Suite 900, Detroit, MI 48226.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on the _____ day of _____, 2003, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

Honorable City Council:

Re: Seven Proposed Ordinances:
to Amend Chapter 9 of the 1984 Detroit City Code by adding Article 1, titled "Detroit Property Maintenance Code,"
to Amend Chapter 35.5 of the 1984 Detroit City Code by adding Division 4, "Property Maintenance Enforcement Branch,"
to Repeal Chapter 26, Article V, of the 1984 Detroit City Code, titled "Housing Code,"
Chapter 9, Article XIV, of the 1984 Detroit City Code titled "Maintenance of Exterior Appearances of Commercial Buildings," and
Chapter 9, Article XV, of the 1984 Detroit City Code titled "Barricades for Buildings" Which Partially Govern

Property Maintenance Within the City, and
to Repeal Chapter 9, Article XVI, of the 1984 Detroit City Code, titled "Property Maintenance Code" and Ordinance 3-91, the Property Maintenance Code with Amendments, Incorporated by Reference Into Chapter 9, Article XVI, of the 1984 Detroit City Code, Which Were Invalidated in Ewing v City of Detroit.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced seven proposed ordinances are being submitted to your Honorable Body for consideration and passage. These seven proposed ordinances concern the enactment of the Detroit Property Maintenance Code and the Property Maintenance Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau, and the repeal of those ordinances which have governed property maintenance within the City.

The first proposed ordinance amends Chapter 9 of the 1984 Detroit City Code by adding a new Article 1, titled "Detroit Property Maintenance Code." Specifically, this ordinance provides the minimum maintenance requirements for all buildings, premises, and structures, requires the registration of rental property, and requires issuance of a certificate of compliance for certain buildings and structures. This proposed ordinance provides that violations of the Detroit Property Maintenance Code shall be municipal civil infractions, and for a schedule of fines for violations of the article. This proposed ordinance authorizes the Director of the Buildings and Safety Engineering Department and the Public Health Director, and their authorized City officials and designees, to enforce the provisions of the article.

The second proposed ordinance amends Chapter 35.5 of the 1984 Detroit City Code by adding a new Division 4, titled "Property Maintenance Enforcement Branch," which establishes the Property Maintenance Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau to be administered by the Buildings and Safety Engineering Department. This proposed ordinance provides, in conjunction with the first proposed ordinance, for the Bureau to process the municipal civil infraction violation notices issued under the Detroit Property Maintenance Code.

The third, fourth, and fifth proposed ordinances repeal three (3) articles of the 1984 Detroit City Code: 1) Chapter 26, Article V, titled "Housing Code," 2) Chapter 9, Article XIV, titled "Maintenance of Exterior Appearances of Commercial Buildings," and 3) Chapter 9, Article XV, titled "Barricades for Buildings." These

three proposed ordinance repeal portions of the City Code which partially govern property maintenance in the City and which will no longer be needed with the enactment of the Detroit Property Maintenance Code.

The sixth and seventh proposed ordinances repeal: 1) Chapter 9, Article XVI, of the 1984 Detroit City Code, titled "Property Maintenance Code." and 2) Ordinance No. 3-91, the Property Maintenance Code with Amendments, which is incorporated by reference into Chapter 9, Article XVI. These two articles were invalidated by the Michigan Court of Appeals in *Ewing v City of Detroit*, 237 Mich App 696; 604 NW2d 787 (1999).

We respectfully request that these proposed ordinances be scheduled for a discussion at the earliest possible date, that they be introduced at the earliest possible formal session, and that a public hearing be scheduled on the earliest possible date. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have concerning these proposed ordinances. Thank you for your consideration.

Respectfully submitted,

AMRU MEAH
Director

By Council Member Bates:

AN ORDINANCE to amend Chapter 9 of the 1984 Detroit City Code by adding Article I, titled 'Detroit Property Maintenance Code', which shall consist of Division 1, titled 'In General', containing Sections 9-1-1 through 9-1-21, Division 2, titled 'Administration and Enforcement', containing Sections 9-1-31 through 9-1-49, Division 3, titled 'Requirements for Rental Property', containing Sections 9-1-81 through 9-1-85, and Division 4, titled 'Property Maintenance Requirements', which shall consist of Subdivision A, titled 'Requirements for Exteriors of Buildings, Premises, and Structures', which shall consist of Part 1, titled 'General Requirements', containing Sections 9-1-101 through 9-1-112, and Part II, titled 'Exteriors of Buildings, Premises, and Structures', containing Sections 9-1-201 through 9-1-221, and Subdivision B, titled 'Requirements for Interiors of Buildings and Structures', which shall consist of Part 1, 'General', containing Sections 9-1-301 through 9-1-314, Part II, titled 'Solid Waste', containing Sections 9-1-331 through 9-1-333, Part III, titled 'Extermination', containing Sections 9-1-351 through 9-1-355, Part IV, titled 'Light and Ventilation Requirements', containing Sections 9-1-371 through 9-1-

Sec. 9-1-4. Title and applicability.

(a) This article shall be known as the Detroit Property Maintenance Code and establishes the minimum legal requirements for the maintenance, inspection and reinspection of all buildings, premises, and structures within the City and all buildings, premises, or structures outside of the City which are owned, operated and/or maintained by the City.

(b) The provisions of this article shall apply to all existing residential and non-residential buildings, premises, and structures and shall constitute minimum requirements and standards for such buildings, premises and structures, including facilities for light, ventilation, space, heating, sanitation, protection from the elements, life safety, safety from all hazards, and for safe and sanitary maintenance. This article shall govern the maintenance responsibility of owners, operators and occupants, the occupancy of existing premises and structures, and the administration, enforcement and penalties provided for in this article consistent with provisions of Michigan law and of the 1984 Detroit City Code. Where, in a specific instance, different provisions of Michigan law or of the 1984 Detroit City Code specify different requirements for any building, premises or structure, the most restrictive of any such provisions shall govern.

Sec. 9-1-5. Intent of Code.

The Detroit Property Maintenance Code shall be construed to secure its expressed intent, which is to ensure the public health, safety, and welfare insofar as they are affected by the continued occupancy and maintenance of buildings,

premises, and structures within the City. Existing buildings, premises, and structures that do not comply with this article shall be altered or repaired to provide a minimum level of health, safety, and welfare as required by this article.

Sec. 9-1-6. Savings clause.

Any prosecution arising from a violation of any provision of the 1984 Detroit City Code that is repealed by the enactment of this article, or rule or regulation promulgated thereto, which prosecution may be pending at the time that this article becomes effective, or any prosecution which may be started within one (1) year after the effective date of this article in consequence of any violation of any provision of the 1984 Detroit City Code repealed commensurate with the enactment of this article, which violation was committed previous to the effective date of this article, shall be adjudicated exactly as if such ordinance, provision, or rule or regulation promulgated thereto, had not been repealed.

Sec. 9-1-7. Existing remedies preserved.

The provisions of this article shall not be construed to abolish or impair existing remedies of the City relating to the repair, renovation, rehabilitation, removal, or demolition of any building, premises, or structure which is dangerous, unsafe and/or unsanitary, or otherwise in violation of this article.

Sec. 9-1-8. Referenced codes and standards.

The specific sections of the Michigan Construction Codes enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504, of the 1984 Detroit City Code, and of the Detroit Zoning Ordinance, being Chapter 61 of the 1984 Detroit City Code, which are referenced in this article are considered to be part of the requirements of this article to the prescribed extent of each such reference.

Sec. 9-1-9. Requirements not covered by this article.

Requirements necessary for the strength, stability or proper operation of an existing building, premises, structure, fixture, or equipment, or for the public safety, health and welfare, not specifically covered by this article, or any other applicable Michigan law or provision of the 1984 Detroit City Code, shall be determined by the Director of the Buildings and Safety Engineering Department.

Sec. 9-1-10. Application of other codes.

Repairs, additions or alterations to a building, premises or structure, or changes of occupancy governed under this article, shall be done in accordance with the procedures and provisions of the Michigan Construction Codes enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction

Code Act, being MCL 125.1504, or such other applicable Michigan law or provisions of the 1984 Detroit City Code, concerning the repair, construction or reconstruction of buildings, premises, and structures.

Sec. 9-1-11. Minimum maintenance requirements.

(a) The provisions of this article shall govern the minimum conditions and the responsibilities of owners, operators, and occupants for maintenance of buildings, premises, and structures, including exterior and interior property.

(b) Failure of the owner, operator, and occupant to comply with any of the minimum requirements of this article shall be construed as maintaining an unsafe building, premises, or structure and shall be deemed a violation of this article.

Sec. 9-1-12. Responsibility for maintenance; violations.

(a) The owner of the building, premises, or structure shall maintain the building, premises or structure, and its exterior property, in compliance with these requirements, except as otherwise provided for in this article.

(b) It shall be unlawful for a person to occupy as owner-occupant, or permit another person to occupy, a building, premises, or structure which is not maintained in a habitable, sanitary and safe condition in accordance with the requirements of this article.

(c) Occupants of a dwelling unit are responsible for keeping that part of the dwelling unit or premises which they occupy and control in a clean, habitable, sanitary, and safe condition.

(d) Except as otherwise specified within this article, the owner, or the owner's designated agent, shall be responsible for the maintenance of the building, premises, and structures regulated under this article, and for any violation or violations and any corresponding penalty or penalties, as a result of a failure to comply with the provisions of this article.

Sec. 9-1-13. Vacant buildings, premises, and structures.

(a) All vacant buildings, premises, and structures shall be maintained by the owner free of any solid waste, as defined in Section 9-1-2 of the 1984 Detroit City Code, including debris, garbage, litter and rubbish, and in a clean, safe, secure and sanitary condition as provided for in this article so as not to cause a blighting problem or adversely affect the public health, safety, or welfare.

(b) Peeling paint shall be removed from the exterior of vacant buildings and all surfaces of vacant buildings shall be maintained in accordance with this article.

(c) All barricades for doors and windows and other openings on vacant buildings shall be installed so that their exterior surfaces are on an even plane as close

as possible with the building front, consist of one (1) piece, and made of tongue and groove lumber or plywood.

(d) The Director of the Buildings and Safety Engineering Department, or his or her designee, may approve modifications of the requirements of this section upon determination that the resulting barricade for the door, window, or other opening will be of equal or superior quality to the specified requirements.

Sec. 9-1-14. Workmanship.

Repairs, maintenance work, alterations or installations which are caused directly or indirectly by the enforcement of this article shall be executed and installed in a workmanlike manner in accordance with applicable Michigan law and with the provisions of the 1984 Detroit City Code, and/or in accordance with the manufacturer's installation instructions.

Sec. 9-1-15. Historic buildings, premises, and structures.

(a) The provisions of this article shall be mandatory for existing buildings, premises, and structures designated by the United States, the State of Michigan, or the City, as historic to the extent that the requirements of this article are consistent with any federal, state, or City law or regulation governing historic buildings, premises and structures, provided, that where an inconsistency exists and the requirements of this article are not mandatory, the Director of the Buildings and Safety Engineering Department is authorized to issue an order to the owner of the historic building, premises, or structure concerning an imminent danger or unsafe or unsanitary condition to protect the public health, safety, and welfare.

(b) All work performed on historic buildings, premises, and structures pursuant to this article shall be in accordance with the requirements of applicable federal, or of Michigan law or regulation, or of the provisions of the 1984 Detroit City Code, including complying with any permit requirement.

Sec. 9-1-16. Devices, equipment, safeguards, and systems; removal or abrogation.

Devices, equipment, safeguards, and systems that are required by this article, or a previous code or provision of the 1984 Detroit City Code, or regulation under which the building, premises or structure was constructed, altered or repaired, shall be maintained in good repair. The requirements of this article are not intended to provide the basis for removal or abrogation of fire protection and safety systems and devices in an existing building, premises or structure.

Sec. 9-1-17. Notice to owner or to person responsible for violation.

(a) Whenever the Director of the Buildings and Safety Engineering Department or the Public Health Director

determines that there has been a violation of this article, or has reasonable grounds to believe that a violation has occurred, a notice or order shall be given to the owner or the person responsible for the maintenance of the building, premises, or structure in the accordance with this section.

(b) A notice or order under this section, except a municipal civil infraction violation notice or a municipal civil infraction citation, shall be deemed to be properly served:

(1) Where the original, or a copy, of the notice or order is delivered personally, or sent by certified or first-class mail addressed to the last known address of the owner of the building, premises or structure; or

(2) Where the notice or order is returned showing that the mail was not delivered, proof that a copy of the notice or order was securely posted in a conspicuous place on or about the building, premises, or structure that is the subject of the notice or order.

(c) A municipal civil infraction violation notice shall be issued in accordance with Chapter 87 of the Revised Judicature Act, being MCL 600.8701 *et seq.* and with Chapter 35.5 of the 1984 Detroit City Code.

(d) A municipal civil infraction citation shall be issued in accordance with Chapter 87 of the Revised Judicature Act, being MCL 600.8701 *et seq.* and with Chapter 35.5 of the 1984 Detroit Code.

(e) Notices or orders for condemnation or demolition procedures shall comply with the requirements of the 1984 Detroit City Code.

Sec. 9-1-18. Receipt or service of a notice, order, municipal civil infraction violation notice or municipal civil infraction citation; action by owner.

It shall be unlawful for the owner of any building, premises, or structure who has received or been served a notice, an order, a municipal civil infraction violation notice, or a municipal civil infraction citation in accordance with Section 9-1-17 of the 1984 Detroit City Code concerning a violation of this article to sell, transfer, mortgage, lease or otherwise dispose of such building, premises, or structure to another until the provisions of the notice, order, municipal civil infraction violation notice, or municipal civil infraction citation have been complied with, without providing the grantee, transferee, mortgagee or lessee a duplicate copy of the notice, order, municipal civil infraction violation notice, or municipal civil infraction citation issued by the City concerning the violation. Where a duplicate copy is provided, the owner shall furnish to the appropriate City official a signed and notarized statement from the grantee, transferee, mortgagee, or lessee, acknowledging the

receipt of a copy of the notice, order, municipal civil infraction violation notice, or municipal civil infraction citation and fully accepting the responsibility without condition for making the alterations, corrections, or repairs required to cure the violation contained in the notice, order, municipal civil infraction violation notice, or municipal civil infraction citation.

Sec. 9-1-19. Violations.

(a) In accordance with Sections 1-1-9(b) and 35.5-1-2 of the 1984 Detroit City Code, a violation of this article is deemed to be a municipal civil infraction.

(b) Any person who violates any section of this article may be issued a municipal civil infraction violation notice or a municipal civil infraction citation pursuant to the Chapter 35.5 of the 1984 Detroit City Code for each day that the violation continues.

(c) In accordance with Chapter 35.5 of the 1984 Detroit City Code, any person, firm, partnership or corporation, or anyone acting on behalf of said person, firm, partnership or corporation, who admits responsibility or is found to be responsible, through a municipal civil infraction determination, for violation of this article shall be subject to a civil fine.

Sec. 9-1-20. Civil fines for violations of article.

(a) In lieu of the civil fines that are contained in a Section 35.5-1-3 of the 1984 Detroit City Code, the following schedule of civil fines shall be assessed and paid at the Property Maintenance Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau for violation of the Detroit Property Maintenance Code:

(b) In the case of a firm, or a partnership, the civil fine may be imposed upon the partnership or members thereof, and in the case of a corporation, the civil fine may be imposed upon the officers thereof.

(c) The imposition of a civil fine, or the payment of same, under this section shall not be construed as excusing or permit-

ting the continuance of any violation of this article.

Sec. 9-1-21. Civil remedies for violations; abatement of violation.

The imposition of the civil fines prescribed in Section 9-1-20 of the 1984 Detroit City Code shall not preclude the Corporation Counsel from instituting a

legal action or proceeding in equity in a court of competent jurisdiction to restrain, correct or abate a violation or violations of the provisions of this article, or to prevent illegal occupancy of a building, premises, or structure, or to stop an illegal act, conduct, business or utilization of the building, premises or structure. When necessary to compel correction or abatement of a violation or nuisance, the City shall utilize any available means under Michigan law, the 1997 Detroit City Charter, or the 1984 Detroit City Code.

Secs. 9-1-22 — 9-1-30. Reserved.

DIVISION 2. ADMINISTRATION AND ENFORCEMENT

Sec. 9-1-31. Authorization and enforcement.

(a) The Director of the Buildings and Safety Engineering Department and the Public Health Director, through their authorized City officials and designees, are authorized to administer and enforce the provisions of this article.

(b) In accordance with the prescribed procedures of the City, the Director of the Buildings and Safety Engineering Department and the Public Health Director shall have the authority to designate technical officers and inspectors who are authorized to enforce and to ensure compliance with the provisions of this article, to conduct inspections and reinspections, and to issue and serve upon a person a written notice or order, where the public servant has reasonable cause to believe that there has been a violation of this article.

(c) In accordance with Section 35.5-2-42 of the 1984 Detroit City Code, the Director of the Buildings and Safety Engineering Department and the Public Health Director shall have the authority to designate authorized City officials who are authorized to issue and serve upon a person a municipal civil infraction notice or a municipal civil infraction citation where the authorized City official has reasonable cause to believe that there is a violation of this article.

(d) A City official or employee who is connected with the enforcement of this article, except one whose only connection is that of a member of the Board of Zoning Appeals established under the 1997 Detroit City Charter, neither shall be engaged in, or directly or indirectly be connected with, the furnishing of labor, materials or appliances for the construction, alteration or maintenance of a building, premises or structure, or the preparation of construction documents thereof, unless that person is the owner of the building, premises or structure, nor shall engage in any work that conflicts with official duties or with the interests of the City.

Sec. 9-1-32. Rules and procedures.

(a) In accordance with Section 2-111 of the 1997 Detroit City Charter, the

Director of the Buildings and Safety Engineering Department shall have authority, as necessary, in the interest of public health, safety and welfare, to adopt and promulgate rules and procedures to govern certain procedures for resolving matters in dispute under this article. Such rules and procedures shall not have the effect of waiving any health or safety requirements of this article, or of violating accepted engineering requirements or methods involving public safety, or be used for resolving fines and costs levied as a result of any violation of this article.

Sec. 9-1-33. Records.

All City officials and employees who are authorized to enforce this article shall keep official records of all business and activities concerning the enforcement of the provisions of this article in the enforcing department. Such records shall be retained in the official records as long as the building, premises, or structure to which such records relate remains in existence, unless otherwise provided for by Michigan law or by the City's record-retention schedule.

Sec. 9-1-34. Fees.

(a) The Director of the Buildings and Safety Engineering Department shall establish fee schedules, including fees for certificates of compliance, certificates of registration, and inspections, pertaining to all buildings, premises, and structure that are subject to inspection or reinspection under this article and are determined to be necessary for the administration of this article, subject to the approval of the Buildings and Safety Engineering Department Board of Rules, and collection procedures for services. The fees authorized by this section shall cover the costs of rendering such services and be equitable and sufficient to cover, insofar as possible to determine, the cost incurred by the Buildings and Safety Engineering Department in the administration and enforcement of this article. Fees established pursuant to this section shall be reviewed, revised, and approved, as necessary, in accordance with this section.

(b) The fees for registrations, certificates, inspections, and other services required under the provisions of this article shall be collected by the Licenses and Permits Division of the Buildings and Safety Engineering Department.

Sec. 9-1-35. Enforcement; inspections.

(a) The Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City officials or designees, shall make the required inspections and reinspections under this article, or shall accept reports of inspections from any authorized City departments or agencies, or persons. All such inspection reports shall be in writing and be certified by a responsible officer of

the Buildings and Safety Engineering Department or the Detroit Health Department, or by the responsible person. The Director of the Buildings and Safety Engineering Department and the Public Health Director are authorized to engage, subject to any approvals required by the 1997 Detroit City Charter or by the 1984 Detroit City Code, such expert opinion as deemed necessary to report upon unusual or technical issues that arise as a result of any inspection or reinspection.

(b) Subject to any constitutional restrictions on unreasonable searches and seizures, the Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City officials or designees, are authorized to enter any building, premises, or structure within the City, or any building, premises, or structure outside of the City which is owned, operated, and/or maintained by the City, at reasonable times to inspect. Where entry is refused or not obtained, the Director of the Buildings and Safety Engineering Department or the Public Health Director shall pursue recourse, as provided by law, to obtain entry.

(c) The Director of the Buildings and Safety Engineering Department and the Public Health Director, or their authorized City officials or designees, shall carry and display proper City identification containing their photograph when inspecting a building, premises, or structure in the performance of their duties under this article.

(d) The Director of the Buildings and Safety Engineering Department, or his or her authorized City officials or designees, shall conduct inspections to obtain compliance with this article based upon at least one (1) of the following:

(1) All buildings of public assembly, including armories, bars, halls, rental halls, school buildings, theaters, buildings used for manufacturing and industrial purposes, multiple use buildings, all buildings used for other commercial purposes, including, but not limited to, apartment houses, condominiums, emergency shelters, hospitals, hotels, lofts, office buildings, motels, rooming houses, rooming units, shelters for victims of domestic violence, temporary shelters, townhouses, and buildings, premises and structures used for lumber yards, general storage yards and railroad yard facilities, and all other buildings occupied or used by large numbers of persons or which may constitute a hazard to life or property where not in compliance with this article, and wharves, fences, billboards, signs and other structures shall be inspected by the Buildings and Safety Engineering Department, from time to time, and as close as possible to once a year;

(2) The receipt of a complaint or other notice of a possible violation of this article;

(3) An observation by the Director of the Buildings and Safety Engineering Department, or his or her authorized City official or designee, of a possible violation of this article;

(4) Pursuant to the issuance of certificates of compliance as required by Michigan law, by Section 9-1-36 of the 1984 Detroit City Code, or by other provision of the 1984 Detroit City Code;

(5) Pursuant to the registration of residential rental properties in accordance with Section 9-1-82 of the 1984 Detroit City Code;

(6) Pursuant to the designation of an area within the City where all buildings, premises, and structures are to be uniformly inspected;

(7) Pursuant to a request for inspection by the owner, or authorized agent of the owner, of the building, premises, or structure;

(8) All owners of buildings five (5) stories or more in height shall have all roof-mounted structures and every exterior wall of or part of the building's exterior, including connecting bridges, cornices, copings, eaves, bays, or similar projections, thoroughly inspected and examined by competent persons at their own expense at intervals not to exceed five (5) years and shall furnish the Director of the Buildings and Safety Engineering Department with a written report setting forth the true condition of the structure or wall inspected. The Director of the Buildings and Safety Engineering Department shall be notified in advance of such an inspection of an existing building and may have an authorized City official or designee present. Where the conditions of a structure or wall cannot be determined by inspection of the exterior of the structure or wall, the Director of the Buildings and Safety Engineering Department, or his or her authorized City official or designee, may require portions thereof to be removed for more thorough examination;

(9) The owners of the Ambassador Bridge, the Detroit River Railroad Tunnel, and the Detroit-Windsor Tunnel shall have these structures thoroughly inspected and examined by competent personnel at their own expense and at intervals not to exceed five (5) years and shall furnish the Director of the Buildings and Safety Engineering Department with a written report setting forth the true conditions thereof;

(10) The exposed length of any metal or masonry stack eighteen (18) inches or more in diameter and twenty-five (25) feet or more in length above ground or roof shall be inspected at least every five (5) years by competent personnel, including steeplejacks, employed by the owner or user of such stack who shall furnish the Buildings and Safety Engineering

Department with a written report on the condition of the stack and its support;

(11) To ensure compliance with the provisions of the Michigan Construction Codes, enacted pursuant to Section 4 of the Derosssett-Hale Single State Construction Code Act, being MCL 125.1504, the Housing Law of Michigan, being MCL 125.401 *et seq.*, and any other applicable law or provision in the 1984 Detroit City Code regulating the maintenance, occupancy, and use of buildings, premises, or structures; or

(12) To protect the health, safety, and welfare of the public.

(e) The Public Health Director shall conduct inspections to obtain compliance with this article based upon, at least, one (1) of the following:

(1) The receipt of a complaint or other notice of a possible violation of this article;

(2) An observation by the Public Health Director, or his or her authorized City official or designee, of a possible violation of this article;

(3) Pursuant to the designation of an area within the City where all buildings, premises, and structures are to be uniformly inspected;

(4) Pursuant to a request for inspection by the owner, or authorized agent of the owner, of the building, premises, or structure;

(5) To ensure compliance with the provisions of the Housing Law of Michigan, being MCL 125.401 *et seq.*; or

(6) To protect the health, safety, and welfare of the public.

Sec. 9-1-36. Certificate of compliance required; violation for failure to obtain; modifications.

(a) The following buildings and structures shall be required to have a certificate of compliance issued by the Buildings and Safety Engineering Department:

(1) All buildings and structures required to be inspected pursuant to Section 9-1-35(d) of the 1984 Detroit City Code; and

(2) One- and two-family dwellings, or any part of a residential structure, which are occupied by persons pursuant to an oral or written rental contract or lease agreement for monetary compensation. This requirement shall not include one-family dwellings which are occupied by the owner of the structure and the owner's immediate family and those portions of a two-family dwelling which are occupied by the owner and the owner's immediate family.

(b) As required by this article, certificates of compliance for buildings and structures shall be issued, upon inspection, by the Buildings and Safety Engineering Department, correction of any violations, and a determination by the Department that the building or structure is in compliance with this article.

(c) The certificate of compliance, that is issued by the Buildings and Safety Engineering Department pursuant to this article, shall be posted in a conspicuous place within the building or structure and readily available for inspection with the exception of certificates of compliance issued for one- and two-family rental dwellings. Certificates of compliance for one- and two-family rental dwellings shall be maintained by the owner and made available upon request by the Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized City officials or designees, or by any current or prospective tenant.

(d) It shall be unlawful to occupy or use a building, premises, or structure required to have a certificate of compliance under this article, or cause same to be occupied, without the required certificate of compliance for the building, premises, or structure. Upon the issuance of a municipal civil infraction violation notice or a municipal civil infraction citation and a finding that the building, premises, or structure is unsatisfactory for human habitation, the Director of the Buildings and Safety Engineering Department or Public Health Director may order such building, premises, or structure vacated.

(e) Whenever there are practical difficulties involved in carrying out the provisions of this article, the Director of the Buildings and Safety Engineering Department shall have the authority to grant modifications for individual cases, provided the Director of the Buildings and Safety Engineering Department shall first find a specific reason that:

(1) Would make the strict letter of this article impractical;

(2) The modification from the requirement is in compliance with the intent and purpose of article; or

(3) Such modification does not lessen any health and safety requirements of any provision of Michigan law, of this article, or of the 1984 Detroit City Code as determined by the appropriate City official.

(f) The details of any action granting a modification from this article shall be recorded, entered, and maintained in the records of the Buildings and Safety Engineering Department.

Sec. 9-1-37. Suspension of certificate of compliance.

(a) The Director of the Buildings and Safety Engineering Department may suspend a certificate of compliance where the owner fails to comply with one (1) or more municipal civil infraction violation notice or municipal civil infraction citation. The suspension of a certificate of compliance shall be by written notice to the owner of the building, premises or structure, or his or her legal representative, and contain the specific reason for the suspension.

(b) It shall be unlawful for any rental dwelling to be occupied for more than sixty (60) days after the written notice of suspension of the certificate by the Buildings and Safety Engineering Department, provided, that where the notice of suspension states there is an immediate danger due to a violation or violations of this article, the dwelling may be ordered immediately vacated and any occupancy shall therefore be unlawful.

Sec. 9-1-38. Alternative materials and methods.

(a) The installation of an alternative material or the use of an alternative method of construction not specifically prescribed or prohibited by this article may be allowed, provided, that any such alternative material or method of construction has been approved by the Director of the Buildings and Safety Engineering Department.

(b) An alternative material or method of construction shall be approved where the Director of the Buildings and Safety Engineering Department finds that the proposed design is satisfactory and complies with the intent of the provisions of this article, and that the material, method or work offered is, for the purpose intended, at least the equivalent of that prescribed in this article in durability, effectiveness, quality and strength, and provides the same safety.

Sec. 9-1-39. Required testing of material or method.

(a) Whenever there is insufficient evidence of compliance with the provisions of this article, or evidence that a material or method does not conform to the requirements of this article, or in order to substantiate claims for alternative materials or methods, the Director of the Buildings and Safety Engineering Department shall have the authority to require tests to be made as evidence of compliance at no expense to the City.

(b) Test methods shall be as specified in this article or by other recognized test standards. In the absence of recognized and accepted test methods, the Director of the Buildings and Safety Engineering Department shall approve the testing procedures.

(c) All tests shall be performed by an approved agency or organization.

(d) Reports of tests shall be retained by the Buildings and Safety Engineering Department for the period required by Michigan law or by the City's record-retention schedule.

Sec. 9-1-40. Material, equipment, and devices reuse.

Materials, equipment, and devices shall not be reused unless such elements are in good repair or have been reconditioned and tested when necessary, placed in good and proper working condition, and approved.

Sec. 9-1-41. Unsafe building, premises, structures, equipment or devices; closing or condemnation.

(a) Where a building, premises, or structure i) is determined by the Director of the Buildings and Safety Engineering Department to be dangerous to the life, health, property, or safety of the public or the occupants of the building, premises, or structure by not providing minimum safeguards to protect occupants, or ii) is so damaged, decayed, dilapidated, structurally unsafe, or of such faulty construction or unstable foundation that partial or complete collapse is possible, or iii) is determined to contain unsafe equipment or a device, such as a boiler, heating equipment, elevator, moving stairway, electrical wiring or device, flammable liquid containers or other equipment which is in such disrepair or condition that such equipment or device is a hazard to life, health, property or safety of the public or occupants of the building, premises, or structure, or iv) is determined to be unsafe and unfit for human occupancy or v) is otherwise determined to be unlawful by the appropriate City official, such building, premises, or structure may be closed or condemned by the Director of the Buildings and Safety Engineering Department or the Public Health Director pursuant to the applicable provisions of Michigan law, of this article, or the 1984 Detroit City Code. Further, the Director of the Buildings and Safety Engineering Department or the Public Health Director, or their designees, are authorized to issue any other appropriate notice or order concerning the subject building, equipment, structure, or device to protect the immediate public health, safety, and welfare in accordance with applicable Michigan law, with this article, or with the 1984 Detroit City Code.

Sec. 9-1-42. Unlawful occupancy of buildings, premises, or structure; abatement.

Where a building, premises, or structure is determined by the Director of the Buildings and Safety Engineering Department or the Public Health Director to be i) an unlawful structure due to the fact that it is, in whole or in part, occupied by more persons than permitted under this article, or ii) altered, erected, or occupied contrary to Michigan law, to this article, or to the 1984 Detroit City Code, the Director of the Buildings and Safety Engineering Department or the Public Health Director may issue a notice or order preventing such unlawful occupancy or take any appropriate action to abate the condition in accordance with the provisions of Michigan law, of this article, or of the 1984 Detroit City Code.

Sec. 9-1-43. Buildings, premises, or structures unfit for human occupancy; emergency notices and orders.

(a) Where a building, premises, or structure is determined by the Director of the Buildings and Safety Engineering Department or the Public Health Director to be unfit for human occupancy due to a determination that the building, premises, or structure i) is unsafe or unlawful due to the degree to which the building, premises, or structure is in disrepair or lacks maintenance, or ii) is unsanitary, vermin or rat infested, or contains filth and contamination, or iii) lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this article, and where such building, premises, or structure constitutes a hazard to the occupants or to the public due to its location, such building, premises, or structure may be declared unfit for human occupancy by the Director of the Buildings and Safety Engineering Department or the Public Health Director. Further, the Director of the Buildings and Safety Engineering Department or the Public Health Director are authorized to issue any other appropriate notice, order, or emergency order concerning the subject building, premises, or structure, or equipment within, to protect the immediate public health, safety, and welfare in accordance with Michigan law, with this article, or with the 1984 Detroit City Code.

(b) Where a building, premises, or structure does not have water, sewerage, or electrical service and the Director of the Buildings and Safety Engineering Department or the Public Health Director determines that a structure is unsafe for occupancy by any person, the Director of the Buildings and Safety Engineering Department or the Public Health Director may issue an emergency order to close or vacate the building, premises, or structure.

Sec. 9-1-44. Closing of unlawful and vacant buildings, premises, and structures.

(a) Where a building, premises, or structure is vacant and unfit for human habitation and occupancy, and is not in danger of structural collapse, the Director of the Buildings and Safety Engineering Department or the Public Health Director are authorized to order the building, premises, or structure closed and to post a public notice of closure on the building, premises, or structure to prevent entry by any person. Upon service of the closure notice upon the owner of the building, premises, or structure and failure of the owner to close up and secure the building, premises, or structure within the time specified in the order, the Director of the Buildings and Safety Engineering Department or the Public Health Director may cause the building, premises, or

structure to be closed and secured through any available public agency or by contract or arrangement by private persons and the cost of such closing and security charged against the real property upon which the building, premises, or structure is located, which shall be a lien upon the real property in favor of, and collectable by, the City.

(b) Whenever the Director of the Buildings and Safety Engineering Department or the Public Health Director has closed a building, premises or structure under the provisions of this section, notice shall be posted in a conspicuous place in or about the building, premises, or structure affected by such notice and served, by first class mail, upon the owner or the person or persons responsible for the building, premises, or structure. The notice shall be in the form prescribed by the Director of the Buildings and Safety Engineering Department or the Public Health Director.

Sec. 9-1-45. Posting notice on buildings, premises, and structures; prohibited occupancy; removal of notice; failure to comply with notice or order.

(a) Upon failure of the owner of the building, premises or structure, or the person responsible, to comply with a notice or order issued by the Director of the Buildings and Safety Engineering Department or the Public Health Director concerning an unsafe or unlawful building, premises, or structure unfit for human occupancy within the time given by the notice or order, the Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized City officials or designees, shall post on the building, premises, or structure, or on defective equipment, a notice visible to the public bearing the words "Closed by Authority of the City of Detroit Director of the Buildings and Safety Engineering Department" or "Closed By Authority of the City of Detroit Public Health Director" and a statement of the penalties for occupying the building, premises, or structure subject to the notice, or removing the notice posted pursuant to this section.

(b) It shall be unlawful for any person to occupy a building, premises, or structure subject to a posted notice of closure or to operate equipment, devices, or fixtures therein, or for any owner or any person responsible for the building, premises, or structure, to allow any person to occupy such a building, premises, or structure or operate equipment, devices or fixtures, therein, subject to the posted notice.

(c) The Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized City officials or designees, are authorized

to remove the notice closing the building, premises, or structure whenever the defect or defects upon which the action of posting the closing notice were based upon has or have been eliminated. It shall be unlawful for any person to deface or remove any closing or condemnation notice from any building, premises or structure without the authorization of the Director of the Buildings and Safety Engineering Department or the Public Health Director, or to fail to comply with any notice or order of the Director of the Buildings and Safety Engineering Department or the Public Health Director under this section.

Sec. 9-1-46. Imminent danger; emergency measures and safeguards; review of order.

(a) When, in the opinion of the Director of the Buildings and Safety Engineering Department, there is imminent danger of failure or collapse of a building, premises, or structure which endangers life, or when any building, premises, or structure has fallen and life is endangered by the occupation of the building, premises or structure, or when there is actual or potential danger to the occupants of the building, premises, or structure or those in the proximity of the building, premises, or structure, because of explosive, explosive fumes or vapors or the presence of toxic fumes, gases or materials, or operation of defective or dangerous equipment, the Director of the Buildings and Safety Engineering Department is hereby authorized and empowered to order and require the occupants to immediately vacate the building, premises, or structure. The Director of the Buildings and Safety Engineering Department shall cause to be posted at each entrance to such building, premises, or structure a notice reading, "This Building, Premises, or Structure is Unsafe and Its Occupancy or Use Has Been Prohibited by the Director of the Buildings and Safety Engineering Department." It shall be unlawful for any person to enter such building, premises, or structure except for the purpose of securing the building, premises, or structure, making the required corrections or repairs, removing the hazardous condition, or demolishing the same.

(b) Notwithstanding other provisions of this article, whenever, in the opinion of the Director of the Buildings and Safety Engineering Department, that there is an imminent danger due to an unsafe condition in a building, premises, or structure, the Director of the Buildings and Safety Engineering Department may order temporary safeguards and the necessary work to be done to protect the public health and safety, including the boarding up of openings, to render such unsafe building, premises, or structure temporarily safe notwithstanding whether any

notice, order, or emergency order required under this article has been issued or served, and shall cause such other action to be taken as the Director of the Buildings and Safety Engineering Department deems necessary to meet such imminent danger or emergency in accordance with Michigan law, with this article, and with the 1984 Detroit City Code.

(c) When due to an imminent danger and, when necessary, to protect the public safety, the Director of the Buildings and Safety Engineering Department may temporarily close buildings, premises and structures and close, or order the authority having jurisdiction to close, sidewalks, streets, public ways and places adjacent to unsafe buildings, premises and structures, and prohibit the same from being utilized, except as specified in the notice or order of closure.

Sec. 9-1-47. Demolition of dangerous and unsafe buildings; wrecking.

The demolition of dangerous and unsafe buildings, and the wrecking of such buildings, shall be governed by the applicable provisions of the 1984 Detroit City Code.

Sec. 9-1-48. Emergency repairs; costs.

(a) For the purposes of emergency measures concerning an imminent danger, the Director of the Buildings and Safety Engineering Department may secure and use the necessary labor and materials to perform the required work as expeditiously as possible to protect the public health, safety, and welfare.

(b) Costs incurred in the performance of emergency work concerning an imminent danger shall be paid by the City. The Corporation Counsel may institute appropriate legal action against the owner of the building, premises, or structure for the recovery of all costs incurred by the City in the performance of such work.

Sec. 9-1-49. Review of order.

Any person ordered to take emergency measures to abate an imminent danger or to safeguard the public health or safety shall comply, immediately, with such order. Thereafter, any affected person may request the Director of the Buildings and Safety Engineering Department to review the order to take emergency measures and the costs, if any, that are assessed as a result of the emergency work paid for by the City.

Secs. 9-1-50 — 9-1-80. Reserved.

DIVISION 3. REQUIREMENTS FOR RENTAL PROPERTY

Sec. 9-1-81. Registration of rental property.

(a) The owners or agents of rental property shall register all such dwellings with the Buildings and Safety Engineering Department and obtain a certificate of registration as provided for in this section. Application for the certificate of registra-

tion of a rental property shall be made on forms provided by the Department and shall contain:

(1) The location and use of the rental property;

(2) The name, address, telephone number, and driver license number or state identification number, of the rental property owner applicant, if an individual, and the name and address of the resident agent, if a corporation;

(3) Information listed in Subsection (a)(2) of this section for each partner, corporate officer, or any other person having any interest in the rental property; and

(4) The names address and telephone numbers of any persons or firms other than the owner(s) who are responsible for property maintenance, or a person who is a caretaker of the rental property pursuant to Section 9-1-85 of the 1984 Detroit City Code.

(b) It shall be unlawful for any person to provide false information on an application for a certificate of registration of a rental property required by this section.

(c) Certificates of registration of a rental property shall be renewed annually on the date established by the Buildings and Safety Engineering Department. The Department shall maintain a registry of owners and rental property governed by this section.

(d) Where rental property required to be registered under this section is sold or otherwise transferred to a new owner, the certificate of registration issued the previous owner shall expire and, within ninety (90) days after the sale or transfer of the rental property, the new owner shall apply for a certificate of registration in the prescribed manner in this section.

(e) It shall be unlawful to occupy a rental property that is required to have a certificate of registration under this article, or cause the rental property to be occupied, without the required certificate of registration issued by the Buildings and Safety Engineering Department.

Sec. 9-1-82. Inspection of registered rental property.

The Director of the Buildings and Safety Engineering Department shall cause an inspection, as closely as possible to once a year, to be made of all rental property required to have a certificate of registration under Section 9-1-81 of the 1984 Detroit City Code.

Sec. 9-1-83. Certificate of compliance for multiple rental properties; violations.

(a) It shall be unlawful for a rental property required to be registered pursuant to Section 9-1-81 of the 1984 Detroit City Code to be occupied without a certificate of compliance issued by the Buildings and Safety Engineering Department in accordance with Section 9-1-36 of the 1984 Detroit City Code.

(b) The Buildings and Safety Engineering Department shall issue a certificate of compliance for a rental property where the Department determines that the rental property, its units, accessory structures and the premises, including exterior areas, comply with the standards and requirements of this article.

Sec. 9-1-84. Posting of Tenants' Statement of Rights and of House Rules and Tenant Responsibilities.

(a) The Buildings and Safety Engineering Department shall develop and utilize a Tenants' Statement of Rights based on the rights guaranteed by the United States Constitution, the 1963 Michigan Constitution, and the 1997 Detroit City Charter. Each owner of a rental property shall post, within the rental property, a copy of the Tenants' Statement of Rights. The Buildings and Safety Engineering Department shall provide rental property owners and operators of room and board homes with copies of the Tenants' Statement of Rights.

(b) Where House Rules and Tenant Responsibilities are in writing, they shall be posted along with the Tenants' Statement of Rights in a conspicuous place within the rental property. All House Rules and Tenant Responsibilities shall be consistent with existing law.

Sec. 9-1-85. Caretaker; responsible person; warning devices.

(a) Where the owner of the rental property does not reside in the building, the owner shall designate a responsible person or persons who reside in each building with a common entrance and eight (8) or more dwelling units, seven (7) or more sleeping rooms, or any combination thereof. The unit(s) occupied by the responsible person or persons shall be identified and the information posted in a visible place at the common entrance of the building, except for rental property that has a business office with posted regular office hours on-site. Where there is no centralized business office and a number of buildings exist which are owned by the same rental property owner, the responsible person(s) may be located in a remote location, provided, that the location of the responsible person(s) is identified and posted in a conspicuous location at the common entrance of each building.

(b) In addition, all Group R-1 multiple rental properties that neither are of fire-proof construction nor are protected with an approved sprinkler system or an approved, self-supervised and properly maintained automatic fire alarm system, that has sleeping accommodations for over fifty (50) persons above the first floor, shall have one (1) employee, and more if necessary, on duty at all times able to notify the tenants and the Fire Department in case of a fire or other emergency. There shall be at least one (1)

employee on duty at all times for this purpose for each one hundred (100) persons and for each next fraction of one hundred (100) persons in the building.

DIVISION 4. PROPERTY

MAINTENANCE REQUIREMENTS

Subdivision A. Requirements for Exteriors of Buildings, Premises, and Structures

Part I. General Requirements

Sec. 9-1-101. Accumulation of solid waste prohibited; owner; occupants.

(a) All exterior of buildings, premises, and structures shall be maintained free from any accumulation of solid waste and be maintained in a clean, safe and sanitary condition.

(b) The occupant of the building, premises, or structure shall keep that portion of the exterior area that is under the occupant's control in a clean, safe, and sanitary condition.

(c) Solid waste shall be separated and stored in approved containers in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the Environmental Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau.

Sec. 9-1-102. Grading and drainage.

All property shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any building or structure located thereon, except for the provision and maintenance of approved water retention areas and reservoirs.

Sec. 9-1-103. Driveways, parking spaces and lots, sidewalks, stairs, walkways, and similar areas of traverse.

(a) All driveways, parking spaces and lots, sidewalks, stairs, walkways, and similar areas of traverse shall be kept in a good repair, be maintained free from hazardous conditions, and be maintained to prevent the accumulation of stagnant water thereon.

(b) All parking lots and parking areas shall be free of cracks and holes. Any cracks and holes shall be patched with approved like materials. All parking surfaces should be properly sealed. All commercial parking spaces should be striped and of sufficient width for the intended vehicles in accordance with the Detroit Zoning Ordinance, being Chapter 61 of the 1984 Detroit City Code. All parking areas adjacent to public right of ways shall be separated by a minimum of bumper blocks pinned in place. All exterior lighting fixtures for parking areas shall be in good condition. All parking areas shall be maintained free of weeds and litter.

Sec. 9-1-104. Weeds and plant growth.

All premises and exterior property shall

be maintained free from weeds or plant growth in excess of ten (10) inches (254 mm) and from all noxious weeds. For purposes of this section, weeds and plant growth shall include all grasses, annual plants and vegetation, other than trees or shrubs, but does not include plant growth in exterior areas where flowers and gardens are maintained and cultivated.

Sec. 9-1-105. Rodent harborage.

(a) All buildings, premises, and structures and exterior property shall be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent reinfestation.

(b) No building, premises, or structure shall be used for the storage or handling of solid waste, including debris, garbage, litter and rubbish, which provide a place for rodents to harbor.

Sec. 9-1-106. Exhaust vents and other means.

Exhaust blowers, conductors, fans, ducts, pipes, or vents shall not discharge gases, grease, hot air, steam, vapor, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another occupant or tenant.

Sec. 9-1-107. Accessory structures.

All accessory structures, including detached fences, garages and walls, shall be maintained structurally sound and in good repair.

Sec. 9-1-108. Gates.

Gates which are required to be self-closing and self-latching shall be maintained in good repair and in such a manner that the gate will positively close and latch when released from the gatepost from a still position of six (6) inches (152 mm).

Sec. 9-1-109. Swimming pools.

Swimming pools shall be maintained in a clean and sanitary condition. Pools shall be entirely enclosed by at least a four (4) foot wire mesh fence or other type fence which prevents direct access to the pool. Pools shall have a self-latching gate maintained in good repair.

Sec. 9-1-110. Inoperable motor vehicles; painting of vehicles.

(a) Except as provided for in other provisions of the 1984 Detroit City Code, it shall be unlawful to keep, park, or store inoperative or unlicensed motor vehicles on any premises or property, including any motor vehicle which is in a state of major disassembly, disrepair, or in the process of being stripped or dismantled, provided, that an individual may perform mechanical work on one (1) motor vehicle on the premises or property as long as such work is performed inside a garage or

other enclosed structure, or area designed and approved for such purposes.

(b) It shall be unlawful to paint any motor vehicle on the premises or property unless such activity is permitted on the premises or property by the Detroit Zoning Ordinance, being Chapter 61 of the 1984 Detroit City Code, and by other applicable codes and regulations governing such activity, and such activity is contained within an approved spray booth.

Sec. 9-1-111. Graffiti and defacement; duty to remove.

(a) It shall be unlawful for any person to willfully or wantonly damage, deface or mutilate any exterior surface of any building, premises, or structure on any private or public property by placing thereon any carving, graffiti, marking, or painting.

(b) The owner, or his or her agent, shall have the continuing responsibility to restore any exterior surface on a building, premises, or structure that has been damaged by any carving, graffiti, marking, or painting to an approved state of maintenance and repair.

Sec. 9-1-112. Recreation equipment and furniture.

Movable recreation equipment, including furniture, portable basketball poles and hoops, and other play items, shall not be placed or located in any front yard or adjacent driveway of any building or structure for a period of longer than twenty-four (24) consecutive hours.

Secs. 9-1-113 — 9-1-200. Reserved.

Part II. Exteriors of Buildings, Premises, and Structures

Sec. 9-1-201. General.

(a) The exterior of a building, premises, or structure shall be maintained in good repair, and be structurally sound and sanitary so as not to pose a threat to the public health, safety or welfare.

(b) All exterior surfaces, including, but not limited to, balconies, cornices, decks, doors, door and window frames, fences, porches, and trim shall be maintained in good condition and be free of broken, crumbling, loose, missing, rotting, or inadequately finished materials. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted with lead-free paint. All siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors and skylights, shall be maintained in good repair, be weather resistant and be water tight. All metal surfaces that are subject to rust or corrosion shall be coated to inhibit such rust and corrosion, and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be

removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement.

Sec. 9-1-202. Building identification.

All buildings on City streets or roads shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. Address numbers shall contrast with their background and shall be arabic numerals or roman letters. Numbers shall be a minimum of four (4) inches (102 mm) in height with a minimum stroke width of 0.5 inch (12.7 mm).

Sec. 9-1-203. Structural members.

All structural members within a building or structure shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead or stationary and live loads.

Sec. 9-1-204. Foundation walls.

All building or structure foundation walls shall be maintained plumb and free from open cracks and breaks, and shall be kept in such condition so as to prevent the entry of rodents and other pests. Basement walls shall be maintained so as to prevent water leakage and to keep the basement in a dry condition.

Sec. 9-1-205. Exterior walls.

All building and structure exterior walls shall be free from breaks, holes, and loose or rotting materials, and shall be maintained weatherproof and properly surface coated, where required, to prevent deterioration.

Sec. 9-1-206. Roofs and drainage.

(a) The roof and flashing on a building or structure shall be in good repair, sound, tight and not have defects that permit the entry of rain or moisture. Where repairs to an existing roof are made, approved materials shall be used and the material and color shall blend with the appearance of the balance of the roof. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the building or structure. Where required, roof drains, gutters and down spouts shall be maintained and in good repair, and be free from obstructions.

(b) Water running off of the roof shall not be discharged in a manner that undermines the foundation or maintenance of any building, structure, sidewalk or drive. Drainage of roofs and paved areas, yards and courts, and other open areas on the premises shall not be discharged in a manner that creates a public nuisance.

Sec. 9-1-207. Decorative features.

All belt courses, corbels, cornices, terra cotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

Sec. 9-1-208. Overhang extensions.

All overhang extensions including, but not limited to, canopies, exhaust ducts,

fire escapes, marquees, metal awnings, signs, and standpipes, shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.

Sec. 9-1-209. Balconies, decks, porches, and stairways.

All exterior balconies, decks, porches and stairways, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, and with proper anchorage, and be capable of supporting the imposed loads.

Sec. 9-1-210. Chimneys and towers.

All chimneys, cooling towers, smoke stacks, and similar appurtenances shall be maintained structurally safe and sound, and in good repair. All exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.

Sec. 9-1-211. Handrails and guards.

Where required for safety, handrails and guards shall be installed for exterior steps and elevated areas in a workman-like manner, shall be firmly fastened and capable of supporting normally imposed loads, and shall be maintained in good condition.

Sec. 9-1-212. Door, skylight, and window frames.

All door, skylight, and window frames shall be kept in good condition and repair, and be sufficiently tight to prevent the entry of rain, snow, and wind.

Sec. 9-1-213. Glazing.

All glazing materials shall be maintained free from cracks and holes, and be in good repair.

Sec. 9-1-214. Openable windows.

Other than a fixed window, all windows shall be easily openable and easily capable of being held in position by window hardware.

Sec. 9-1-215. Insect screens.

During the period from May 15th through October 15th, every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas, or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored, shall be supplied with approved tightly fitting screens of not less than sixteen (16) mesh per inch (16 mesh per 25 mm) and every swinging door shall have a self closing device in good working condition, provided, that screen doors shall not be required where other approved means, such as air curtain or insect repellent fans, are used.

Sec. 9-1-216. Doors.

All building or structure exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units, rooming units and guestrooms shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 9-1-309 of the 1984 Detroit City Code.

Sec. 9-1-217. Basement hatchways.

All basement hatchways shall be maintained to prevent the entry of rodents, rain, and surface drainage water.

Sec. 9-1-218. Guards for basement windows.

All basement windows that are operable shall be supplied with rodent shields, secure screens, storm windows or other approved protection to prevent the entry of rodents into the building or structure.

Sec. 9-1-219. Mail receptacles.

(a) The owner or agent of every multiple dwelling and/or residential hotel where the building has a common street entrance shall be responsible for installing and maintaining approved mail receptacles for each dwelling unit in accordance with the applicable United States Postal Service regulations.

(b) Each individual receptacle in a multiple dwelling must be equipped with a full-length door through which the mail may be removed by the tenant. The doors of the mail receptacles shall be secured by key locks. A sufficient number of key changes must be used to prevent the opening of receptacles by the use of a key to another receptacle in the same dwelling or in the immediate locality. Locks for mail receptacles must be securely fastened to the door. Each lock shall be clearly numbered on the back so that, when a key is lost, a duplicate may be ordered by number.

Sec. 9-1-220. Skirting for exterior openings.

All exterior openings at or near the base of the building or structure, including crawl spaces and areas underneath porches and stairs, shall have skirting attached to the structure or premises. All skirting shall be maintained in good condition, and shall be free from defects and deterioration.

Sec. 9-1-221. Storage of certain items.

It shall be unlawful to store, outside a building, premises, or structure, items such as firewood that is not stacked and useable, construction material, excluding such material that is stored in a manner to protect its utility and prevent deterioration and that is reasonably expected to be used at the site, or any other items which are of a type or quantity inconsistent with the normal and usual use of the building, structure, or premises.

Secs. 9-1-222 — 9-1-300. Reserved.
Subdivision B. Requirements for Interiors of Buildings and Structures
Part I. General

Sec. 9-1-301. General requirements for interior maintenance.

The interior of a building or structure, and equipment within, shall be maintained in good repair, be structurally sound, in a sanitary condition, and be free from solid waste. The occupants of the building or structure shall keep the portion of the building or structure that is under the occupant's control in a clean and sanitary condition. Every owner of a building or structure that contains a rooming house, a hotel, a dormitory, two (2) or more dwelling units or two (2) or more nonresidential occupancies, shall maintain, in a clean and sanitary condition, the shared or public areas of the structure and exterior property.

Sec. 9-1-302. Structural members.

All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Sec. 9-1-303. Interior surfaces.

All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking, or abraded paint shall be repaired, removed, or covered in a safe manner and, where appropriate, surfaces repainted with lead free paint. Cracked or loose plaster, decayed wood, and other defective surface conditions shall be corrected.

Sec. 9-1-304. Stairs and other walking surfaces.

All balconies, decks, landings, porches, ramps, stairs, and other walking surfaces shall be maintained in sound condition and in good repair.

Sec. 9-1-305. Handrails and guards.

All handrails and guards shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.

Sec. 9-1-306. Interior doors.

All interior doors shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to headers, jambs or tracks as intended by the manufacturer of the attachment hardware.

Sec. 9-1-307. Means of egress generally.

A safe, continuous and unobstructed path of travel shall be provided from any point in a building or structure to the public way.

Sec. 9-1-308. Aisles.

All aisles within the building or structure shall be safe and continuous, and shall be unobstructed.

Sec. 9-1-309. Locked doors.

All means of egress doors shall be readily openable from the side from which egress is to be made from without the

need for keys, or special knowledge or effort, except where the door hardware conforms to that permitted by the Michigan Construction Codes, enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504.

Sec. 9-1-310. Opening protectives.

Required opening protectives shall be maintained in an operative condition. All fire and smokestop doors shall be maintained in operable condition. Fire doors and smoke barrier doors shall not be blocked or obstructed or otherwise made inoperable.

Sec. 9-1-311. Smoke detectors.

(a) All existing one- and two-family dwellings not already provided with single-station smoke alarms shall be provided with approved single-station smoke alarms.

(b) Approved single-station smoke alarms shall be installed within, or immediately outside of, sleeping areas on each level of existing rental dwelling units.

(c) In existing one- and two-family dwellings, single-station smoke alarms shall be battery operated or shall receive their primary power from the building wiring, provided, that such wiring is served from a commercial source and, in the case of an interruption in the primary power, a battery backup is provided. When power is provided by the building wiring, the wiring shall be permanent and without a disconnecting switch other than those required for overcurrent protection.

Sec. 9-1-312. Protection of basements and cellars.

Every multiple dwelling having twenty (20) or more sleeping rooms or sleeping accommodations for forty (40) or more persons and exceeding two (2) stories in height and having a basement or cellar, the floor above which is not of fireproof construction, shall have its basement or cellar ceiling protected with metal lath and three-quarters (3/4) of an inch of portland cement or gypsum plaster, or fire-rated material of equal rating, or the basement or cellar shall be protected with approved automatic sprinkler system or an approved self-supervised and properly maintained automatic sprinkler system or an approved self-supervised and properly maintained automatic fire alarm system. The floor of the cellar or lowest floor in every dwelling shall be free from dampness, and when determined to be necessary by an authorized City official, shall be concreted with not less than three (3) inches of concrete of good quality and with a finished surface.

Sec. 9-1-313. Shafts and courts.

In every dwelling where there is a court or shaft of any kind, there shall be at the bottom of every such court or shaft a door giving sufficient access to such court or shaft to enable it to be properly cleaned

out, provided, that where a window already gives proper access, it shall be deemed sufficient.

Sec. 9-1-314. Access to roof.

Every flat roof multiple dwelling, exceeding three (3) stories in height shall have at least one (1) convenient and permanent means of access to the roof located in a public part of the building which is not in a room or closet.

Secs. 9-1-315 — 9-1-330. Reserved.

Part II. Solid Waste

Sec. 9-1-331. Accumulation of solid waste prohibited.

All interiors of buildings and structures shall be maintained free from any accumulation of solid waste and be maintained in a clean, safe, and sanitary condition.

Sec. 9-1-332. Disposal of domestic solid waste from buildings or structures.

(a) All occupants of buildings and structures shall dispose of all domestic solid waste in a clean and sanitary manner.

(b) Domestic solid waste shall be separated and stored in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the Environmental Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau.

Sec. 9-1-333. Disposal of commercial solid waste by commercial establishments.

The owner or operator of every commercial establishment that produces commercial solid waste shall separate and store such solid waste in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the Environmental Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau.

Secs. 9-1-334 — 9-1-350. Reserved.

Part III. Extermination

Sec. 9-1-351. Infestation.

All building and structures shall be kept free from insect and rodent infestation. All buildings or structures in which insects or rodents are found shall be promptly exterminated by an approved process that will not be injurious to human health. After extermination, proper precautions shall be taken to prevent reinfestation.

Sec. 9-1-352. Owner responsible for extermination.

Prior to the renting or leasing of any building or structure, the owner shall be responsible for extermination within the building or structure.

Sec. 9-1-353. Responsibility of single occupant.

The occupant of a one-family dwelling or of a single-tenant nonresidential structure shall be responsible for extermination within the building or structure.

Sec. 9-1-354. Multiple occupancy; responsibility for extermination.

The owner of a building or structure that contains two (2) or more dwelling units, a multiple occupancy, a rooming house or a nonresidential structure shall be responsible for extermination in the public or shared areas of the building or structure and exterior property. Where infestation is caused by failure of an occupant to prevent such infestation in the area occupied, the occupant shall be responsible for extermination.

Sec. 9-1-355. Owner and occupant responsibility.

The owner and occupant of any building or structure shall be jointly responsible for the continued rodent and pest-free condition of the building or structure, provided, that where rodent and pest infestation is caused by defects in the building or structure, the owner shall be responsible for extermination.

Secs. 9-1-356 — 9-1-370. Reserved.

Part IV. Light and Ventilation Requirements

Sec. 9-1-371. Scope.

The provisions of this part shall govern the minimum conditions and standards for light, ventilation, and space for occupying a building or structure.

Sec. 9-1-372. Responsibility.

The owner of the building or structure shall provide and maintain light, ventilation, and space conditions in compliance with these requirements. A person shall not occupy as owner-occupant, or permit another person to occupy, any building or structure that does not comply with the requirements of this part.

Sec. 9-1-373. Alternative devices.

In lieu of the means for natural light and ventilation prescribed in this part, artificial light or mechanical ventilation complying with the Michigan Construction Codes, enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504, shall be permitted.

Sec. 9-1-374. Light for habitable spaces.

All habitable spaces shall have at least one (1) window of approved size that faces directly to the outdoors or to a court. The minimum total glazed area for every habitable space shall be 8 percent (8%) of the floor area of such room. Wherever walls or other portions of a structure face a window of any room and such obstructions are located less than three (3) feet (914 mm) from the window and extend to a level above that of the ceiling of the room, such window neither shall be deemed to face directly to the outdoors or to a court nor shall be included as part of the minimum total window area for the room required by this section, provided, that where natural light for rooms or spaces without exterior glazing areas is

provided through an adjoining room, the unobstructed opening to the adjoining room shall be at least 8 percent (8%) of the floor area of the interior room or space, but not less than twenty-five (25) square feet (2.33 m²). The exterior glazing area shall be based on the total floor area being served.

Sec. 9-1-375. Lighting for common halls and stairways.

All common halls and stairways in residential buildings, other than in one- and two-family dwellings, shall be lighted at all times with at least a 60-watt standard incandescent light bulb for each two hundred (200) square feet (19 m²) of floor area or equivalent illumination, provided, that the spacing between lights shall not be greater than thirty (30) feet (9144 mm). In other than residential occupancies, means of egress, including exterior means of egress stairways, shall be illuminated at all times the building space served by the means of egress is occupied with a minimum of one (1) footcandle (11 lux) at floors, landings and treads.

Sec. 9-1-376. Lighting for other spaces.

All spaces, other than common halls and stairways in dwellings intended to be occupied by more than two (2) families, shall be provided, at a minimum, with natural or artificial light that is sufficient to permit the maintenance of sanitary conditions, the safe occupancy of the space, and utilization of the appliances, equipment and fixtures in the dwelling.

Sec. 9-1-377. Ventilation for habitable spaces.

All habitable spaces shall have at least one (1) openable window. The total openable area of the window in every room shall be equal to at least 45 percent (45%) of the minimum glazed area required in Section 9-1-374 of the 1984 Detroit City Code, provided, where rooms and spaces without openings to the outdoors are ventilated through an adjoining room, the unobstructed opening to the adjoining room shall be at least eight percent (8%) of the floor area of the interior room or space, but not less than twenty-five (25) square feet (2.33 m²). The ventilation openings to the outdoors shall be based on a total floor area being ventilated.

Sec. 9-1-378. Ventilation for bathrooms and toilet rooms.

All bathrooms and toilet rooms shall comply with the ventilation requirements for habitable spaces as required by Section 9-1-377 of the 1984 Detroit City Code, provided, that a window shall not be required in such spaces equipped with a mechanical ventilation system. Air exhausted by a mechanical ventilation system from all bathrooms or toilet rooms shall discharge to the outdoors and shall not be recirculated.

Sec. 9-1-379. Cooking facilities.

Unless approved in the certificate of

occupancy issued by the Buildings and Safety Engineering Department for the building or structure, the cooking of food is prohibited in any dormitory unit or rooming unit. Cooking appliances or facilities are prohibited in a dormitory unit or rooming unit, except where specifically approved, in writing, by the Director of the Buildings and Safety Engineering Department.

Sec. 9-1-380. Use of kitchen.

Kitchen or cooking accommodations are prohibited from being maintained in any rooms or space of any building for the common or joint use of the individual occupants of a two-family or multiple dwelling, except where specifically approved, in writing, by the Director of the Buildings and Safety Engineering Department.

Sec. 9-1-381. Use of local exhaust for ventilation.

Where injurious, irritating, noxious or toxic dusts, fumes, gases, or mists are generated, a local exhaust ventilation system shall be provided to remove the contaminating agent at the source. Air shall be exhausted to the exterior of the structure and not recirculated to any space within the structure.

Sec. 9-1-382. Clothes dryer exhaust required.

Clothes dryer exhaust systems shall be independent of all other systems and shall be exhausted in accordance with the manufacturer's instruction. Only approved materials shall be used in exhaust systems.

Secs. 9-1-383 — 9-1-400. Reserved.

Part V. Occupancy Requirements

Sec. 9-1-401. Privacy.

Individual dormitory units, dwelling units, hotel units, and rooming units shall be arranged to provide privacy and be separate from other adjoining spaces.

Sec. 9-1-402. Minimum room widths.

Other than a kitchen, a habitable room shall not be less than seven (7) feet (2134 mm) in any plan dimension. Kitchens shall have a clear passageway of not less than three (3) feet (914 mm) between counter fronts and appliances or counter fronts and walls.

Sec. 9-1-403. Minimum ceiling heights.

Bathrooms, corridors, hallways, laundry areas, toilet rooms, habitable spaces, and habitable basement areas shall have a clear ceiling height of not less than seven (7) feet (2134 mm) with these exceptions:

(1) In one- and two-family dwellings, beams or girders spaced not less than four (4) feet (1219 mm) on center and projecting not more than six (6) inches (152 mm) below the required ceiling height;

(2) Basement rooms in one- and two-family dwellings occupied exclusively for laundry, study or recreation purposes, having a ceiling height of not less than six (6) feet eight (8) inches (2033 mm) with

not less than six (6) feet four (4) inches (1932 mm) of clear height under beams, ducts, girders, and similar obstructions; and

(3) Rooms occupied exclusively for sleeping, study or similar purposes and having a sloped ceiling over all or part of the room, with a clear ceiling height of at least seven (7) feet (2134 mm) over not less than one-third (1/3) of the required minimum floor area. In calculating the floor area of such rooms, only those portions of the floor area with a clear ceiling height of five (5) feet (1524 mm) or more shall be included.

Sec. 9-1-404. Bedroom requirements.

(a) In addition to the requirements in Sections 9-1-401 through 9-1-403 of the 1984 Detroit City Code, all bedrooms shall comply with the following requirements:

(1) All bedrooms occupied by one (1) person shall contain at least seventy (70) square feet (6.5 m²) of floor area, and every bedroom occupied by more than one (1) person shall contain at least fifty (50) square feet (4.6 m²) of floor area for each occupant thereof;

(2) Bedrooms neither shall constitute the only means of access to other bedrooms or habitable spaces nor shall serve as the only means of egress from other habitable spaces, except for units which contain fewer than two (2) bedrooms; and

(3) All bedrooms shall have access to at least one (1) water closet and one (1) lavatory without passing through another bedroom. All bedrooms in a dwelling unit shall have access to at least one (1) water closet and lavatory located on the same story as the bedroom or on an adjacent story.

(b) Bedrooms shall also comply with the applicable provisions of this article including, but not limited to, the light, ventilation, room area, ceiling height and room width requirements of this part, the plumbing facilities and water-heating facilities requirements of Part VI of this subdivision, the heating facilities and electrical receptacle requirements of Part VII of this subdivision, and the any fire safety-related requirements of this article.

Sec. 9-1-405. Emergency escape openings.

In sleeping areas, at least one (1) window shall be operational and accessible from inside the room without the use of keys or tools to provide for emergency escape and rescue. Bars, grates, grilles, or similar devices are permitted to be placed over emergency escape and rescue openings, provided, that the minimum net clear opening size complies with the Michigan Building Code enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504, and such devices shall be releaseable or removable from the inside without the use of a key, tool, or force greater than that which is required for normal operation of the escape and rescue opening.

Sec. 9-1-406. Prohibited occupancy.

Kitchens and other non-habitable spaces shall not be used for sleeping purposes.

Sec. 9-1-407. Overcrowding.

(a) Dwelling units shall not be occupied by more occupants than permitted by the minimum area requirements of the following table:

Minimum area in square feet

| Space | 1-2 occupants | 3-5 occupants | 6 or more occupants |
|----------------------------|---|----------------------|----------------------------|
| Living room ^{a,b} | No requirements | 120 | 150 |
| Dining room ^{a,b} | No requirements | 80 | 100 |
| Kitchen ^b | 50 | 50 | 60 |
| Bedrooms | Shall comply with Section 9-1-404 of the 1984 Detroit City Code | | |

For SI: 1 square foot = 0.093 m².

a. See Section 9-1-408 of the 1984 Detroit City Code for combined living room/dining room spaces.

b. See Section 9-1-404 of the 1984 Detroit City Code for limitations on determining the minimum occupancy area for sleeping purposes.

Minimum Area Requirements

(b) In determining the minimum occupancy area for sleeping purposes, the minimum occupancy area required by this section shall not be included as a sleeping area. All sleeping areas shall comply with Section 9-1-404 of the 1984 Detroit City Code.

Sec. 9-1-408. Combined spaces.

Combined living room and dining room spaces shall comply with the minimum

area requirements of the table in Section 9-1-407 of the 1984 Detroit City Code where total area is equal to that required for separate rooms and where the space is located so as to function as a combination living room/dining room.

Sec. 9-1-409. Efficiency unit.

Nothing in this part shall prohibit an efficiency living unit from meeting the following requirements:

(1) A unit occupied by not more than

two (2) occupants shall have a clear floor area of not less than two hundred twenty (220) square feet (20.4 m²). A unit occupied by three (3) occupants shall have a clear floor area of not less than three hundred twenty (320) square feet (29.7 m²). These required areas shall be exclusive of the areas required by Subsections 2 and 3 of this section;

(2) The unit shall be provided with a kitchen sink, cooking appliance and refrigeration facilities, each with a clear working space of not less than thirty (30) inches (762 mm) in front. Light and ventilation that conforms to Part IV of this subdivision shall be provided;

(3) The unit shall be provided with a separate bathroom containing a bathtub or shower, a lavatory, and a toilet or water closet; and

(4) The maximum number of occupants shall be three (3).

Sec. 9-1-410. Food preparation.

All spaces to be occupied for food preparation purposes shall contain suitable space and equipment to store, prepare, and serve foods in a sanitary manner. There shall be adequate facilities and services for the sanitary disposal of food wastes and refuse, including containers or facilities for temporary storage.

Sec. 9-1-411. Lodgers prohibited.

The Director of the Buildings and Safety Engineering Department may prohibit the letting of lodgings or boarders in any multiple dwelling by any of the tenants occupying such multiple dwelling, and may prescribe conditions under which lodgers or boarders may be taken in multiple dwellings. It shall be the duty of the owner of multiple dwellings to see that the requirements of the Director of the Buildings and Safety Engineering Department are complied with at all times. The provisions of this section may be extended to private and two-family dwellings as the Director may determine necessary.

Sec. 9-1-412. Room and Board Homes.

Where a one- or two-family dwelling is used for a room and board home, the number of rooming units shall not exceed three (3), in each family dwelling unit, unless such dwelling is made to comply with all aspects with the provisions of the 1984 Detroit City Code and the Detroit Zoning Ordinance, being Chapter 61 of the 1984 City Code, relating to one-family, two-family, or multiple dwellings.

Secs. 9-1-413 — 9-1-430. Reserved.

Part VI. Plumbing and Drainage Requirements

Sec. 9-1-431. Scope.

The provisions of this part shall govern the minimum facilities, fixtures, and systems for plumbing and drainage to be provided.

Sec. 9-1-432. Responsibility.

(a) The owner of the building or structure shall provide and maintain facilities, fixtures, and systems for the plumbing and drainage in compliance with the requirements of this part.

(b) It shall be unlawful for a person to occupy as owner-occupant, or permit another person to occupy, any building or structure which does not comply with the requirements of this part.

Sec. 9-1-433. Requirements for dwelling units.

Every dwelling unit shall contain its own bathtub or shower, lavatory, toilet or water closet, and a kitchen sink, which shall be maintained in a sanitary, safe working condition. The lavatory shall be placed in the same room as the toilet or water closet, or located in close proximity to the door leading directly into the room where such toilet or water closet is located. A kitchen sink shall not be used as a substitute for the required lavatory.

Sec. 9-1-434. Requirements for rooming houses.

At least one (1) bathtub or shower, one (1) lavatory, and (1) toilet or water closet shall be supplied for each four (4) rooming units.

Sec. 9-1-435. Requirements for hotels.

Where bathtubs, lavatories, and private toilets and private water closets are not provided in a hotel, one (1) bathtub or shower, one (1) lavatory and one (1) toilet or water closet with access from a public hallway shall be provided for each ten (10) occupants.

Sec. 9-1-436. Facilities for employees.

(a) A minimum of one (1) drinking facility, one (1) lavatory, and one (1) toilet or water closet shall be available to employees.

(b) Drinking facilities shall be a drinking fountain, water cooler, bottled water cooler, or disposable cups next to a sink or water dispenser. Drinking facilities shall not be located in bathrooms or in toilet rooms.

Sec. 9-1-437. Bathroom and toilet facilities generally.

(a) Bathrooms and toilet rooms shall provide privacy and shall not constitute the only passageway to a hall or other space, or to the exterior. A door and interior locking device shall be provided for all common or shared bathrooms and for all toilet rooms in a multiple dwelling.

(b) Bathrooms and toilet rooms that serve dormitory units, hotel units, or rooming units shall have access from a common hall or passageway by traversing not more than one (1) flight of stairs.

Sec. 9-1-438. Bathroom and toilet facilities for employees.

Bathroom and toilet facilities shall have access from within the employees' regular working area and shall be located not more than one (1) story above or below

the employees' regular working area. The path of travel to such facilities shall not exceed a distance of five hundred (500) feet (152 m). Employee bathroom and toilet facilities shall be either separate facilities or public customer facilities, provided, that such facilities are required for employees in storage structures or kiosks, which are located in adjacent structures under the same ownership, lease or control, shall not exceed a travel distance of five hundred (500) feet (152 m) from the employees' regular working area to the facilities.

Sec. 9-1-439. Installation and maintenance of plumbing fixtures.

All plumbing fixtures shall be properly installed with adequate clearances for usage and cleaning, shall be maintained in good repair, shall be kept free of leaks and defects, shall be maintained in a safe, sanitary and functional condition, and shall be capable of performing the function for which such plumbing fixtures are designed.

Sec. 9-1-440. Plumbing system drainage.

All drains for the plumbing system shall be maintained, shall be free of obstructions, and shall allow for proper drainage into the public sewer system.

Sec. 9-1-441. Water supply system for plumbing facilities and fixtures.

(a) All bathtubs, drinking fountains, lavatories, showers, sinks, toilets and water closets, or other plumbing fixtures shall be properly connected to the public water system. All bathtubs, kitchen sinks, laundry facilities, lavatories, and showers shall be supplied with hot or tempered and cold running water in accordance with the Michigan Plumbing Code enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504.

(b) The water supply system for a building or structure shall be maintained free from contamination, and all water inlets for plumbing fixtures shall be located above the flood-level rim of the fixture in accordance with the Michigan Plumbing Code enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504. Shampoo basin faucets, janitor sink faucets, and other hose bibs or faucets to which hoses are attached and left in place, shall be protected by an approved atmospheric-type vacuum breaker or an approved permanently attached hose connection vacuum breaker.

(c) The water supply system for a building or structure shall be installed and maintained to provide a supply of water to plumbing fixtures, devices and appurtenances in sufficient volume and at pressures adequate to enable the fixtures,

devices, and appurtenances to function properly, safely, and free from defects and leaks in accordance with the Michigan Plumbing Code and the Michigan Mechanical Code both enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504.

Sec. 9-1-442. Water heating facilities.

Water heating facilities for a building or structure shall be properly installed, maintained and capable of providing an adequate amount of water to be drawn at all required bathtubs, laundry facilities, lavatories, showers, and sinks at a temperature of not less than 120°F (49°C). A gas-burning water heater shall not be located in any bathroom, bedroom, toilet room, or other occupied room normally kept closed. An approved combination temperature and pressure-relief valve and relief valve discharge pipe shall be properly installed and maintained on water heaters.

Sec. 9-1-443. Sanitary drainage system generally.

(a) All plumbing facilities and fixtures shall be properly connected to the public sewer system.

(b) All plumbing stacks, vents, waste and sewer lines shall function properly and be kept free from defects, leaks, and obstructions.

Sec. 9-1-444. Plumbing or drainage system hazards; emergency orders.

(a) It shall be unlawful for an owner to maintain a plumbing or drainage system that constitutes a hazard to the health, safety, or welfare of the occupants or to the safety of a building or structure by reason of inadequate service, inadequate venting, cross connection, backsiphonage, improper installation, deterioration or damage or for similar reasons, or otherwise in violation of this article.

(b) Where it is found that a plumbing or drainage system of any building or structure creates a hazard to the health, safety, or welfare to the occupants of a building or structure, the Director of the Buildings and Safety Engineering Department or the Public Health Director may issue a notice or an order requiring that the defect or violation to be corrected to eliminate the hazard.

(c) Where the plumbing or draining system of any building or structure endangers the health, safety, or welfare of the occupants in the building or structure or in any other building or structure, or the City water supply or sewerage system, or its users, the Director of the Buildings and Safety Engineering Department and the Public Health Director are vested with emergency powers to order closure and vacation of the building or structure and/or to order shut-off of the water supply to the building or structure until the condition or conditions that are endangering the public health, safety, and welfare are abated.

Secs. 9-1-445 — 9-1-460. Reserved.**Part VII. Mechanical and Electrical Requirements****Sec. 9-1-461. Scope.**

The provisions of this part shall govern the minimum mechanical and electrical equipment, and facilities, for buildings and structures.

Sec. 9-1-462. Responsibility.

(a) The owner of the building or structure shall provide and maintain mechanical and electrical equipment and facilities in compliance with the requirements of this part.

(b) It shall be unlawful for a person to occupy as owner-occupant, or permit another person to occupy, any building or structure which does not comply with the requirements of this part.

Sec. 9-1-463. Heating facilities generally.

Mechanical heating facilities shall be provided in buildings or structures as required by this part.

Sec. 9-1-464. Heating for residential dwellings; use of cooking appliances.

All dwellings shall be provided with mechanical heating facilities capable of maintaining a room temperature of 65°F (18°C) in all habitable rooms, bathrooms, and toilet rooms based on the winter outdoor design temperature for the City in accordance with the Michigan Plumbing Code enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504. Cooking appliances shall not be used to provide space heating to meet the requirements of this section.

Sec. 9-1-465. Heating requirements for rental properties.

All owners and operators of any rental property who rent, lease or lets one (1) or more dwelling unit, dormitory, guestroom, or rooming unit on terms, either expressed or implied, to furnish heat to the occupants of the dwelling shall supply heat sufficient to maintain a temperature of not less than 65°F (18°C) in all habitable rooms, bathrooms, and toilet rooms.

Sec. 9-1-466. Heating requirements for indoor work spaces for employees.

Indoor work spaces designated for employees shall be supplied with heat sufficient to maintain a temperature of not less than 65°F (18°C) during the period the spaces are occupied, with these exceptions:

(1) Processing, storage and operation areas that require cooling or special temperature conditions; and

(2) Work areas where persons are primarily engaged in vigorous physical activities.

Sec. 9-1-467. Room temperature measurement.

The required room temperature for this part governing heating requirements shall

be measured three (3) feet (914 mm) above the floor near the center of the room and two (2) feet (610 mm) inward from the center of each exterior wall.

Sec. 9-1-468. Mechanical appliances and equipment generally.

All mechanical appliances, cooking appliances, fireplaces, solid fuel-burning appliances, and water-heating appliances shall be properly installed and maintained in a safe working condition, and shall be capable of performing the intended function.

Sec. 9-1-469. Removal and ventilation for mechanical appliances and equipment.

All fuel-burning appliances and equipment shall be connected to an approved chimney or vent with the exception of fuel-burning appliances and equipment which are labeled for unvented operation.

Sec. 9-1-470. Clearances for mechanical appliances and equipment.

All required clearances from mechanical appliances and equipment to combustible materials shall be maintained.

Sec. 9-1-471. Safety controls for mechanical appliances and equipment.

All safety controls for fuel-burning appliances and equipment shall be maintained in effective operation.

Sec. 9-1-472. Combustion air for mechanical appliances and equipment.

A supply of air for complete combustion of fuel and for ventilation of the space containing fuel-burning appliances or equipment shall be provided for the fuel-burning appliance or equipment.

Sec. 9-1-473. Energy conservation devices on mechanical appliances and equipment.

Devices intended to reduce fuel consumption by attachment to fuel-burning appliances or equipment, to a fuel supply line thereto, or to a vent outlet or vent piping therefrom, shall not be installed unless labeled for such purpose and the installation is specifically approved.

Sec. 9-1-474. Electrical facilities required.

All occupied buildings or structures shall be provided with an electrical system in compliance with the requirements of this part.

Sec. 9-1-475. Electrical service.

The size and usage of appliances and equipment shall serve as a basis for determining the need for additional facilities in accordance with the Michigan Electrical Code enacted pursuant to Section 4 of the Stille-Derossett-Hale Single State Construction Code Act, being MCL 125.1504. All dwelling units shall be served by a three-wire, 120/240 volt, single-phase electrical service having a rating of not less than 60 amperes.

Sec. 9-1-476. Electrical system hazards.

Where it is found that the electrical sys-

tem in a building or structure constitutes a hazard to the occupants or to the building or structure by reason of deterioration or damage, improper fusing, improper wiring or installation, inadequate service, insufficient receptacle and lighting outlets, or for similar reasons, the Director of the Buildings and Safety Engineering Department shall require the defect or violation to be corrected to eliminate the hazard.

Sec. 9-1-477. Installation of electrical equipment generally.

All electrical equipment, wiring, and appliances shall be properly installed and maintained in a safe and approved manner.

Sec. 9-1-478. Electrical receptacles.

All habitable space in a dwelling shall contain at least two (2) separate and remote receptacle outlets in accordance with the table contained that follows in this section. All laundry areas shall contain at least one (1) grounded-type receptacle or a receptacle with a ground fault circuit interrupter. Every bathroom shall contain at least one (1) receptacle. Any new bathroom receptacle outlet shall have ground fault circuit interrupter protection.

Electrical Receptacles

| <i>Room or space</i> | <i>Receptacles required</i> | <i>Amperage</i> |
|----------------------|-----------------------------|-----------------|
| Living room | 4 | 15 |
| Kitchen | 3 | 20 |
| Bath | 1 | 15 |
| Laundry area | 1 | 20 |
| Other (habitable) | 2 | 15 |

Sec. 9-1-479. Lighting fixtures.

All bathrooms, boiler rooms, furnace rooms, interior stairways, kitchens, laundry rooms, public halls, and toilet rooms shall contain at least one (1) electric lighting fixture.

Secs. 9-1-480 — 9-1-500. Reserved.

Part VIII. Elevators, Escalators, Dumbwaiters, and Duct Systems

Sec. 9-1-501. General.

All elevators, dumbwaiters and escalators shall be maintained to sustain safely all imposed loads, to operate properly, and to be free from physical and fire hazards. The most current certificate of inspection shall be on display at all times within the elevator or attached to the escalator or dumbwaiter, or the certificate shall be available for public inspection in the office of the building operator.

Sec. 9-1-502. Elevators.

In buildings or structures equipped with passenger elevators, at least one (1) elevator shall be maintained in operation at all times when the building or structure is occupied, provided, that a building or structure equipped with only one (1) elevator shall be permitted to have the elevator temporarily out of service for a reasonable amount of time for testing or servicing.

Sec. 9-1-503. Duct systems general.

Duct systems shall be maintained free of obstructions and shall be capable of performing the required function.

Secs. 9-1-504 — 9-1-520. Reserved.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. If any clause, sentence, paragraph or part of this ordinance, or the application thereof to any person, firm, corporation or circumstance, shall for any reason be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this ordinance and the application of such provision to other persons, firms, corporations or circumstances, but shall be confined in its operation to the clause, sentence, paragraph or part thereof judgment shall have been rendered in and to the person, firm, corporation or circumstance involved. It is hereby declared to be the legislative intent of this body that the ordinance would have been adopted had such invalid provision not been included.

Section 4. This ordinance is declared necessary for the preservation of public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. In the event that this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority City Council Members serving, it shall become effective on the thirtieth (30th) day after enactment, or on the first business day thereafter, in accordance with Section 4-115 of the 1997 Detroit City Charter.

By Council Member Bates:

AN ORDINANCE to amend Chapter 26 of the 1984 Detroit City Code, titled "Housing Code," by repealing Article V, which consists of Sections 26-5-1 through 26-5-50, to delete provisions of the 1984 Detroit City Code that are obsolete due to the adoption of the Detroit Property Maintenance Code, being Chapter 9, Article I, of the 1984 Detroit City Code.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. That Chapter 26, of the 1984 Detroit City Code, titled "Housing Code," be amended by repealing Article V, which consists of Sections 26-5-1 through 26-5-50, as follows:

**ARTICLE V. HOUSING CODE
REPEALED.**

Sec. 26-5-1. Scope:

(a) The provisions of this article shall apply to all classes of dwellings defined in article 2 of the official building code of the city and in the following sections; except that in sections where specific reference is made to one (1) or more specific class-

~~es of dwellings, such provisions shall apply only to those classes to which such specific reference is made. All other provisions which relate to dwellings shall apply to all classes of dwellings.~~

~~(b) Materials and methods of construction other than those specified herein may be used provided that they meet all the requirements of the fire resistance ratings of structural elements (in hours) of the official building code of the city and conform to accepted engineering practices listed in Appendix B of the building code. Repealed.~~

Sec. 26 5 2. Application of other laws.

~~Nothing contained in this article shall be deemed to nullify any provisions of the zoning law or any other statute of the city pertaining to the location, use or type of construction of buildings, except as may be specifically required by the provisions of the building code. Repealed.~~

Sec. 26 5 3. Definitions.

~~The following words and phrases, when used in this article, shall have the meanings respectively ascribed to them:~~

~~Classes of dwellings: For the purpose of this article, dwellings are divided into the following classes: (1) "Private dwellings," (2) "Two family dwellings," and (3) "Multiple dwellings."~~

~~(1) A "private dwelling" is a dwelling occupied by but one (1) family, and so designed and arranged as to provide cooking and kitchen accommodations for one (1) family only.~~

~~(2) A "two family dwelling" is a dwelling occupied by two (2) families, and so designed and arranged as to provide cooking and kitchen accommodations for two (2) families only.~~

~~(3) A "multiple dwelling" is a dwelling occupied otherwise than as a private dwelling or two family dwelling:~~

~~Dwelling: A "dwelling" is any house, building, structure, tent, shelter, trailer or vehicle or portion thereof, (except railroad cars on tracks or rights of way), which is occupied in whole or in part as the home, residence, living or sleeping place of one (1) or more human beings, either permanently or transiently. A house trailer or other vehicle, when occupied or used as a dwelling, shall be subject to all the provisions of this article except that house trailers or other vehicles duly licensed as vehicles, may be occupied or used as a dwelling for reasonable periods or lengths of time, without being otherwise subject to the provisions of this article for dwellings, when located in a park or place designated or licensed for the purpose by ordinance.~~

~~Fire doors: All fire doors, except those on dumbwaiters and elevators, shall be of the swinging type and shall not be double acting and shall be equipped with an approved device capable of completely and effectually closing the door under all~~

~~conditions. Self-closing equipment shall consist of standard door checks or other similar approved devices which will effectually close the door without slamming. Automatic fire doors, as specified herein, may be normally held in an open position by an apparatus which will automatically allow the door to close whenever the temperature of the air at the top of the door reaches one hundred and sixty five (165) degrees Fahrenheit. Self-closing fire doors, as specified herein, shall be normally kept closed at all times. Self-closing fire doors, as specified herein, shall be labeled on both sides in a conspicuous manner with the following words: "fire door, keep closed."~~

~~Nuisance: The word "nuisance" shall be held to embrace public nuisance as known at common law or in equity jurisprudence; and whatever is dangerous to human life or detrimental to health; whatever dwelling is overcrowded with occupants or is not provided with adequate ingress and egress to or from the same, or is not sufficiently supported, ventilated, sewered, drained, cleaned or lighted, in reference to its intended or actual use; and whatever renders the air or human food or drink unwholesome, are also severally, in contemplation of this article, nuisance; and all such nuisances are hereby declared illegal.~~

~~Room and board home shall mean rooming unit within a dwelling arranged to provide lodging and meals for monetary compensation. In the case of single or two family dwellings, the number of such rooming units shall not exceed three (3), in each family dwelling unit, unless such dwelling be made to comply in all aspects with the provisions of this article and the zoning ordinance, 300G as amended relating to single, two family or multiple dwellings.~~

~~Stair hall: A "stair hall" is a common hallway and includes the stairs, stair landings and those portions of the building through which it is necessary to pass in going between the entrance floor and the roof. Repealed.~~

Sec. 26 5 4. Sewer connections and water supply.

~~Where public water and sewer accommodations are, or become reasonably accessible, every dwelling shall be provided with such water and toilet accommodations as are required by this article. All questions as to the practicability of such water and sewer connections shall be decided by the enforcing official. Repealed.~~

Sec. 26 5 5. Room size.

~~In every dwelling all rooms, except water closet compartments and bath-rooms, shall be not less than the following minimum sizes: Every room shall contain at least seventy (70) square feet of floor area, except that kitchenettes and~~

dinettes may be fifty (50) square feet in area. Repealed.

Sec. 26-5-6. Privacy.

In every dwelling access to every living room and to every bedroom shall be had without passing through a bedroom or through a room containing a water closet; access to water closets must be possible from all bedrooms without passing through another bedroom or room used as a bedroom. The provisions of this section shall not apply to a sleeping porch, sun parlor, solarium, or any other enclosed outside porch adjacent to and entered by way of a bedroom. Repealed.

Sec. 26-5-7. Public halls lighting at night.

In every multiple dwelling all public halls shall be kept adequately lighted at all times by the owner. In every multiple dwelling of use group R-1, except those of fireproof construction having more than fifteen (15) rooms or sleeping accommodations for more than thirty (30) persons, the location of stairways and means of egress shall be designated on each floor by electrically illuminated exit signs having the letters at least four (4) inches in height. All exit lights shall be on a separate circuit or circuits and wires shall be installed in approved metal raceway. Repealed.

Sec. 26-5-8. Water closet in cellars.

No water closets shall be maintained in the cellar of any dwelling without a permit in writing from the enforcing officer, who shall have power to make rules and regulations governing the maintenance of such closets. Under no circumstances shall the general water closet accommodations of any multiple dwelling be permitted in the cellar or basement thereof; this provision, however, shall not be construed so as to prohibit a general toilet room containing several water closets, provided such water closets are supplementary to those required by law. (also see plumbing code). Repealed.

Sec. 26-5-9. Water closet accommodations.

In every existing dwelling unit there shall be provided a separate flush water closet, a lavatory and a bathtub or shower with hot and cold running water within the apartment for the exclusive use of the occupants of such apartment, group or suite of rooms; provided, That in multiple dwellings of use group R-1 there shall be provided at least one (1) water closet for ten (10) occupants or fraction thereof. The requirements of this section shall not apply to dwellings located within areas officially designated by the city council as rehabilitated areas scheduled for total clearance; (see also the official plumbing code). Where the strict application of this section would create an undue hardship, a waiver or modification may be granted upon the approval of the building official

and the health official. Repealed.

Sec. 26-5-10. Use of kitchen.

No kitchen or cooking accommodations shall be permitted or maintained in any rooms or space of any building for the common or joint use of the individual occupants of a two family or multiple dwelling. Repealed.

Sec. 26-5-11. Repairs and drainage.

(a) Every dwelling and parts thereof shall be kept in good repair, safe condition and fit for human habitation. The roof shall be maintained to prevent leakage; gutters and downspouts shall be kept in sound condition and fitted to discharge water from the roof to the sewerage system or in a manner approved by the enforcing official.

(b) Every wall, floor, ceiling, window, door and foundation shall be completely intact, structurally sound and weather-proof where exposed to the elements. Each stairway, porch and railings shall be kept in good repair.

(c) Every piece of equipment and mechanical system that are part of the dwelling, including plumbing, heating, ventilating and electrical equipment, shall be kept in good repair and maintained in proper working condition.

(d) All sheds, garages, fences and other appurtenances on the property shall be maintained in sound condition, free of any safety or health hazards. Repealed.

Sec. 26-5-12. Heating.

Every dwelling and every dwelling unit shall have heating facilities that are properly installed and maintained in good working condition, and that are capable of heating all habitable rooms in accordance with the heating ordinance of the city and section 25-5-13. Repealed.

Sec. 26-5-13. Heating requirements.

It shall be the duty of every owner or agent in control of every occupied dwelling unit; in the absence of a contract or agreement to the contrary, to provide safe and adequate heating facilities, properly installed, that are capable of supplying sufficient heat for each habitable room, bathroom and toilet room thereof whenever the outer or street temperature shall fall below (55) degrees Fahrenheit. The minimum required temperature when measured at a distance of three (3) feet above the floor level shall be sixty five (65) degrees Fahrenheit between the hours of 12:00 midnight and 7:00 a.m., and seventy (70) degrees Fahrenheit thereafter until 12:00 midnight. Repealed.

Sec. 26-5-14. Electrical wiring.

Electrical wiring and fixtures shall be installed and maintained in accordance with the requirements of the official electrical code of the city. Repealed.

Sec. 26-5-15. Water supply.

(a) Every existing dwelling unit shall have within each apartment or family dwelling unit at least one (1) approved

~~kitchen sink with hot and cold running water furnished in sufficient quantity at all times. The owner shall provide proper and suitable tanks, pumps or other appliances to receive and distribute an adequate and sufficient supply of water at each floor in the dwelling at all times of the year, during all hours of the day and night, but a failure in the general supply of city water shall not be construed to be a failure on the part of such owner; provided proper and suitable appliances, to receive and distribute such water, have been installed in the dwelling.~~

~~(b) In other than owner occupied single family dwellings, every kitchen sink, lavatory, bathroom and shower shall be supplied at all times with hot water at a minimum temperature of one hundred and twenty (120) degrees Fahrenheit.~~

~~(c) The plumbing, sanitary facilities and water supply shall be installed and maintained in accordance with the requirements of the official plumbing code of the city. Repealed.~~

Sec. 26 5 16. Emergency repairs.

~~(a) Whenever the buildings and safety engineering department or the department of health finds that because of the existence of a violation of any provision of this article, an emergency condition exists that requires immediate action to protect the public health or safety, the enforcing official may issue an emergency order reciting the existence of the emergency condition and requiring that such action be taken as necessary to meet the emergency; notwithstanding any other provision of this article, an emergency order shall be effective immediately. Any person to whom an emergency order is directed shall comply therewith within the period of time specified in the order. For the purposes of this subsection, an emergency condition shall be a condition which constitutes an immediate danger to public health or safety.~~

~~(b) If the buildings and safety engineering department or department of health, after reasonable efforts in light of the emergency condition, is unable to deliver an emergency order to the person responsible for correcting the emergency condition, or if the person to whom the emergency order is directed fails to comply with its terms within the period of time specified therein, the buildings and safety engineering department or department of health may immediately take, or cause to be taken, whatever reasonable action is necessary to alleviate the emergency condition; and the entire cost of the necessary acts shall be recoverable from each of the persons responsible for correcting the emergency conditions by bringing an action in the circuit court or a court of competent jurisdiction. In addition, the entire cost of the necessary conditions shall be a lien on the affected real~~

~~property and shall be reported to the board of assessors who shall assess the cost against the property affected. The lien shall be enforced in the manner described in the Charter provided for the enforcement of special assessment liens or tax liens. Repealed.~~

Sec. 26 5 17. Catch basins.

~~The use of catch basins for the disposal of waste water from dwellings is prohibited. Repealed.~~

Sec. 26 5 18. Cleanliness of dwellings.

~~(a) Every dwelling and every part thereof shall be kept clean and shall also be kept free from any accumulation of dirt, filth, rubbish, garbage or other matter in or on the same, or in the yards, courts, passages, areas or alleys connected therewith or belonging to the same. The owner of every dwelling shall be responsible for keeping the entire building free from vermin. The owner shall also be responsible for complying with the provisions of this section except that the tenant shall be responsible for the cleanliness of those parts of the premises that they occupy and control.~~

~~(b) In every multiple dwelling in which the owner does not reside there shall be a responsible person or persons designated as such by the owner. These persons and the owner shall be severally and jointly responsible for maintaining the entire premises in a clean condition and free of litter or hazardous objects at all times. This includes the yards, halls, stairs and other areas used in common by all dwelling units. Repealed.~~

Sec. 26 5 19. Walls and ceilings of rooms.

~~In every dwelling the painting or papering of the walls and ceilings shall be the responsibility of the owner, and all such surfaces shall be so maintained as to be capable of withstanding normal cleaning operations. Where natural lighting is deficient, light tinted walls and ceilings shall be provided. In no case shall dark coatings be applied for the purpose of avoiding cleanliness in maintenance operations. Repealed.~~

Sec. 26 5 20. Receptacles for ashes, garbage and rubbish.

~~The owner of every multiple dwelling, and in the case of private and two family dwellings the occupant or occupants thereof, shall provide for the dwellings, keep clean and in place, properly covered receptacles of nonabsorbent material for holding garbage, refuse, ashes, rubbish and other waste matter. Garbage and rubbish chutes are prohibited. Repealed.~~

Sec. 26 5 21. Prohibited uses.

~~No horse, cow, calf, swine, sheep, goat, chickens, geese, rabbits or ducks shall be kept in any dwelling or part thereof, nor shall any such animal be kept on the same lot or premises with a dwelling except under such conditions as may be~~

prescribed by the enforcing officer. No such animal shall under any circumstances be kept on the same lot or premises with a multiple dwelling. No dwelling on the lot or premises thereof shall be used for the storage or handling of rags or junk. Repealed.

Sec. 26-5-22. Combustible materials and storage spaces.

No dwelling nor any part thereof, nor of the lot upon which it is situated, shall be used as a place of storage, keeping or handling of any article dangerous or detrimental to life or health, nor of any combustible article, except under such conditions as may be prescribed by the enforcing officer, under authority of a written permit issued by him. No multiple dwelling nor any part thereof, nor of the lot upon which it is situated, shall be used as a place of storage, keeping or handling of feed, hay, straw, cotton, paper, stock, feathers, or rags. Repealed.

Sec. 26-5-23. Certain dangerous businesses.

There shall be no transom, window, door or other opening into a public hall from any part of a multiple dwelling where paint, oil, or flammable liquids are stored or kept for the purpose of sale or otherwise. Repealed.

Sec. 26-5-24. Supervision and safety provisions.

(a) In any multiple dwelling housing more than eight (8) families, in which the owner thereof does not reside, there shall be a responsible person or persons, designated as such by the owner. Every multiple dwelling of use group R-1 containing over seventy-five (75) sleeping rooms or sleeping accommodations for one hundred and fifty (150) persons or more above the first floor, which is not of fireproof construction or not protected with an approved sprinkler system or an approved and self-supervised and properly maintained automatic fire alarm system, shall have adequate watch service, reporting each one (1) hour between the hours of 10:00 p.m. and 7:00 a.m. on each floor at locations designated by the enforcing official on a suitable recording device.

(b) In addition every multiple dwelling of use group R-1 not of fireproof construction, or not protected with an approved sprinkler system or an approved and self-supervised and properly maintained automatic fire alarm system, having sleeping accommodations for over fifty (50) persons above the first floor, shall have on duty at all times at least one (1) employee and more if necessary, so that there shall be one (1) employee on duty at all times for each one hundred (100) persons, or major fraction thereof, of the normal capacity of the building.

(c) In all multiple dwelling of use group R-1 not of fireproof construction, having

sleeping accommodations for over twenty-five (25) persons there shall be provided a bell, gong, siren or other approved alarm, of sufficient size and adequacy to be heard in every room or apartment of the building by a person of normal auditory perception, on each floor of the building, such warning device to be manually controlled from locations designated by the enforcing official.

(d) All employees of multiple dwellings shall be regularly instructed and drilled relative to the proper proceeding in case of fire or panic by a person whose qualifications are approved by the enforcing officer. All employees of multiple dwellings shall be instructed as to the location of the fire alarm boxes or other devices for notifying the fire department. In case of fire in the building it shall be the duty of such employees to forthwith and immediately notify the fire department of the existence of such fire through the surest and quickest means of notification available. Such employees shall then proceed to warn or notify the occupants of the building of the existence of such fire and to assist them in the immediate evacuation of the building in the quickest and safest manner possible.

(e) The owners or manager of every multiple dwelling of use group R-1 shall maintain a register or list of guests and tenants which shall be kept and safeguarded so as to be available at all times. Repealed.

Sec. 26-5-25. Overcrowding.

No bedroom or room used as a bedroom in any use group R-1 multiple dwelling shall be so occupied as to provide less than five hundred (500) cubic feet of air space per occupant, exclusive of the cubic air space of bathrooms, toilet rooms and closets. No room, suite or group of rooms, comprising a family dwelling unit, in any single, two-family or use group R-2 multiple dwelling shall be so occupied as to provide less than eight hundred (800) cubic feet of air space per occupant exclusive of the cubic air space of bathrooms, toilet rooms, and closets. No bedroom or room used as a bedroom in any single, two-family or use group R-2 multiple dwelling shall be so occupied as to provide less than three hundred (300) cubic feet of air space per occupant, exclusive of the cubic air space of bathrooms, toilet rooms and closets. Repealed.

Sec. 26-5-26. Lodgers prohibited.

The enforcing officer may prohibit in any multiple dwelling the letting of lodgings therein by any of the tenants occupying such multiple dwelling, and may prescribe conditions under which lodgers or boarders may be taken in multiple dwellings. It shall be the duty of the owner in the case of multiple dwellings to see that the requirements of the enforcing offi-

er are at all times complied with, and a failure to so comply on the part of any tenant, after due and proper notice from the owner or from the enforcing officer, shall be deemed sufficient cause for the summary eviction of such tenant and the cancellation of his lease. The provision of this section may be extended to private dwellings and two family dwellings as may be found necessary by the enforcing officer. Repealed.

Sec. 26-5-27. Infected and uninhabitable dwellings to be vacated.

Whenever it shall be certified by the building or health official that a dwelling is infected with contagious disease or that it is unfit for human habitation, or dangerous to life or health by reason of want of repair, or of defects in the drainage, plumbing, lighting, ventilation, or the construction of same, or by reason of the existence on the premises of a nuisance likely to cause sickness among the occupants of the dwelling, or for any cause, the enforcing officer may issue an order requiring all persons therein to vacate such house within not less than twenty-four (24) hours nor more than ten (10) days for the reasons to be mentioned in the order. In case such order is not complied with within the time specified the enforcing officer may cause the dwelling to be vacated. The enforcing officer, whenever he is satisfied that the danger from the dwelling has ceased to exist, or that it is fit for human habitation, may revoke the order or may extend the time within which to comply with the same. Repealed.

Sec. 26-5-28. Painting and repairs to buildings.

(a) Whenever any dwelling or any building, structure, excavation, business pursuit, matter or thing, in or about a dwelling, or the lot on which it is situated, or the plumbing, sewerage, drainage, light or ventilation thereof, is in the opinion of the enforcing officer in a condition or in effect dangerous or detrimental to the life or health, the enforcing officer may declare that the same, to the extent he may specify is a public nuisance, and may order the same to be removed, abated, suspended, altered or otherwise improved or purified as the order shall specify.

(b) All exposed wood surfaces shall be maintained in an acceptable condition with paint or other approved preservative. All areas of cracking, scaling, peeling and loose paint shall be treated in accordance with subsection (c).

(c) Interior surfaces of every dwelling shall be maintained free of cracking, scaling, peeling and loose paint. Areas requiring corrective action shall be thoroughly washed; sanded, scraped or wire brushed, so as to remove all cracking, scaling, peeling and loose paint before

repainting. As a minimum, these areas must receive one coat of paint or other approved preservative. For purposes of this section, the term dwelling shall, in addition to definitions provided elsewhere in this article, mean any structure or portion thereof used primarily as a residence, school, nursery, day care center, clinic, treatment center, or other facility catering to the needs of children under six (6) years of age. Repealed.

Sec. 26-5-29. Maintenance of fire escapes.

All fire escapes shall be kept in a safe and sound condition and shall be properly painted and repaired to maintain this condition. No encumbrance or obstruction shall be placed or maintained on any part of any fire escape or in any means of access to a fire escape. Repealed.

Sec. 26-5-30. Scuttles, bulkheads, ladders and stairs.

In all multiple dwellings where there are scuttles or bulkheads, they and all stairs or ladders leading thereto shall be easily accessible and shall be kept free from encumbrance and ready for use at all times. Repealed.

Sec. 26-5-31. Rooms, lighting and ventilation.

No room except water closet compartments in a dwelling erected prior to October 25, 1978 shall hereafter be occupied unless it shall have a window or windows of an area equal in net glass area to not less than one tenth of the floor area, forty (40) percent of which window shall be capable of being opened, opening directly upon the street, or upon a rear yard not less than ten (10) feet deep, or above the roof of an adjoining building, or upon a court located on the same lot with the dwelling or on an adjoining lot and having an area of not less than fifty (50) square feet and a minimum dimension not less than three (3) feet and being open and unobstructed from the window sill to the sky, or upon a side yard located on the same lot with the dwelling or on an adjoining lot and having a minimum width not less than two (2) feet, except that a room located on the top floor may be lighted by means of a skylight if the skylight has a glass area equal to not less than one-tenth of the floor area and is ventilated directly to the outer air by an opening or openings having an area equal to not less than one (1) percent of the floor area. A room which cannot be made to comply with the above provisions may be occupied if provided with a window having a glass area not less than one eighth of the floor area of such room, forty (40) percent of the area of which window shall be capable of being opened, opening into an adjoining room in the same apartment or group or suite of rooms which latter room has a window or windows with a glass area equal to not less than one sixth of the

area of the larger of the two (2) rooms involved, forty (40) percent of the area of which windows shall be capable of being opened, directly on a street or on a rear yard of the above dimensions. Insofar as possible the windows between the two (2) rooms shall be in line with windows in the outer room so as to afford a maximum of light and ventilation. Repealed.

Sec. 26 5 32. Public halls and stairs, lighting and ventilation.

In all multiple dwellings erected prior to October 25, 1978, the public halls and stairs shall be provided with as much light and ventilation to the outer air as may be deemed practicable by the enforcing officers who may order the cutting in of windows and skylights and other improvements and alterations in said dwellings as in his judgment may be necessary and appropriate to accomplish this result. All new skylights hereafter placed in such dwelling shall be in accordance with section 26 5 31 and shall be of such size as may be determined to be practicable by the enforcing officer. Repealed.

Sec. 26 5 33. Plumbing fixtures.

In all dwellings, plumbing fixtures shall be so arranged and maintained as to prevent the wetting of the supporting or surrounding framework which may cause an insanitary condition. The space beneath such fixtures shall be accessible and shall not be so enclosed as to prevent ventilation sufficient to maintain dry and sanitary condition. The floor and wall surfaces beneath and adjacent to all plumbing fixtures shall be maintained in a sound and sanitary condition. The enforcing officer may order plumbing fixtures to be supported by metal brackets, and the space beneath left entirely open, when it is indicated that the woodwork has become damp and insanitary and cannot be properly maintained. Defective and insanitary plumbing fixtures, which cannot be repaired, shall be replaced by approved fixtures. Repealed.

Sec. 26 5 34. Privy vaults, school sinks and water closets.

The use of privy vaults, school sinks, cesspools or other receptacles to receive fecal matter, urine or sewage is prohibited. Septic tanks, constructed and installed in accordance with the plumbing code of the city, may be used only where no public sewer is available. Water closets shall be provided in such numbers as required by section 26 5 9. Water closets and all plumbing in connection therewith shall be sanitary in every respect and shall be installed and maintained in accordance with the plumbing code of the city. No water closet shall be placed out of doors. Repealed.

Sec. 26 5 35. Protection of basement and cellars.

Every multiple dwelling of use group R-1 having twenty (20) or more sleeping

rooms or sleeping accommodations for forty (40) or more persons and exceeding two (2) stories in height and having a basement or cellar, the floor above which is not of fireproof construction, shall have its basement or cellar ceiling protected with metal lath and three quarters of an inch of portland cement or gypsum plaster, or the basement or cellar shall be protected with an approved automatic sprinkler system or an approved and self-supervised and properly maintained automatic fire alarm system. The floor of the cellar or lowest floor of every dwelling shall be free from dampness, and, when necessary in the judgment of the enforcing officer shall be covered with not less than three (3) inches of concrete of good quality and with a finished surface. Repealed.

Sec. 26 5 36. Shafts and courts.

(a) In every dwelling where there is a court or shaft of any kind, there shall be at the bottom of every such shaft and court a door giving sufficient access to such shaft or court to enable it to be properly cleaned out; provided, that where there is already a window giving proper access, it shall be deemed sufficient.

(b) In all multiple dwellings of use group R-1 not of fireproof construction, or not protected with an approved sprinkler system or an approved and self-supervised and properly maintained automatic fire alarm system, exceeding two (2) stories in height and having sleeping accommodations for fifty (50) or more persons, the interior stairs, dumbwaiters, elevators, clothes chutes, rubbish and all other inside shafts or openings between the various floors or stories of the entire building shall be enclosed or cut off with a fire resistive enclosure so as to prevent or restrict the vertical spreading of fire or smoke. All stairway shafts or openings between the cellar or basement and the story above in class "B" multiple dwellings shall be enclosed or cut off in the basement or cellar as mentioned above. Such enclosure shall be made of metal lath and three quarters of an inch of Gypsum or portland cement plaster on wood or metal studs, hollow metal, kalomine or other partition of equivalent fire resistance. Fixed wire glass panels or wire glass windows of steel or metal covered frames may be placed in such enclosures. All door openings in such enclosures shall be protected with self-closing fire doors. Repealed.

Sec. 26 5 37. Egress from existing multiple dwellings.

All parts of every multiple dwelling, above the first story, shall have access to two (2) independent means of egress either of which is accessible without passing through the other, except where but one (1) means of egress is permitted under the building code. In the case of

multiple dwellings erected after October 25, 1978, the construction and arrangement of these means of egress shall conform to provisions of article 6 of the building code. In the case of multiple dwellings erected prior to October 25, 1978, wherein all parts are not supplied with the means of egress specified herein, deficiencies in exit facilities may be corrected by the erection of the fire escapes constructed and arranged in accordance with the provisions of article 6 of the building code. **Repealed.**

Sec. 26-5-38. Roof egress

Every flat roof multiple dwelling, exceeding three (3) stories in height, shall have at least one (1) convenient and permanent means of access to the roof located in a public part of the building and not in a room or closet. **Repealed.**

Sec. 26-5-39. Mail receptacles.

(a) The owner or agent of every multiple dwelling of three (3) or more apartments and residential hotels wherein the building has a common street entrance shall be responsible for installing and maintaining approved mail receptacles for each tenant in accordance with United States Post Office Department Regulations.

(b) For the purpose of this article approved mail receptacle shall be those approved by the Post Office Department of the United States contained in Post Office Department Publication No. 17, as revised, entitled "Apartment House Mail Receptacles, regulations and instruction." Each individual receptacle in a multiple dwelling must be equipped with full-length door through which the mail may be removed by the tenant. The doors of the several receptacles shall be secured by key locks. Manufacturers must provide a sufficient number of key changes to prevent the opening of receptacles by the use of a key to any other receptacle in the same house or in the immediate locality. These locks must be securely fastened to the door, each lock should be clearly numbered on the back so that if a key is lost, a duplicate may be ordered by number. **Repealed.**

Sec. 26-5-40. Insect screens.

During the period from May fifteenth to October Fifteenth of each year every door opening directly from any dwelling or dwelling unit to the outdoors, and every window or other outside opening used for ventilation purposes, shall be supplied with a screen of not less than sixteen (16) mesh per inch and every screen door shall have a self closing device in good working condition; except that no such screens shall be required for a dwelling unit on a floor above the fifth floor of a building. **Repealed.**

Sec. 26-5-41. Certification of compliance.

No building hereafter constructed as or

altered into a dwelling shall be occupied in whole or in part for human habitation until the issuance of a certificate by the enforcing officer that the dwelling substantially conforms in all respects to the requirements of this article. Such certificate shall be issued within fifteen (15) days after written application therefore if said dwelling at the date of such application shall be entitled thereto; no building erected prior to November 15, 1978, shall be occupied in whole or in part for human habitation after a date two (2) years subsequent to November 15, 1978, unless there has been issued by the enforcing officer subsequent to such date, a certificate to the effect that the dwelling substantially conforms in all respects to the requirements of this article. Following the expiration of the two (2) year period, no building erected, either prior to November 15, 1978, which is not occupied by the owner thereof as his home, shall be occupied in whole or in part for human habitation following a period of five (5) years next succeeding the date of issuance of the last certificate of compliance covering such dwelling until another such certificate of compliance is issued as provided in this section. **Repealed.**

Sec. 26-5-42. Unlawful occupation.

If any building hereafter constructed as or altered into a dwelling be occupied in whole or in part as a dwelling for human habitation in violation of section 26-5-41, the premises shall be deemed unsatisfactory for human habitation and the enforcement officer may cause them to be vacated accordingly. **Repealed.**

Sec. 26-5-42.5. Registry of owners and dwellings.

(a) The owners of a dwelling or part of a dwelling containing units which are occupied by persons pursuant to an oral or written rental agreement for monetary compensation or which will be offered for occupancy under an oral or written rental agreement for monetary compensation, shall register such dwelling or parts thereof with the buildings and safety engineering department and obtain a certificate of registration as provided herein. Owners of dwellings containing units which are occupied or offered for occupancy at the time on February 28, 1984, shall obtain a certificate of registration within ninety (90) days thereafter. Application for registration shall be made on forms provided by the department and shall contain:

(1) The location and use of the dwelling;

(2) The name, address, telephone number, date of birth and driver's license number or state identification number of the applicant, if an individual, and the name, address and resident agent if a corporation;

(3) Information listed in paragraph (2) above for each partner, corporate officer, or any other person having an interest in the property;

(4) The names, addresses and telephone numbers of any persons or firms other than the owners who are responsible for property maintenance.

(b) After receipt of the application the department shall issue to the owner or his agent a certificate or registration upon payment of the prescribed fee, the amount of which shall be established by the board of rules of the department.

(c) Certificate of registration shall be renewed annually on the date established by the department and posted in a conspicuous place on the premises, the department shall maintain a registry of owners and dwellings governed by this section.

(d) When property required under this section to be registered is sold or otherwise transferred to a new owner, the registration by the previous owner shall expire and the new owner shall, within ninety (90) days after the sale or transfer of the property, apply for registration in the prescribed manner. Repealed.

Sec. 26-5-43. Inspection of dwellings.

(a) After registration and upon payment of the prescribed fee, the enforcing officer shall cause an inspection, as nearly as possible once a year, to be made of any dwelling unit or part thereof that has been or will be [sic] occupied by persons other than the owner and the owner's immediate family for more than six (6) consecutive months in the preceding twelve (12) and is occupied pursuant to an oral or written rental agreement for monetary compensation. The purpose of such an inspection shall be to ascertain the safe, sanitary, and habitable conditions thereof including a thorough examination of all parts of the dwelling unit and the premises connected therewith. The fee for such inspection shall be established by the board of rules of the department and shall cover the cost of the inspection and its subsequent supervision. The enforcing officer is also hereby empowered to make similar inspections of all dwellings as frequently as may be necessary. Such inspections shall note all violations, and shall separately indicate "Major violations" as defined in section 26-5-40.

(b) Following such inspection and if need be correction of all "major violations," the division of license and permits of the building and safety engineering department shall issue to the owner or his agent a certificate of inspection.

(c) It shall be the duty of the owner or his agent to place and maintain such certificate of inspection in a conspicuous place on the premises. Repealed.

Sec. 26-5-43.5. Posting of responsibilities and tenant's statement of rights.

The building and safety engineering department in consultation with the human rights department, shall develop a tenants' statement of rights based on the rights guaranteed by City Charter and the state and federal Constitution. Each operator of a room and board dwelling, or owner of rental property, as defined in this article, shall post upon the premises a copy of the tenants' statement of rights. Where house rules and/or tenant responsibilities are in writing, they shall be posted along with the statement of rights in a conspicuous place on the premises. Any house rules and tenant responsibilities shall be consistent with existing laws. The building and safety engineering department shall provide operators of room and board dwellings and owners of rental property with copies of the tenants' statement of rights. Repealed.

Sec. 26-5-44. Right of entry.

The enforcing officer and all inspectors, officers and employees of the enforcement department, and such other persons as may be authorized by the enforcing officer, may without fee or hindrance enter, examine and survey all premises, grounds, erections, structures, apartments, dwelling, buildings, and every part thereof in the city. The owner or his agent or representative and the lessee and occupant of every dwelling and every person having the care and management thereof shall at all reasonable times when required by any such officers or persons give them free access to such dwellings and premises. The owner of a dwelling and his agents and employees shall have right of access to such dwelling at reasonable times for the purpose of bringing about a compliance with the provisions of this article or any order issued thereunder. Repealed.

Sec. 26-5-45. Rule-making authority.

The building official shall have power as may be necessary in the interest of public safety, health and general welfare to adopt and promulgate rules and regulations to interpret and implement the provisions of this article to secure the intent thereof and to designate requirements applicable because of conditions. Repealed.

Sec. 26-5-46. Modifications.

When there are practical difficulties involved in carrying out the provisions of this article or of an approved rule, the building official may vary or modify such provision upon application of the owner or his representative, provided that the spirit and intent of the law shall be observed and public welfare and safety be assured. Repealed.

Sec. 26-5-47. Enforcement.

(a) The provisions of this article shall

be enforced by the buildings and safety engineering department and the department of health except that the fire marshal shall enforce that portion of section 26-5-21 pertaining to the storage of dangerous combustible articles and that portion of section 26-5-23 pertaining to the instruction of employees of multiple dwellings as to their duties in case of fire; provided, however, that the mayor may assign the enforcement of all or any of the provisions of this article to such city department or department as he may deem best suited for the purpose.

(b) any violation of the provisions of this article, or the rules and regulations thereof, found by the department to be dangerous to human life or property, shall be considered a violation on each and every day such nuisance is permitted to remain unabated after written notice from the department of its existence. Each violation may be prosecuted, and a conviction and imposition of sentence for violations on one or more days shall not be construed as excusing or permitting the continuance of any violation.

(c) Every building, structure or part thereof, shall be kept in good repair by the owner. Repealed.

Sec. 26-5-48. Notice of violation.

Whenever the department shall find that any building or structure in such a condition as to violate any provisions of this article, the department shall promptly issue a notice of violation or order to the person or persons responsible for the erection, construction, alteration, extension, repair, use or occupancy of a building or structure in violation of the provisions of this article and such notice of violation or order shall direct the discontinuance of the illegal action or condition and the abatement of the violation within a specified time. The time specified shall be reasonable given the adverse effect of the violation on the habitability or use of the premises, blighting influence of the violation on the immediate neighborhood and the work required to make corrections. Persons to whom notices or orders are issued shall, in the notice or order, be offered an administrative hearing upon request to contest the notice of violation or order or to ask an extension in the time specified for corrections. Hearing shall be granted only if requested within the time originally specified for corrections. Requested hearing shall be held promptly following receipt of request, and reasonable notice of the hearing shall be given the person or persons to whom the notice of violation or order was issued. Extensions shall be granted only after an administrative hearing at which time originally specified is shown to have been unreasonably given the adverse effect of the violation on the habitability or use of the premises, blighting influence of the

violation on the immediate neighborhood, the work required to make corrections and any documented financial hardship. Extensions shall be in writing including the basis therefor. Repealed.

Sec. 26-5-49. Prosecution of violation.

(a) The corporation council or an authorized assistant, shall, when requested by the court or by the buildings and engineering department, appear and act in any court in all cases arising out of violations hereunder.

(b) If a notice of violation or order is not complied with by the time specified therein or by the time specified in any extension granted hereunder, the department promptly shall request the corporation council or an authorized assistant to institute the appropriate proceedings at law (prosecution in traffic and ordinance division of recorder's court) or in equity to restrain, correct or abate such violation or to require the removal or termination of the unlawful use of the building or structure in violation of the provisions of this article or of the order or direction made pursuant thereto, such proceedings shall be instituted promptly in all cases.

(c) The total elapsed time from issuance of the notice of a major violation or order to the institution of appropriate proceedings at law or in equity shall not exceed six (6) months unless pursuant to a special extension granted by the department under special extension guidelines promulgated by the department. The guidelines for special extensions shall not be effective until approved by city council following a public hearing thereon.

(d) Special extensions shall be in writing, including the basis therefor; an up-to-date file of special extensions granted by the department shall be maintained and shall be available for public inspection.

(e) Special extensions shall be revocable upon finding that a change in circumstances has eliminated the basis therefor.

(f) The granting or denial of a special extension shall be appealable by any interested party to the director, buildings and safety engineering department. Repealed.

Sec. 26-5-50. Penalty.

Any person, or anyone acting in behalf of such person, violating any of the provisions of this article, or of any rule or regulation lawfully promulgated hereunder shall upon conviction thereof, be subject to a fine of not more than five hundred dollars (\$500.00), or to imprisonment for a period of not more than ninety (90) days or to both such fine and imprisonment in the discretion of the court. Repealed.

Section 2. All ordinances or parts of ordinances in conflict herewith be and the same is hereby repealed.

Section 3. This ordinance is declared necessary for the preservation of the pub-

lic peace, health, safety and welfare of the People of the City of Detroit.

Section 4. In the event that this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of the City Council Members serving, it shall become effective on the thirtieth (30th) day after enactment, or on the first business day thereafter, in accordance with Section 4-115(3) of the 1997 Detroit City Charter.
