 Honorable City Council:
 Re: Petition No. 1493 — Urban Design Inc., requesting outright alley vacation in the area of Michigan, Lumley, Elmer and Edsel Ford Service Drive. Petition No. 1493 of "Urban Design Inc.", at 53210 Jessica Lane,

Chesterfield Township, Michigan 48051, requests outright vacation of the East-West and a portion of the North-South public alleys, 18 feet wide, (vacated and converted into an easement on March 5, 2003 — J.C.C. Pgs. 705-08) in the block bounded by Michigan Avenue, 113 feet wide, Edsel Ford Service Drive, Lumley Avenue, 50 feet wide, and Elmer Avenue, 50 feet wide, for the construction of a New Family Dollar.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The request was referred to the City Engineering Division — DPW for investigation (utility clearances) and report. This is our report:

Comcast Cablevision reported involvement with a cost of \$453.00, Detroit Edison reported involvement with a cost of \$11,000.00, and SBC Telecommunication reported involvement, but no objection for the removing and/or rerouting services to maintain service to customers.

All other city department and private utility companies have reported no involvement to the requested right-of-way changes or satisfactory arrangements have been made.

I am recommending adoption of the attached resolution.

Respectfully submitted,
SUNDAY JAIYESIMI

City Engineering Division — DPW
