Honorable City Council:
 Re: Petition No. 1861 — Arab-American and Chaldean Council, et al, To vacate alley in the area of W. Seven Mile and Derby Avenue.

Petition No. 1861 of the "Arab-American and Chaldean Council, et al", request for the outright vacation of a

remaining portion of a north-south public alley (converted to easement November 10, 1953, J.C.C. Pg. 2566), 7.5 feet wide, and the east-west public alley, 15 feet wide, in the block bounded by Derby Avenue, 60 feet wide, John R. Avenue, 66 feet wide, West Seven Mile Road, 66 feet wide and Penrose Avenue, 50 feet wide, in order to facilitate the construction of the new ACC Youth Center at 62 W. Seven Mile Road.

The request was approved by Planning and Development Department, the Solid Waste Division — DPW, the Public Lighting Department and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report:

The Detroit Water and Sewerage Department (DWSD) reports there are existing sewers in the alley/easement requested for outright vacation that must remain in service. DWSD has no objection to the outright vacation provided the petitioner relocates the sewer and provides a suitable easement to DWSD. Also, the petitioner must comply with the provisions and requirements of the attached resolution.

The petitioner (Arab-American and Chaldean Council, et al) has made arrangements with Comcast Cablevision, DTE Energy — Detroit Edison and SBC for any costs for the removal, rerouting or relocation of their facilities within the project area.

All other involved city departments and privately owned utility companies have reported no objections to the changes in public rights-of-way or that satisfactory arrangements have been made. Provisions protecting utility installations (if necessary) are part of the resolution.

An appropriate resolution containing the necessary conditions is attached for consideration by your Honorable Body.

Respectfully submitted,
 SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW
 By Council Member Bates:

Resolved, All of the east-west public alley, 15.00 feet wide, lying northerly of and abutting the north line of Lots 1-5, both inclusive, and that portion of the north-south alley (converted to easement November 10, 1953, J.C.C. Pg. 2566), 7.5 feet wide, lying easterly of and abutting the east line of Lots 261 and 262 of "Lindale Park Subdivision" of Part of S.E. 1/4 of S.E. 1/4 of Section 2 T. 1 S. R. 11E., Greenfield Twp., Wayne County, Michigan, as recorded in Liber 32, Page 94, Plats, Wayne County Records;

Be and the same are hereby vacated as public alley(s) to become part and parcel of the abutting property, subject to the following provisions;

Provided, That the petitioner shall design and construct proposed lateral sewer and make the connections to the existing public sewers as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed buildings; and further

Provided, That the plans for the lateral sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed lateral sewers and to issue permits for the construction of the lateral sewers; and further

Provided, That the entire work is performed in accordance with plans and

specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire costs of the lateral sewer construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as DWSD deems necessary to cover the costs of these services, and that all work necessary to maintain the existing sewer service and/or to modify, alter, relocate and construct the sewer and access manholes (if necessary) is to be done by the petitioner at no cost to

DWSD; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the lateral sewers; and further

Provided, That the Board of Water Commissioners shall accept and execute the ease-
