Honorable City Council:

Re: Petition No. 2063 — Samir Bazzi, et al., requesting for conversion of alley to easement in the area of 10000 Plymouth Road and 11625 Wyoming Avenue.

Petition No. 2063 of "Samir Bazzi, et al.", requesting the conversion of East-West open public alley, 18 feet wide, in the block bounded by Wyoming Avenue, 66 feet wide, Washburn Avenue, 75 feet wide, Plymouth Road, 86 feet wide, and Chesapeake & Ohio Railroad, 60 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at anytime plans to discontinue use of the paved alley entrance, (into Wyoming Avenue), the petitioner shall pay all incidental removal cost.

All other city departments and privately owned utility companies have reported no objection to the conversion of public rights-of-way into private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer
