Honorable City Council:

Re: Petition No. 3325 — Steve Z. Oram, requesting for vacation of the alley in the area of Tarnow Street, Proctor, Michigan, and Edsel Ford Service Drive.

Petition No. 3325 of "Steve Z. Oram" at 29776 Wertham Court, Farmington Hills, Michigan 48331 request conversion of the Easterly portion of the East-West public alley, 18 feet wide, in the Block bounded by Edsel Ford Freeway, Michigan Avenue, 100 feet wide, Proctor Avenue, 50 feet wide, and Tarnow Avenue, 50 feet wide into a private for utilities. The closure will allow the petitioner to meet Planning and Development Department requirements for the renovation of the property at 7346 Michigan to be a clinic (Phoenix Recovery Center).

The request was approved by the Solid Waste Division-DPW, and the Traffic Engineering Division-DPW. The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Tarnow Avenue), The petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objection to the conversion of the public right-of-way into a private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

WILLIAM TALLEY

Head Engineer

City Engineering Division-DPW

By Council Member Collins:
