Honorable City Council:

Re: Petition No. 3523 — American Axle and Manufacturing request for the outright vacation of Vulcan Street, Fordyce Avenue, Marston Avenue and Morrow Avenue.

Petition No. 3523 of "American Axle and Manufacturing" at One Dauch Drive — Detroit, Michigan 48211, request the outright vacated of Morrow Avenue, 66 feet wide, Fordyce Avenue, 50 feet wide, and Vulcan Avenue, 30 feet wide all in the area of the Grand Trunk Railroad right-of-way, Marston Avenue, 66 feet wide, St. Aubin Avenue, 60 feet wide, and Euclid Avenue, 60 feet wide (vacated). This request is for the beautification and safety improvements for American Axle and Manufacturing World Headquarters and Detroit Gear and Axle/Detroit Forge Manufacturing Complex.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearances) and report. This is our report:

The Public Lighting Department (PLD) reports no objection to the proposed vacation. However, PLD have street lighting fixtures on Morrow, Fordyce and Vulcan, and will remove the fixtures at no cost to the petitioner after proper notification.

The Detroit Water and Sewerage Department (DWSD) reports no objection to the requested outright vacation provided that a private DWSD easement is reserved for the water mains and sewers, and the attached provisions for conversion to easement is part of this resolution.

Detroit Edison Company (DTE) reports a cost of \$21,200.00 for the removing and/or rerouting of Electric services. Also gas is involved because DTE have existing gas mains located in all streets to be vacated. DTE have a 12-inch Steel (50 psig) gas main in Morrow, 4-inch C.I. (10 psig) gas main in Fordyce and Vulcan. DTE request for a private easement to be reserved for DTE's facilities.

All other involved City departments and privately owned utility companies reported no objections or that satisfactory arrangements have been made. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
