Honorable City Council:
Re: Petition No. 4417. Golden Laser Dental Center, for vacation of the alley in the area of Kelly Road and Moross Street.

Petition No. 4417 of "Golden Laser Dental Center", whose address is 18525

Moross Avenue, Detroit, Michigan 48224, request for an outright vacation of a 5.00 feet portion of the East - West public alley, 20 feet wide in the block bounded by Kelly Avenue, 155 feet wide, Riad Avenue 60 feet wide, McCormick Avenue, 60 feet wide, Moross Avenue, 204 feet wide for the expansion of the Golden Dental Office.

The request was approved by the Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. This petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

The Detroit Water Sewerage Department (DWSD) reports no objection to the requested outright vacation provided that an easement is retained in that portion of the alley to be vacated for sewer purposes. In addition, the petitioner will be permitted to encroach into the sewer easement. Drawings of the proposed encroachment are to be approved by the DWSD prior to construction and the work is subject to inspection by DWSD. Also, the petitioner will be responsible for any damage to DWSD's facilities caused by the encroachment and also agrees to hold DWSD harmless for any damage to the encroaching device caused by a failure of DWSD's facilities. Provision for conversion to easement and for encroaching are part of the resolution.

Detroit Edison Company — Electric (DTE) reports overhead lines in the north lead of the East - West public alley. DTE have no objection to the requested 5.00 feet outright vacation provided that the overhead lines are not disturbed.

All other city departments and privately owned utility companies have reported no objections to the changes of the public rights-of-way. Provisions protecting utility installations are part of this resolution (if necessary).

I am recommending adoption of the attached resolution.

Respectfully submitted,
WILLIAM TALLEY
Head Engineer

City Engineering Division — DPW
By Council Member Watson:
