 Honorable City Council:
 Re: Petition No. 740 — Fallah Younan,
 request to vacate the alley abutting

2940 E. Eight Mile Rd. and convert into public easement.
 Petition No. 740 of "Fallah Younan", request for the conversion of east-west public alley, 20 feet wide, in the area South of East Eight Mile Road, 204 feet wide, and between Harned Avenue, 75 feet wide, and Mitchell Avenue, 50 feet wide, into a private easement for utility companies. This closure will provide the property owner the right to barricade/fence the alley to prevent illegal dumping. The request was approved by the Solid

Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for the public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

MANILAL PATEL

Interim City Engineer

City Engineering Division — DPW

By Council Member Brown:
