**Department of Public Works
 City Engineering Division**
 January 20, 2011

Honorable City Council:
 Re: Petition No. 751 — Detroit Public School, request to vacate existing utility easements within previously vacated R.O.W. bounded by Cameron Avenue, Wellington Avenue, Chrysler Freeway (I-75) and Euclid Avenue.
 Petition No. 751 of "Detroit Public School" request the outright vacation of

certain public rights-of-way (vacated and converted to easement on October 2, 1973 — J.C.C. Pgs. 2523-24) in the block bounded by Wellington Avenue, 60 feet wide, Euclid Avenue, 60 feet wide, Cameron Avenue, 60 feet wide and Walter P. Chrysler Freeway. This vacation is needed for the construction of a new Office of Public Safety Headquarter located at 8500 Cameron.

The request was approved by the Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

All other city departments and private utility companies have reported no objec-

tions to the changes of the public rights-of-way. Provisions protecting utility installations are part of this resolution (if necessary).

I am recommending adoption of the attached resolution.

Respectfully submitted,

MANILAL PATEL

Interim City Engineer
