Honorable City Council:

Re: Petition No. 1023 — DFS LLC, request to vacate alley and convert to public easement property abutting 6876 Michigan and 4651 Braden.

Petition No. 1023 of "DFS LLC", request the conversion the easterly portion of the East-West public alley, 20.00 feet wide, in the block bounded by Horatio Avenue, 50 feet wide, Michigan Avenue, 100 feet wide, Larkins Avenue, 60 feet wide, and Braden Avenue, 50 feet wide, into a private easement for utilities. This closure will facilitate the necessary land needed for the McDonald's expansion project.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately

owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY
