Honorable City Council:

Re: Petition No. 1027 — Robert Vanderpool, for vacation of alley and conversion to public easement of property abutting 17810 E. Warren to 17830 E. Warren.

Petition No. 1027 of "Robert Vanderpool", request the conversion of the East-West public alley, 20 feet wide, in the block bounded by East Warren Avenue, 105 feet wide, Cornwall Avenue, 60 feet wide, Lodewyck Avenue, 60 feet wide, and Marseilles Avenue, 75 feet wide, into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

**RICHARD DOHERTY**

City Engineer

City Engineering Division — DPW
