Honorable City Council:

Re: Petition No. 2084 — Kings Auto Sales, request conversion of alley to easement of abutting property between Fenelon and Conley behind 5020 E. Eight Mile Road.

Petition No. 2084 of "King Auto Sales", request for the conversion of the East-West public alley, 20 feet wide, in the block bounded by East Eight Mile Road, 204 feet wide, Hamlet Avenue, 60 feet wide, Fenelon Avenue, 60 feet wide, and Conley Avenue, 60 feet wide into an easement for the utilities.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

City Engineer

City Engineering Division — DPW
By Council Member Jones:
