Honorable City Council:

Re: Petition No. 2156 — Cass Community Social Services, to vacate existing public alley located in Robert Oakman's Monterey Heights Subdivision near the corner of Woodrow Wilson and Elmhurst, adjacent to 1584 Elmhurst.

Petition No. 2156 of "Cass Community Social Services", request the conversion to easement a portion of the north-south public alley, 18.00 feet wide, in the block bounded by Monterey Avenue, 50 feet wide, Elmhurst Avenue, 50 feet wide, Woodrow Wilson Avenue, 85 feet wide, and the John C. Lodge Freeway into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

City Engineer

City Engineering Division — DPW

By Council Member Jones:
