Honorable City Council:  
 Re: Petition No. 131, Crossroads of Michigan, request to vacate the Dead-End alley off of 15th Street, immediately South of West Grand Boulevard.  
 Petition No. 131, Crossroads of Michigan, request conversion of the West part of the East-West public alley, 20 feet wide, in the block bounded by 15th Street, 60 feet wide, 14th Street, 80 feet wide, Ferry park Avenue, 60 feet wide and West Grant

Boulevard, 150 feet wide, into a private easement for utilities.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request will enable Summit Medical Center to consolidate their properties and provide a secure parking area for their facilities.

All City departments and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

Provisions protecting utility installations are part of the attached resolution. Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to

easement. The specific DWSD provisions for easements are included in the resolution. Public Lighting Department (PLD) has no objection to the conversion to easement. The specific PLD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division — DPW

Emergency Manager:  
 Re: Petition No. 2417, Invest Detroit, for vacation of the alley located east of 3100 Woodward; to ingress and egress a proposed secure parking area dedicated to the commercial space at the first floor. Correction: deletion of call for deed in resolution.  
 Petition No. 2417 by David Blaszkiewicz requests the conversion of the north-south public alley, 20 feet wide, in the

block bounded by Watson Street, 50 feet wide, Erskine Street, 50 feet wide, Woodward Avenue, 120 feet wide and John R. Street, 60 feet wide into an easement for utilities granted by City of Detroit Emergency Manager on August 22, 2013.

However, a review by the Law Department has been made and the part of the resolution calling for the City to deed the alley is not needed and so should be deleted. The deleted paragraph is represented in bold and by strikethrough line.

An appropriate resolution, correcting the call for deed, is attached for your consideration.

I am recommending adoption of the attached corrective resolution.
