Honorable City Council:

Re: Petition No. 2689 — Park Rite, request permission to vacate the alley and convert it into an easement located at 328-340 Macomb and 301-349 Monroe (the alley is located west of Brush between Monroe and Macomb.

Petition No. 2689 of "Park Rite", request for the conversion of the east west alley in the block bounded by Monroe Avenue, 50 feet wide, Macomb Street, 50 feet wide, Randolph Street, 120 feet wide and Brush Street, 50 feet wide, into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City departments and privately owned utility companies have reported no objections to the conversion of public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of this resolution.

Detroit Water and Sewerage Department (DWSD) have no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Public Lighting Department (PLD) has no objection to the conversion to easement. PLD reports they have facilities in the area and provisions to protect these facilities and to provide access are included as part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

City Engineer

City Engineering Division — DPW
