Honorable City Council:
 Re: Petition No. 2768, UrbanTECH, request the conversion to easement of the northerly portion of the north-south public alley, 18 feet wide, in the block bounded by Forest, Prentis, Second and Third Avenue(s).
 Petition No. 2768, UrbanTECH, LLC, on behalf of "4625 LLC and Pied-a-terre" 4268 Second Avenue, Detroit, Michigan 48201, request vacation and conversion to easement of the northerly part of the

North-South public alley, 18 feet wide, in the block bounded by West Forest Avenue, 70 feet wide, Prentis Avenue, 60 feet wide, Second Avenue, 100 feet wide and Third Avenue, 70 feet wide, into a private easement for public utilities.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City Departments and privately-owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for the public utilities. The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

Provisions protecting utility installations are part of the attached resolution. Detroit Water and Sewerage Department (DWSD) has no objection to the conver-

sion to easement. The specific DWSD provisions for easements are included in the resolution, Public Lighting Department (PLD) reports being involved, but with no objection to the conversion to easement.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.,
City Engineer

City Engineering Division — DPW
By Council Member Benson:

ment without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such

broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into West Forest Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
