Honorable City Council:

Re: Petition No. 410 — Michigan Humane Society, request to outright vacate certain public right-of-ways bound by I-75 Service Drive, Cameron Street, Melbourne Street and Marston Street.

Petition No. 410 — Michigan Humane Society request for the outright vacation of sewer easements, 18 feet wide, in the block bounded by Clay Avenue, 66 feet wide, Euclid Avenue, 50 feet wide, Cameron Avenue, 66 feet wide and Chrysler Freeway southbound service drive.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report:

The request is being made in order to facilitate the construction of the new Michigan Humane Society Animal Care Facility to be located at 7887 Chrysler Service Drive, Detroit, Michigan, 48211.

The sewer easement is within a vacated alley and on private property. The alley was outright vacated by Detroit Common Council August 14, 1917 and October 21, 1924.

The Detroit Water and Sewerage Department (DWSD) has reported no objections to the sewer easement vacation, provided the petitioner agrees to relocate the sewers in accordance with certain provisions and at no cost to DWSD. All other city departments and private utility companies have no involvement to the changes of the sewer easement.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer
City Engineering Division — DPW
