

All City Departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Public Lighting Department (PLD) reports no involvement in the subject alley.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if at any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or

appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Washburn Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
