Re: Petition No. 339 Our Lady of the Rosary, request the closing of the southerly half of the north-south public alley, 20 feet wide, in the block bounded by Woodward Ave., John R St., Edsel Ford Fwy. and Harper Ave.

The request is for a permanent easement for the above north-south alley.

Petition No. 339 — Our Lady of the Rosary, request to vacate and convert to easement the south half of the north-south public alley, 20 feet wide, in the block bounded by Edsel Ford Freeway westbound service drive, Harper Avenue, 80 feet wide, Woodward Avenue, 120 feet wide and John R Street, 80 feet wide.

This request is being made to provide security and to maintain all the surrounding Church property.

The petition was referred to the City

Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City departments, including the Public Lighting Department, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
