Honorable City Council:

Re: Petition No. 541 — Detroit Pastoral Alliance, request the conversion of an alley to easement in the area of Gratiot Avenue, Holcomb Avenue and Belvidere Avenue for the purpose of a new building located at 9100 Gratiot.

Petition No. 541 — Detroit Pastoral Alliance, request to vacate and convert to easement the east half of the north-south alley, 20 feet wide in the block bounded by Cairney Avenue, 60 feet wide, Gratiot Avenue, 120 feet wide, Holcomb Avenue, 60 feet wide and Belvidere Avenue, 60 feet wide.

The request is being made for a development on Gratiot and will allow for a secure parking area in the rear of the building.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

All involved City Departments, including the Public Lighting Department, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into private easement for public utilities. Provisions protecting utility installations are part of this resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW
