Honorable City Council:
 Re: Petition No. 643, Wanda Riley, request to close off alley at 432 Conner and 470 Navahoe.

Petition No. 643 — Wanda Riley et al, request to vacate and convert to easement the north-south alley, 18 feet wide, in the block bounded by Avondale Avenue, 60 feet wide, Essex Avenue 60 feet wide, Conner Avenue, 50 feet wide and Navahoe Avenue, 50 feet wide.

This request is being made to provide security and to prevent illegal dumping in the alley.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City Departments, including the Public Lighting Department, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific

DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
