Honorable City Council:

Re: Address: 15892 Rosemont. Name: Hard Rock Services INC. Date ordered removed: June 21, 2011 (JCC pg. 1415).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information.

A special inspection on May 6, 2016 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the third deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.
2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:
 - Certificate of Acceptance related to building permits
 - Certificate of Approval as a result of a Housing Inspection
 - Certificate of Inspection, required for all residential rental properties.
3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if condi-

tions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL
Director

By Council Member Benson:

Resolved, That resolutions adopted June 21, 2011 (J.C.C. pg. 1415) for the removal of dangerous structures at various locations, be and the same is hereby amended for the purpose of deferring the removal order for dangerous structure, only at 15892 Rosemont for a period of six (6) months, in accordance with the one (1) foregoing communication.

Honorable City Council:

Re: Petition No. 762, Jeff Klein, request to vacate the alley behind his property located at 3138 Rosa Parks Blvd.

Petition No. 762 – Jeff Klein, request to vacate and convert to easement the north-south public alley, 14 feet wide, in the block of Elm Street, 50 feet wide, Ash Street, 50 feet wide, Rosa Parks Boulevard, 54.84 feet wide and Harrison Avenue, 65 feet wide.

This request is being made to consolidate the owner's property, to provide security and to prevent illegal dumping.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

All involved City departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, All of the north-south public alley, 14 feet wide, in the block of Elm Street, 50 feet wide; Ash Street, 50 feet wide, Rosa Parks Boulevard, 54.84 feet wide and Harrison Avenue, 65 feet wide and described as:

Land in the City of Detroit, Wayne County, Michigan being the north-south public alley, 14 feet wide, lying easterly of and adjoining the easterly line of Lots 1 through 6 both inclusive, and the westerly 115 feet of Lots 7, 8 and 36; also lying westerly of and adjoining the westerly line of Lot 2 and the easterly 62 feet of Lots 7 and 8 and the easterly 66 feet of Lot 36 "Plat of J.C. Goodrich's Subdivision of Lot 35, Block or Section 5 of the Subdivision of the Thompson Farm" as recorded in Liber 6, Page 32 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public alley and converted into a private easement for public utilities of the full width of the alley, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and

that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guides post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future,

the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That the Public Lighting Department (PLD) shall have 24-hour unimpeded heavy truck access way over

said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing PLD facilities contained therein, and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrances (into Ash Street Avenue or Elm Street) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
