Honorable City Council:

Re: Petition No. 744 — Mary Joanides, request to close off the alley behind 300 East Eight Mile Road.

Petition No. 774 — Mary Joanides, request to vacate and convert to easement the east-west public alley, 16 feet wide, and amended to include the north-south alley, 18 feet wide, all in the block of Winchester Avenue, 50 feet wide, East Eight Mile Road, 204 feet wide, Coventry Avenue, 75 feet wide and Keating Avenue, 75 feet wide.

The request is being made to provide security and prevent illegal dumping for the businesses on Eight Mile Road and the homeowners on Coventry Avenue and Keating Avenue.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

All involved City Departments, including the Public Lighting Department, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into private easement for public utilities. Provisions protecting utility installations are part of this resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW
