Honorable City Council:
 Re: Petition No. 2668 Winner's Chapel, request permission to fence in and close the street at 15330, 15331, 15336, 15345 and 15355 Keibler.
 Petition No. 2668 Winner's Chapel, requests conversion of part of Keibler Avenue, 60 feet wide, into a private easement for utilities; Keibler Avenue lying easterly of the public alley, 20 feet wide, first East of Greenfield Avenue and lying

westerly of the public alley, 18 feet wide, first West of Whitcomb Avenue.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request will enable Winner's Chapel to consolidate their properties and to provide secure parking.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

Provisions protecting utility installations are part of the attached resolution. Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD

provisions for easements are included in the resolution. Public Lighting Department (PLD) has no objection to the conversion to easement. The specific PLD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
