Honorable City Council:

Re: Petition No. 911 — Professional Contracting & Consulting, Inc., request to vacate alley that lies between Brace St. to the West and Greenview St. to the East to extend the parking lot of the Religious Institute, Tawheed Center of Detroit.

Petition No. 911 — Professional Contracting and Consulting, Inc. on behalf of Tawheed Center of Detroit, request to vacate and convert to easement the east-west public alley, 20 feet wide, first north of West Warren Avenue in the block of West Warren Avenue, 110 feet wide, Sawyer Avenue, 50 feet wide, Brace Avenue, 50 feet wide and Greenview Avenue, 50 feet wide.

The request is being made in order to consolidate the owner's property, to provide secure parking.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

The Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

P.E., City Engineer

City Engineering Division — DPW
