Honorable City Council:

Re: Petition No. 1133 — Giffels Webster, request to vacate the public alley in the area bounded by Trumbull St., 8th Street, Plum Street and W. Elizabeth Street,

Petition No. 1133 — Giffels Webster,

request for outright vacation of the east-west alley, 9 feet wide in the block bounded by Trumbull Avenue, 100 feet wide, 8th Street, 50 feet wide, Plum Street, 50 feet wide, and West Elizabeth Street, 50 feet wide.

The request is being made in order to consolidate the properties.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

DTE Energy — Electric (DTE-E) and AT&T both report being involved. The developer will need to remove or relocate their equipment and install required equipment for service in the area.

The Detroit Water and Sewerage Department (DWSD) and Public Lighting Department (PLD) and Public Lighting Authority (PLA) report no involvement.

All other City departments and utilities have reported no objections to the vacations and provisions for all utility relocations have been made a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERBY

P.E., City Engineer
