Honorable City Council:

Re: Petition No. 1291 — Giffels Webster, request to vacate the surface of portions of the public alley right-of-way bounded by W. Adams Avenue, Park Avenue, Bagley Avenue, and Clifford Street.

Petition No. 1291 — Giffels Webster on behalf of ODM Parking Properties, LLC and 136 Bagley, LLC, request to vacate and convert to subsurface easement the east-west public alley, 20 feet wide and variable width, in the block bounded by West Adams Avenue, 60 feet wide, Park Avenue, 60 feet wide, Bagley Avenue, 120 feet wide, and Clifford Street, 60 feet wide.

The request is being made for use with the existing surface parking lot.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, including, Public Lighting Authority and Public Lighting Department, also privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for

public utilities. Provisions protecting utility installations are part of the attached resolution.
