Honorable City Council:  
 Re: Petition No. 1335 Prince Concepts  
 LLC, request to vacate alley between  
 2456 W. Hancock and 4803-4883  
 16th Street.

Petition No. 1335 by Prince Concepts  
 LLC to vacate and convert to easement  
 the north-south public alley, 20 feet wide,  
 in the block bounded by Hancock Avenue,

70 feet wide, West Warren Avenue, 100  
 feet wide, 17th Street, 60 feet wide, Grand  
 River Avenue, 100 feet wide, and 16th  
 Street, 60 feet wide.

The petition was referred to the City  
 Engineering Division — DPW for investi-  
 gation (utility review) and report. This is  
 our report.

The request is being made to consoli-  
 date property for development and to pre-  
 vent blight on an unused dead-end alley.

The request was approved by the Solid  
 Waste Division — DPW, and Traffic  
 Engineering Division — DPW.

Detroit Water and Sewerage  
 Department (DWSD) has no objection to  
 the conversion to easement. The specific  
 DWSD provisions for easements are  
 included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY  
P.E., City Engineer
