Honorable City Council:

Re: Petition No. 809 — Detroit Pastoral Alliance, request permission for the conversion of an alley vacation/easement in the area of Gratiot Avenue, Belvidere Avenue and Lambert Avenue.

Petition No. 809 — Detroit Pastoral Alliance, request to vacate and convert to

easement the north-south alley, 20 feet wide, in the block of Gratiot Avenue, 120 feet wide, Edsel Ford Freeway, Lambert Avenue, 60 feet wide and Belvidere Avenue, 60 feet wide.

This request is being made to provide security and to consolidate the properties.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the DPW — Solid Waste Division and Traffic Engineering Division.

All involved City Departments, including the Public Lighting Department and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into private easement for public utilities. Provisions protecting utility installations are part of this resolution.

Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
