Honorable City Council:

Re: Petition No. 1712 — J. Blacksher request to vacate an alley located on Helen Street between Theodore and Farnsworth.

Petition No. 1712 — J. Blacksher request to vacate and convert to easement the east-west public alley, 20 feet wide, and the north-south alley, 15 feet wide, first east of Helen Street, all in the block of Theodore Avenue, 50 feet wide, Farnsworth Avenue, 60 feet wide, Helen Street, 60 feet wide, and East Grand Boulevard, 150 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to close off two unused alleys in the block and for the resident's security.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy-electric reports involvement and require access to their facilities. A provision for DTE Energy access is included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
