Honorable City Council:

Re: Petition No. 1823 Union Capitol Development, LLC request to vacate an alley located behind 3729 W. Chicago.

Petition No. 1823 Union Capitol Development, LLC request to vacate and convert to easement the east-west public alley, 16 feet wide, in the block of

Longfellow Avenue, 50 feet wide, West Chicago Avenue, 60 feet wide, McQuade Avenue, 50 feet wide and Dexter Avenue, 100 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being on behalf of the Salvation Army to establish a day care for children with a playground that is accessible without crossing the alley.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific

DWSD provisions for easements are included in the resolution.

DTE Energy - electric reports involvement and they will relocate their services at project cost. A provision for DTE Energy relocation is included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer
