Honorable City Council:

Re: Petition No. 387 — Deon Clark, request for conversion to easement of the east-west and north-south alley bounded by West Chicago Avenue, Sorrento Avenue, Steel Avenue, and Westfield Avenue.

Petition No. 387 — Deon Clark, request to vacate and convert to easement the north-south and east-west alleys, 16 feet wide, and the north-south alley, 16 feet wide, in the block of Sorrento Avenue, 60 feet wide, Steel Avenue, 60 feet wide,

West Chicago Avenue, 66 feet wide, and Westfield Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to facilitate program services.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW. Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement.

The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
