Honorable City Council:

Re: Petition No. 586 – Trinity Detroit Management, LLC request to vacate and convert to easement the public alley between Hern Avenue and Olga Avenue, bounded by Malcolm Avenue, Gunston Avenue, and Connor Avenue.

Petition No. 586 – Trinity Detroit Management, LLC request to vacate and convert to easement the public alley between Hern Avenue (60 ft. wide) and Olga Avenue (80 ft. wide), bounded by Malcolm Avenue (60 ft. wide), Connor Avenue (86 ft. wide), and Gunston Avenue (60 ft. wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to improve the safety of adjacent property owners and to eliminate an unimproved alley from the City’s right-of-way network.

The request was approved by the Solid Waste Division – DPW, and Traffic Engi-

neering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division – DPW
