April 8, 2019

Honorable City Council:

Re: Petition No. 639 — Pope Francis Center, request to vacate easements for the property located at 3769 Canfield Street.

Petition No. 639 — Pope Francis Center, request to vacate all remaining easements in the Block bounded by Canfield Avenue, 60 feet wide, Garfield Avenue, 60 feet wide, Ellery Street, 60 feet wide, and Mt. Elliott Avenue, 60 feet wide.

The request is being made to render the parcel of land unencumbered for a

future development. The alleys in the block have been previously vacated with subsurface easements and sewer easements. Resolutions previously approved by your Honorable Body include: 1) Alley vacation approved on October 15, 1929 and dedication accepted October 29, 1929. 2) Alleys vacated reserving a sewer easement approved October 9, 1962 on J.C.C. pg. 2331. 3) Alleys vacated reserving a subsurface utility easement approved January 25, 1978 on J.C.C. pgs. 160-162.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacation. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
City Council Member Benson:

Resolved, That all remaining easements in the Block bounded by Canfield Avenue, 60 feet wide, Garfield Avenue, 60 feet wide, Ellery Street, 60 feet wide, and Mt. Elliott Avenue, 60 feet wide; all being land in the City of Detroit, Wayne County, Michigan further described as:

Be and the same are hereby vacated (outright) as public rights-of-way/ease-

ments to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services or granting of private easements for specific utility companies, if necessary, and further

Provided, That the petitioner shall design and construct proposed sewers and to make the connections to the existing public sewers as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers, and further

Provided, That the plans for the sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers, and further

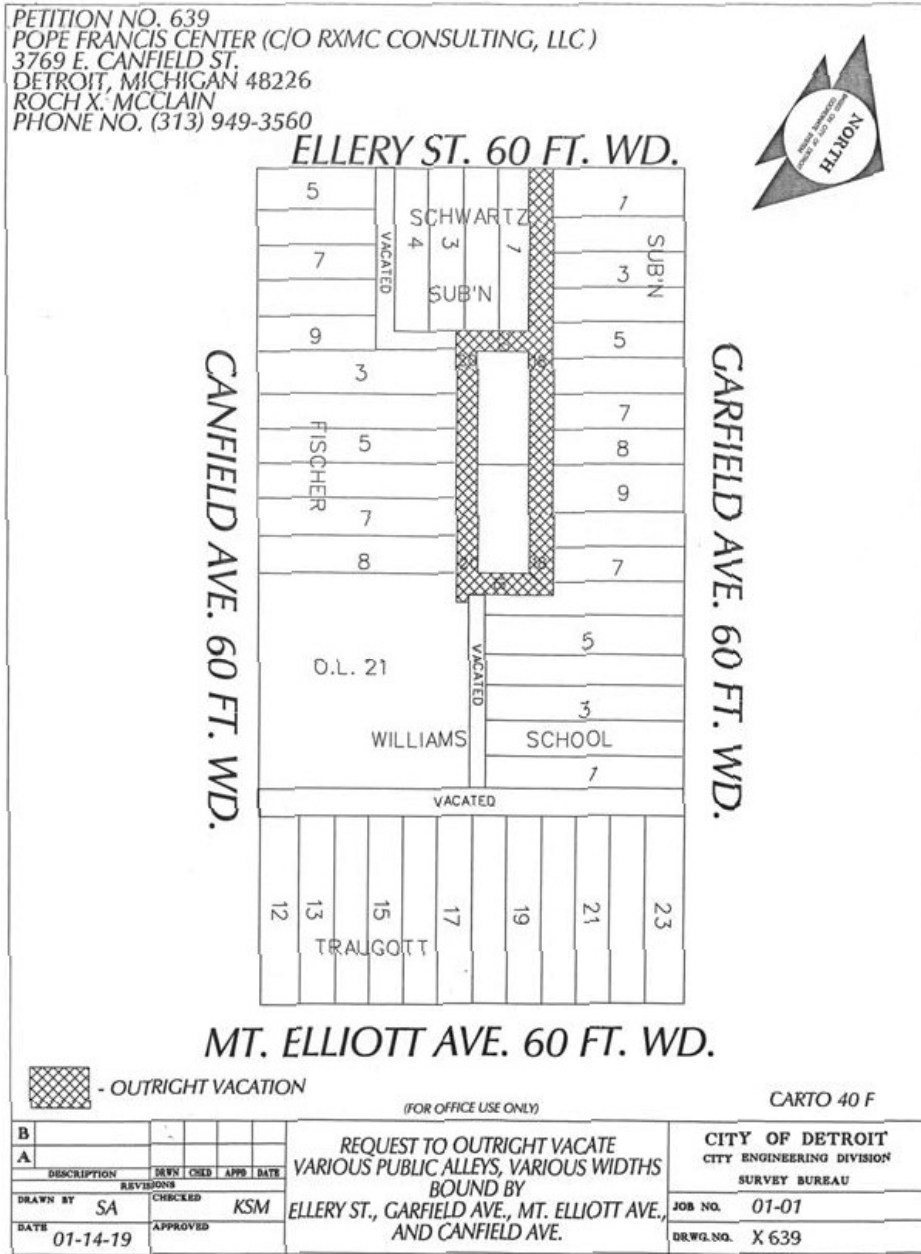

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers, and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. And any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division - DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Buildings, Safety Engineering and Environmental Department
 April 9, 2019

Honorable City Council:
 Re: Recommendation For Deferral.
 Address: 6380 Ashton. Name: Vendee Mortgage Trust 2003-1.
 Demolition Ordered: September 18, 2018 (J.C.C. pgs ____).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engi-

neering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on April 4, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.
2. BSEED will schedule a Progress
