Honorable City Council:

Re: Petition No. 1266 — Henry Ford Health System request to vacate and convert to easement a segment of the public alley bounded by West Grand Blvd., Lincoln Avenue, Holden Avenue, and Trumbull Avenue.

Petition No. 1266 — Henry Ford Health System request to vacate and convert to easement a segment of the public alley bounded by West Grand Blvd, 150 ft. wide, Lincoln Avenue, 60 ft. wide, Holden Avenue, 66 ft. wide, and Trumbull Avenue 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to consolidate parcels related to the Henry Ford Health Systems South Campus.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E
