Honorable City Council:

Re: Petition No. 1416 — City of Detroit: General Services Department request to vacate to utility easement part of the east-west public alley bounded by the John C. Lodge Service Drive, Philadelphia Avenue, 3rd Avenue, and Euclid Avenue.

Petition No. 1416 — City of Detroit: General Services Department request to vacate to utility easement part of the east-west public alley bounded by the John C. Lodge Service Drive, Philadelphia Avenue, 66 ft. wide, 3rd Avenue, 80 ft. wide, and Euclid Avenue, 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in part of the development of a new public park at Philadelphia Avenue and 3rd Avenue.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.
