Re: Petition No. 1425 — City of Detroit: Department of Public Works request to vacate to utility easement the east-west alley adjacent to 10448 Merlin Street, bounded by Merlin Street, McKinney Avenue, Meuse Street, and Cadieux Road.

Petition No. 1425 — City of Detroit: Department of Public Works request to vacate to utility easement the east-west alley adjacent to 10448 Merlin Street, bounded by Merlin Street, 60 ft. wide, McKinney Avenue, 60 ft. wide, Meuse Street, 60 ft. wide, and Cadieux Road, 106 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is made to reduce unimproved alleys from the City right of way network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the

vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
