Department of Public Works
City Engineering Division
April 26, 2022

Honorable City Council:
Re: Petition No. 2022-125 — ODM Parking, LLC request to vacate various alleys in the block bounded by Temple Avenue, Park Avenue, Sproat Street, and Cass Avenue.

Petition No. 2022-125 — ODM Parking, LLC request to vacate various alleys, varied width, in the block bounded by Temple Avenue, 60 ft. wide, Park Avenue, 60 ft. wide, Sproat Street, 50 ft. wide, and Cass Avenue 80 ft. wide.

The petition was referred to the City Engineering Division DPW for investigation (utility review) and report. This is our report.

The request is made as part of a consolidation of property by adjacent owners.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
 RICHARD DOHERTY, P.E.
 City Engineer

City Engineering Division — DPW

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and or relocation.
