Honorable City Council:

Re: **Petition No. x2022-313** — Southwest Housing Solution request to vacate to utility easement the public alley bounded by Junction Avenue, Buchanan Street, 33rd Street, and Jackson Street.

**Petition No. x2022-313** — Southwest Housing Solution request to vacate to utility easement the public alley bounded by Junction Avenue, 50 ft. wide, Buchanan Street, 60 ft. wide, 33rd Street, 50 ft. wide, and Jackson Street, 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is made as part of a consolidation of property related to a recreational park proposed at the location. The petitioner was unable to secure the required 2/3 support from adjacent owners due to the number of unoccupied or vacant lots adjacent. However, due to the nature of this request the City Engineering Division requests the consideration of your Honorable Body.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Santiago-Romero:
